Department of Music

Her Melody Lingers On

A Benefit Concert in Memory of
Claire Cucchiari-Loring

Diehn Center for the Performing Arts
Choir Room

Friday, February 9, 2018 8:00 PM

In an informal concert-in-the-round setting, several faculty members and ensembles in the ODU Department of Music will give a behind-the-scenes look at how they approach specific pieces of music. After performing, musicians will invite questions and dialogue from the audience.

"Her Melody Lingers On" is grateful to tonight's musicians. You have brightened the night with your talents and your kindness.

We also thank Monarch Catering (Aramark) for donating the non-alcoholic beverages and Ken Saunders of Bakefresh for donating cookies and brownies.
