Presenter(s): Nash, David

Presenter(s): Patel, Kavita

Presenter(s): Trice, Traci

RSS Goals: Explain current information and trends in population health, public health, health policy, quality and safety, and health economics and outcomes research.

Discuss the broad population health and health policy issues affecting health care today.

Apply best practices to a variety of health care settings.

REQUIRED INFORMATION/ACKNOWLEDGEMENTS TO PARTICIPANTS:

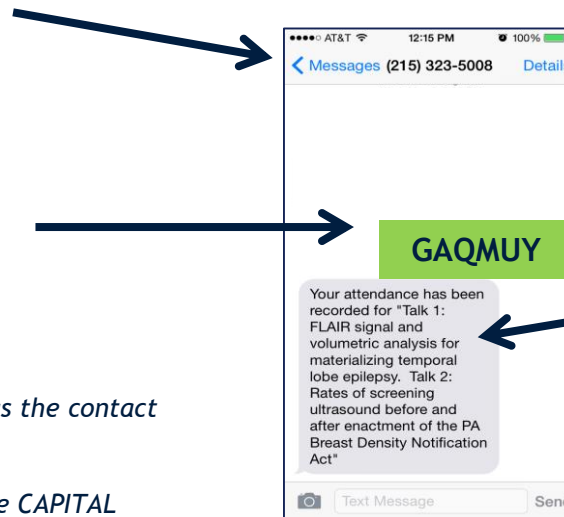

Conflict of Interest Disclosure: Unless otherwise noted by the presence of a "CME COI SUMMARY" document, the planners of this RSS and today's presenter(s) indicated that they have no commercial relationships to disclose. NOTE: ACCME requires that the lack of relationships also be disclosed to the audience.

Use Your Cell Phone to Record Attendance at this Session

JEFFERSON COLLEGE OF POPULATION HEALTH: NOVEMBER 2020 FORUM

AFTER THE ELECTION... A POPULATION HEALTH OPEN FORUM

TEXT THIS NUMBER
215-323-5008
TODAY'S SMS CODE
GAQMUY

You will receive a text message confirming your attendance has been recorded

TIPS:

Add this number as a contact. We suggest "CPD@JeffLEARN/Attendance" as the contact name

The SMS CODE will be unique for each session, and will only work once. Use CAPITAL LETTERS to avoid autocorrect errors

The phone number you text attendance to will always remain the same

Your cellphone number will never be used for anything but the recording of your attendance; you only get a text back if you text us first.
