Towards Cash Waqf Among Kota Tinggi Residents

Signature of Student : 

Date : June 2019

ABSTRACT

Cash waqf is one of the instruments that have that the purpose wants to attract and encourage more individuals to take a part in this waqf. This study provides information regarding the level of awareness towards cash waqf among Kota Tinggi residents. It helps the waqf institutions that manage all the funds of waqf that influencing level of awareness towards cash waqf. This study also to determine the factors that influencing the awareness of cash waqf in Kota Tinggi. The objective of this study is to identify the relationship between the selected data on the level awareness towards cash waqf which is the three independent variables such as religion obligation, subjective norm and knowledge. The data was collected by using SPSS software. This study conducted through primary data which is using questionnaire and secondary data which is from the past research. The questionnaire was distributed among Kota Tinggi residents.

ACKNOWLEDGEMENT

Alhamdulillah, all praise to ALLAH, the most merciful and the most benevolent for giving me the opportunities in completing this research paper on time in order to fulfil the graduation requirement of Bachelor of Business Administration (Hons.) Islamic Banking. It would be possible for me spent time to complete this study without the grace and help of ALLAH S.W.T.

Firstly, I wish to thank God for giving me the opportunity to embark on my thesis and for completing this long and challenging journey successfully. My gratitude and thanks go to my coordinator Madam Aflah Binti Isa @ Darami and my advisor Ustaz Mohamad Zaki Bin Razaly. Without her/his encouragement, suggestions, ideas and comment throughout this study, this research could not be completed.

Besides, I would like to thank to University Technology Mara (UITM) Johor, Segamat Campus for providing me with a good environment and facilities to complete this project.

Other than that, this thesis is dedicated to the loving memory of my very dear Encik Norazman Bin Mohd Nor, my father and Puan Salmah Binti Madon, my mother for the vision and determination to educate me. I want them to know that I really appreciate what they have done to me. This piece of victory is dedicated to both of you. Alhamdulillah.

Not be forgotten, I wish to express my deepest attitude to all my friends that involve directly and indirectly who share the experience, time and commitment. Without helps of the particular mention above, I would face many difficulties while doing this. Thank you.
