Dear Ms. Hadley,

Under separate cover, I am sending you a copy of our latest information kit, called "Where on earth are the women?" Ms. Boll at the United Nations spoke to me today and relayed your request for information on Portuguese and European women's organizations to us. This kit of ours lists women's organizations and bureaus as well as women's periodicals around the world. Checking it for Portugal, I only found the Ministry's Bureau of Women's Affairs; but Spain produces a feminist magazine in Barcelona and the rest of Europe is quite active as you will see from the lists.

Also enclosed with this letter, is a xerox of a page from Fran Hosken's great directory of women's organizations which lists some other women's organizations, but as you can see, not ones which answered her inquiries. Perhaps you could help us both by letting us know who is doing what and where, once you find ~~that~~ ~~yourself~~ could help both.

Along with this, I've sent you some flyers which explain our own organization. I hope that this helps you a bit and that we will hear from you during your stay abroad.

With best wishes, I am

Sincerely yours,

Martita Midence
