

48 Temple Court, Melbourne,

7 Nov 1885

My dear Andrew,

I have paid the
L8. 15.0 to ^{under protest} Jennings & told
his receipt thereof. I have
also written to Coburn &
will see him if he does
not pay by 10th inst. I
hear differing reports as to
~~his~~ likelihood of ^{his} paying.

I know of no
reported case here
similar in terms to the

one mentioned, tho' such
actions are very common—
It is only where the
matter is of ^{legal} interest &
comes before the full Court
that it goes into the
V. L. R. The best case I
know on the subject is
Mc Pherson v Borough of
Bathurst to L.R.
H Appeal Cases 256
which will repay perusal.

If I find any Victorian
case I will let you know
at once—

Of course this is a

more ibrium note his written to
catch post just closing -

Will write again shortly

Yours ever
W.S.
