ACADEMIC POLICIES

6.0 INTRODUCTION

Students have full responsibility for:

- Fully informing themselves of and being responsible for all academic policies, procedures, regulations and requirements, such as general education, major, minor, concentration, certification and graduation requirements.
- Knowing with clarity their progress in their academic program by thoroughly reviewing their degree audit and by regularly scheduling meetings with their academic advisor.
- Fulfilling the general education, major program and graduation requirements identified in the catalog in effect at the time of the student's matriculation at Fontbonne, or at the time of a change of major if so determined by the academic advisor.

General academic regulations regarding students are explained in the catalog as well as in this Volume VI. Faculty and students must keep themselves familiar with the Fontbonne University Catalog and Volume VI of the Policy Manual. Please refer to the catalog or the policies in this Volume VI of the Policy Manual for information on the following:

1. Admission Policies
2. Auditing a Course
3. Classification of Students
4. Tuition Discounts
5. Non-Traditional University Credit

6.1.3.1 DEGREE REQUIREMENTS

6.1.3.1.1 Baccalaureate Degree Requirements

All undergraduate degrees require:

1. At least 120 credit hours with a minimum cumulative grade point average (GPA) of 2.0 on a 4.0 scale. A department may require a higher minimum cumulative GPA for a specific major.
2. At least 30 of the 120 credit hours must be completed at Fontbonne University to meet the minimum residency requirement.
3. Completion of the minimum 42 credit hour general education requirement. **All GER courses must be completed with a letter grade.**
4. Completion of requirements for the major, minor or concentration as stipulated by the department in which the major, minor or concentration is offered, including
 - a. Completion at Fontbonne of a minimum of 15 credit hours of the major requirements as upper division (300/400 level) course work.
 - b. Completion at Fontbonne of a minimum of 50 percent of the credit hours required for the major, minor, or concentration.
 - c. Completion of a capstone course/experience as part of the major.
 - d. Completion of each course required for the major, minor, or concentration with a minimum grade of C-.
 - e. Completion of the minimum cumulative grade point average required for the major.
5. Completion of all graduation requirements, including one course in religion or theology. This course in religion or theology must be completed with a letter grade.
6. An undergraduate student's final semester of coursework (regardless of the number of credit hours taken) prior to the conferring of a degree must be completed at Fontbonne University. A student may not take courses required for the degree at any other institution during the semester in which the

degree is to be conferred; the only exception is an institution with which Fontbonne has a course or program agreement. The student may not take CLEP or apply for any externally granted credit through Prior Learning Experience during the semester in which the degree is to be conferred. All transcripts of previously earned coursework, CLEP and internal PLA documentation must be submitted to the Registrar's Office by the midterm date of the semester in which a student will graduate.

If the student leaves the University without requesting a leave of absence (see Leave of Absence Policy, section 6.2.6) and re-enters at a later date, the student must follow all requirements stipulated in the Fontbonne University Catalog in effect at the time of re-entry.

6.1.3.1.2 General Education Requirement

Fontbonne University is committed to the liberal arts tradition. The general education requirements seek to infuse an appreciation of the liberal arts into the academic and educational fabric of the institution. General education at Fontbonne University includes a common core that integrates mission into the curriculum, highlights our distinctiveness, employs high-impact practices to increase student engagement, and prioritizes the concerns of global citizenship in the 21st century. General Education requirements include Mission Core, Foundations, Pillars, Bridges and Writing Intensive courses.

MISSION CORE: The purpose of the Mission Core is to bring a distinctively Fontbonne perspective to the general education program. The values and heritage of the Sisters of St. Joseph of Carondelet, the founders and sponsors of Fontbonne University, and the Catholic Intellectual Tradition and Catholic Social Teaching as they apply to the liberal arts and professional programs are key elements of Mission Core courses. (6 credit hours)

FOUNDATIONS OF KNOWLEDGE: Foundations requirements -- communication, mathematics, and managing information -- build critical skills that support all academic disciplines. (17 credit hours)

PILLARS OF KNOWLEDGE: Pillars requirements expand upon the Foundations to more fully prepare students for the challenges of the 21st century through coursework in the humanities, fine arts, philosophy, the social and behavioral sciences, and physical and biological sciences. (18 credit hours)

BRIDGES OF KNOWLEDGE: Bridges courses ensure that students have an opportunity for interdisciplinary study across campus or off-campus, integrating academic knowledge with community and/or global experiences. (3 credit hours)

A course taken for Pass/No-Pass cannot meet a general education requirement.

The Faculty General Assembly voted in April 2011 to institute new general education requirements effective August 2012.

6.1.3.1.3 Graduate Degree Requirements

Please refer to individual graduate programs in the University Catalog for degree requirements.

6.1.3.2 DUAL BACCALAUREATE DEGREE REQUIREMENTS

A student may work simultaneously for two different degrees (i.e. BA and BS) provided the following requirements are completed:

1. A minimum of 24 credit hours in addition to all requirements, including 120 credit hours, for the first degree.

2. All specific requirements for each of the two majors.
3. All specific requirements for each degree.

6.1.3.3 SECOND BACCALAUREATE DEGREE REQUIREMENTS

A student who enters Fontbonne University with a bachelor's degree may earn a second bachelor's degree by completing the following at Fontbonne:

1. A minimum of 24 credit hours in addition to the total number of hours earned for the first degree.
2. All specific requirements for a second major.
3. All specific requirements for the second degree.

A student pursuing a second bachelor's degree at Fontbonne is not required to take the college placement test prior to registration, nor is the student required to fulfill the University's general education requirements. (See also Section 6.3.6.)

For a student to be admitted to Fontbonne, the department in which the student wishes to study must accept the candidate for pursuit of the second bachelor's degree. The department will determine which courses from the first bachelor's degree will be accepted toward fulfillment of the major requirements for the second degree.

6.1.3.4 WAIVER/MODIFICATION OF DEGREE REQUIREMENTS

A student may request a waiver or modification of degree requirements in writing, using the appropriate form obtained from the Registrar's Office. A clear rationale for why the requirement should be waived or modified must be included. Waived credit does not count toward total degree requirements. The student must still complete a minimum of 120 credit hours to graduate with a bachelor's degree or the required minimum credits for a master's degree.

6.1.3.5 DUAL UNDERGRADUATE/GRADUATE ENROLLMENT REQUIREMENTS

A Fontbonne undergraduate student may be eligible to earn graduate academic credit for graduate level courses only after the student becomes dually enrolled. Dual enrollment means that the student is enrolled as a degree-seeking undergraduate student taking undergraduate coursework and as an unclassified graduate student taking graduate coursework. Enrollment in graduate courses must be approved by the graduate program director. To be eligible for dual enrollment, a Fontbonne undergraduate student must be classified as a senior (a minimum of 90 credit hours earned) and have a minimum cumulative grade point average of 3.0.

A maximum of nine graduate credit hours taken during dual enrollment may be applied to the total credit hours required for the master's degree.

6.1.3.6 CONFERRING A POSTHUMOUS DEGREE

Fontbonne University may confer a posthumous degree, baccalaureate or graduate, upon a student who is deceased prior to, but nearing, the formal completion of all degree requirements of the program being pursued. The petition for the awarding of a posthumous degree is initiated by the department chair and/or dean and forwarded to the Vice President for Academic Affairs for final approval.

6.1.3.6.1 Eligibility

At the time of death, the student was in good academic standing and was successfully progressing toward completion of requirements for the degree to be awarded.

- For an undergraduate student, he/she must be in good academic standing, that is, cumulative GPA of 2.0 or above. In addition, he/she must have completed all but 18 hours of degree requirements.
- For a graduate student, he / she must be in good academic standing, that is, GPA of 3.0 or above. In addition, he/she must have completed at least 75% of the degree requirements.

6.1.3.6.2 Procedures

Upon approval by the Vice President for Academic Affairs, the following steps will be taken:

- The family of the deceased will be notified by the dean/departmental chairperson that a posthumous degree may be awarded.
- The family will decide if they want this degree to be awarded.
- If the family does want the degree to be awarded, then the degree will be conferred at the next regularly scheduled commencement ceremony or at a ceremony designed by the faculty in the student's major department. The chair / dean of the appropriate department, in consultation with the family of the deceased, will decide the manner in which the degree is conferred.
- The degree will be posted on the student's permanent record as follows: Example:
 - B. S. Mathematics and Computer Science May 17, 2008
 - Major: Applied Mathematics
 - Degree Conferred Posthumously

6.1.4 Residency Requirements

6.1.4.1 RESIDENCY REQUIREMENTS FOR BACCALAUREATE DEGREE

An undergraduate degree-seeking student must complete a minimum of 32 credit hours of course work at Fontbonne University toward a degree. An undergraduate student's final semester of coursework (regardless of the number of credit hours taken) prior to the conferring of a degree must be completed at Fontbonne University. A student may not take courses required for the degree at any other institution during the semester in which the degree is to be conferred; the only exception is an institution with which Fontbonne has a course or program agreement. The student may not take CLEP or apply for any externally granted credit through Prior Learning Experience during the semester in which the degree is to be conferred. All transcripts of previously earned coursework, CLEP and internal PLA documentation must be submitted to the Registrar's Office by the midterm date of the semester in which a student will graduate.

6.1.4.2 RESIDENCY REQUIREMENTS FOR MAJORS, MINORS, CONCENTRATIONS AND CERTIFICATES

1. A student must successfully complete, at Fontbonne University, a minimum of 50% of the credit hours required for a major, minor and/or concentration (as defined under Academic Terminology, section 6.1.17.1).
2. A student must successfully complete, at Fontbonne University, a minimum of 15 upper-division credit hours of the departmental course work required for the major.
3. A student must successfully complete, at Fontbonne University, all certificate requirements.

Residency requirements for graduate students are discussed in the graduate section in the catalog.

6.1.4.3 RESIDENCY REQUIREMENTS FOR GRADUATE DEGREES

All required coursework for a master's degree must be completed at Fontbonne University with the exception of the credit hours that may be transferred. The final semester/term of graduate coursework must be completed at Fontbonne, regardless of the number of credit hours taken. The deadline for the receipt of the official transcript(s) must be met for the student to graduate.

6.1.5 Academic Programs

Students should refer to Fontbonne University Catalog for descriptions of the current academic programs.

6.1.6 Continuous Attendance Requirement

Fontbonne University requires a reasonable degree of continuity in attendance at Fontbonne for all students. The University reserves the right to establish time limits on degree programs and courses. If considerable time elapses since the student achieved degree-seeking status and if the degree requirements have changed substantially since the student began the program, Fontbonne may invoke more recent degree and/or other requirements.

If the student leaves the University without obtaining an approved leave of absence and re-enters at a later date, the student must follow all requirements stipulated in this Volume VI and the Fontbonne University Catalog in effect at the time of re-entry.

6.1.7 Statute of Limitations

After official acceptance into a degree program, a graduate student must complete all the requirements for the graduate degree within six years of the date of the first course taken.

6.1.8 Placement Program

Fontbonne offers a University-administered computerized placement test to ensure that all undergraduate students possess college/university level skills in the areas of writing, mathematics, algebra, and reading and study skills. The testing program is designed to help students be successful in their educational efforts.

The student must successfully complete the appropriate developmental course(s) in writing, mathematics, algebra, and/or reading and study skills within the first three full semesters (fall and spring) of enrolling at Fontbonne. The credit for the 090 and 091 courses in writing, mathematics, and reading and study skills will not count as credit toward the 120 credit hours required for graduation. The credit for the 095 courses in writing skills and in algebra will count as elective credit toward the 120 credit hours required for graduation. A student must achieve a minimum grade of C- or better in a developmental course in order to move to the next level course.

Test schedule information is available in the Admission Office (314 889-1400) and in the Kinkel Center for Academic Resources (314 889-4571).

See Appendix 6.1.7.1 for detailed information regarding the University's Placement Program.

6.1.9 Departmental/Major Requirements

Individual departments establish requirements (beyond general education and other institutional/graduation requirements) for students whose majors are in that department. Departments reserve the right to interpret requirements if questions arise. It is the student's responsibility to know, understand and fulfill the requirements of the major.

An academic department defines and administers the majors, concentrations, minors and certificate programs within that department. Transcript notations will show the major, minor, concentration and/or certificate program.

An undergraduate student must earn a minimum grade of C- in each course required for the major, minor, concentration or certificate as defined under Academic Terminology, section 6.1.17.1.

6.1.10 Academic Honesty

According to its mission, Fontbonne University is committed to graduating students who are prepared to think critically, to act ethically, and to assume responsibility as citizens and leaders. Fontbonne University expects the highest standards of integrity from its students.

A violation of academic integrity includes, but is not limited to, any act of cheating, plagiarism, fabrication, dissimulation and any act of aiding and abetting academic dishonesty. In cases where academic integrity is in question, the following definitions and policies will apply:

Cheating is a purposeful deception in the preparation and/or submission of papers and assignments and the taking of exams, tests or quizzes.

Plagiarism is the representation of the words and ideas of another as one's own in any academic exercise. Plagiarism includes failing to give a citation for using work from another person or source. Modifications and rephrasing do not reduce the requirement for giving a citation. This also applies to information obtained electronically, such as from the Internet.

Fabrication is the deliberate falsification or invention of any information or citation in any academic exercise, such as making up a source, giving an incorrect citation, misquoting a source.

Dissimulation is the disguising or altering of one's own actions with the intent to deceive another about the real nature of one's actions concerning an academic exercise. Examples include fabricating excuses for such things as missing classes, postponing tests, handing in late papers; turning in a paper for one class that was originally written for another class (when original work is requested).

Individual instructors will set specific policies regarding academic integrity. In general, students may expect to receive a 0 on any assignment, exam, test, or quiz and perhaps fail a course when a violation of academic integrity has occurred.

Broader violations of academic integrity include, but are not limited to:

Abuse of resources is the damaging of any resource material or inappropriately limiting access to resource material that is necessary for academic work. Abuse includes hiding library materials; removing non-circulating material from the library; hiding or stealing another person's textbook, notes or software; failure to return library materials when requested by the library.

Forgery of academic documents is the unauthorized changing or construction of any academic document such as changing transcripts, changing grade books, changing grades on papers which have been returned, forging signatures. Other examples include completion of an application for any academic program that omits or falsifies any requested information. Such violations can result in the revocation of the application even if approval was previously granted on the basis of fabricated information.

Sabotage is the damaging or impeding of the academic work of another student. Sabotage includes ruining another student's lab work or destroying another student's term paper.

Aiding and abetting academic dishonesty is knowingly facilitating any act defined above.

Violations of academic integrity have a broad impact on the university and will result in university review and action. Faculty who observe violations of academic integrity are asked to report all violations to the office of academic affairs where records of violations will be maintained for five years. University review

and action may include tutorials on the appropriate use of materials, academic probation, or expulsion, depending on the nature of the offense. All procedures for disciplinary action are detailed in the Griffin Scratch and policy manuals.

6.1.10.1 APPEALS PROCESS IN ACADEMIC AFFAIRS

A student may petition the Appeals Committee for a hearing relative to academic matters. The committee, made up of an equal number of elected faculty and students, offers a fair hearing to students.

For a semester grade appeal, a student must enter into the appeal process in writing within the first three full calendar weeks of the following fall or spring semester. The student is expected to attempt to resolve the issue through informal procedures before entering into the formal process. Established procedures and timelines must be followed.

Information regarding the procedures for an appeal of an academic nature is available from the Office of Academic Affairs. Information on the appeals process and procedures is also found in Section 6.1.13.6 and Section 1.6.4.4.1.

Appeals are not heard in the summer session.

6.1.11 Examinations

Mid-semester examinations are given at the discretion of the instructor.

Semester examinations in each course are optional. Ordinarily, each faculty member decides the value and importance of the final examination in terms of the nature of the course and its objectives.

The decision regarding the examination should be announced early in the semester. In those instances where no examination is given, faculty members must be certain that they have sufficient evidence from other assignments and/or tests to give the student a just grade.

Students do not make up regular tests and examinations missed because of absence except at the instructor's discretion.

6.1.11.1 EXAM SCHEDULES

Exam schedules for each semester are printed in the front of the semester course schedules. Please refer to the fall or spring semester course schedule to determine when exams will be held. Frequently, a specific course exam schedule is also included in the course syllabus.

6.1.11.2 EXAM WEEK

An exam week that excludes regular class meetings and assignments will be part of each semester's calendar; the following conditions will be in effect:

1. Ordinarily the last exam, either unit or comprehensive, should be given at the time scheduled for final exams.
2. If an instructor chooses not to give an exam, the scheduled exam time should be used for a class meeting.
3. Assigned papers, research reports, and other class materials may be due before or during exam week.

6.1.12 Grading and Evaluation

At the beginning of each semester, instructors will inform the students in the class of the factors taken into consideration for grading each course. Methods of grading and evaluations are included in the course syllabus.

6.1.12.1 GRADES/QUALITY POINTS

To express the quality of a student's work in numerical form, letter grades are translated into quality points. Each grade carries a specific number of quality points. Fontbonne uses the following grades and quality points:

Grade	Quality Points	Grade	Quality Points
A	4.0	C+	2.3
A-	3.7	C	2.0
B+	3.3	C-	1.7
B	3.0	D	1.0
B-	2.7	F	0.0

6.1.12.2 GRADE POINT AVERAGE

The grade point average (GPA) is calculated by dividing the quality points earned by the credit hours attempted. Note that the grade point average is figured on the basis of credit hours attempted, not credit hours passed. Grades of Pass, No-Pass and Incomplete do not carry quality points and are not computed in the GPA.

All GPAs listed on grade reports and transcripts, as well as those used for the determination of the dean's list, reflect Fontbonne grades only.

6.1.12.2.1 Grade Definitions for Undergraduate Courses

Fontbonne uses letter grades to indicate the quality of a student's work.

6.1.12.2.1.1 Undergraduate Grade Definitions

Grades	Interpretation	Comments
A, A-	Excellent	Applies to all courses
B+, B, B-	Good	Applies to all courses
C+, C, C-	Satisfactory	Applies to all courses
D	Poor	Applies to all courses

F	Failure	Applies to all courses
P	Pass	Applies to courses selected for the P/NP option; pass is defined as a grade of D or better
NP	No pass	Applies to courses selected for the P/NP option; NP is assigned when a student fails; no credit is earned
I	Incomplete	Applies when a student is earning a passing grade, is prevented from completing the work for serious reasons, has permission from instructor; work must be completed by specified deadlines or I will change to F
W	Withdrawal	Applies when a student, with proper authorization, withdraws from a course by specified date
WI	Involuntary Withdrawal	Applied when a student has failed to attend any courses and has not responded to communication from the Registrar.
X	Deferred grade	Applies when institutional circumstances prevent awarding a grade in a timely manner
AU	Audit	Applies when a student takes a course for no credit; not available for all courses

Changes approved by FGA March 7, 2012

6.1.12.2.1.2 Graduate Grade Definitions

A, A-	Superior graduate work
B+, B, B-	Satisfactory graduate work
C	Less than satisfactory graduate work
F	Unsatisfactory work; no academic credit
*P/NP	Pass is defined as a B or better
I	Incomplete
W	Withdrawal

WI Involuntary Withdrawal

6.1.12.3 PASS/NO PASS (P/NP) GRADING OPTION

An undergraduate student who has a minimum of 30 credit hours may choose the pass/no pass (P/NP) grading option for selected courses, not to exceed six courses. This policy allows a student the opportunity to explore unfamiliar discipline areas. A student may not choose the P/NP grading option in courses required for the major, minor, concentration or certificate unless the student first obtains approval from the department chairperson.

In some cases such as practicums and internships, Fontbonne may require P/NP grading for all the students in the course. When the University requires P/NP grading in a course, this course does not count in the six courses which a student may choose to take for a P/NP grade. A course taken for P/NP cannot meet a general education requirement or the religion/theology requirement for graduation.

6.1.12.4 INCOMPLETE GRADE

If a student is earning a passing grade in a course but does not complete the requirements of the course in a timely manner due to extraordinary circumstances that occur within the last two or three weeks of the semester beyond his/her control (e.g. serious illness), the student may request a grade of Incomplete (I). The request must be made on the appropriate form obtained from the Registrar's Office. An unchanged I grade will become F according to the following dates regardless of the year: spring and summer, Oct. 10; fall, March 10. If, in any year, these dates fall on Saturday or Sunday, the following Monday will become the deadline date.

In extraordinary circumstances an academic dean, in consultation with the faculty and the student, may extend the incomplete, but not beyond two months.

6.1.12.5 DEFERRED GRADE

If, for some reason, the grade from a particular course cannot reach the Registrar's Office in time for the semester reports, the student will receive a deferred grade (X). As soon as the grade becomes available, it will be recorded on the student's transcript.

6.1.12.6 GRADE CHANGE/APPEAL

If a dispute about a grade cannot be resolved informally between/among the student, the faculty member, the department chairperson, the college dean, and the Associate Vice President for Academic Affairs, the student may enter into the formal appeal process. (See Appeals Process in Academic Affairs, 6.1.10.1 and Section 1.6.4.4.1.)

The student must appeal in writing to the chairperson of the Appeals Committee within the first thirty calendar days of the following fall or spring semester. The procedures and time line of the appeal process, obtained from the Office of Academic Affairs, must be followed.

6.1.12.7 AUDITING A COURSE

Auditing a course allows a student, for a fee, to participate in all the classroom activities of the course. Ordinarily, a student auditing a course does not take tests and complete assignments unless the instructor specifies otherwise. The student accrues no credit for an audited course. The audit designation of AU will be listed on the student's transcript. Generally courses with studio or laboratory periods are not available for audit.

6.1.12.8 POSTING OF STUDENT GRADES

The public posting of grades either by the student's name, student ID number, or social security number without the student's written permission is in violation of FERPA.

Instructors and others who post grades should use a system that ensures FERPA requirements are met. This can be accomplished either by obtaining the student's un-coerced written permission to do so or by using code words or randomly assigned numbers that only the instructor and individual student know. The order of posting should not be alphabetic.

Another method used to notify students of their final or other grades by faculty before official institutional notification is to have interested students complete postcards with their names and mailing addresses on the address side and the course name/number on the message side. The completed postcard is given to the instructor who writes the student's grade on the message side and mails it to the student when grades have been determined.

The returning of papers via an "open" distribution system, e.g. stacking them on an open table or placing them in a community mailbox, is a violation of a student's right to privacy under FERPA, unless student(s) submits signed waiver to instructor for such purpose.

6.1.12.9 MID-SEMESTER PROGRESS REPORTS

Faculty will report unsatisfactory academic progress for undergraduate students at the seven-week point each semester to the Registrar's Office. The Registrar's Office will send faculty notification that warning reports should be submitted via the web on the Wednesday prior to the semester mid-term date for students who show unsatisfactory academic progress. Faculty will submit these reports via the web. The names of students who have one or more unsatisfactory reports will be sent to the Office of Academic Advising and to the student's academic advisor for intervention. This policy assumes that faculty will give and grade at least one substantial assignment or multiple smaller assignments prior to the mid-term date of each semester. A sample Mid-semester Progress Report form is located in Appendix 6.1.12.9.1.

Policy amended to include all traditional undergraduate students in 2010.

6.1.13 Probationary Status and Dismissal

6.1.13.1 PROBATIONARY STATUS AND DISMISSAL FOR UNDERGRADUATE STUDENTS

The Undergraduate Academic Committee reviews the academic status of all full and part-time degree seeking students at the end of the fall and spring semesters. Each undergraduate student must maintain a minimum Fontbonne (FBU) cumulative grade point average (GPA) of 2.00 to remain in good standing at Fontbonne. The University reserves the right to assign Probation status or Dismiss students who do not maintain the minimum academic standards.

Probation is defined as a FBU cumulative GPA lower than 2.00 in the semester immediately following a semester on good standing. Continuing Probation (CP) is defined as the semester GPA greater than or equal to 2.00 immediately following the Probation semester, yet the cumulative GPA remains lower than 2.00.

The University reserves the right to require mandatory academic support activities, including a maximum course load and/or specific courses, when a student is on Probation or CP. Students on Probation (first-time probation) are automatically enrolled in a one credit hour course, INT103, *Pathway to Achieving Student Success (PASS)*. Students on CP are automatically enrolled in a one credit hour independent study, INT104, *Strategies for Self-Directed Learning*. A student who is on Probation or CP is also required to repeat failed courses (if available) in the semester of Probation or CP status. A student who is

on Probation or CP is ineligible to participate on a sports team, or to hold a leadership position as president, vice-president, secretary or treasurer in a student organization, association or club.

Students earning a FBU cumulative GPA below 1.00 will be dismissed for academic deficiencies without first being placed on Probation. Dismissal letters will include a process for guiding the student during the appeal process.

Students whose cumulative GPA falls below 2.00 after returning to Good Standing will be dismissed. Students on CP failing to earn a cumulative GPA of 2.00 after two semesters on CP will be dismissed.

A student who is dismissed may appeal the decision by sending a letter of appeal to the Office of Academic Affairs within the timeline specified in the dismissal letter. The dismissed student may apply for readmission to Fontbonne University one full calendar year after dismissal. The student must apply to the Office of Admission for readmission consideration by the Undergraduate Academic Committee. Students who have been dismissed, appealed, and readmitted to the university twice may not appeal a third dismissal.

6.1.13.2 DISMISSAL FOR GRADUATE STUDENTS

A graduate student will be dismissed from the graduate program and the university by the director of graduate studies if the student:

- Earns a second C in a graduate course; or
- Earns an F in a graduate course.

6.1.14 Non-Academic Dismissal

A student may be dismissed at any time from Fontbonne for a variety of non-academic offenses. These include, but are not limited to, behavior or attitudes unworthy of a good campus citizen, unsatisfactory financial record, or violation of any policy of Fontbonne University.

6.1.15 Commencement/Conferring of Degrees

Fontbonne University confers bachelor's and master's degrees at the annual commencements in May. Ordinarily, a student may participate in commencement ceremonies only if all requirements for the academic degree have been fulfilled by the date of commencement. However, undergraduate students with nine or fewer hours left to complete their degree and who have enrolled in the courses to complete the degree by the August degree conferral date are allowed to participate in commencement the May preceding the completion date. Graduate students scheduled to complete their degree, and who have enrolled in the courses required to complete the degree requirements by the August degree conferral date are allowed to participate in commencement the May preceding the completion date. All other students encounter unforeseeable extenuating circumstances beyond the student's control who wish to participate in commencement before completing all requirements may direct an appeal to walk in the commencement ceremony to the Office of Academic Affairs.

6.1.16 Assessment

To ensure the continuing quality of a Fontbonne degree, the University regularly collects data on academic programs, student activities and campus climate. Examples include course evaluations and academic advisor evaluations which all students are expected to complete.

Student participation in periodic assessment, such as surveys and achievement tests, is expected and may be required for graduation. Because of the random sampling methods used to identify participants, not all students will be required to participate in the same assessment activities. Along with formal assessments,

student work samples from individual classes may also be collected to provide authentic artifacts for internal and external program review.

The assessment program is designed to assist faculty, staff and administrators in improving student learning, as well as the delivery of all campus services. Academic programs and student services are reviewed and revised based on a regular analysis of the data obtained from the assessment process. In this way, both the individual student and the institution benefit from assessment.

6.1.17 Academic Terminology

6.1.17.1 UNDERGRADUATE PROGRAM CRITERIA

6.2 REGISTRAR'S POLICIES

The Registrar is the official keeper of student academic records. The Registrar's Office, Ryan 206, provides the following services for students: semester course schedules; materials for course registration, including add/drop forms; verification for insurance, and loan deferment forms, etc. The office also provides all forms required for approval of major, change/drop/add major, minor, concentration, certification, application for degree (must be filed on or before August 31 for students intending to graduate in December, on or before October 31 for students intending to graduate in May, and on or before April 30 for August graduation). Students may also obtain FERPA (Family Educational Rights and Privacy Act) forms (i.e., forms requesting access to education records and providing consent for disclosure of education records) from the Registrar's Office.

6.2.1 Record of Work and Transcripts

A student receives a semester grade report after the close of each semester. A graduate, with no outstanding bills or fees, receives one unofficial copy of the final transcript at no charge. A student may request additional copies of the transcript for a fee.

To protect the right to privacy of a student, a student must make a written request for transcripts. A request should be submitted at least one week in advance of the time the transcript is needed. Fontbonne will not issue any transcripts until all indebtedness to the University has been settled in full.

Fontbonne will not release official transcripts from other institutions filed for the purpose of admission to Fontbonne. These become the property of Fontbonne University. To be considered an official transcript, a transcript must include the institution's seal and be either received directly from another institution or sent directly to another institution.

6.2.1.1 TRANSCRIPT FAX POLICY

Fontbonne University participates in a statewide institutional agreement to fax transcripts as official documents. Transcripts received by Fontbonne University from other Missouri institutions registered in the directory of participating institutions which have been verified according to established procedure will be considered official.

All other faxed transcripts transmitted or received are for informational purposes only and must be confirmed by traditional official transcripts.

Transcripts will be transmitted by fax upon written request of the student. The fee is five dollars (\$5.00).

6.2.2 Registration Procedures

Each fall and spring semester, Fontbonne schedules advisement and web-registration times for both returning and new students. The appropriate times and dates are listed in each semester course schedule. Academic advisors and support staff are readily available to assist students during these advisement and registration times.

A student may complete registration for summer session by mail or in person. The appropriate times and dates for summer registration are listed in the spring and summer class schedules.

6.2.3 Changes in Registration

Any change in registration, including withdrawal from a course, must

1. Be made on the appropriate form supplied by the Registrar's Office.
2. Give the supportive reason for the change or withdrawal.
3. Be approved and signed by the academic advisor, the Business Office and the Financial Aid Office if applicable.
4. Be returned to the Registrar's Office before the deadline date specified in the academic calendar and in the semester course schedule.

6.2.4 Withdrawal from a Course

A student who, with proper authorization (see Changes in Registration above), withdraws from a course before the date specified in the semester schedule receives a grade of W. A student may not request a withdrawal after the date specified and published by the Registrar's Office. However, a student with appropriate and verifiable documentation may request, from an academic dean, an exception to this policy when circumstances beyond their control force them to request a withdrawal after the specified date. A student who does not complete the authorized withdrawal process receives a grade of F.

For financial aid purposes, a faculty member must record the last date of attendance when a student stops attending a course.

A student should be aware that failure to attend class does not constitute a withdrawal. Failure to properly withdraw from a class may affect the student's federal financial aid status. A student must notify the Financial Aid Office, the Business Office, and the Registrar's Office immediately upon the student's decision to stop attending class.

6.2.4.1 INVOLUNTARY WITHDRAWAL FROM A COURSE

A student who registers for a course, never attends the course, and does not respond to the *registered, but not-attending* notification from the Registrar's Office, will be involuntarily withdrawn from the course by the Registrar's Office, ordinarily after the third week of classes.

6.2.4.1.1 Procedures for Involuntary Withdrawal from a Course

The Registrar's Office will notify the student in writing, with a copy to the academic advisor, of non-attendance. The student will have one week either to immediately seek instructor approval and begin attending the course or to immediately withdraw from the course. Failure to officially withdraw from the course will result in the student receiving an *involuntary withdrawal* (WI) from the course.

A student receiving an *involuntary withdrawal* (WI) will be responsible for any incurred costs. A student who receives a student account refund must return the refund to Fontbonne University. Please refer to the university's refund policy in the Semester Course Schedule.

An involuntary withdrawal will result in a change in a student's registration. Based on Federal Financial Aid Regulations, this may require a recalculation of the student's financial aid package and adjustments to the student's aid award. These adjustments may result in aid being removed from the student's award and a balance due on the student's account.

6.2.5 Withdrawal from the University

A student who chooses to leave Fontbonne before the end of a semester must contact the Director of Academic Advising to complete a withdrawal form and a brief exit interview. In addition to the signature of the Director of Academic Advising, the student must obtain signatures on the withdrawal form from three administrative officers in the Financial Aid Office, Business Office and Registrar's Office before the process is complete. The purpose of completing a formal withdrawal is to ensure that the student receives a withdrawal (W) from the courses rather than F, and that all financial arrangements and required loan exit interviews are completed.

A student who withdraws from courses in the first three weeks of the fall or spring term may be entitled to a refund. A complete schedule and refund policy is published in the semester course schedule.

6.2.6 Leave of Absence

6.2.6.1 LEAVE OF ABSENCE FOR UNDERGRADUATE STUDENTS

An undergraduate degree-seeking student who has a pre-determined need to leave Fontbonne for one or two semesters (not including summer session) with the expectation to return, may request a leave of absence. The student with an approved leave of absence may return under the same catalog and general education requirements in effect at the time of the initial matriculation. If the student's program curriculum has changed due to an accrediting/approval agency mandate the student must follow the new requirements.

The student must complete a "Request For Leave Of Absence" form obtained from the Registrar's Office before the leave begins. A student must immediately adhere to the policies and procedures set by the Financial Aid Office and Business Office.

To re-enter Fontbonne the student may go directly to the Registrar's Office for registration materials, beginning at the time of early registration. The student must obtain an advisor's signature and web clearance to be eligible to register.

(See also Volume VII, section 7.4.9.4).

6.2.6.2 LEAVE OF ABSENCE FOR GRADUATE STUDENTS

A graduate degree-seeking student who has a pre-determined need to leave Fontbonne for one or two semesters (not including summer session) with the expectation to return, may request a leave of absence. The student must complete a request for leave of absence form obtained from the registrar's office. The student with an approved leave of absence may return under the same catalog and general education requirements in effect at the time of the initial matriculation. If the student's program curriculum has changed due to an accrediting/approval agency mandate the student must follow the new requirements. To reenter Fontbonne, the student must contact the registrar's office to request reinstatement and to obtain registration materials, beginning at the time of pre-registration. The student must contact an advisor to obtain approval and web clearance to be able to register.

6.2.7 Repeated Courses

6.2.7.1 REPEATED COURSES FOR UNDERGRADUATE STUDENTS

An undergraduate student may repeat a maximum of two courses in which the student has received a grade of C-, C, or C+. A student who earns a D or F grade in a course may be required to repeat the course as determined by the academic department requirements. The chairperson of the department of the student's major will decide if or when a course from another institution may be used in lieu of a course

repeated at Fontbonne. If a student is repeating a course, the student must indicate this on the registration form.

If, upon repeating the course, the student makes a D or F grade when a higher grade is required, to take the course a third time at Fontbonne or at another institution, the student must obtain the written approval of each of the following: the department chair overseeing the student's major, the department chair overseeing the course in question, and an academic dean. Note: Repeating a course may affect a student's eligibility for federal financial aid.

Both the original and the repeated course will appear on the transcript. Only the higher grade will be calculated in the GPA; the total credits earned will be credited only once.

6.2.7.2 REPEATED COURSES FOR GRADUATE STUDENTS

A graduate student may repeat no more than two (2) graduate courses; and repeat a graduate course only once.

Since many graduate courses are not offered each academic semester/term, the student who earned a first grade of C or F in a graduate course may, with the approval of the graduate program director, be allowed to take a limited number of additional graduate courses until he/she has the opportunity to repeat the course in which the C was earned. Additional conditions pertaining to continued enrollment may be set by the graduate program director. A letter stating the conditions will be sent by the program director to the student, the university's director of graduate studies, and the advisor, with a copy placed in the student's file.

6.2.8 Satisfactory Academic Progress (S.A.P.) for purposes of Financial Aid eligibility

To earn a Fontbonne University degree, a student must complete all requirements for the specific degree program. Federal regulations require the University to establish standards for Satisfactory Academic Progress (S.A.P.) as an eligibility requirement for financial assistance. The following components reflect Fontbonne University's S.A.P. policy and standards for all Undergraduate and Graduate programs.

6.2.8.1 SATISFACTORY COMPLETION STANDARD

Undergraduate and Graduate students are required to complete a minimum of 67% of all attempted coursework in order to maintain Financial Aid eligibility for the following academic year. Failure to maintain a minimum cumulative completion rate of 67% will result in the student becoming ineligible to receive Federal and State financial assistance. Evaluation of coursework is conducted by comparing the cumulative number of credit hours earned versus the cumulative number of credit hours attempted. Successful completion requires a grade of A, B, C, D or P. Grades of I, F, NA, NP, W or WA are not considered successful completion and will have a negative impact on the student's cumulative completion rate.

Completion of graduate coursework will not contribute to an Undergraduate student's cumulative completion rate.

Completion of undergraduate coursework will not contribute to a Graduate student's cumulative completion rate.

Evaluation of completed hours occurs at the end of the Spring semester each academic year.

6.2.8.1 SATISFACTORY GRADE POINT AVERAGE (G.P.A.) STANDARD

In order to maintain eligibility for Financial Aid, Undergraduate students must maintain a minimum cumulative program Grade Point Average (G.P.A.) of 2.0. Failure to maintain a cumulative program G.P.A. of 2.0 will result in the student becoming ineligible to receive Federal and State financial assistance.

In order to maintain eligibility for Financial Aid, Graduate students must maintain a minimum cumulative program Grade Point Average (G.P.A.) of 2.75. Failure to maintain a cumulative program G.P.A. of 2.75 will result in the student becoming ineligible to receive Federal financial assistance.

Completion of graduate coursework will not contribute to the Undergraduate student's cumulative program G.P.A.

Completion of undergraduate coursework will not contribute to the Graduate student's cumulative program G.P.A.

Evaluation of cumulative program G.P.A. occurs at the end of the Spring semester each academic year.

6.2.8.2 SATISFACTORY DEGREE PROGRAM DURATION STANDARD

In order to maintain eligibility for Financial Aid, Undergraduate and Graduate students must be able to complete their current degree program without having attempted more than 150% of the number of credit hours required for degree program.

As of 2015-16, all undergraduate degree programs require satisfactory completion of 120 credit hours in order to earn a Fontbonne University undergraduate degree. In order to maintain eligibility for financial assistance, Undergraduate students must be able to complete their degree without having attempted more than 180 credit hours (150% of the 120 credit hour undergraduate requirement).

Evaluation of degree program duration occurs at the end of the Spring semester each academic year. Graduate and Undergraduate students will be flagged by the Office of Financial Aid for academic review once the student has attempted 75% or more of the 150%-duration maximum.

- Example #1: Undergraduate students: 180 attempted credit hour maximum X 75% = 135 credit hour threshold (flagged for academic review)
- *Example #2: Graduate MBA students: 54 attempted credit hour maximum X 75% = 41 credit hour threshold (flagged for academic review)

**Graduate degree program completion requirements vary among program.*

PLEASE NOTE: Termination of a student's aid eligibility does NOT occur at the time the student has attempted the 150% degree program duration maximum. If during the academic review it is determined a student will not be able to successfully complete their degree within the 150% degree program duration maximum, the Office of Financial Aid is required by Federal regulations to terminate the student's aid eligibility immediately, before the student has attempted the 150% degree program duration maximum. Termination of a student's aid eligibility does NOT necessarily mean the student is terminated from their academic program. Furthermore, termination of aid eligibility does NOT automatically remove a student from their classes.

6.2.8.3 SATISFACTORY ACADEMIC PROGRESS (S.A.P.) APPEAL

Students who do not meet one or more of the above S.A.P. standards are deemed ineligible to receive Federal and State assistance. However, these students do have the right to a one-time appeal. Submission of an appeal does not guarantee an approval. S.A.P. appeals are reviewed by the S.A.P. Appeals Committee who will determine whether the circumstances described in the appeal are reasonable and

align with Federal regulations for approval. The S.A.P. Appeals Committee reserves the right to postpone an appeal's decision in lieu of denying the appeal, providing the student with guidance and/or conditions in order to reach an approved decision – including but not limiting to: the student showing successful completion of courses for one or more semesters at the student's own expense, completion of other required Financial Aid documents or processes, additional documentation further supporting the student's appeal for aid probation, etc.

Evaluation and notification a student's current S.A.P. status will occur at the end of the Spring semester each academic year. Students will be notified of their right to the S.A.P. appeal at the time of their S.A.P. status notification. Appeal forms as well as an online appeal option with instructions will also be provided at the time of the S.A.P. status notification.

6.2.8.4 SATISFACTORY ACADEMIC PROGRESS (S.A.P.) CONTRACT AND PROBATION

If a student is successful at having an appeal approved, they will be required to complete a S.A.P. contract specific to the S.A.P. standard(s) not currently being met. Once the Office of Financial Aid has receipt of their S.A.P. Contract, the student will be placed on S.A.P. Probation and review of their academics will be conducted at the end of each semester – as required by Federal regulations – to ensure the student is adhering to the terms of their S.A.P. Contract.

6.2.8.5 AID ELIGIBILITY TERMINATION

There are three ways in which a student may have their aid eligibility terminated.

First: If a student was successful at having an appeal approved but failed to adhere to the terms of the S.A.P. Contract, this will result in permanent termination of financial aid eligibility until the student is able to meet all three of the S.A.P. standards on their own.

Second: If a student's S.A.P. appeal was denied, their aid eligibility is terminated until the student is able to meet all three of the S.A.P. standards on their own.

Third: If an appeal decision was postponed by the S.A.P. Appeals Committee due to conditions having been imposed onto the student – including but not limiting to: the student showing successful completion of courses for one or more semesters at the student's own expense, completion of other required Financial Aid documents or processes, additional documentation further supporting the student's appeal for aid probation, etc. – the student's aid eligibility is terminated until the student is able to meet the conditions of the S.A.P. Appeals Committee.

6.2.8.6 EXTREME EXTENUATING CIRCUMSTANCES (E.E.C.) APPEAL

If a student was successful at having an appeal approved but failed to adhere to the terms of the S.A.P. Contract, this will result in permanent termination of financial aid eligibility until the student is able to meet all three of the S.A.P. standards on their own. However, if the student can demonstrate that failure to meet the conditions of the S.A.P. Contract were due to circumstances beyond their contract the student may submit an Extreme Extenuating Circumstances (E.E.C.) appeal.

E.E.C. appeal forms are housed with the Associate Director of Financial Aid. E.E.C. forms are provided to the student at the discretion of the Associate Director or Director of Financial Aid, but ***only after*** a successful one-on-one in-person counseling with the Associate Director or Director.

6.2.9 Prior Learning Assessment Credit

Fontbonne University offers students the opportunity to earn undergraduate credit for non-collegiate sponsored learning. Prior Learning Assessment (“PLA”) is a concept based on accepted principles of

adult learning and serves to validate the professional competence achieved by men and women outside the classroom. Credit for prior learning may be earned as a result of professional training and college-level learning gained through experience, military training and/or validated by various tests. A maximum of 48 credit hours will be accepted in PLA credit opportunities at Fontbonne. Students may not count PLA credit toward the 30-hour residency requirement at Fontbonne. Fees charged for PLA credit are subject to change.

The standards and criteria established by Fontbonne for assessing college-level learning were developed in conformance with guidelines set forth by the Council for Adult and Experiential Learning (CAEL). Fontbonne University cannot guarantee how any other college or university might interpret transfer credit through Prior Learning Assessment. The PLA program at Fontbonne encompasses the following opportunities:

6.2.9.1 NATIONAL STANDARDIZED TESTS/DEPARTMENT PROFICIENCY TESTS/CREDIT BY EXAM

Students may earn up to 30 credit hours received through the assessment of their college-level learning by these methods of testing. Students will not earn credit for an examination if they have taken a college course of equal or higher equivalency in that area prior to the exam. These credit hours will not count toward the 30-hour residency requirement. The testing methods recognized by Fontbonne are defined as follows:

6.2.9.2 STANDARDIZED TESTS

Students may earn credit for CLEP general and subject examinations to fulfill certain course requirements according to departmental policy. Official test scores must be received directly from the testing agency. Credit is awarded if the score received is at or above the American Council of Education (ACE) recommended score. Although CLEP exams are among the best known, other standardized tests may be reviewed and considered by the appropriate department chairperson.

6.2.9.3 DEPARTMENT PROFICIENCY EXAMS

Several departments offer proficiency exams for certain Fontbonne courses. Students who satisfactorily complete a departmental proficiency exam may elect to have a requirement waived or petition to receive credit for that particular course.

6.2.9.4 CREDIT BY EXAM

Fontbonne will accept undergraduate credit by exam for non-standardized examinations given by regionally accredited institutions. The course number, title and credit hours must appear on the official transcript. Determination as to the fulfillment of certain course requirements will be reviewed and considered by the appropriate department chairperson.

6.2.9.5 ADVANCED PLACEMENT TESTS

Students who score three, four or five on Advanced Placement tests may be awarded college credit through Fontbonne, subject to the approval of the appropriate department. Each department will decide the amount of credit and the specific courses for which credit will be given. A student who scores one or two on Advanced Placement tests will not receive advanced placement or earn college credit. Official test scores must be received directly from the testing agency.

6.2.9.6 MILITARY EXPERIENCE

College credit can be awarded for military courses and enlisted ranks/military occupational specialties (MOS) which have been evaluated by the American Council on Education (ACE) Guide. When available, submission of the ACE registry transcript is required. If ACE is unable to provide a transcript, the DD214 and/or a transcript of in-service training is required.

6.2.9.7 PROFESSIONAL TRAINING

College credit can be awarded for professional training courses sponsored by business and industry, government and labor which have been evaluated by the American Council on Education (ACE) or the New York State's Program on Non-Collegiate Sponsored Instruction (PONSI).

6.2.9.8 PORTFOLIO EVALUATION

The portfolio evaluation is available in two formats: Portfolio I: Documented Learning and Portfolio II: Narrative Essay. If students believe they have already acquired the competencies of college courses, they may petition for credit through the portfolio evaluation. Students can earn credit for courses listed in the Fontbonne University Catalog as well as for college-level courses listed in the catalogs of an accredited degree-granting college or university, provided there is a Fontbonne faculty member who can evaluate the request. Students may request a maximum of 32 credit hours through the portfolio process. The Prior Learning Assessment Coordinator provides guidance in portfolio preparation and submission procedures. The portfolio must contain detailed evidence of learning outcomes, supporting documentation and descriptions of personal and professional experience.

6.2.9.8.1 Portfolio I: Documented Learning

Students must prepare a portfolio of their learning experiences, which can be documented by licenses, certifications or transcripts from non-accredited or professionally accredited colleges and schools. Professional training programs through local corporations, which have not been evaluated by ACE/PONSI, may be included in this portfolio.

6.2.9.8.2 Portfolio II: Narrative Essay

If the student has extensive knowledge which cannot be supported through areas of learning covered under the Portfolio I description, Portfolio II must be prepared for assessment. The narrative essay portfolio relies more on the student's explanation of the learning outcomes and the practical application of the experiences. Examples of supporting documentation include work samples, certificates of completion of workshops/seminars and verification from superiors.

6.2.10 Academic Tours

Trips for academic credit are sponsored by Fontbonne University under the guidance of a member of the faculty or professional staff with academic rank. For students, such trips involve prior reading, attendance at planning meetings and attendance at all trip and follow-up activities as outlined in the syllabus prepared by the faculty member. The course prefix includes the letter code of the sponsoring department and usually has the number 480 assigned to it. Academic tours may carry no more than three credit hours.

6.2.11 Degree Application

All applicants for a degree to be conferred must file their applications in the Registrar's Office by August 31 for the December graduation, October 31 for the May graduation and April 30 for August graduation. Commencement ceremonies are held in May.

6.3 ADMISSIONS POLICIES

Fontbonne University seeks to admit students who will succeed in, benefit from and contribute to Fontbonne's educational programs and opportunities. In its review of student credentials, the University looks for those students who show evidence of successful completion of prior academic work, self-motivation, academic aptitude and promise.

On the undergraduate level, Fontbonne accepts applications for most programs for both the fall and spring semesters. Graduate programs generally accept students in the summer session as well as in the fall and spring.

The University operates on rolling admission and will notify an applicant of a decision as soon as possible after the receipt of all required credentials. All credentials submitted for admission must be on file no later than one week prior to final registration for the term in which the applicant wishes to begin.

Accepted applicants indicate a decision to attend Fontbonne by forwarding a \$100 tuition deposit to the University. Tuition deposits for fall semester are refundable until May 1. Tuition deposits for spring semester are refundable until December 15.

The Vice President for Enrollment Management welcomes correspondence from candidates for admission, high school and college counselors, and academic advisors. All correspondence regarding application for admission and all application credentials should be addressed to:

Admission Office
Fontbonne University
6800 Wydown Boulevard
St. Louis, MO 63105-3098
(314) 889-1400
Fax (314) 889-1451
fcadmiss@fontbonne.edu

6.3.1 Admission Fee

A non-refundable application fee of \$25 must accompany each initial application for admission to the University. The fee remains the same for all students: degree seeking, unclassified (non-degree seeking), audit, full-time or part-time, whether they are beginning the fall, spring or summer session. The fee is not refunded if the applicant withdraws or is not accepted at Fontbonne. Once admitted, the student need not pay the fee again for reapplication after a leave of absence or for a change of status from unclassified to degree seeking. Note: the online application does not require an admission fee.

6.3.2 Freshman Admission

Fontbonne considers as freshmen those degree-seeking students who are graduates of an accredited high school and who have not previously enrolled in a degree program at an accredited college or university.

Candidates for admission should begin application procedures early in the fall of the year preceding that for which they seek admission. To complete their application, candidates must submit the following:

1. A completed undergraduate application for admission accompanied by a non-refundable \$25 application fee (Note, the online application does not require an admission fee);

2. An official high school transcript showing all work completed to date (at least six semesters), all available aptitude and achievement scores and rank in class;
3. Score results of the American College Test (ACT) or Scholastic Aptitude Test (SAT). Applicants are encouraged to take the ACT or SAT examinations no later than the fall of their senior year of high school;
4. Recommendations from authorized school administrators or others who can evaluate the applicant's academic abilities and personal characteristics. Although optional, these recommendations prove particularly helpful to the review committee, especially if they help to explain or mitigate weaknesses in the student's past academic record; and
5. A self-statement: an essay describing academic and extra-curricular achievements. This statement also provides an opportunity for students to explain any weaknesses in their academic background.

6.3.2.1 MINIMUM STANDARDS FOR ADMISSION AS A FRESHMAN

To be admitted the student must:

1. Achieve a minimum composite ACT score of 20 or a minimum SAT composite score of 1410.
2. Present a cumulative grade point average (GPA) of 2.5 on a 4-point scale. (If your school is not on a 4-point grading scale, Fontbonne will convert it when your transcripts are received.
3. Have completed the following core requirements:
 - a. Four units English;
 - b. Three units mathematics;
 - c. Three units social science;
 - d. Three units science (one must include a lab);
 - e. One unit visual/performing arts; and
 - f. Three units electives (including foreign language).

When applicants fail to meet any one or more of these standards, their applications receive special consideration by the Undergraduate Admissions Standards and Review Committee. The subcommittee will decide if the applicant should be admitted to the University and, if so, under what conditions.

In lieu of a high school diploma, Fontbonne will honor a satisfactory score on the General Educational Development (GED) examinations. Students submitting the GED, rather than a high school transcript, must submit a copy of the test scores to the Office of Admission.

All incoming first-time, first-year students with an ACT or SAT sectional score below an established minimum, as determined by the Undergraduate Academic Standards and Review Committee, can elect to take computerized placement test, *or* to have their ACT (or SAT equivalent sub scores) used in lieu of further Fontbonne-administered testing for the purposes of placement in math and English classes.

All accepted candidates currently enrolled in high school must complete successfully all work in progress and submit, upon graduation, an official high school transcript showing all work completed, and include their date of graduation. This transcript must be on file prior to final registration.

6.3.3 Transfer Admission

Fontbonne welcomes transfer students from a wide variety of backgrounds, from two-year and four-year, public and private colleges and universities. Transfer applicants are those degree-seeking students who

have previously enrolled in an accredited post-secondary degree program. Transfer applicants should begin application procedures at least one month prior to final registration for the term in which they seek admission.

Transfer candidates must have a cumulative grade point average (GPA) of 2.0 on a 4.0 scale and preliminary departmental approval from their intended major department at Fontbonne. All candidates must meet minimum GPA requirements in their intended major field of study.

Course credits from another institution will, in general, be accepted under the following conditions. The credits must:

1. Be from an accredited degree-granting institution of higher learning;
2. Be college level; and
3. Have a grade of D or better.

Students coming from a community college may transfer a maximum of 64 credit hours to Fontbonne.

The major department determines the number of hours that will be accepted for transfer into the student's intended major. Transfer students must complete a minimum of 30 credit hours. All courses taken during the semester of degree completion/graduation must be completed at Fontbonne University.

For application, transfer candidates must submit:

1. A completed application for admission accompanied by the non-refundable \$25 application fee;
2. An official transcript from each college or university previously attended showing all work completed to date. Students who have completed fewer than 30 semester hours must also submit an official high school transcript. Students intending to pursue a major leading to teacher certification in the state of Missouri should also submit an official copy of their scores on either the ACT or the SAT test. Official transcripts must be stamped with the institution's official seal; and
3. Recommendations from authorized school administrators or others who can evaluate the applicant's academic abilities and personal characteristics. Although optional, these recommendations prove particularly helpful to the Admission Review Committee, especially if they help to explain or mitigate weaknesses in the student's past academic record.

Candidates receive an official evaluation of transfer credit following acceptance. All accepted candidates currently enrolled elsewhere in college-level courses must complete successfully all work in progress and submit an official college transcript showing the additional courses completed. This transcript must be on file prior to final registration.

Accepted transfer students who are not exempt from the computerized university placement test must take the test before registering for classes. This test assists the University to evaluate, place and advise incoming students. The following are exempt from the placement test:

1. A student who has earned a 3.0 cumulative grade point average on a minimum of 60 credit hours from an accredited degree-granting college or university;
2. A student 25 years of age or older who has earned a 2.5 cumulative grade point average on a minimum of 24 credit hours from an accredited degree-granting college or university; and
3. A student who has earned college credit with a grade of D or above in the subject areas which meet Fontbonne's general education requirements and are represented in the test.

6.3.4 Early Admission

Fontbonne admits to the freshman class qualified candidates who have completed at least six semesters of high school. In evaluating candidates for early admission, the University requires evidence of high level of motivation, strong academic credentials and a level of maturity that will enable the candidate to succeed at Fontbonne.

Candidates for early admission must present score results from the American College Test (ACT) or Preliminary Scholastic Aptitude Tests (PSAT) and have achieved a cumulative grade point average of 2.5 or above as determined by Fontbonne University. The high school principal and the parent/guardian of the candidate must also submit approval of the student's candidacy for early admission. Students applying for early admission should follow application procedures outlined in the freshman admission section in the catalog during the fall semester of their junior year of high school.

Students accepted on early admission must arrange to obtain their high school diplomas on completion of their freshman year at Fontbonne.

6.3.5 Admission of International Students

Fontbonne University is a global community and encourages applications from international students. Our admission requirements conform to the regulations of the U.S. Government for issuing F-1 student visas. All applications must be submitted to the Office of International Affairs and should include the following:

1. A completed, signed application form.
2. A \$50 non-refundable application fee made payable to Fontbonne University.
3. Transcripts (translated into English) from all secondary schools, colleges or universities previously attended. Official transcripts are required from universities within the United States of America. Graduate applicants must have completed the equivalent to a U.S. bachelor's degree. Official transcripts from foreign universities will be required upon enrollment.
4. Applicants to Fontbonne University for whom English is a second language must provide evidence of English proficiency in order to be admitted to undergraduate or graduate programs. To do so, applicants may submit test scores from authorized testing organizations and/or participate in placement testing at the university. For undergraduate programs, minimum English proficiency standards are established in consultation with a designee of the Office of Academic Affairs and International Affairs. Individual graduate programs may establish independent minimum English proficiency standards that are reasonable for predicting success in their programs. Admission may be granted conditionally to undergraduate students who do not demonstrate the required language test scores; however graduate students may not be admitted without demonstrating proficiency as required. Intensive English Program (IEP) applicants seeking admission as unclassified students and who will be enrolled solely in IEP courses are not required to submit language test scores until such a time as they seek to enroll in a degree-granting program.
5. An official letter of sponsorship and an official financial statement from the bank of the guarantor are required to meet United States Citizenship and Immigration Services regulations. The bank statement and letter from the sponsor must be in English. The bank statement must be certified by the bank, dated within 120 days of the application, and have the name of the sponsor (or sponsor's organization) on the account. The account will indicate the amount of funds available. The sponsor must have sufficient funds to support the student for a minimum of one year while in academic studies.

6. Two letters of recommendation are required for graduate applicants. IEP applicants are not required to submit letters of recommendation.
7. A personal statement, in English, indicating why the student wishes to attend Fontbonne University.
8. A copy of the current passport page with name, date of birth, and expiration date.

All new undergraduate international students must take Fontbonne's English and mathematics placement tests to determine the appropriate general education level course. .

6.3.5.1 TRANSFER APPLICANTS

Any international student wishing to transfer to Fontbonne University from another institution within the United States must also submit the following documents:

1. Copies of all official I-20 documents from previously attended schools.
2. A copy of the current I-94 card.
3. A copy of the current visa.

Any international applicant not meeting one or more of the entrance standards may be asked to submit additional information for review by the director of the Office of International Affairs or appropriate department.

6.3.5.2 HEALTH INSURANCE

All international students accepted for study at Fontbonne University will be required to carry medical/health insurance by an insurance company selected by Fontbonne University in the U.S. Purchase of such insurance coverage will be completed at the time of registration at the University.

6.3.5.3 INTENSIVE ENGLISH PROGRAM

Intensive English Program (IEP) is offered for international students whose first language is not English. The IEP courses are designed to improve language skills in writing, reading, grammar, pronunciation, listening, TOEFL preparation and vocabulary. IEP courses do not earn credit towards a degree.

6.3.6 Admission for a Second Undergraduate Degree

An applicant who already holds a bachelor's degree may desire admission to pursue a second undergraduate degree in a major different from the first degree. The applicant must submit an application for admission accompanied by a \$25 non-refundable application fee and an official copy of their undergraduate transcript showing the degree granted. Additional credentials will be requested as needed.

The department in which the student wishes to study must accept the candidate for pursuit of a second bachelor's degree for the student to be admitted. The department will determine which courses from the first bachelor's degree will be accepted toward fulfillment of the major requirements for the Fontbonne degree. These students must complete a minimum requirement of 24 credit hours at Fontbonne University, as well as all specific requirements for the major and second degree. They are exempt from taking the placement test and from completing the Fontbonne general education requirements. See also Section 6.1.3.3.

6.3.7 Admission of Unclassified Students

A student who does not wish to pursue a degree may register as an unclassified (non-degree seeking) student. The candidate for unclassified status submits a completed application for admission accompanied by a \$25 non-refundable application fee. The application fee will not be charged again if the student decides to change to degree-seeking status. Unclassified students are not eligible for financial aid.

6.3.7.1 CHANGE OF STATUS FROM UNCLASSIFIED TO DEGREE SEEKING

An unclassified student who wishes to change to degree-seeking status must complete a change-of-status form obtained from the Office of Admission. The Office of Admission (or in the case of an international student, the Office of International Affairs) will notify the student of any necessary additional credentials. An undergraduate applicant who is not exempt must take the University computerized placement test before acceptance. The following students are exempt from the placement test:

1. A student who has earned a 3.0 cumulative grade point average on a minimum of 60 credit hours from an accredited degree-granting college or university;
2. A student 25 years of age or older who has earned a 2.5 cumulative grade point average on a minimum of 24 credit hours from an accredited degree-granting college or university; and/or
3. A student who has earned college credit with a grade of D or above in the subject areas represented in the test.

Acceptance to a degree program requires a minimum GPA of 2.0 and department approval. The student must follow the general education requirements and the curriculum in effect at the time of the change of status.

A maximum of 30 semester credits earned as an unclassified student at Fontbonne may be applied toward a degree, only with the approval of the chairperson of the department in which the student chooses to major.

The University reserves the right to dismiss an unclassified student who does not maintain the minimum cumulative grade point average of 2.0.

6.3.8 Readmission to Fontbonne

Degree-seeking students who have previously attended Fontbonne University, but have not been enrolled for one or more semesters, may apply for readmission. A student who has been dismissed from Fontbonne may apply for readmission after one full calendar year. Readmission requires no application fee. To apply for readmission, candidates must submit:

1. The admission form; and

2. Official transcripts for each accredited degree-granting college or university attended since leaving Fontbonne.

A student re-entering Fontbonne University must follow all requirements stated in the catalog, including the general education requirements and curriculum, in effect at the time of re-entry.

An undergraduate degree-seeking student who anticipates a need to leave Fontbonne and expects to return after no more than two semesters (not including summer session) may request a leave of absence. (See Leave of Absence, section 6.2.6.)

An undergraduate student who has not been enrolled at Fontbonne for at least five consecutive years may petition for readmission with a “New Start.” Additional information on Readmission with a New Start can be found in Volume VII, section 7.4.9.5 and in the Fontbonne University Catalog.

6.3.9 Admission to Summer Session

Graduates of accredited high schools, high school students who have completed a minimum of six semesters, and students in good academic standing at another college or university may take summer courses at Fontbonne. New students may be admitted to the summer session as unclassified or as degree-seeking students. Unclassified students wishing to continue as degree-seeking students must follow the procedures for change of status (See section 6.3.7.1). Attendance as a summer school student does not guarantee admission to the University as a degree-seeking student.

6.3.10 Admission of Graduate Students

6.3.10.1 ADMISSION REQUIREMENTS

Applications for admission, considered according to program availability, must be on file no later than one week prior to final registration for the term in which the candidate seeks admission. Individual programs may have earlier deadlines.

To apply, a prospective graduate student must meet the following minimum requirements:

1. A completed graduate application form accompanied by a non-refundable application fee.
2. Official transcript(s) from accredited colleges or universities that:
 - Granted the applicant’s undergraduate degree
 - Granted the applicant’s graduate degree
 - Demonstrated program prerequisite(s) have been met
 - Demonstrated completion of transfer graduate coursework
3. Three (3) letters of recommendation.
4. A personal statement of 300-500 words unless otherwise stated for a specific program.
5. Specific graduate programs often require additional supplemental application materials such as all undergraduate and graduate transcripts, a statement of purpose, a portfolio, a resume or curriculum vita, letters of recommendation, etc. Additional admission criteria are listed under each individual graduate program.

6.3.10.2 ACCELERATED PATH MASTER’S PROGRAMS

Accelerated Path Master’s programs offer qualified students the opportunity to shorten the time required to complete a master’s degree by applying a limited number of hours to both graduate and undergraduate requirements. The University has established minimum admission requirements; however, departments may set additional or more stringent requirements. Interested students should check with the department offering an Accelerated Path Master’s Program option regarding the department’s specific requirements.

Eligibility

Students applying to an Accelerated Path Master's Program must:

- Be a currently enrolled Fontbonne University student
- Have completed at least 60 credit hours
- Have at least one full semester as an undergraduate remaining
- Possess a minimum Fontbonne cumulative GPA of 3.25

Admission

Students applying for admission to a master's program through the Accelerated Option submit an Accelerated Path Master's Program Application, which must be approved by the graduate program director, department chair and college dean. Application can be made as early as the first semester of the junior year, but typically in the third semester prior to completion of the undergraduate degree and with at least one full semester remaining at the time of application. Students must have completed at least 12 credit hours in the undergraduate major by the time they are admitted into an Accelerated Path. Undergraduate students admitted to a master's program through an Accelerated Path must maintain a cumulative GPA of 3.25 (or higher if required by the specific program) and meet any other requirements established by the specific program in order to retain their Accelerated Path admission status.

Students must earn at least a 'B' in graduate courses taken as an undergraduate to maintain eligibility to advance to the master's level following conferral of the bachelor's degree. Students who do not retain their Accelerated Path admission to a graduate program are eligible to apply for admission to the graduate program through the regular application process. Failure to satisfy admission requirements or leaving Fontbonne University before completion of the bachelor's degree negates the Accelerated Path agreement.

Degree and Tuition Policies

Once admitted to a master's program through the Accelerated Path, students may take up to a maximum of 12 credit hours of graduate coursework and have those hours count toward both the bachelor's and master's degrees. Students will be charged at the undergraduate rate and retain eligibility for undergraduate scholarships. For each semester in which they take courses for both undergraduate and graduate credit, students must complete a "mixed credit" registration form that is approved by the graduate program director, department chair and college dean. Students taking courses for graduate credit must adhere to all relevant graduate policies.

Students admitted to an Accelerated Path Master's Program must meet all graduate program admission requirements at the time they complete the baccalaureate degree and must meet all degree completion requirements of the graduate program.

6.3.10.3 ADMISSION FEE

A non-refundable application fee must accompany each initial application for admission to the university. The fee remains the same for all students; degree-seeking, unclassified (non-degree seeking), audit, full-time or part-time, whether they are beginning the fall, spring, or summer session. The fee is not refunded if the applicant withdraws or is not accepted at Fontbonne. Once admitted, the students need not pay the fee again for a change of status from unclassified to degree seeking, reapplication after time away from the institution, or for an application to another graduate program.

6.3.10.4 ADMISSION OF GRADUATE INTERNATIONAL STUDENTS

Please see section 6.4.5. Additional specific admission criteria, including grade point average, are listed under the individual graduate programs. An international student not meeting one or more of the entrance standards may be asked to submit additional information for review by the specific graduate program.

6.3.10.5 ADMISSION OF UNCLASSIFIED STUDENTS

A student who has not been admitted to a graduate program may register as an unclassified student. A student wishing to take graduate courses as an unclassified student must receive permission from the director of the relevant graduate program. The candidate for unclassified status submits a completed application for admission accompanied by a \$25 non-refundable application fee. The application fee will not be charged again if the student decides to change to degree-seeking status. Unclassified students are not eligible for financial aid.

6.3.10.6 CHANGE OF STATUS FROM UNCLASSIFIED TO DEGREE SEEKING

An unclassified student who wishes to change his/her status must complete an application for the program of interest. The program director (or in the case of an international student, the director of international affairs) will notify the student any necessary additional credentials.

Acceptance to a graduate program requires a cumulative, blended grade point average as required by the college/department in which the program is housed. The student must follow the program curriculum in effect at the time of the change of status.

A maximum of twelve (12) credit hours earned as an unclassified student at Fontbonne may be applied toward a degree with the approval of the program director. The program director reserves the right to refuse enrollment to an unclassified student who does not maintain the minimum cumulative grade point average of 3.0.

6.3.10.7 READMISSION TO FONTBONNE

Students who have previously attended Fontbonne University, but have not been enrolled for one or more semesters or terms may apply for readmission. A student who has been dismissed from Fontbonne may apply for readmission to a graduate program after one full calendar year. Readmission requires not application fee. To apply for readmission, candidates must submit

1. A completed admission form;
2. Official transcripts from each accredited, degree-granting college or university attended since leaving Fontbonne; and
3. A letter seeking reinstatement.

A student reentering Fontbonne University must follow all requirements state in the catalog at the time of reentry.

6.4 ACADEMIC HONORS AND AWARDS

6.4.1 Dean's List

The dean's list is published at the end of fall and spring semesters. To be considered for the dean's list a student must:

1. Be a full-time undergraduate student earning a first bachelor's degree.
2. Earn a minimum of 12 undergraduate credit hours in the semester. Since P, NP or I grades are not computed in the GPA, any credit hours graded P, NP or I will not count toward the required minimum of 12 credit hours. However, students who successfully complete required courses that are offered only on a P/NP basis and who have completed at least six graded credits are eligible.
3. Achieve a semester GPA of 3.7 or above.

6.4.2 Latin Honors

A Fontbonne undergraduate student who is seeking a first bachelor's degree may earn Latin honors which are conferred at graduation. Latin honors reflect the academic excellence of all of the undergraduate course work taken in preparation for the entire undergraduate degree.

To calculate Latin honors, Fontbonne uses the grades for all courses taken at other colleges and universities, as well as all courses taken at Fontbonne; the final semester's work (a minimum of 12 hours) is not included in the calculation. All transcripts/grades to be considered in the calculation, including any outstanding grades, must be received in the Registrar's Office no later than September 30 for the December graduation, January 31 for the May graduation and May 31 for the August graduation.

Latin honors are as follows:

Cum laude: 3.7 to 3.79 cumulative grade point average.

Magna cum laude: 3.8 to 3.89 cumulative grade point average.

Summa cum laude: 3.9 or above cumulative grade point average.

6.4.3 Honors Convocation

Each spring the University recognizes outstanding students in various categories, such as academic departments/programs, honors program awards, honor society awards and Latin honors. This recognition is publicly acknowledged at the Honors Convocation.

6.4.4 Honor Societies

Fontbonne University has a variety of honors organizations where students are invited to participate because of high academic success. Each honors organization has its own set of requirements to be involved.

6.4.4.1 ALPHA KAPPA DELTA (AKΔ)

Alpha Kappa Delta is the international honor society in sociology.

6.4.4.2 DELTA MU DELTA (ΔΜΔ)

Delta Mu Delta is a national business honor society. Undergraduate students are eligible to be nominated for membership after they have completed half of all major coursework and or 90 plus semester hours of the 120 semester hours required to graduate from Fontbonne University. Graduate students are eligible to be nominated for membership after they have completed 30 plus semester hours of the total semester hours required to graduate from Fontbonne University. Students must be in the top 20 percent of their class at the time of nomination. Students will be contacted regarding their invitation to join Delta Mu Delta in early fall of each academic year.

6.4.4.3 KAPPA GAMMA Pi (ΚΓΠ)

Kappa Gamma Pi is the national Catholic University graduate honor society for graduates who have demonstrated academic excellence and service leadership during their college/university years. As candidates they pledge to continue to provide examples of scholarship, leadership, and service in their personal and professional lives. This commitment is the difference that distinguishes nomination to Kappa Gamma Pi as the most relevant and prestigious award on campus.

Candidates for the baccalaureate degree must be eligible for Latin honors at graduation, and must be nominated by the faculty. The final determination for membership in Kappa Gamma Pi is by vote of the

Undergraduate Academic Committee. Over 450 Fontbonne graduates hold or have held membership in Kappa Gamma Pi.

6.4.4.4 PI LAMBDA THETA (ΠΛΘ)

Pi Lambda Theta is an international honor society and professional association in education. As an honor society, its purpose is to recognize persons of superior scholastic achievement and high potential for professional leadership. As a professional association, its purpose is to stimulate independent-thinking educators who can ask critical questions to improve educational decision making.

6.4.4.5 SIGMA TAU DELTA (ΣΤΔ)

Sigma Tau Delta, the international English honor society, offers membership to English majors with a minimum grade point average of 3.5 in English courses and with departmental recommendation. Membership recognizes personal accomplishment, offers opportunity for publication and presentation and makes students eligible to compete for scholarships.

6.4.4.6 PHI KAPPA PHI (ΦΚΦ)

Phi Kappa Phi, the largest and oldest interdisciplinary national honor society, invites the top 7.5% of juniors and 10% of graduating seniors and graduate students to be members. Members represent academic excellence, promote a community of scholars and are eligible for grants and fellowships.

6.4.4.7 PHI ALPHA (ΦΑ)

Phi Alpha is the honor society for social work.

6.4.4.8 PSI CHI (ψΧ)

Psi Chi is the international honor society in psychology.

6.4.4.9 ALPHA LAMBDA DELTA (ΑΛΔ)

6.4.4.10 BETA BETA BETA (Β Β Β)

The national honor society for the biological sciences.

6.4.4.11 OMICRON DELTA KAPPA (ΟΔΚ)

National leadership honors society that seeks to recognize outstanding student leaders in all areas of campus life.

6.4.4.12 LAMBDA PI ETA (ΛΠΗ)

The national honor society of the National Communication Association for four-year institutions of higher education for students of communication studies.

6.4.5 Honors Program

In philosophy, “telos” is an ultimate end or purpose. Faithful to the mission, values, and vision of Fontbonne University, the honors program (known as TELOS) seeks to foster a community of thinkers

for motivated and intellectually curious students in and outside the classroom. TELOS is a holistic program that focuses not only on classroom experiences but also on leadership, service and social justice, and personal and professional development so that students can apply their education to their highest purposes.

Through the program, students who display outstanding intellectual curiosity in and outside their major fields of study have the opportunity participate in a community of shared scholarship and exploration to build a shared community and develop professional networks. Graduates of the program are recognized as such on their transcripts and at commencement and honors convocation.

The TELOS program is designed to help motivated students gain the most from their Fontbonne education. The flexible nature of the program will allow students to design their particular requirements in consultation with their academic advisors and the program director. Students will have opportunities to deepen their work in their major fields; to do interdisciplinary thinking in fields outside their majors; and also to explore personal, professional, service, and leadership activities. These requirements will be filled by coursework and/or related co-curricular activities.

Active members of the program also have the privilege of early registration for all classes, have access to shared space for study and community building, and participate in personal development and professional networking activities developed for students in the program. The program also sponsors or co-sponsors a variety of co-curricular activities, such as lectures, field trips, and performances or readings, intended to support the intellectual lives of honors students and to enrich the culture of the entire campus.

6.4.5.1 JOINING THE PROGRAM

The program will assess students holistically, not focusing solely on grade point averages or test scores but on the potential for contribution to a thriving community of learners engaged in active exploration of a world in need.

A student may apply to the program at any point prior to the completion of 75 hours of college credit (or, in the case of transfer students, within two semesters after matriculation) and may complete requirements in a flexible amount of time, in consultation with the student's advisor and the TELOS director.

In addition, faculty and staff may nominate students who are considered good candidates for the program.

To remain in good standing in the program, students must maintain a grade of C or better in all honors courses and a GPA of 2.5 or higher, maintain enrollment in a zero-credit honors section, attend at least two TELOS events per semester, meet once per semester with their TELOS guides, and remain in good disciplinary standing with the university.

6.4.5.2 PROGRAM REQUIREMENTS

Honors Coursework

Honors students will complete a minimum of 9 credits of honors coursework, at least 6 of which must be honors seminars. Students may complete 3 hours of honors coursework via honors sections of general education courses.

Honors courses promote intellectual curiosity and exchange across a range of major fields and academic interests. They will also tend to focus on how one's learning can be applied to a world in need. Valuing liberal education, honors courses emphasize experiential learning, critical exchange, interdisciplinary approaches, and moral and ethical understanding. Students not enrolled in the honors program may be permitted to take honors courses if space is available and instructor permission is granted. Honors courses

are not graded differently than other courses. Some honors seminars will also offer general education credit.

Senior Honors Project

The senior honors project is usually accomplished in conjunction with the capstone experience in the academic discipline and offers students an opportunity to pursue in depth an interest developed in the course of their education. The student will pursue a research project, a scientific experiment, a field experience, a series of readings, creative writing, the production of a film, or some similar culminating experience that will result in a product or artifact. Students combining the senior project in the major discipline with the senior honors project do so with the understanding that the project will exceed the ordinary requirements defined by the department for such work. It will be completed under the direction of a faculty advisor in the student's major program and coordinated with the TELOS director.

Departments will formalize expectations for students who are pursuing honors. The TELOS director will approve all projects in consultation with students' respective academic advisors. TELOS students will also be expected to share their senior honors projects at the TELOS showcase.

Customized Experiential Portfolio

Students will design a portfolio of experiences that will help them meet their own personal highest purposes. Experiences that will satisfy the portfolio are planned and pre-approved in consultation with the director.

Transformation: Experiences or coursework related to personal, spiritual, and/or creative growth

Exploration: Experiences or coursework related academic inquiry outside the major field or general education requirements, encouraging breadth of knowledge and perspectives

Leadership: Experiences or coursework related to understanding a variety of forms of leadership (e.g., introverted, extroverted) and influence and students' unique leadership qualities and how to employ them

Occupation: Experiences or coursework within their academic major fields that allow students to deepen their preparation for their professional lives

Service and Social Justice: Experiences or coursework related to applying one's education and personal experiences to a world in need, on and off campus

The specific ways in which students fulfill these categories will vary by student interest and need. Students may fulfill some categories through coursework but may also apply extracurricular and co-curricular experiences to their portfolios. Students will document their experiences and create written or creative work that expresses the ways in which these experiences or courses met the learning outcomes and help to shape personal and professional goals. Students will register for a 1-credit Portfolio Development course in their final spring semester.

Active Participation

Students are expected to participate regularly in the community life of the program.

Each semester, the student will enroll in a zero-hour TELOS course to indicate their ongoing participation in the program; this designation will not require coursework but will allow the student to maintain his or her membership. Students who fail to maintain registration must reapply to the program at a later date, within the first 75 hours of course work, and will not be guaranteed reentry.

Students will also present at the TELOS showcase at least once before graduation.

6.4.5.3 ENTRANCE REQUIREMENTS

Incoming first-year students with an ACT score of 25 or higher or outstanding high school records are invited to join the honors program to work toward the achievement of Honors Scholar status.

Students who complete their first year of university study at Fontbonne with a minimum cumulative grade point average of 3.5 or transfer students who enter with at least 30 hours of academic credit and a minimum cumulative grade point average of 3.5 will also be invited to enroll in the honors program. In addition, faculty members may nominate students with cumulative grade point averages over 3.3 who are considered good candidates for the program. First-years with honors potential may be invited to enroll in honors courses. Students cannot enroll in the program after the first semester of the junior year because it will be difficult to complete the required number of hours to graduate as a University Scholar. These students, however, may register for honors courses if space is available.

To remain in good standing in the honors program students must maintain a minimum cumulative grade point average of 3.5. Students who fall below the minimum have one semester of continued participation in the honors program to raise their grade point average to the required 3.5.

6.4.5.4 BECOMING AN HONORS SCHOLAR

Incoming first-years invited to join the honors program will have the opportunity to take designated honors sections of certain general education courses as well as interdisciplinary seminars. The students will complete a minimum of six honors courses selected from the fixed, two-year rotation set out below.

Honors Scholars must complete at least 18 credits of honors courses as follows:

Mission Core 1 (3)

Honors ENG102 (3)

At least 2 seminar or link classes (6)

An additional 2 classes of their choice from the courses listed below (6)

Honors students who require ENG 101 will enroll in an honors section of that course but the credits will not count toward Honors Scholar status.

These requirements will typically be satisfied within the students first 60 hours at Fontbonne, though that is not a necessity.

6.4.5.5 BECOMING A UNIVERSITY SCHOLAR

The second tier of the honors program is shared between the program and the students' major department, which will determine much of the academic work necessary for the achievement of the status of University Scholar. Students, native or transfer, need not be Honors Scholars to advance to University Scholar, and honors seminars taken while working towards Honors Scholar will contribute to fulfillment of University Scholar requirements.

University Scholars must complete:

- Two honors seminars or honors LINK courses
- Honors seminars taken earlier in a student's career such as those taken to fulfill the honors scholar requirements *will* count towards this.
- Two upper division courses, at minimum, designated by the department as fulfilling honors credit. These courses may be within the major or may be additional honor seminar/link courses.

Departments may specify particular courses that will meet these criteria, or they may make individual arrangements on a case-by-case basis with options such as independent study, individual research,

internships, or participation in an Insight Project. Alternatively, departments can require additional honors seminars. Each of these courses, or other arrangements, stipulated by the departments as satisfying requirements for University Scholar must yield an artifact from the University Scholar candidate that represents significant depth and superior individual achievement, worthy of honors-level recognition. Departmental requirements for graduation as University Scholar will be outlined in the sections of the catalog dedicated to each academic discipline. One additional capstone course in the student's major that yields a senior thesis or other culminating project deemed by the student's department to be worthy of honors distinction.

Additional Requirements

No more than 6 hours may be completed by contract for honors credit in non-honors classes.

6.4.5.6 COURSES

Honors courses will be available each semester for general education credit; interdisciplinary honors LINK courses will also be available regularly. These cross-listed courses will allow students to satisfy requirements in two areas; for example, a student might take an honors course titled Religion and Literature, fulfilling requirements in either or both areas.

Honors courses are specially designed to challenge able students as they complete college requirements. Students not enrolled in the honors program may be permitted to take honors courses if space is available and they have a minimum cumulative grade point average of 3.5. If a student does not have a cumulative average of 3.5 but can demonstrate excellence in a particular area, the director of the honors program may permit enrollment upon recommendation from that student's advisor.

During the junior or senior year, a student in the honors program may contract with any instructor to earn honors credits in one course per semester that is not specifically designated an honors course. The student and the instructor will write a plan defining the level of participation that will justify honors in that particular course. The director of the honors program will approve the plan.

6.4.5.7 SENIOR HONORS PROJECT

The senior honors project is most frequently accomplished in conjunction with the capstone experience in the academic discipline and offers students an opportunity to pursue in depth an interest developed in the course of their education. The student will pursue a research project, a scientific experiment, a field experience, a series of readings, creative writing, the production of a film, or some similar culminating experience that will result in a product or artifact. Students combining the senior project in the major discipline with the senior honors project do so with the understanding that the project will exceed the ordinary limits defined by the department for such work. It will be completed under the direction of a faculty advisor in the student's major program and coordinated with the director of the honors program.

Departments will formalize expectations for students who are pursuing college honors. The director of the honors program will approve all projects, discussing those that also fulfill departmental requirements with appropriate department chairs to ensure that the work the student undertakes qualifies as an honors project by exceeding ordinary expectations.

6.4.5.8 EARLY REGISTRATION

Members of the honors program are eligible for early registration for all courses if they are also registering for honors courses. First year honors students who have been in the honors Mission Core may register early. Beyond the first year, early registration is open to students seeking enrollment in an honors course who already have 6 hours of honors credit.

6.4.5.9 HONORS CREDIT FOR CO-CURRICULAR ACTIVITIES

Students in the honors program may receive academic credit for participating in event-related activities associated with the dedicated semester or other co-curricular opportunities including theatre performances, concerts, poetry readings, and cultural excursions. Members of the program may register for HON 294 to earn 1 hour of academic credit under the supervision of the Director of the Honors Program by completing journal entries and readings and submitting response papers relevant to selected events or presentations.

6.5 CURRICULUM APPROVAL PROCESS

Changes in curriculum may begin with the Undergraduate Curriculum Committee, the Graduate Academic Curriculum Committee, or be submitted by academic departments to the Undergraduate Curriculum Committee or the Graduate Academic Curriculum Committee, each a heavy-load committee with accountability to the Faculty General Assembly. For purposes of this policy, changes in curriculum include, but are not limited to, the addition or elimination of courses, concentrations, minors, certificates, and majors; the institution or elimination of General Education Requirements; the addition or deletion of graduate programs; departmental and interdisciplinary course revisions, additions, and eliminations; modifications of programs, including required courses, required credit hours, and minimum grade requirements; and course credit and course number changes. The recommendations of the Undergraduate Curriculum Committee and the Graduate Academic Curriculum Committee are forwarded to the Faculty General Assembly for approval and/or notification.

6.6 ACADEMIC PLANNING AND REVIEW

To achieve and maintain Fontbonne University's commitment to academic and educational excellence, all departments and programs participate in regular review and evaluation. Departmental chairpersons produce annual departmental reviews as described below, which are reviewed by college deans and the Vice President for Academic Affairs. Every fifth year programs undertake a cumulative self-study and strategic plan revision as described below. This program review process involves all full-time faculty in the program in consultation with the appropriate dean or administrator and provides a thorough and diagnostic evaluation of the overall health and future of the program. The final outcome of each program review is a revised strategic plan with short- and long-term goals, approved by academic administration through a collaborative process.

Annual Department Review

Annual department reviews provide analyses of program needs, progress and future plans for the purpose of ongoing improvement. Each fall department chairpersons undertake annual departmental reviews that include the following: (1) an update on strategic planning goals, (2) an update on progress and changes to academic programs, (3) the departmental learning outcomes assessment report, (4) data regarding departmental performance and accomplishments, and (5) an update on goals and objectives from the preceding year. Deans review these reports with the department chairperson and with the Vice President for Academic Affairs and provide feedback to the department.

Program Review

The fifth-year program review is a comprehensive and summative evaluation, including progress toward strategic planning goals, present strengths, weaknesses and opportunities, and specific short- and long-term goals. The review consists of four elements: (1) a self-study, (2) an external consultant's report, (3) an action plan focusing on specific outcomes for the next one to two years, and (4) a revised 5-year strategic plan. Self-studies require participation of the entire department/program and are completed during the fall semester; external consultant visits and action plans are completed during

the spring semester; and strategic plans are fully revised and approved early in the following fall semester.

6.7 ADVISING POLICIES

6.7.1 Academic Advising

Each student is assigned a faculty member or an academic staff member as an academic advisor. The academic advisor assists the student to develop and work through an academic program that suits the student's career goals, interests and abilities. The advisor guides the student in choosing appropriate courses each semester and also helps the student to develop as a person by taking full advantage of the opportunities of the total Fontbonne experience.

The student has the responsibility during advising week each semester to schedule an advising session with the academic advisor to plan the next semester course schedule.

In the event that an advisor/advisee arrangement does not work effectively, a student may petition the Director of Academic Advising for a new advisor.

The student has the ultimate responsibility for becoming acquainted with and understanding academic policies, procedures and requirements, including those for their major, minor, concentration, certification and/or certificate program, and for graduation.

6.8 COURSE SYLLABUS POLICIES

A syllabus or course outline for each course must be made out according to the suggested format which is available in the Office of Academic Affairs. These syllabi are to be kept up-to-date with semester revisions. Copies are to be submitted at the beginning of the semester to the departmental chairperson, who will forward one copy to the college dean within the first two weeks of the semester in which the course is being taught.

Faculty members are expected to give a written course syllabus to each student in each class at the beginning of each course.

The course syllabus should include at least the following items:

Course information, including semester/year, course number and title, meetings, instructor contact information and availability.

1. A course description and/or objectives.
2. Required materials.
3. Course outcomes.
4. Course content, including outline of major topics and tentative schedule.
5. Instructional methods/student activities.
6. Requirements for the course such as assignments, term papers, and examinations.
7. A statement of policy on grading for the course which includes:
 - a. Those items that constitute the final grade.
 - b. How the calculation or determination of the final grade will be arrived at in this course.
8. A statement of attendance policy.

9. Withdrawal deadline.
10. A subject-to-change-clause and statement of student responsibility.
11. A statement about resources available to students with needs for basic resources.
12. A statement on academic integrity.
13. A statement of nondiscrimination.
14. A statement of accommodation of students with disabilities.

6.9 CLASSROOM MANAGEMENT POLICIES

6.9.1 Classes

Faculty members should be prompt in meeting and dismissing classes. When it is necessary to shorten or shift class periods, to change classrooms or to change class times, the proper authorization must be obtained from the Registrar. If a faculty member is unable to conduct his/her classes because of illness, transportation delays, or other emergencies, the faculty member shall notify the Registrar so that classes can be canceled. The faculty member shall also notify the departmental chairperson about the absence. If the departmental chairperson must be absent, he/she should notify the Vice President for Academic Affairs about the absence.

6.9.2 Class Attendance

Responsibility for participation in class rests on the individual student. Fontbonne University expects regular attendance. Responsibility for attendance at class rests on the individual student. Faculty who use regular attendance as part of the course requirements for evaluation purposes will notify their classes of the policy in writing on the course syllabus distributed at the first class meeting.

Each instructor is expected to give reasonable consideration to the feasibility of make-up work. Students are directly responsible to instructors for class attendance and for work missed during an absence for any cause.

If a student misses the first class of an undergraduate course that meets for eight weeks or less on a weekly basis, the student is automatically withdrawn from the course by the Registrar's office. An exception to this policy will only occur when the student has obtained prior approval to miss the first class from the faculty member teaching the course.

A student athlete is not allowed to register for an eight-week course during the season of the student's sport without the written consent of the athletic director and the faculty athletic advisor.

6.9.3 Faculty Unannounced Absence/Lateness for Class

In the event that a class has not been notified of the absence or late arrival of a faculty member:

1. For classes which meet two or more times per week, students must wait 15 minutes before leaving a class.
2. For classes which meet only once per week, students must wait 30 minutes before leaving a class.

6.9.4 Textbooks

Faculty members are responsible for ordering textbooks through the University bookstore. Order forms may be obtained in the mailroom or the bookstore. The bookstore manager will set appropriate deadlines

for ordering textbooks each term. Desk copies should be requested from the publishing company by the instructor.

6.9.5 Guidelines for Handling Disruptive Students

Fontbonne University students are expected to conduct themselves at all times with appropriate and respectful behavior and observe the policies of the University and the laws of the city, state, and national government.

All University community members—administrators, faculty, staff, employees, students—have the right and obligation to report violations of civil or University policies to the Vice President for Student Affairs.

Should a member of the University community encounter a student who is not behaving in an appropriate and respectful manner, the student first shall be asked to stop the disruptive behavior. If the student fails to comply, the student will be asked politely, but firmly, to leave the classroom (or wherever the locus of the disruption). If the student refuses to comply, the Office of Public Safety shall be notified.

6.9.6 Student Complaints Regarding Faculty

6.9.6.1 INFORMAL COMPLAINTS

For informal verbal complaints, students should first discuss their concern with the faculty member in question. If no resolution is reached with the faculty member, the student should then schedule an appointment to see the departmental chairperson to whom the faculty member reports. If the faculty member in question is the departmental chairperson, the student should request an appointment with the appropriate chair, dean, or the Associate Vice President for Academic Affairs. The departmental chairperson, dean, or Associate Vice President will then present the issue to the faculty member and discuss it verbally. The student(s) will not be identified. Typically, a conversation can resolve the issue. If it is determined that the faculty member is not in violation of a University policy, the departmental chairperson, dean, or Associate Vice President for Academic Affairs will explain this to the student and no further action will be taken, nor will any notation regarding this incident be placed in the faculty member's file housed in the Office of Academic Affairs. If it is determined that the faculty member is in violation of a University policy, the departmental chairperson, college dean, or Associate Vice President for Academic Affairs will explain the policy to the faculty member.

6.9.6.2 FORMAL COMPLAINTS

For a formal written complaint, the procedure used is similar to that of a grade appeal. The student must present a signed letter addressing the concerns to the departmental chairperson of the faculty member involved. If the faculty member involved is the departmental chairperson, then the letter is submitted to the college dean or Associate Vice President for Academic Affairs. A copy of this letter is given to the instructor with the directive to respond to the issues in writing to the departmental chairperson, dean, or Associate Vice President for Academic Affairs within ten days. The departmental chairperson (or dean or Associate Vice President for Academic Affairs) reviews the issue with the faculty member, and a notation of his/her response, along with the student's written complaint, is put into the faculty member's file housed in the Office of Academic Affairs. If it is determined that the faculty member is not in violation of a University policy, the departmental chairperson (or dean or Associate Vice President for Academic Affairs) will explain this to the student, remove the documentation from the faculty member's file, and no further action will be taken.

If it is determined that the faculty member is in violation of a policy, the departmental chairperson (or dean or Associate Vice President for Academic Affairs) will explain the University policy to the faculty member and state that the violation of policy must not reoccur. A summary of the issue is placed in the

faculty member's file. The faculty member may place a response to the complaint in his/her file. Serious violations may result in removing the faculty member from a class and replacing him/her with another faculty member. Further action may be taken by the Vice President for Academic Affairs in consultation with the departmental chairperson, the college dean, or Associate Vice President for Academic Affairs dean and others as deemed appropriate.

In the event that a formal complaint concerns a violation of any state or federal law, the formal complaint will be presented to the Vice President for Academic Affairs to determine the most effective manner in which it should be investigated.

In the event that an informal or formal complaint concerns allegations of unlawful harassment or discrimination, then the student should follow the reporting procedure contained in Section 2.1.2 of Volume II of the Policy Manual.

6.10 PROCEDURES FOR REVISION OF VOLUME VI

Proposals for revising those sections of Volume VI that come under the purview of FGA should be submitted to the committee appropriately concerned with the policy or procedure to be revised. Where there is doubt as to which committee should be given a proposed change, the committee on Faculty Affairs, as the executive committee of the FGA, should decide the matter. Proposals for changes should be submitted on the form for motions for committee consideration, available in the Office of Academic Affairs.

Should a matter of great urgency arise and require action during a time when a committee cannot readily be convened, the President of the University or the appropriate Vice-President should consult with the chairperson of Faculty Affairs, if possible, to determine what action should be taken. Such matters should then be presented to the proper committee at its next meeting.

All changes to Volume VI over which the FGA has decision-making responsibilities will be incorporated into the document at the end of the spring semester of the academic year by the Office of Academic Affairs. This does not limit the implementation of policies or procedures as they are approved, or the inclusion of addenda and errata. Changes will be appended to the end of the manual until the end of the spring semester, at which time the changes will be incorporated into the manual

APPENDIX 6.1.7.1: PLACEMENT PROGRAM

All Fontbonne undergraduate students must demonstrate college/university level skills in the areas of writing, mathematics, algebra, reading and study skills. Students deficient in any of these skills, as determined through the University-administered computerized placement test, must successfully complete the appropriate developmental course(s) in writing, mathematics, algebra, and/or reading and study skills within the first three full semesters (fall and spring) of enrolling at Fontbonne. Each developmental course carries three or four credit hours. The credit for the 091 courses in mathematics will not count as credit toward the 120 hours required for graduation.

The credit for the 095 courses in writing skills and in algebra will count as elective credit toward the hours required for graduation. All incoming freshmen with ACT or SAT sectional scores below an established minimum as determined by the Undergraduate Academic Committee are required to take a placement test in those areas in which they show a deficiency.

Transfer students are exempt from placement testing in any area in which they are transferring credits to meet a Fontbonne requirement.

The following students are exempt from placement testing and developmental courses:

1. A transfer student who earned a 3.0 cumulative GPA on a minimum of 60 credit hours from an accredited degree-granting college or university
2. A student pursuing a second bachelor's degree
3. A student who holds a bachelor's degree and who returns to complete professional certification or registration requirements
4. A student 25 years of age or older who has earned a 2.5 cumulative GPA on a minimum of 24 credit hours from an accredited degree-granting college or university

A student must achieve a minimum grade of C- or better in a developmental course in order to move to the next level course.

Developmental Courses

ENG 095 College Writing Skills (3 hours) (See Department of English and Communication in the catalog for course description.)

MTH 091 College Mathematics Skills (4 hours)

MTH 095 Fundamentals of Algebra (4 hours) (See Department of Mathematics and Computer Science in the catalog for course descriptions.)
