BOY SCOUT
COLUMN

1st Kelowna Troop

Troop First! Self Last!

Edited by "Pioneer."

January 12th, 1926.

Orders for week ending January 21st, 1926:

Duties: Orderly. Patrol for week, Owls; next for duty, Lynx.

Rallies: The combined Troop will rally at the Scout Hall on Monday, the 18th inst., at 7.15 p.m., and the regular basketball practices will be held on the Friday previous, commencing at 4 p.m.

There were only four absentees at the banquet: 2nd Goud, out of town, and Scouts Young, Whiting and Morrison.

At the Rally last night, Section "A" (Beavers, Wolves, Owls and Lynx), had a full attendance of Leaders, Scouts and Scouts, but there were five absentees from Section "B" (Eagles, Otters and Cougars). P. I. Lloyd Williams and Scouts M. McKillop, D. Peole, J. Treadgold and D. McNaughton.

It was with very great regret that we learned last week we were to lose our Troop Leader, John Foster, who left on Saturday for Greenwood, having been transferred to the branch of the Canadian Bank of Commerce at that point. History records that John first came into touch with the Troop at the Christmas banquet held at the end of December, 1920, having been brought there as an out of town Scout by A. S. M. Dick Parkinson. He had belonged to a Troop of Scouts at Dunnville, Ontario. Since joining us he has passed through the ranks from Scout to Patrol Leader and Troop Leader, and was also a King's Scout. In view of this we have presented him with the Troop photograph taken in June last year, on which we have inscribed, signed by the Scoutmasters and Patrol Leaders:—

"To Troop Leader John Foster, King's Scout, 1st Kelowna Boy Scouts, January, 1921, to January, 1926.

With many happy remembrances and best wishes for your future "Good Camping" from your Troop."

The above wishes we heartily echo here.

The position of Troop Leader cannot be filled at the present time, it being an office only open to holders of the First Class Badge. A.S.M.s Williams and Dalgleish and Instructor James Laidlaw are now the only holders of this badge in the Troop at the present time. We have, however, settled on our objective for this season the following:—

There are to be no Tenderfoots in the Troop by the 30th of next April, and by the same date each Scout now holding a Second Class Badge will gain two proficiency badges and there will be at least six First Class Scouts in the Troop. Now then let us see which Patrol Section which Section is going to attain this objective first.

At the Rally last night the following passed their Second Class Semaphore Signalling Test: Scouts Charles Harvey, Fred Flack, Harry Weatherill and Bob Taggart, in the case of the latter completing the work for his Second Class Badge.

Just prior to the banquet on the 4th inst., the following Scouts were investigated and following their names in each case is given the date of their completing the Tenderfoot Tests:

Howard Ryan, November 21st, 1925; Don Lucas, November 21st, 1925; Jack Treadgold, December 15th, 1925; Will Gaddes and Boyce Gaddes, December 16th, 1925; Morris Taylor, December 30th, 1925; Howard Williams, December 30th, 1925; Jim Stuart also completed his Tenderfoot Tests on December 30th, 1925, but on account of the non-arrival of his uniform was unable to be investigated with the others.

The following completed their Second Class Tests on the dates following their names:

P. L. H. Campbell, December 14th, 1925; Scout Gordon Cooper, December 14th, 1925; Scout K. Griffith, January 2nd, 1926.

The Eagles won their Patrol basketball match from the Wolves last night by a score of 8-7. They proudly claim that they have not suffered a defeat for the last two years. There were no games in the City League.

All Scouts in the Troop are requested to make as widely known as possible the fact that on Thursday, the 21st of this month, the Ladies' Auxiliary will hold a bridge and five hundred drive to the Parish Hall, to which an admission of 35c will be charged.

LETTERS TO THE EDITOR

THE McCULLOCH ROUTE
VS. KELOWNA-NARAMATA

Carmi, B. C., Jan. 6, 1926.

To the Editor,
Kelowna Courier.

Dear Sir,

In reading the Vancouver Sun of the 5th inst., I saw an article copied from the Princeton Star, advocating the construction of a road down the east side of Okanagan Lake to connect Kelowna with the country to the south.

In that article Mr. J. W. Jones, M.P.P. for South Okanagan, is quoted as saying that the proposed road on the east side of the lake is the only way to reach the south country, but I would like to call the attention of Mr. Jones and of any other persons to the fact that there is another and much better way to connect Kelowna with the south than the one he advocates, and that is by way of McCulloch, connecting the road that is already built from Kelowna to McCulloch and completing the link from McCulloch to Carmi, which is only 23 miles, three miles of which was built last year, leaving only twenty miles of new road to be built.

This route would furnish the most direct road from Kelowna to connect with the Trans-Provincial Highway at Rock Creek, the distance between these points being about 84 miles, or a saving of over 50 miles by existing routes. Not only that, but the grades are better than of any other connection that could be made between North and South. The route will give tourists from Eastern Canada and as far south as Mexico a straight shoot as far north as they wish to go.

Now, Mr. Editor, I hope you will give this feeble effort of mine space in your valuable paper, and that you will help to interest your readers to take hold and push this road through, which, I am sure, is to our common interest.

Yours truly,

JAMES C. DALE.

(EDITORIAL NOTE.—The people of Kelowna would like very much to have both roads, and, as Mr. Dale probably knows, an agitation has been kept up more or less continuously to have the existing road to McCulloch improved and extended to Carmi, but without result so far. In fact, the Department of Public Works closed the road from Kelowna to McCulloch over a year ago, on the ground that it was in a dangerous condition from slides and decayed bridges. The Department has refused to spend any money upon repairs to the road, presumably because it ends blindly at McCulloch and its usefulness is therefore very limited.

With the approaching completion of the link with the Coast through the Fraser River canyon, it is generally felt that efforts for the time being should be concentrated upon securing construction of the Kelowna-Naramata road, which is the missing link in the main north and south Okanagan Highway, and in which the Okanagan Valley as a whole is naturally more interested than in the route via the Kettle River.

Neither can it be overlooked that the road from Kelowna to McCulloch at best will always be of the mountain type, with a rise of three thousand feet to overcome in about fifteen miles of its whole length of approximately twenty-six, so that it will not be feasible to keep it open during the winter months. The drop-off from McCulloch to Kelowna is much more pronounced than on the Kettle River side, Carmi being over one thousand feet higher than Kelowna, hence the road grade on the east side of the McCulloch divide is naturally much easier than on the west side, and Mr. Dale probably has the circumstances of his environment more particularly in mind when he speaks of easy grades.

The Kelowna-Carmi road will be completed some day, which will come all the earlier if the people of Kettle River will push for it with all the vigour they possess. The people of Kelowna will be glad to assist later, but at the present time it is the general opinion that the Kelowna-Naramata route is indispensable and that it would be fatal to any hope of success of securing construction of that road to prosecute a crusade now in favour of the Kelowna-Carmi project.)

Mr. Arthur Johnson left for Vancouver on Thursday to spend a few weeks with his cousins.

The school children spent Saturday skating on Dry Lake, the boys providing an excellent lunch for everyone.

The basketball players have started their winter practice in the packing shed, which the Co-operative Growers' Association have kindly lent them.

A merry party of nineteen attended the fancy dress dance held at Peachland on Thursday. They went down in two bob-sleighs with teams, driven by Miss Edwina Paynter and Captain Higgins. Everyone had a good time and arrived back home about 3 a.m. Sleighing has been quite good for the past week.

A resident of the Creston district has invented an apple picker, which, it is claimed, will greatly reduce the cost of picking apples. Complete, the design weighs about four pounds. It is mounted on a pole of any desired length and works with a rod which slides up and down and which opens and closes a jaw device that grips apples by the stems and drops them into a canvas sack. It is considered altogether likely that the new minimum wage for all industries will go into effect early in the spring, after the new Board of Adjustment has completed its enquiries. In this connection it is expected that the lumber industry will be forced to raise wages, but that the majority of industries will not be affected in any way, as they are already paying more than what is considered a fair wage.

uate the white people of this province as to the serious menace of the Oriental to the commercial life of the West."

Mr. Reekie further quoted some facts from a large mass of statistics he had obtained relative to the increase of Orientals in B.C., which were of too copious a nature to be read out in their entirety at a meeting. They were of a rather startling kind, showing that the oriental population of this province is ever on the increase and that these aliens are strengthening their position here in every way possible, and especially by engaging in almost all commercial pursuits.

After Mr. Reekie's speech one or two of those present suggested that it might not be a bad idea to try to educate some of the white people of B. C. to do the work in the fields, such as growing onions, which was now carried on almost entirely by Orientals, it being observed that this kind of toil was considered quite natural for white people both in Eastern Canada, most parts of the United States, and in Europe. It was remarked by others present, however, that the mere matter of certain work being done in the fields by Orientals did not constitute the crux of the question.

For instance, Mr. Reekie pointed to the fact, as shown by the statistics he had secured, that in 1923 eleven Chinese owned and controlled ninety-two greenhouses on Vancouver Island, as against two hundred and eighteen greenhouses controlled by white people, and on the Lower Mainland, twenty-eight as against two hundred and thirty-seven. Also that the area of the Chinese greenhouses that year, since increased, was 546,052 sq. ft. as against 1,359,128 sq. ft. owned by whites. Further, that in a great many of the greenhouses owned by our own people those principally employed were Chinese, who, as soon as they learned the business, entered into competition with their former employers. The small fruit industry also showed signs of an Oriental invasion, for in 1924 732 Chinese held 2,930 1/2 acres of small fruit land as against 3,706 white people having 8,501 acres under small fruit cultivation, whereas in 1922 the figures had been 1,591 1/2 acres operated by Orientals and 4,610 1/2 acres operated by whites. In fact all statistics obtainable, though not entirely up-to-date, showed that the Oriental was becoming a very serious factor both in the labour market and in the commercial life of the province, that he is today doing business in the principal streets of most of our cities and often carrying on trade under a name which cannot be easily recognized as Oriental. Some further idea of how labour was affected could be gleaned from the fact that at one of the coal mines on Vancouver Island in 1925, 247 Orientals were employed on one shift as against 115 whites, and that in the fishing industry, in 1924, no less than 4,968 Japanese held fishing licences, as against 6,731 whites.

Mr. Reekie Re-Elected As Director
After Mr. Reekie had finished reading out the data he had collected re the Oriental invasion, it was decided to proceed with the election of a Director for the coming year and to appoint a delegate to represent the Association at the Vernon convention before discussing proposed methods of dealing with the Codling Moth menace, and by unanimous choice and without any ballot having to be taken Mr. Reekie was again appointed Director for 1926.

In thanking the meeting for the honor conferred on him, Mr. Reekie observed that he appreciated it the more because he was no longer actually engaged in fruit growing. He recognized the fact that during the many years he had been on the Executive he had made some mistakes, but he could assure all present that he had always had and always would have the interests of the growers at heart. He wished to thank those present for the confidence they had shown in him and would do his utmost to merit it by looking after their interests and those of the fruit growers in general to the very best of his ability. (Applause.)

The chairman observed that everybody would be glad that Mr. Reekie had been again chosen Director, as that gentleman had always done his very utmost for the growers. In this connection he, Mr. Gillespie, would remind those present that much of the work Mr. Reekie had done had been done in such a way that it had passed unnoticed, a fact which was to Mr. Reekie's credit. (Applause.)

The matter of electing a delegate to attend the Vernon convention was next taken up, Messrs. F. A. Taylor, J. L. Gillespie and G. Fitzgerald being nominated for the position, and on the second ballot Mr. Taylor received the largest number of votes.

GLENMORE

The annual meeting of the Glen-
more Women's Institute took place on
Tuesday, January 5th, in the Council
Chambers. Considering the heavy snow
fall, there was a splendid attendance.

Following routine business, reports
of officers and committees for 1925
were presented, all of which showed
that considerable had been accom-
plished.

The following were elected directors
for the coming year: President, Mrs.
J. E. Britton, with Mesdames P. H.
Vard, E. W. Ferguson, A. H. Lon-
don, and J. C. Clarke. Mrs. R. W.
Corner was appointed Secretary-Treas-
urer. The appointment of committees
was left over till the next meeting,
which will be held on Tuesday, Janu-
ary 26th.

It was decided to hold a monthly
social affair in the School, the first of
which takes place this week, under the
direction of Mrs. E. W. Ferguson and
Mrs. W. R. Hicks. It is felt that
1926 bids fair to be a very successful
year for the G. W. I.

Mr. and Mrs. T. M. Ryall left on
Saturday for a vacation in California.

The regular meeting of the Glenmore
Women's Institute will be held in the
Council Chamber on Tuesday, January
26th, at 2.30 p.m. Plans will be made
for 1926 work and there is considerable
routine business to transact. At its
conclusion, Mrs. Wm. Geary will give
a demonstration in basket making.
This demonstration is the fore-runner
of a class being formed in basketry
under the auspices of our Institute, and
the demonstration will be of benefit
to any who are desirous of joining the
class. The class will be open to all,
and it is hoped that the younger wo-
men especially will take advantage of
it. All information regarding the class
will be given out at this meeting.

The Glenmore Fruit Growers' Asso-
ciation meeting was held in the School
on Thursday evening, January 7th,
with a good attendance. Mr. J. E. Britton
presided. After discussion, it was
resolved to abandon the regular monthly
meetings and only call meetings as
occasion arises.

The election of officers for 1926 re-
sulted as follows: President, Mr. Wm.
Geary; 1st Vice-President, Mr. S.
Pearson; 2nd Vice-President, Mr. A.
L. Dalglish; 3rd Vice-President, Mr.
G. H. Watson; Secretary-Treasurer,
Mr. J. C. Clarke.

Messrs. W. O'Neill, J. N. Thomp-
son and G. Barrat were present to dis-
cuss matters of interest connected with
the Kelowna Growers' Exchange.

The General Manager of the K. G. E.
briefly outlined the work of the past
season and the obstacles that had to
be surmounted. The conversion of the
storage building into a cold storage
warehouse took away a packing house.

The Rutland packing house, built at
a cost of \$27,000, was then decided upon.
This house saved the growers of
Ellison and Rutland a great deal of
hauling. Owing to the cold storage
not being used to capacity this season,
there is a deficit of 72,000 boxes
only being stored, while its capacity
is 95,000. The speaker pointed out
that it was up to every grower to see
that the storage was used to capacity.

At the beginning of the season there
was an understanding with Central
that it would be used to capacity, but
only a verbal understanding. As one
grower said, "Verbal agreements are
the curse of Western Canada."

Mr. J. N. Thompson then read Gen-
eral Hartman's report, written in Oc-
tober, when that gentleman tendered
his resignation, which was not accepted
by the Board. This was followed by
the reading of the criticism of Mr. Mc-
Nair, Sales Manager of the Associated

FASHION FANCIES

By Marie Belmont.

Sophisticated smartness is the key-
note of the very slender evening gown
which is shown here developed in cop-
per coloured velvet.

The model is made with a moulded
bodice and a skirt which clings because
it is cut on the bias of the material. The
skirt also adds length in its irregular
hemline, which dips at the sides.
Bronze metal cloth, very supple in
texture and with a veined line through
it suggesting the veins in autumn leav-
es, makes the shaped girdle of Egyptian
inspiration.

Growers, on the management of the
K. G. E.

The meeting felt this was absolutely
unjustified and before the meeting
closed a vote of confidence was unani-
mously passed in the Manager, Direct-
ors and Warehouse Manager.

Mr. G. Barrat pointed out that very
distinct progress had been made in
the Association and the cost of doing
business reduced. He touched on ex-
port matters, the Japanese embargo,
also the breakdown in Wagners, Spies
and Stayman Winesap. Questions were
freely asked and criticisms made.

The annual meeting of the ratepayers
of the Municipality of Glenmore was
held in the School on Friday, the 8th
January, at 8 p.m.

Reeve Cushing was in the chair and
started the business of the meeting
with a brief review of the year's work.
The Clerk was then called upon to
read and elucidate the financial state-
ment.

Much interest was shown in the table
of comparisons of the past three years
prepared by Councillor Munro and
printed on the back of the statement,
some of the notable features of which
are a decrease of 38 per cent in the
cost of administration of the Municipality,
and an increase of nearly 100
per cent in the amount of public work
done. The table also points out that
\$12.2 per cent of the tax levy for 1925
was collected during the year. The
levy itself shows as 5 mills for all pur-
poses (general and school), and is the
lowest levy of any of the three years.

It was mentioned during the meeting
that this was the lowest levy of any
municipality in the Province.
The financial statement shows a bal-
ance in the School Trustees' account
of \$495.18, and a surplus of assets over
liabilities in the Corporation of \$7,328-
70, of which \$1,598.60 is cash in the
bank.

The School Trustees were heard
from and discussed school matters
with the ratepayers.

During the meeting the following
resolutions were passed:

"That a vote of thanks be extended
to the Reeve and Councillors for the
good showing they have made in 1925."

"That the Councillors should be paid
\$5 per meeting up to fifteen meetings
in the year, and the Reeve \$200 per
year."

"That a vote of thanks be extended
to the School Board for the manner
in which they have conducted the
school business."

The annual elections took place on
Monday, January 11th, and resulted in
the following acclamations:

Reeve: J. N. Cushing.

Councillors: J. E. Britton and R. E.

J. Hunt.

School Trustees: J. E. Britton and
Samuel Pearson.

Police Commissioner: G. C. Hume,
J. P.

The by-election to fill the vacancy
left in the Council by the resignation of
a councillor was held on Wednesday,
January 13th, and resulted in Mr. E.
W. Ferguson being elected by acclama-
tion.

A sign that everything is now in readiness for passenger service on the Kamloops-Kelowna branch of the C.N.R. is that "railway crossing" signs have been placed on all intersecting roadways and that where there are no stations at present small shelters have been erected for passengers and employees.

Many complaints are reaching the City Police relative to the dangerous custom of boys hitchhiking their sleighs on to cars and other vehicles, but it is impossible for the police to keep track of all the boys who are doing this, and they hope that parents will do their best to stop their children from indulging in this hazardous amusement.

Three prominent C.N.R. officials arrived here in a private car on Monday, returning north on Tuesday morning after having inspected the terminal facilities. They were Mr. W. C. Owens, Assistant Superintendent, Kamloops, and Mr. C. F. Connor, General Bridge and Building Inspector, Vancouver, and Major J. MacLachlan, Divisional Engineer, Kamloops.

The lecture given in the Wesley Hall on Tuesday evening by Col. E. L. Taylor, of the Salvation Army, was very well attended. The lantern slides were very clear and depicted life in the big centres of population in the Old Country and showed how the Salvation Army carried on its work there, sometimes under great difficulty. Col. Taylor left on yesterday's boat for Penticton to deliver the same lecture there.

Mr. A. J. Hughes, who has been appointed C.N.R. agent here, is expected to arrive at the end of this week from Saskatoon, where he was stationed for many years. He was recently the recipient of a farewell address and other tokens of respect from the people of Saskatoon, previous to his departure from that city. Mr. G. Wilder, who has been acting agent here, and whose uniform courtesy has made him many friends, expects to leave here very shortly after Mr. Hughes' arrival.

The annual general meeting of the Gyro Club of Kelowna, which was held on Tuesday, took the form of a luncheon given at the Palace Hotel. Mr. Fred G. Brown, of Vancouver, Past District Governor, installed the officers for 1926, who are as follows: President, Mr. C. W. Stewart; 1st Vice-President, Mr. J. Galbraith; 2nd Vice-President, Mr. J. W. N. Shepherd; Secretary, Mr. R. Whillis; Treasurer, Mr. G. Shuyier; Directors, Mr. E. D. Alexander and Mr. D. A. Hinkson. An account of the proceedings will appear in the next issue of The Courier.

The members of the Kelowna Men's Vocal Club have secured a fine selection of music and their conductor, Mr. C. W. Openshaw, was most pleased with the result of the first rehearsal, which was held in the Leckie Block last Thursday. It is now hoped that, with constant attendance at future practices, it will be possible for this organization to give its first concert about the middle of February. It is also hoped that all those who are musically inclined will become members of the club and be present at the next rehearsal to be held this evening at 8 p.m., sharp. Those who possess deep bass voices will be made specially welcome.

There was a very large attendance at the meeting of the Jack McMillan Chapter, I.O.D.E., which was held at the residence of Mrs. D. Williams on Tuesday afternoon, and the members listened with great interest to a very informative address on the North-West Provinces of India, by Mrs. Moncrieff Mawer, who gave a highly interesting description of the zenana work being carried on there as well as of native life and customs. It was arranged to send a small shower to the native orphanage at Nafik, near Lucknow, where excellent work is being done under missionary supervision. Before the meeting dispersed, Mrs. T. Treadgold showed the members the picture of the signing of the armistice after the Great War, which has been framed and which will be presented, informally to the Public School. Nominations for officers for 1926 were also received. Many new members were present.

MARRIAGE

Murray—Broomhead

An interesting wedding was held at the residence of Mr. and Mrs. J. Curtis, Bernard Ave. on Tuesday afternoon, when the Rev. C. A. Campbell, of Rutland, united Mr. John William Murray, son of Mr. Thomas Murray, of this city, and a native son of Kelowna, and Miss Agnes A. Broomhead, second daughter of Mr. and Mrs. A. Broomhead, of "Creighton," Albert Road, Richmond, England, who was attired in a frock of rust coloured morocain crepe, had a bouquet of the same flowers.

The bridegroom's gift to the bride was a bar pin with pearls and to the best man a tie pin.

After a lunch had been served at which a number of friends were present, the happy couple left the same afternoon for Vancouver. They will reside on Bernard Avenue on their return here.

STRONG CAST AND A FORCEFUL STORY

Lewis Stone, Shirley Mason And Other Favourites In "What Fools Men"

An absorbing pictorial narrative of a dominant personality who could only be affected by opposition from one of his own flesh and blood—that is Joseph Greer as he is pictured on the screen by Lewis Stone in "What Fools Men," a cinematic version of the Henry Kitchell Webster novel, "Joseph Greer and His Daughter," which appears at the Empress Theatre on Monday and Tuesday, January 18th and 19th.

Greer comes from the seclusion of African jungles, and steps out of the isolation of a scientist's life to cut in on the profits of an invention he has developed of great commercial value, for which he obtains the backing of a coterie of financiers.

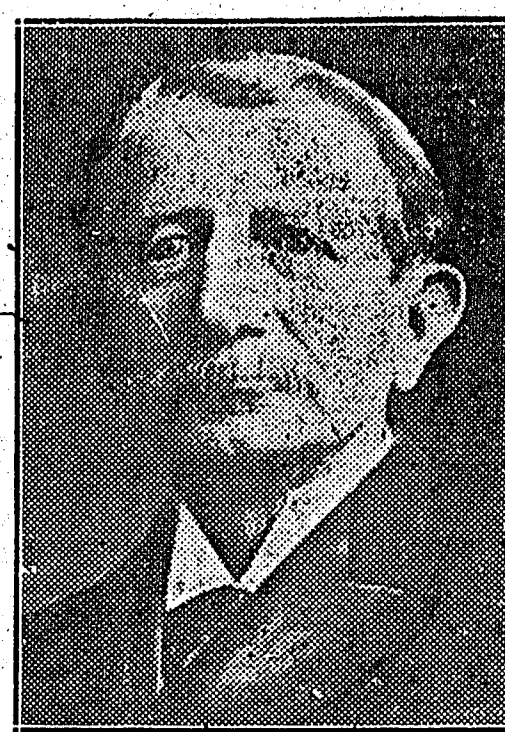

In his vaunted self-belief that he can "buck" the moneyed ilk and hold them to a bargain—Greer has no illusions as to the real motives of these men in backing him—the forceful inventor enthusiastically buys up enough raw material to start the concern functioning on a large scale and therein accepts the bait held out by the schemers, who sell out their stock in the meantime to throw the company into bankruptcy and so gain possession of its assets at their own terms.

Even at that Greer cannot just fit himself into the role of a short lamb and grimly sets out to take care of his commitments through connections he has made. Then a catastrophe too big for him to weather occurs.

Greer recovers from this staggering blow only by a complete rearrangement of his philosophy and a realization that a will that bends on occasions is the one more conducive toward peace of mind than the iron will, which gives only to break.

Stone, in the interpretation of one of his finest characterizations, has the aid of such notable players as Shirley Mason, Barbara Bedford, Ethel Grey Terry and many others.

It has been given out that the B. C. Government will make one more attempt to stop the importation of liquor into this province by private individuals and companies, by making its fourth appeal to Ottawa on the subject.

THE CORPORATION OF THE CITY OF KELOWNA

FINANCIAL STATEMENTS AND AUDITORS' REPORTS FOR YEAR ENDED DECEMBER 31st, 1925

Auditors' Reports

Kelowna, B. C.,
January 6th, 1926.
To the Mayor and Aldermen of the
Corporation of the City of Kelowna:
Gentlemen:—

We have made a continuous audit of the accounts and records of the Corporation for the twelve months ended December 31st, 1925.
We present you herewith the following statements, which we have prepared therefrom, certified by us and signed by the Treasurer:—
"A" Statement of Assets and Liabilities.
"B" Statement of Receipts and Disbursements.
"C" Revenue and Expenditure Account.
"D" Operating Account for Public Utilities.
"E" Statement of School Receipts and Disbursements.
"F" Statement of Bonded Debt.

It gives us much pleasure to report that the Sinking Fund requirements have been complied with and that due in part to the fact that all securities have been written up to their par value, the Sinking Fund was in excess of the required amount by \$8,938.56, as at December 31st, 1925.

Cash and Bank Balances.
We have verified the Cash on Hand and the various Bank Balances have been compared with the pass books concerned and certificates obtained from your Bankers.

Operating Accounts—Public Utilities.
For correct comparative purposes we would point out that the apportionment of Sinking Fund and Interest made last year against these Public Utilities should have been \$500.00 less in each case. Therefore the correct operating surplus in the Electric Light Department should have been \$2,763.63 for last year; and the corrected deficit for the Domestic Water System should have been \$97.03.

We further wish to report in accordance with Section 353 of the Municipal Act:—

(a) That we have obtained all the information and explanations we required.

(b) In our opinion the Statement of Assets and Liabilities referred to in our report is properly drawn and truly and correctly exhibits the affairs of the Corporation as disclosed by the books and records and information received.

(c) We have found all payments properly vouched and authorised through the minutes and the other documents in order.

(d) In our opinion the forms and records used are well suited to the requirements of the Corporation.

All of which is respectfully submitted.

CREHAN, MOUAT & CO.,
Chartered Accountants, City Auditors.

Kelowna, B. C.,
January 6th, 1926.

To the Members
The Board of School Trustees
of the City of Kelowna,
Kelowna, B. C.

Ladies and Gentlemen:—

This is to state that we have audited the books and examined the records of the School Board for the twelve months ended December 31st, 1925.

We found all payments were properly vouched and authorised through the Minute Book.

It is noted that the Minutes of your Board disclose that Section 131-1 of the Public Schools Act has been infringed.

The estimates of expenditure, including Sinking Fund and Interest for the year, were \$45,578.51, whereas the actual expenditures, including Sinking Fund and Interest, were \$46,406.46, an expenditure in excess of estimates of \$827.95. We find that your estimated revenue, including the credit balance due you last year of \$4,429.37, was \$18,123.37, and that your actual revenue was only \$17,890.88. This shortage of revenue is due for the most part to the fact that owing to an amendment of the Liquor Control Act, the 2-7ths proportion of the liquor profits has not been included in the statement as revenue. Taking this Liquor Grant amount as estimated at \$1,600.00 into account, your actual revenue is in excess of your estimates by \$1,367.51.

The amount due from the School Board to the City to be included in estimates and to be levied for next year is \$963.18, which is made up as follows:

Over-expenditure shown above \$ 827.95
Excess Revenue received 1,367.51

\$ 539.56

City over Levy:
Estimates \$27,455.14
Levy 27,552.40

97.26

\$ 636.82

Government Liquor Act not apportioned, estimated 1,600.00

\$ 963.18

No allowance has been made in these statements for the Inventory of Fuel on hand at December 31st, 1925.

Respectfully submitted,
CREHAN, MOUAT & CO.,
Chartered Accountants, City Auditors.

One hundred and seven candidates lost their deposits in the recent Dominion election, and, as a result, Canada's expenses in conducting the contest, estimated as slightly over \$2,000,000, will be decreased by \$21,400.

The Canadian mineral production has now reached the figure of approximately \$225,000,000 per annum, or \$25 per capita, which is the highest per capita production of any country.

According to Sir John Aird, President of the Canadian Bank of Commerce, there is in Canada this year fully \$125,000,000 more available for business purposes than is usual at this time of the year.

Record Entry In Local Tournament

With a new record in the number of entries received numbering 229, the Kelowna Badminton Club's local tournament is now under way, no less than 72 players taking part in the various events, and in order to allow members to take part in the B.C. championships the finals must be completed by the first week in February, the first round to be completed by Thursday, January 21.

A finals day will be staged early in February to which the general public will be invited, but as there are 125 matches to be played before the final round is reached, the courts will be constant use until the tournament is over.

Entries are divided as follows:—
Open Events:

BASKETBALL

Local Intermediates Lose To Summerland

Kelowna's Intermediate boys and girls lost both contests to Summerland last Thursday, but in each case the score was very close, the Intermediate "A" boys losing 20-14, and the girls playing 15 minutes overtime before Summerland scored a basket to give them a 14-12 victory.

Considering that Summerland Seniors played Penticton the previous week and only lost 12-9, the showing of the local Intermediates against Summerland Senior "B" was very good, the addition of Mitchell, a former University of Ontario Agricultural College player, giving Summerland additional strength. According to the local players, Mitchell was the outstanding player on the Summerland squad, his experience proving valuable.

Kelowna had a 9-7 lead at half time but as no substitutes were carried, the Summerland Seniors came from behind to win out in the second half.

The girls' contest was a hard fought affair, with the score tied at 12-12 when full time was called, and necessitating overtime which ran into 15 minutes before the winning basket was scored.

Teams from Kelowna were as follows:

Intermediate "A": E. Williams, R. Cumming, H. Brown, L. Cook, E. Wilson.

Intermediate Girls: A. Poole, M. Fraser, G. Griffith, U. DeHart and J. Hayman.

Kelowna's Sportsmanship Appreciated

A particularly pleasing tribute to Kelowna and to its hospitality, which is rapidly bringing the city into prominence as the best sports centre in the Interior, is embodied in the following letter received from the Manager of the Rowing Club Intermediate basketball team, who recently made their first appearance on the local floor.

"Vancouver, B. C., Jan. 7, 1926.

"J. G. McKay, Secretary Kelowna Basketball Assn., Kelowna, B. C.

"On behalf of the Rowing Club Intermediate 'A' team, I wish to extend their heartfelt thanks to those responsible for the splendid game we enjoyed and for the fine support we received from a strange crowd during the game. Mr. Weddell's refereeing was the best we have experienced for a long time, and the support he received from the crowd and from your players through their clean playing and good sportsmanship was wonderful.

"E. B. TAYLOR, Manager."

Touring Basketeers Given Rousing Send Off

Giving the Kelowna basketball team a rousing sendoff, many citizens gathered at the ferry wharf Wednesday morning to wish them luck on their Coast tour.

Fred Brown, past President of the Vancouver Gyro Club, and a former Governor of Gyro District No. 4, embracing British Columbia, Washington and Oregon, has extended an invitation to the team to be guests at the Vancouver Gyro Club's luncheon on Monday. Mr. Brown was in town in connection with the installation of the newly elected officers of the local Gyro organization.

R. W. Sheridan, who has been treasurer of the Kelowna Basketball Club, has been transferred to Vancouver, and to fill the vacancy the executive have appointed Don Barton. Mr. Sheridan has been an important cog in the harmonious working of this year's basketball executive, and his departure is regretted by the remainder of the officials.

ICE HOCKEY

Kelowna Hockey and Skating Club Takes Being

Although weather conditions have not been favourable for the opening of

the Main Line or South Okanagan hockey leagues, the local rink is beginning to take on signs of being ready for use probably today if there is no thaw. Flooding operations began Tuesday, and by the work done previous to the fall of snow a foundation was assured.

On Monday evening, an organization known as the Kelowna Hockey and Skating Club was formed to take charge of the rink. Kelowna's entry in the hockey league. Officers elected were as follows: Hon. President, Dr. G. L. Campbell; President, J. J. Taylor; Vice-President, W. H. H. McDougall; Secretary, Ted Buse; Treasurer, Carson McLeod; Executive Committee: Tom Pitt, Claude Newby and L. Watt. R. McK. Watt was elected team manager, with Harold Bourke and Alex. Gordon as a transportation committee.

Owing to the late start made in opening the hockey league, a new schedule will probably be drawn up, as there is a possibility of playing in Vernon on Tuesday, but Lumby and Vernon were anti in the opening fixture. Kelowna is due at Lumby on Friday, and if there is ice at the lumber town, the local team will probably make the journey.

The rink behind Chapman's barn is a central location, and with a continuance of cold weather, the rink will be skating open to the public within a few days.

THE TRAPS

Glenmore Gun Club Will Meet

Thursday, February 4th, was selected as the date for the annual meeting of the Glenmore Gun Club at an executive meeting held Monday night, the gathering to take the form of a banquet. A committee consisting of T. Thorp and W. Harvey are arranging details as to the place and to the form of the banquet.

Election of officers and adoption of by-laws which have been drawn up for consideration are among the important items of business to come before the annual meeting.

It was decided to leave the disposition of the handsome Bullock Lade shield to the incoming executive.

A vote of thanks was tendered to The Courier and Province representative for publicity afforded through the press during the year.

CARDS

Fraternal Card League

	Games	Points
I.O.O.F.	6	5
S.O.E.	3	4
G.W.V.A.	3	3

Sons of England opened their first card league fixture by taking the cribbage and whist games from the Oddfellows last week, and obtained 4 points in the league standing, while their opponents took honours in the five hundred, and thereby added two points to the three already obtained from the Veterans.

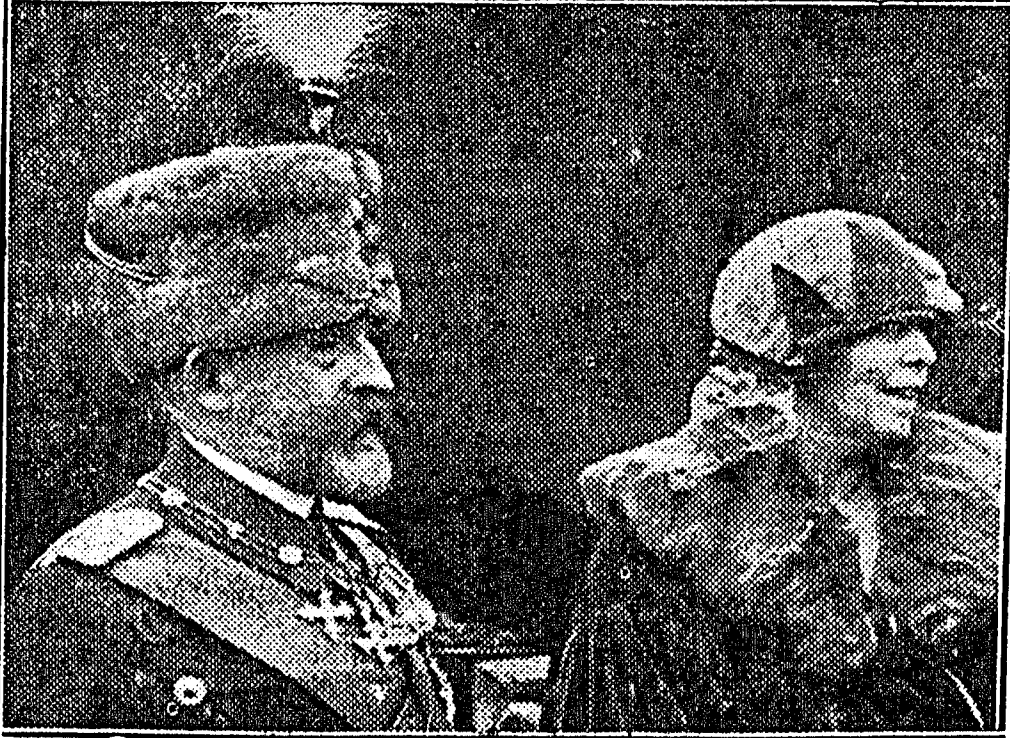

From the opening games it would appear that another close race will be staged this winter, last season's league ending in one point separating each organization entered.

Next Monday, January 18th, will witness the opening of one of the greatest legal battles ever staged in Western Canada, the prosecution, at Vancouver, by the Dominion Government of various fruit-handling firms and brokerage firms for alleged infractions of commercial law.
