Hi!

I am writing to you from the University of Maine Career Center. We are checking in with members of the Class of 2020 and wanted to reach out regarding your job search. We know that a lot of hard work has brought you to this point, and you should be proud of your accomplishments! We realize that in these difficult times there may be some uncertainty when it comes to your future. However, we want to let you know that the Career Center is here to support you with your career development and job search.

Please tell us a little about your job search.

We would like to hear from you about your job search thus far and would greatly appreciate it if you could take about five minutes to fill out this survey:

University of Maine Senior Job/Internship Survey

Please fill it out even if you have not yet received a job/internship offer. Any information you can give us about your experience helps us to continue improving our services..... leading to more support for you and your fellow students!

Here is how we will continue to support you:

We want you to know that we are still here for you. We are currently offering all our services virtually including resume reviews, mock interviews, career counseling appointments, and a live chat feature. For more information please see our website [here](#), and did you know that you can continue to access all the Career Center has to offer for an entire year after you graduate?

Feel free to email us with any questions at umainecareercenter@maine.edu.

Thank you!
