Power for Mind & Soul

YOUR PASSION

GOD'S PURPOSE

Every year, we help our students find the path God has in store for them. We want to do the same for you! And although your high school experience has just begun, there are steps you can take now to make college more affordable.

- **Aim high in the classroom.** Good grades and a strong ACT or SAT score will mean thousands of dollars in renewable scholarships. Every class matters!
- **Seek out leadership roles.** Being a senior class officer or member of student government can result in renewable scholarships as well.
- **Work at summer camp.** Have fun mentoring kids the summer before starting college and earn scholarship money at the same time.

To learn more about how high school matters in college, call **1.800.SOUTHERN** and ask for an admissions counselor. Or email your questions to admissions@southern.edu.

We can't wait to meet you!
