*W. J. B. Carrimore*  
*Gainesville, Fla.*

We learn that you are about to erect *his island*  
*Colley Bays*, at *Gainesville Fla.*

We are very anxious to know what you intend to use for roofing this building, also who has charge of the work. This will enable us to submit our prices, provided we can fill the specifications.

It will pay you to consider Taylor's "TARGET AND ARROW" roofing-tin if a permanent, weather- and fireproof roof is wanted. This old-time, durable, hand-made tin has proved its value in more than sixty years' actual use. "A Guide to Good Roofs" enclosed herewith, tells more about it.

Inasmuch as we have started a record of your building, we respectfully ask that in any case you return the enclosed postal card with any information you can give. It will save us further correspondence if you will kindly do this favor.

Requesting an early reply, we beg to remain,

Very truly yours,

N. & G. TAYLOR CO.
