

FACULTY SCHOLARSHIP

Celebration 2013-2014

Western
Carolina
UNIVERSITY

This is the 25th consecutive year that Hunter Library will showcase faculty scholarly works through an annual exhibition. Every year, more and more people bring their works to the library, allowing us to celebrate their achievement and to share their scholarly contributions with the whole campus.

This year's exhibit showcases faculty achievements during 2013 and demonstrates the depth, strength, and overall excellence of our faculty's contributions to human knowledge and understanding, as well as their keen desire to share these intellectual gifts with others.

It is hoped that the exhibit will continue to awe, to awaken, and to inspire.

### A WORD OF THANKS

This event is sponsored by the Graduate School and Office of Research, Hunter Library, The Honors College, the Office of Undergraduate Studies, and the Coulter Faculty Commons.

The event would not be possible without the leadership of the Faculty Scholarship Celebration committee—Mimi Fenton, Dana Sally, Carol Burton, Brian Railsback, and Laura Cruz. We are also grateful to the Hunter Library Display Committee for their impeccable design. The reception was graciously supported by the Office of the Chancellor, the Graduate School and Research, and the Hunter Library. News of the celebration was taken to the campus thanks to the Office of Undergraduate Studies and The Honors College. Special thanks to Alexis Black for all of her hard work in preparing this publication.
