## OXFORD
BROOKES
UNIVERSITY
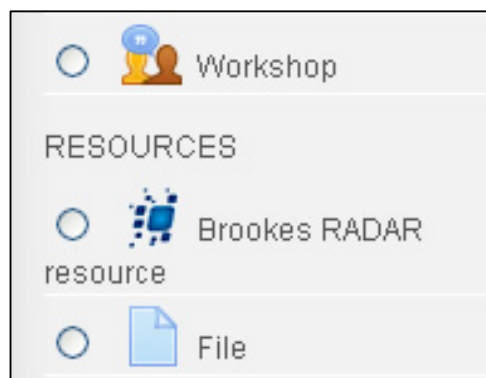

How to

Add a RADAR resource to Moodle using the PLATO plagiarism tutorial as an example

1. Login to your Moodle course.

2. Click on 'Add an activity or resource'.

3. Click on 'Brookes RADAR resource', then 'Add'.

4. You can search in two ways: search **by keyword** or **browse.**

5. To **search by keyword**, type PLATO into the box and click "Search". The search results will appear…

6. Click on the resource to display its details.

Plato - Plagiarism Teaching Online

Description
PLATO is an online tutorial for developing referencing skills and for refl
Brookes staff can add this tutorial to a VLE course: please see the ins
Resources below.

Details
Notes
Available for use as a stand-alone resource or in conjunction with
Recommended for use with Brookes VLE.

7. Scroll down to see the resources that are part of the item. Click the box next to "Plagiarism Teaching Online" and then click "Select checked resources".

Select checked resources

Selected   Package

☑   **Plagiarism Teaching Online**
     Select this resource to choose the entire co
     be presented with the package viewer.
     Download Package

☐ **Selected Resource(s)**

☐   **Add_a_RADAR_resource_PLATO.pdf**
     File: Add_a_RADAR_resource_PLATO.pdf

Select checked resources

8. Click on "Import selected resources".

Do you wish to import the selected resources now, or do you want to sele
resources?

Import selected resources   **Select More Resources**

9. The link to the RADAR resource will appear in Moodle. You can now edit the item, for example you can rename it, or set it to open in a new window.

   If you need any further assistance please contact your DMELD or email: radar@brookes.ac.uk
