

Tuesday night
3/6/84

My dear Andrew,

As I find there is
a mail closing tomorrow
I take this opportunity of
sending a few lines in reply
to yours of 31st ult.

The case referred to is
to be found in 5 V. L. R. (Law)
p. 236. I surmise that you
missed it in the indices
by not observing that the
latter are divided into Equity,
Law &c.

I shall be glad to
hear from you at length when

This & other matters
when you can find time
but I know how many
calls there are upon your
time & as Wilton said,
as we smoked meditatively
in the moonlight & discoursed
of the dear times of old,
on Sunday nights, "I d-d
if I know how you (A.S.C.)
" get through all your labors."
I've managed to tie ~~it~~
the last sentence in a
glorious knot but I suppose
you can unravel it.
My interest in the legal
question is heightened by

Learning that it is one of your
brothers who is the party
aggrieved -

I was very glad to
see by the papers that the
"Mercury" Gen. Coy. had so good
a crushing & I hope you
& the others members of
"Gothingen" who are in the
"Spec" will make your "pile".

Time presses, so I must
say "good night" &
with all fraternal
regards & wishes remain

Thine affectionately

A. J. Clark
