

# High-impact open access journals

Publishing in open access journals is compatible with publishing in high-impact journals.

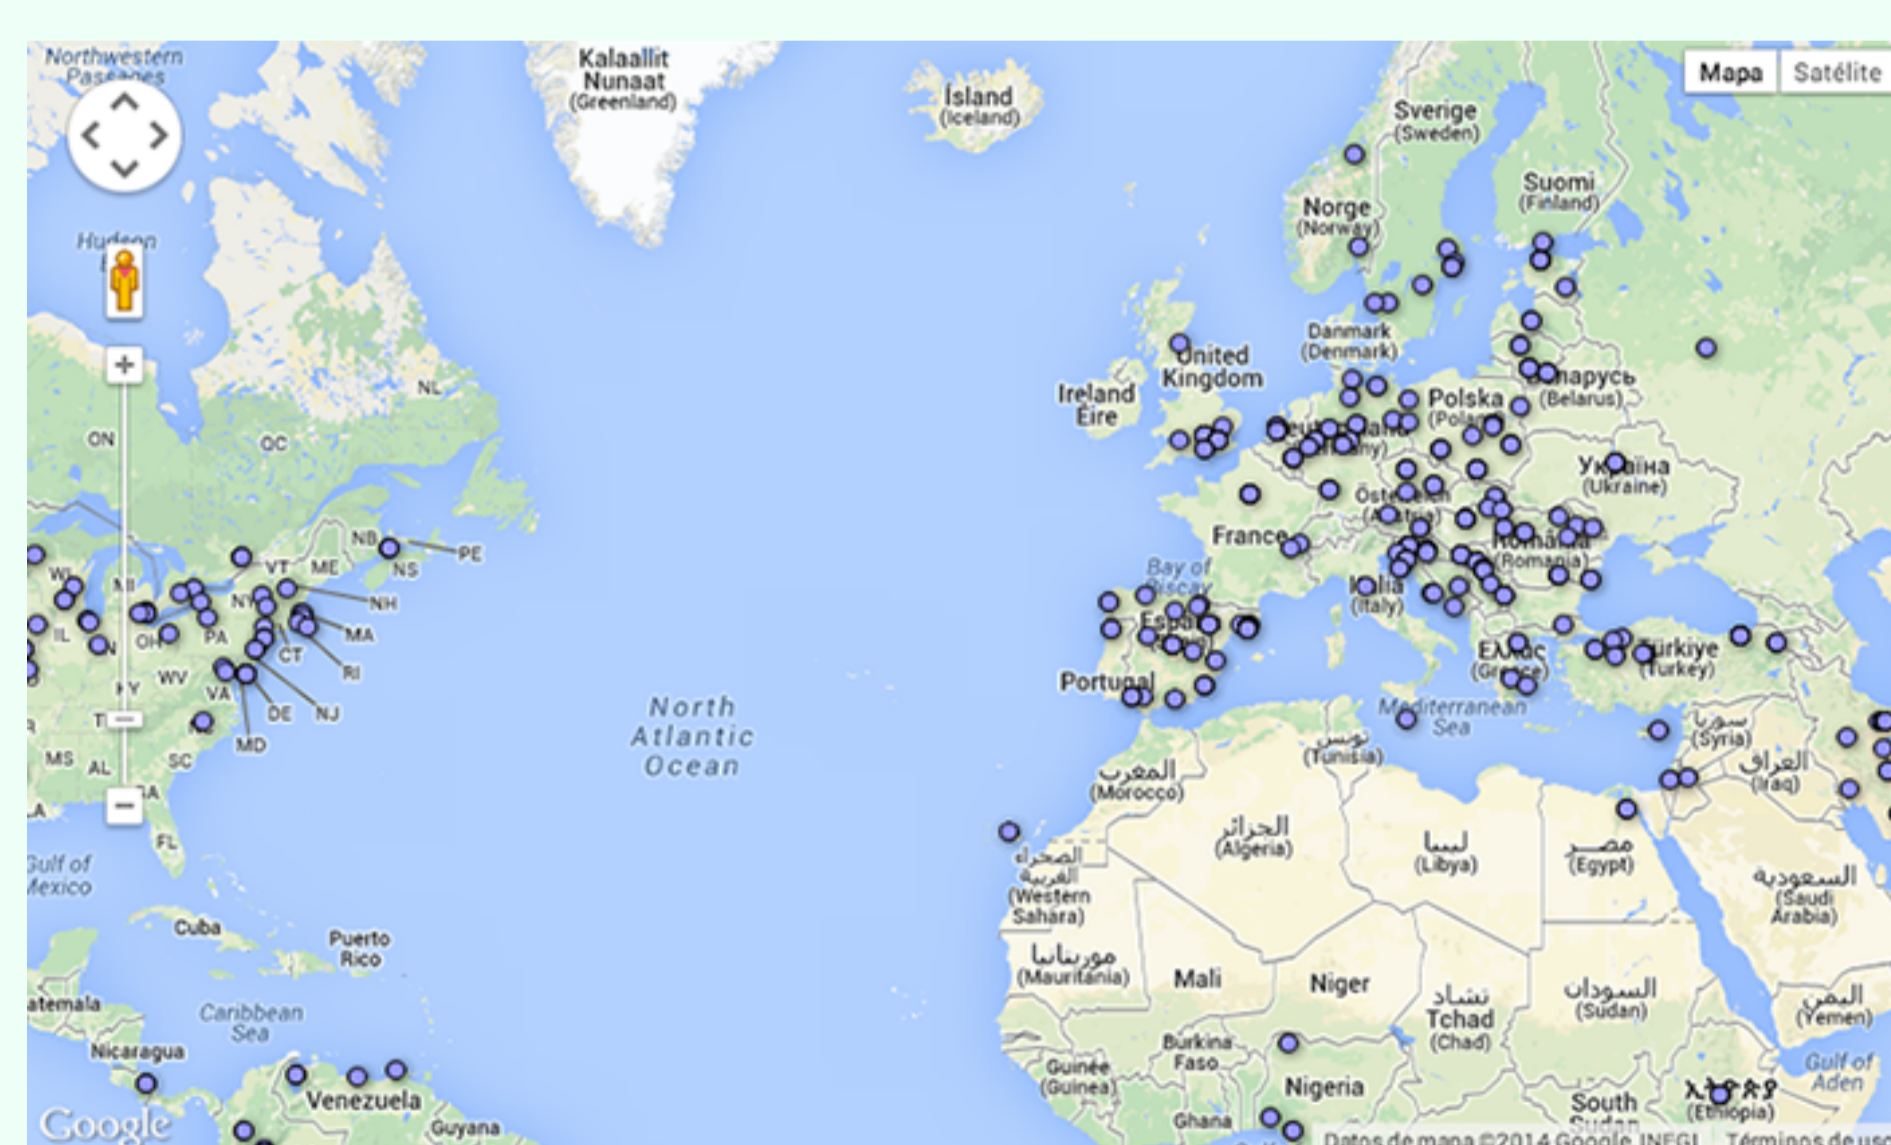

## Process

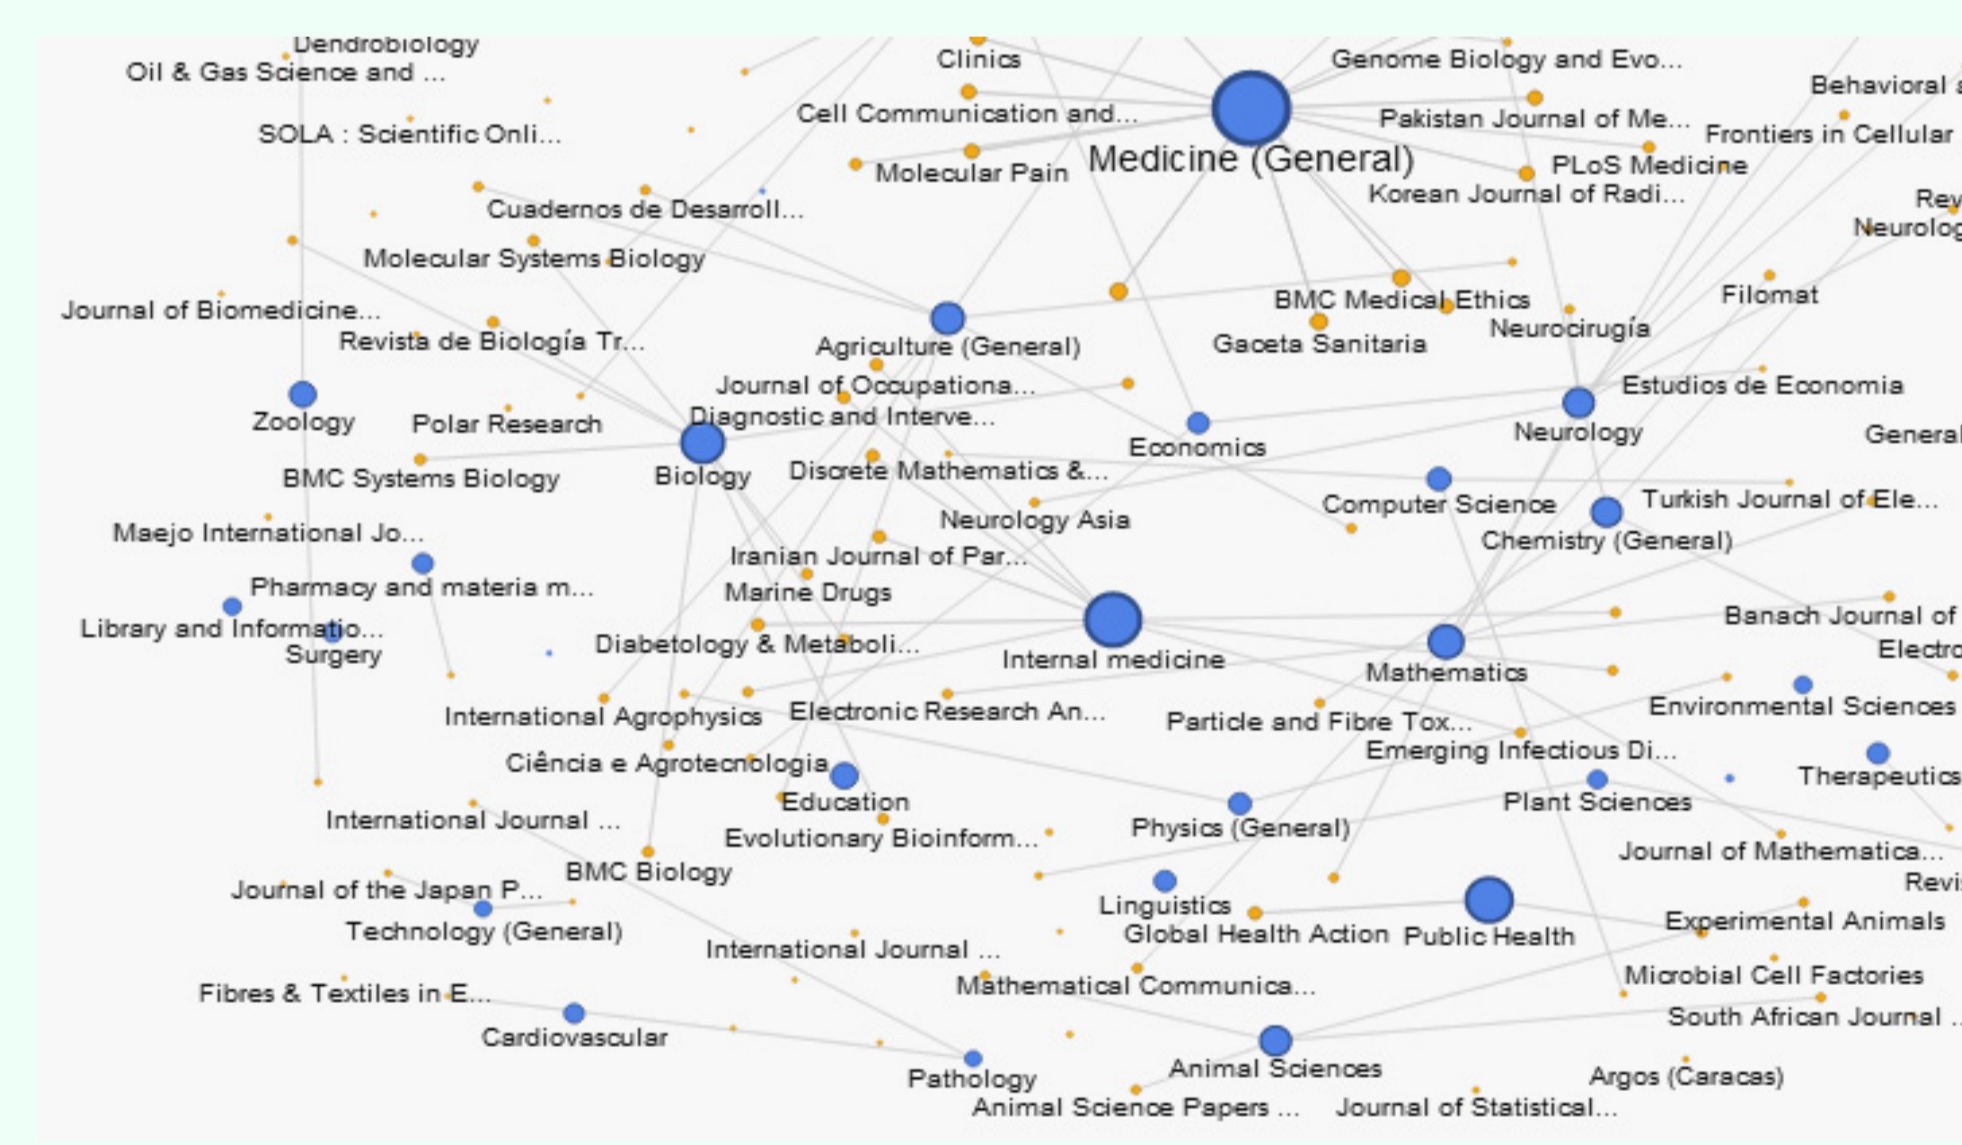

## Result

### Visualization:

#### › Publishers geolocation

#### › Subjects of journals

### Provide:

- › List of open access journals on Scopus.
- › List of open access journals on Web of Science, both for JCR Social Science and JCR Science.

### Allow:

- › Download the raw data in different formats: txt, xls, Google Drive.

Tool:
