Type of Material: Correspondence, memos, reports, contracts, meeting minutes and ephemera.

Condition of Material: Good.

Arrangement: Organized alphabetically by title of file folder; Chronological arrangement.

Historical Information: The Respiratory Therapy Program at Morehead State University was established in the fall of 1989 as part of the Department of Nursing and Allied Health Services. The program was a two-year associate degree program taught in cooperation with Rowan State Vocational & Technical School (presently Maysville Community & Technical College). Due to budget cuts the program was terminated after the spring semester in 1994.

Scope and Content: Collection consists of correspondence, memos, reports and meeting minutes related to the development and termination of the Respiratory Therapy Program at Morehead State University from 1988 to 1993. The collection contains the proposal of the program, meeting minutes of key committees, agreements and contracts with hospitals and medical centers and departmental files. It also includes 3.5" computer discs of documents retained by the program's office.

Subject Headings / Descriptors:

Morehead State University. Respiratory Therapy Program.

Morehead State University – History.

Respiratory therapy – Kentucky.
Nurses – Instruction.

Notes: The files found on 3.5” computer discs were transferred and converted to PDF files and preserved on the local server and digital archives database. It’s important to note that some of the files were corrupted and could not be converted.
