Returning again  
past and present converge

3 4 5 6 7 ① 2  
① 2 3 4 5 6 7

Together we reached  
for aggregates of scarlet and ruby  
hands colored crimson

Days steeped  
in the fragrance of ripe fruit  
crushed berries carpeting our path

I turned away  
for a backward glance

Days steeped  
in the fragrance of ripe fruit  
crushed berries carpeting our path

Together we reached  
for aggregates of sc  
hands colored crims
