ABSTRAK

Java Paragon Hotel and Residence Surabaya is a four-star hotel in Surabaya which was established on August 8, 20018. Java Paragon Hotel and Residence Surabaya is one of the hotels under the management of Reveur Hospitality, which is one of the developing hotel management companies. This Field Work Report aims to find out the implementation of Service Excellent in the front office division of the Java Paragon Hotel in Surabaya. Excellent Service Theory used can be seen from 6 principles, namely: Ability, Attitude, Appearance, Attention, Action, Accountability.

Field Work Reports can be compiled by conducting fieldwork practices at the Java Paragon Hotel and Residence Surabaya, located on Mayjend Sungkono 101 - 103 Surabaya. This field work practice was carried out for 3 months in the front office department especially in the Guest Relations Officer. Observations during the internship will be used to discuss more deeply the application of excellent service in the front office division at the Java Paragon Hotel and Residence Surabaya.

Based on observations and experiences after conducting field work, it is known that the Front Office department at the Java Paragon Hotel and Residence Surabaya still has not fulfilled all the principles of Service Excellent.

Keywords: Service Excellent, Hotel, Departement Front Office.
