Dear Families,

Thank you for your unwavering support during the COVID-19 pandemic. It is greatly appreciated.

We continue to align our daily operation with guidance provided by the United States Centers for Disease Control and Prevention, and the Governor's Office.

We were hoping to open on April 27. Now, we are unsure of when we will be able to reopen. We will be looking for the governor's recommendations and guidance as to when we will reopen, and will update you as soon as we know the status.

Thank you again for all of the support that you have shown the Children's Center.

Please let me know if you have any questions.

Take care,

Kim
