STUDENT COMMISSION PRESIDENT FRANK LEIDENFROST takes the gavel from outgoing president, Bruce Reski. Leidenfrost, with the other newly-elected commissioners, was installed at a convocation in Weld auditorium Thursday. Photo by Russ Cox.

Thirty-Three Teach At Campus School

MSTC is placing 33 student teachers in the secondary schools for spring quarter.

Gordon Aas will be teaching social studies and English, Mahala Brantingham will teach English and phy. ed., and Barbara Caughey has mathematics, science, and will help with the senior class play.

Assisting with track activities is Arthur Chard who will teach social studies and phy. ed. Charles Dunnweber has been assigned to social studies, with Ray Kavanaugh teaching phy. ed., social studies, and assisting with the baseball team. Eugene Klemp will teach mathematics and science.

Vernon Kuhn and Kenneth Larson will teach typing, chorus, and band and assist with musical activities. Minerva Krieger will instruct bookkeeping and mathematics, and Arthur Lague will teach shorthand.

Glory Lemke will lend a helping hand with GAA and the junior prom, as well as instruct English and phy. ed. Russell Loraas will teach geography and social studies, while Charles Lorenson will instruct industrial arts.

Charles Luna will teach English and phy. ed., and assist with track activities. Rodney Mapes will help the senior class with their activities, direct the class play, and teach jr. business and English. Don Miller will instruct industrial arts and phy. ed., and James Mittun will teach social studies and phy. ed.

Harold Newman will be instructing art; Joe Oistad will assist with athletics and teach social studies and phy. ed. James Henry Peterson will teach mathematics and phy. ed., while George Pearson will instruct industrial arts. James Harold Peterson will teach business and geography, and Marlow Pfaff will instruct business and social

studies.

Instructing business and geography will be Wallace Sellesteth, and Dorothy Shultz will teach English. Donald Smith will assist with athletic activities and teach phy. ed. and social studies. Donald Thompson will instruct geography and jr. business, while Ronald Thompson will help with track activities and teach phy. ed. and social studies.

Follard Thurn will instruct typing, Don Torgerson will teach industrial arts and phy. ed., and Jim Olson will teach science and biology. Robert Utke will teach industrial arts and lend a helping hand with the newspaper, senior activities, and the junior Prom.

Debaters Win Nine At St. Thomas Meet

MSTC debaters participating in the Twenty-Fifth Annual Midwest Debate Tournament at St. Thomas College in St. Paul last week-end won a total of nine debates against twenty-three losses.

Participating in the women's division, held at Macalester College, the team of Barbara Caughey and Helen McGuigan won four of eight, and the team of Nancy Johnson and Anna Mae Rebusch won three and lost five.

In the men's division at St. Thomas, LeRoy Beyer and Robert Mead won two and lost six, and Charles Olson and Harlan Shuck lost eight.

MSTC debaters will not enter the Sigma Delta Rho Tournament at the University of Wisconsin at Madison this week as regularly scheduled. Because of the approaching final examinations, the MS entries were withdrawn.

The next scheduled debate tournament for MSTC speakers will be the University of Minnesota Tournament in April.

Plans are also being made to attend the late April meet at Marquette University in Milwaukee, Wisconsin.

Western Division MEA Hosts Social Studies Workshop Here

A Social Studies Workshop will be held on Saturday, March 17 in the MSTC Campus School. The workshop is sponsored by the Western Division of MEA in cooperation with MSTC.

Highlights of the meeting will be the new social studies guide, social studies books exhibits, and speeches by Dr. William C. Rogers, worlds affairs information director, and Adlai Stevenson, candidate for the Democratic presidential nomination.

A welcome will be given by President A. L. Knoblauch at 9:00 a.m. to open the workshop. Mr. M. R. Gaffney, superintendent of Graceville high school, will greet the group.

"A Brief Overview of the New Guide for Instruction in the Social Studies" will be the topic of a talk by

A new student commission headed by Frank Leidenfrost was formally installed in the traditional inaugural ceremony Thursday, March 8 in Weld auditorium.

Frank, a junior, is majoring in physical education and minoring in journalism. This is his third year as a member of the student commission.

Bruce Reski, retiring president, gave a farewell address in which he thanked the students for their fine cooperation and enthusiastic support of our college functions.

Mrs. Virginia Grantham, advisor of the commission, administered the oath of office to the incoming commission.

In a talk by the newly installed president, Leidenfrost stated, "In the past three years, I have seen MS nearly double in size, but there are many things needed to help its growth. Undoubtedly we need more classroom facilities and athletic facilities which are adequate for each sport instead of our present situation, where the baseball players practically have to be low hurdle men in order to

field a ball."

He added that it was the legislature that gave the school the money for added facilities and urged students to talk or write to their state senators or representative and explain our need of facilities. This, he added, would gain much more respect at the state legislature.

"Some other problems that are tossed into the commission's lap, continued Frank, are those of a college radio station, spring prom, clean-up day, and one which I consider very important is that of class unity in its functions."

In conclusion of his address, Leidenfrost invited students to attend the commission meetings which are held on Monday evenings at 6:30 p.m. in the student commission room.

With the conclusion of Frank's speech and the administration of the oath of office to the new commissioners, the retiring commissioners presented the succeeding commissioners with the symbols of their offices.

Commissioners for the year of 1956-

57 besides Leidenfrost are: vice-president and education, Ronald Miller; secretary, June Johnson; treasurer, Ralph Burke; athletics, Philip Kieselbach; forensics, Jo Sater; music, John Moriarity; pep, Bette Reyes; publicity, Connie Battreall; properties, James Aagesen; religion, Delsie Charais; and social, Joan Fowler.

During the installation ceremony Francis Berkley sang a vocal selection, "Without A Song," accompanied by Ruth Moe. John Moriarity directed the singing of the Alma Mater by the audience.

A dinner was held at the Colonial Room in the Gardner Hotel at 6:30 Thursday evening for the retiring commissioners, the new commissioners, and the Council of Student Affairs.

All College Production The Philadelphia Story On March 23 and 24

The all-college play, under the direction of Mr. James Highlander, is scheduled for production Friday and Saturday evenings, March 23 and 24.

"The Philadelphia Story" is the dramatization of 24 hours in the life of Tracy Lord, a Philadelphia belle, during which time she learns to know her real self, and discards an about-to-be second husband in order to marry her first husband.

Joanne Lewis, assistant director has appointed chairman for various committees to work on the play. Chairman of the stage construction crew, Chuck Luna; lighting, Sandy DiBrito; costumes, Nancy Blinkenberg; properties, Bev Schiebold; makeup, Anna Varriano; and house, Mary Ellen Brodigan.

Industrial Arts Teachers Hold Third Workshop

MSTC will be the host of the third in a series of industrial arts workshops which will be held in Weld Hall, April 14.

Mr. Ursin and Mr. Wegner of the industrial arts staff are in charge of this workshop, which will deal with all the graphic arts used in seventh, eighth, and ninth grade industrial arts curricula.

Areas covered by the workshop will be silk screen, linoleum block printing, and book binding. The high school teachers present will become students for the day as they are instructed in

work with the different projects.

Along with Mr. Ursin and Mr. Wegner, a team of MS industrial arts majors will help instruct during the workshop. The four majors selected so far are Lester Kertscher, Harold Newman, Henry "Dutch" Ortner, and Devon Squire.

The Minnesota State Department of Education, the industrial arts department of MSTC and the Western Division MEA are the sponsors of the workshop.

The two previous workshops were in Fergus Falls, and at MSTC.

Shuck To Edit MiSTiC Next Year; Reseland Appointed Business Manager

Harlan Shuck, junior from Wendell, takes over as editor-in-chief of *The Western MiSTiC* with the next issue. At the February meeting of the publications board, Elmer Reseland was chosen as new business manager to succeed Joanne Baugh.

Shuck has begun selecting his staff for the spring quarter paper, which will continue next fall and winter quarters. Helen McGuigan will be the managing editor, and Les Kertscher will continue as compositor and head the printers.

Shuck is qualified for the editorship since he has served as managing editor this year and worked on the summer *MiSTiC*. He has been active

in school affairs and was candidate for president of the student commission. Debate, Young Republicans, and the Vet's club have all benefited from his positions of leadership in these organizations.

Reseland has been business manager for the 1956 Dragon and has had previous experience with advertising. He will take over the work done by both Bob Utke and Joanne Baugh in the advertising and business department of the *MiSTiC*.

Miss McGuigan has worked on the

MiSTiC for two years and plans to complete a journalism minor.

Kertscher has been spending Thursday nights in the print shop since the fall of 1954 and has been compositor for the *MiSTiC* this year.

Dick Seal, sports editor, is transferring to the University of Minnesota at the end of this quarter.

Staff positions of sports editor, and photographer are to be filled, as are positions for news writing, layouts, and other newspaper work. Students interested in these positions are asked to contact the new editor.

Writers Note: 'Designs' Copy Due March 19

Student who are interested in creative writing may submit short stories, poetry or plays to the collegiate *Literary Designs* magazine which will be published in mid-April.

All copy to be considered for this annual publication should be turned in before noon, Monday, March 19. Copy will be accepted at room 244C MacLean or post office box 148.

A group of students interested in creative writing meet each Wednesday at 10 a.m. in MacLean 205. An open invitation is extended to anyone who wishes to attend.

German Class Proposed For 1956-57 Year

Dr. Clarence Glasrud, chairman of the language and literature department, announces that elementary German will be offered during the next academic year if five or more students will sign for the course.

Interested students are requested to contact Dr. Glasrud as soon as possible, so scheduling plans can be made.

This announcement was made in response to several student inquiries.

Editor-in-chief Harlan Shuck and managing editor Helen McGuigan take over the reins of the Western *MiSTiC* with the first issue of the spring quarter.

New business manager Elmer Reseland and printer Les Kertscher are new appointments to the *MiSTiC* staff.

Next Western MiSTiC Published April 6

Because of final week, the beginning of the spring quarter, and Easter vacation, there will be no *MiSTiC* published until April 6.

End-of-quarter break begins after finals next week, and spring quarter classes commence on Tuesday, March 20.

Easter vacation begins at noon Thursday, March 29. Classes resume on Tuesday, April 3.

Joanne Baugh and Bob Utke, retiring business and advertising managers, leave the *MiSTiC* staff after a year's work.

AS WE SEE IT

Sixteen MiSTiCs, sixteen editorials written, fought over, and forgotten. With regret, we turn this column over to a new editor with the next issue. We hope that our attempts to revive, excite, and inform have not been entirely in vain these past two quarters.

We still have problems in facilities on campus for science, off-campus students, and parking. However, we hope that our remarks here have brought attention to these situations and that future editorial policy will stand with us in the pursuit of a better physical plant here at MSTC.

We haven't always agreed with the Student Commission this year, but we do think that they have progressed significantly toward the goals which we have in common - a unified, spirited, educated MSTC student body. New editor, be watchful of the new commission, commend them when they accomplish; remind them when they are failing their duties toward our school and students.

Misunderstandings and disagreements will arise between editorial writers and the subjects of editorials. Keep calm, and stick to your ideals. We have found that after long discussions, most people on this campus do have the same ideas about things concerned with the school and will be ready to assist, when they know what you are trying to do.

We are sorry that our new chief will not have the same efficient and wonderful staff to work with as we were so fortunate to have. Dick Seal has been most capable in handling our sports department. We have been hard on him sometimes, but he has done his best to give our readers the best possible coverage in the sporting field. Good luck to you, Dick.

Bob Utke was indispensable those first few issues when we were all learning so much so fast about writing, editing, and printing the MiSTiC. We are very glad that he was here to help us; we hope that someone can at least partly fill his shoes for you, new editor.

The MiSTiC is a job, but it is exciting, and it is fun. We will probably always be sentimental about it - and probably always wish we had written one really nasty editorial, just to see what would happen.

Good luck, and remember SBA Day next February 15.

Monday's Slush, Tuesday's Snow Prove More Of Nature's Pranks

by Joanne Baugh

After having had to live with the weather we have been having all winter long, I have come to the conclusion that Mother Nature is doing her best to try to deceive us.

It appears to me that we have had more than our share of cold weather this frost-bitten season. The few very few to say the least - "nice" (using the word in a mild sense) days that we have had this winter disappeared much faster than the time we spent waiting for them. After Monday's slushy mush and Thursday's snowy blow, spring still looks far in the future.

One thing that I will have to praise Mother Nature for, though, is her ability to keep her snow clean. Once

she sees that it is beginning to look on the "shady" side, she always comes up with a new blanket to cover it. And with that blanket, of course, means the putting on of overboots and stiffening of the back brought about by a little game called "shovel the walk." Mother Nature excuses the curses of all her victims by convincing herself that every good healthy person needs a little exercise; but, actually, I think she likes to see people suffer.

After contemplating this last fact, I'm beginning to wonder if she isn't responsible for making the furnace go out when it's 20 below out so that I stay in bed and miss that 8 o'clock class. And why, if she has to give us snow, can't it be dry snow so that our feet wouldn't get wet and all those tracks through the hallways and house wouldn't have to be continually wiped up?

All in all, I guess Mother Nature isn't so bad after all. She may have to bring us some bad weather once in awhile, but it's for the good of all of us. If we didn't have the snow, our soil wouldn't get enough moisture and we couldn't raise crops and we'd be in a fine mess. Look at all the beauty around us that Mother Nature has furnished us with - snow, green grass, plants and flowers and long summer days spent at her many lakes.

Why the change of heart? Well, you know as well as I do that it's going to get up to 40 above tomorrow and spring is just around the corner!

"It's a mark of distinction to be seen at the CRYSTAL!"

in the mailbag

Our business manager received this letter this week and we thought it an interesting example of the wide circulation of the MiSTiC, as well as of possible interest to some alumni who might remember the author.

Omaha, Nebraska

Dear Miss Baugh:

This is to inform you that you might just as well remove my name from your MiSTiC circulation file as I don't know any of you fine people! I left the Normal School in 1916 - and forty years removes familiar names! And I've retired from teaching.

Thank you for past numbers. I want to save you time and money. Best wishes to you all in your good work.

Sincerely,
Elizabeth Rainy

Dear Editor:

In the last several issues of the MiSTiC have appeared a series of letters which have been of a critical nature. Criticizing not only the administration, but the students as well. I was reminded of the old German proverb that "even the lion has to defend himself from flies." No one in America will deny the right of man to criticize. But I am of the contention that before criticism is leveled the problem, or opinion, should be examined from all of the facts involved both pro and con.

Then, a conclusion should be drawn and presented. No man of any integrity will fail to take into consideration what you have to say. The wider one's experience, the more thorough his study, and the stronger his intelligence, the more willing he will be to hear what you or any man may offer.

I, for one, wish to support the administration of the school. They are, I'm sure, doing their best to implement reforms where they are needed if it is within their power to do so. It must be remembered that in many matters the State Legislature is the final authority. One must also take into account that we are now operating with a record enrollment. Granted errors are made but as has been shown in the past they are quickly rectified.

In a democratic society can the majority of the students be wrong? Is it not our privilege and our prerogative to do as we wish when we want to do it? I can see no law that dictates what we must do. I for one value my freedom to choose what I wish to do without being criticized.

Jim Heifort

Commission Minutes

The Student Commission met Monday, March 5 at 6:30 in the Commission Room.

Old and new commissioners present were Bruce Reski, DeLayne Reidberger, Fran Berkley, Ron Miller, Sandy DiBrito, Glen Matejka, Don Anderson, Frank Leidenfrost, Delores Goodyear, Bob Utke, Rae Iverson, Bette Reyes, John Moriarity, Ralph Burke, Deslie Charais, Joan Fowler, Jim Agesen, June Johnson, Phil Kieselbach, Connie Battreall, Jo Sater, and Mrs. Grantham.

It was decided not to do anything with the Red Cross drive except to bring it up at organizational meetings.

The annual commission banquet will be held Thursday, March 8, at 6:30 p.m. at the Colonial Room of the Gardner Hotel in Fargo.

The meeting adjourned to Weld hall for installation rehearsal. Installation is set for Thursday morning at 9.

June Johnson, Secretary.

SPORTS NOTES

By Dick Seal

Dragon guard Kenny Reitan was named to *The Concordian's* staff all-city basketball squad. Reitan teams at guard with North Dakota State's Doug Walstad. Placed at center was the Cobbers' Art Johnson with Cobber Bill Quenette at a forward along with the Bison's Gene Gamache.

At a meeting of Dragon basketball squad members Monday afternoon Don Torgerson was named honorary captain of the 1955-56 Dragons. The Dragons had game captains during the past season.

Dragonville as a noted athlete, Otto came back in January of 1951 in the absence of Baby Dragon cage mentor, Don Anderson, to handle the team.

Maybe Don taught Otto too much. Anyway the Perham crew, East Sub-district 23 champs, ended the Baby Dragons' 20 game win streak.

The Minneapolis Lakers play the St. Louis Hawks at 2 p.m., Saturday on WDAY-TV in a nationally televised NBA game. WDAY-TV sports director, Bill Weaver, will broadcast two games, the consolation and finals, of the North Dakota Class A tournament from Minot, N. D., Saturday night starting at 7:30 p.m.

Mankato TC won the Minnesota State College Conference playoff game from St. Cloud TC Saturday morning, 92-78, behind Duane Mettler and Wendell Jahnke. Mettler meshed 24, Jahnke 21. The two teams split during season play and had identical 6-2 conference marks.

Short Shots: Ted Hall, St. Thomas, copped the MIAC individual scoring title with 350 points in 16 games for a 21.88 per game mark.

New Prague is this writer's choice to win the Minnesota high school basketball title. Fargo's Midgents get our pick in North Dakota.

State high school tournament picks by regions we have Rochester, Fairmont, Walnut Grove, New Prague, Willmar, Alexandria, Aurora, and Bemidji. Try picking instead of laughing, good reader, it's harder than you think and it'll give you a good chuckle come Saturday night about 10:30 p.m., March 24.

Just a reminder, don't forget the Minneapolis Lakers play at Concordia next Monday against the New York Knickerbockers. Take advantage of your ticket reduction cards and plan to go. They were placed in the mailboxes Monday afternoon.

Dragon Matmen Lose To Cobbers, Down Crookston and Valley City

Les Kertscher won the only wrestling match against Concordia as they routed MSTC 27 to 5 last Wednesday; but the Dragons recovered to defeat the Crookston Aggies 16 to 6 Thursday and downed Valley City Teachers 18 to 10 Saturday.

Ron Kragness decided Jerome Novak of Crookston for his first win of the season and followed it up with a pin of Jerry Gackle of Valley City in 2:10.

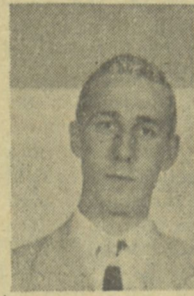

Keith Dyre ended the regular season with his first pin of the year in pinning Wayne Otterness of Valley City in 4:25.

Orville Moran and Dave Montplaisir fought their best matches of the year against Crookston. Moran lost a heartbreaker in being decided 1

Bolger Leads Dragons Cage Scoring; MS Places Five On Conference List

DRAGONS

Lowell Bolger, sophomore forward from Moorhead, topped the Dragons

Bolger

in final individual scoring statistics with 388 points over a 23 game schedule. Bolger's closest rival, Dale Serum, was 114 points back with 274.

Although Bolger copped the scoring title by a wide margin, junior guard Kenny Reitan from Comstock was close behind in per game averages. Playing in only 13 games after starting school the winter quarter, Reitan totaled 212 points for a 16.3 average to Bolger's 16.9.

Bolger also had the top scoring game of the season, bagging 33 against Michigan Tech in a thrilling 90-87 home court victory. The Dragons scored their high team total against Winona TC at home in a 109-86 victory on January 28.

Two Dragons hit the 200 mark besides Bolger, Serum, and Reitan. Center Phil Kieselbach of Barnesville had 232 and freshman reserve Sherm Moe from Ada totaled 216.

Last year the 6'3" Bolger ranked second in team scoring only to John Torgerson. Bolger hit 110 field goals and added 37 free throws for 257 points compared to Torgerson's 86 field goals and 126 free throws for 298 points.

Darrel Hesby was third last year with 188, Don Torgerson fourth with 155, Kieselbach fifth with 143, Ron Miller seventh with 54, and Bruce Douglas ninth with 19.

Still in the makings for Bolger is

the individual high season mark set by John Torgerson his junior year when he totaled 444 points in 19 games for a 23.4 average.

Only Don Torgerson and Hesby, who ranked sixth and seventh respectively in individual scoring, will be lost through graduation. Coach Larry MacLeod will have 10 of his varsity 12 back to form the nucleus for 1956-57.

Behind Svenningson by 11 points was St. Cloud's classy forward Dave Westlund with 179 points. Following Westlund were Duane Mettler, Mankato, 162 and Dick Robbins, Bemidji, 147.

MSTC placed Lowell Bolger fifth with 130 points. Right behind were two other Dragons, Dale Serum and Kenny Reitan with 126 and 119 points respectively.

Phil Kieselbach placed 13th with 89 points, Sherm Moe 18th with 78, and Don Torgerson 28th with 47.

FINAL INDIVIDUAL SCORING

Klowns Defeat Gunners For I-M Championship

Krabs Klowns, playing steady, consistent ball, defeated the Gunners 45-33 to sew up the championship series in the men's intramural league.

Ken Fiemann paced a well-balanced Klown attack with 14 points. John Chalfant added 13 points to the winning Klown effort. For the losing Gunners, Gene Klemp had 11 points.

The Klowns qualified for the final game by beating the Sanguinaries 49-40, the Warriors 47-39, and the Blitzes 55-33.

The Gunners entered the championship game by a victory over the Cats.

In the Klowns-Sanguinaries game,

Larry Krabbenhoft hit 15 points for the winners while Jim Handorf scored 15 for the losing Sanguinaries.

Despite Al Hango's 18 points, the Klowns beat the Warriors in a hard-fought play-off game for second place in the American League.

First and second place winners in regular season play in both the American and National met in the 4-team play-off series.

By virtue of a 55-43 win over the regular-season champion Blitzes, the Klowns advanced to the finals. Ken Feimann with 17, Don Setter with 15, and Larry Krabbenhoft with 12 were in double figures for the Klowns. Bill Beck and Don Bennett scored 12 and 10 points respectively for the losing Blitzes.

The Gunners, regular season National League champs, beat the American League runners-up Cats to advance to the finals. Andy McCarty and Jim Lundstrom with 21 and 15 points respectively paced the high-scoring Gunner attack. For the injury-ridden Cats, who had several key players injured near the end of the season, Don Betzen and John Thompson tied for scoring laurels with 11 points apiece.

Coach Larry MacLeod has 15 of last year's lettermen back. Since the weather would be ideal, the team could get into shape earlier and better.

We don't think the athletic department would be asking too much to go on the trip. Everything is uncertain but Coach MacLeod has written to Iowa colleges inquiring about games.

Henning High School, where Dragon graduate Pat Ferris is coaching the wrestling team, had 10 representatives in the recent Region 6 wrestling meet. Benson won the team title.

The Tenth Annual Dragon Relays will be held Saturday, May 5, announced athletic director Roy Domek.

Otto Klug, Perham High School basketball coach, must have felt a bit of pride Monday night when his Yellowjackets downed MSTC High, 45-43. After graduating in 1950 from

Grid Schedule Set For 1956

Athletic director Roy Domek has announced the 1956 football schedule for the MSTC Dragons. The Dragons will have an eight game schedule including four home games.

The schedule should be more attractive to the fans with arch rival Concordia being the final game instead of the opener. Only new foe will be the Jamestown College Jimmies of the North Dakota Intercollegiate Athletic Conference.

With Fritz Bierhaus back to take over the Dragon charges next fall, last year's coach, Dick Jensen, will assume an assistant's position.

Koehler Wins Girls Archery Tournament

Mavis Koehler, shooting a high score of 384 took first place in the girls' archery tournament held on Monday and Wednesday of this week.

Runner-up, Jean Hellem, shot a 358, while third place Virginia Tinjum shot a 351. Donna Broe scored fourth with a score of 296.

The girls in the 9:00 section of archery, planned and carried out a miniature round tournament for the last two class meetings of the quarter. A miniature round tournament is shooting 10 ends (6 arrows to an end) from a distance of 15 yards — almost the length of the small gym.

According to Miss Jessie McKellar, instructor for P. E. 114, the girls did unusually well this quarter. In the tournament, the highest possible score would have been 540 (60 bull's eyes at 9 points each) Scores in the 300's are considered very good for beginners.

As yet, no one has shot a perfect end of 6 bull's eyes. Miss McKellar has promised a steak dinner to the first girl to accomplish this. The promise of a sizzling steak should be motivation enough for those enrolled in archery spring quarter.

P & Q

to 0 by Bruce Chapman, while Montplaisir decided Jim Wiertzma 8 to 2.

After being held to a draw in a previous match with Leo Bettles of Crookston, Henry Hettwer pinned him in 4:50 and gained another pin over Jerry Halmrast of Valley City in 2:55 to gain his first wins of the year.

Concordia's Roy Nellermeo knocked out Jerry Keogh in Wednesday's match. The following night, Keogh pinned Tom Thompson of Crookston in 1:09 and finished the regular season with a 9 to 1 decision over Bob Mart of Valley City. Keogh led the team in scoring with 16 points followed by Keith Dyre with 13.

In the Valley City-MS match last Saturday, one of the regulars was unable to wrestle due to injury. Huey Nelson wrestled in his place and was pinned in 40 seconds, but some credit should be given to him for consenting to come out and give it a try.

The Teachers College Conference holds its first annual conference wrestling meet at St. Cloud this week-end. Mankato is a heavy favorite to capture the title with St. Cloud finishing second.

Five grunt and groaners from MS TC will participate. They are Ron Kragness, Keith Dyre, Orville Moran, Jerry Keogh, and Henry Hettwer.

PERSONAL AND OTHERWISE

— Chose Father Owl —

John Chalfont was elected Father Owl at a recent meeting of the Owl fraternity. The slate of new officers who will take over spring quarter with John are as follows: Scribe — John Haugo, Guardian Angel — Phil Kieselbach, Monk — Kenny Swenson, Outer Guard — Don Betzen, Inner Guard — Mike Lestina, Historian — Ron Kragness, Librarian — Ralph Burke, and Treasurer — Jim "Hawkeye" Grant.

The Owls are having a party this evening, March 9, at the Moorhead Country Club for the new members. The event is sponsored by the active members.

Three Prizes Given Away At Owl Dance

The Owl Fraternity of MSTC will sponsor a dance on April 6, in the gymnasium. Tickets are now on sale and can be purchased from all Owl members and pledges.

Door prizes will be given at the dance, with the drawing taking place sometime during the dance. First prize will be a General Electric clothes dryer; second prize, a General Electric portable TV set; and third prize will be a General Electric fry pan.

A ticket will admit you to the dance and also give you a chance to win one of the prizes.

Proceeds of the dance will be used for new furniture and redecorating of the Owl room in the basement of McLean Hall.

The "eggs" who have completed first degree initiation this week are Lowell Bolger, Gene Goedel, Don Dulski, and Sherman Moe.

A new bulletin board was constructed by the initiates and in now on display in the Owl room.

— Riggs heads AE's —
The AE's also elected new officers for the coming year. They are as follows: President — Stan Riggs, Vice president — Cliff Strommen, Secretary — Warren Olson, Treasurer — Bob Schumacher, Sergeant at Arms—Tony Ludwig, Historian — Keith Dyre, and Corresponding secretary — Bill Roy.

— Gamma Nu Founders Day —
The Gamma Nu sorority held its annual Founders Day ceremonies last Monday evening at Ingleside. The alums sponsored the event, with the new active members presenting the entertainment with a skit and a Hawaiian dance by Fran Kimura.

— Psi's Initiate —
The Psi Delt's had formal initiation for ten new members. The ceremonies were held in the sorority room, preceded by supper for the entire group.

— Pi's hold formal meeting —
The Pi Mu Phi sorority held a formal meeting in the sorority room last Tuesday night. After the meeting a surprise baby shower was given for Pat Roy. Cake and coffee was served. Last Wednesday the seven new

member who became active at formal initiation, February 27, gave an informal tea for the actives, alums, and parents of the actives. Entertainment was provided by the new members.

— New Jackets —
That "The apparel oft proclaims the man" is often stated. The members of the Vets Club are now proclaimed by snappy black jackets of jet black wool with leather sleeves. On the left front of the jacket is the club crest, designed by Dick Bennett, mounted upon a snow white warrior's shield. The lower section of the shield has upon it an arm thrusting forward the torch of freedom. Across the top of the crest is the Greek word ?????? meaning Military Service.

— Engaged —
Joan Fett, senior, is engaged to 1955 alumni, Bob Jones, now teaching at Pelican Rapids. They plan a June or July wedding.

— Trampoline Exhibition —
Trampoline, trampoline tumblers, and the director of athletics will travel to Comstock, Minnesota Monday evening, March 12.

DeLayne Riedberger, Bette Reyes, and Joanne Baugh will present a trampoline exhibition at the Comstock PTA. Accompanying the three girls will be Roy Domek, director of athletics, who serves in the capacity of truck driver and trampoline hauler.

LSA Hears Seminary Student; Wesley Gives St. Pat's Party

LSA

A brief half hour late vespers will be held this Sunday, March 11 at 9:00 p.m. Mrs. Othelia Hauge will have the devotions and speak on "They Couldn't Trap Him."

Chapel hour speaker on Monday,

Off Campus Women Sponsor Co-rec Dance

The Off Campus Women's "Spring Fever" dance has been postponed until Wednesday, March 21. The dance will be held in Ballard basement from 8:30 until 11:30 p.m.

The door prize to be given will be on display in the Student center sometime before the dance.

According to Nancy Blinkenberg, president, there will be a lot of surprises in store for everyone attending the dance.

Marilyn Gill and Laura Olich are co-chairmen for the dance.

March 12 will be Ralph Helmlund, a pre-seminary student at Concordia. His topic will be "Missing at the Marriage." There will be no chapel service on Wednesday, March 14.

The Reverend Vendel Olson, pastor at Bethesda Lutheran Church, will be the speaker at the first chapel service of the new quarter. He will speak on Wednesday, March 21, on the topic "What Think Ye Of The Christ."

Wesley Foundation

Wesley Foundation members will be wearing the green next Thursday, March 15. The occasion calling for the green and shamrocks is the annual St. Patrick's Day party. Marion Hopkins will be in charge of all arrangements.

The Wesley Foundation Council held its regular meeting last Monday at the home of Rev. Ed Pfluke. Plans were completed for next quarter's program. Members in attendance were Vivian Boelson, Betty Mohr, Doris Champlin, and Jim Heifort.

When the songs are light
And the fire's bright
For real delight—have a CAMEL!

— Man, that's pure pleasure!

It's a psychological fact:
Pleasure helps your disposition.

If you're a smoker, remember
— more people get more
pure pleasure from Camels
than from any other cigarette!

No other cigarette is so
rich-tasting, yet so mild!
