

ON THE EDGE

SMOTHERING SO SILENTLY

LEAVES A SHADOW TRAIL

Colophon - *Snake*, a limited edition artist's book -25 copies - was created with watermarked handmade paper and relief printing on Arches. The type for the poem is cheltenham open face. A double concertina structure is used for the binding design. Enclosed in a case wrapper using same paper as book. The handmade paper, the text, the printing and binding were all designed and executed by Maria G. Pisano.
