This Syllabus is brought to you for free and open access by the Open Educational Resources (OER) at ScholarWorks at University of Montana. It has been accepted for inclusion in University of Montana Course Syllabi by an authorized administrator of ScholarWorks at University of Montana. For more information, please contact scholarworks@mso.umt.edu.

CHMY 630 - Chemistry Seminar Spring 2020

Time & Place: Mondays @ 4:10-5:00 pm in CHEM 212.

Please check the seminar schedule on the departmental website <http://www.cas.umt.edu/chemistry/> for up-to-date information about seminar times and locations as more seminars may be added during the semester.

Instructor: Kendal Ryter, Department of Chemistry and Biochemistry

Office: HS304A

Phone: 369-0578

Email: Kendal.ryter@umontana.edu

Course Objectives: The CHMY 630 seminar series will provide you with an opportunity to learn about current research in various areas of chemistry and biochemistry, and to observe professional scientists present their work.

Grading: Credit / No credit

Course Requirements: Students are expected to attend at least 6 of the regularly scheduled chemistry seminars. Please track down and sign on the attendance sheet. Attending fewer than 6 chemistry seminars will result in a No credit grade for CHMY 630
