

**EXPLOITATION OF THE MARINE ECOSYSTEM IN THE SUB-ANTARCTIC:  
HISTORICAL IMPACTS AND CURRENT CONSEQUENCES  
— CORRIGENDUM**

by P. N. Trathan

**Trathan, P.N.** 2010 (30:xi): Exploitation of the marine ecosystem in the sub-Antarctic: historical impacts and current consequences. — Corrigendum. *Papers and Proceedings of the Royal Society of Tasmania* 144: 14. ISSN 0080-4703. British Antarctic Survey, High Cross, Madingley Road, Cambridge CB3 0ET, UK. Email: p.trathan@bas.ac.uk

Since the publication of Trathan & Reid (2009), it has come to my attention that in preparing the opening sections of the manuscript I inadvertently omitted an important citation to work by K.-H. Kock (2000) that was of great assistance. In recognition of this, I consider that it is important and appropriate to correct this oversight by highlighting this earlier piece of work.
