Also caught a glimpse of Dr. Ammons and hollered at him HANNIBAL, Mo. — The father of two of three boys believed lost or trapped in caves in the Mississippi River hill
he likes our "Coon hounds". Can't exactly figure Bilbrey's staff and the Dr. reading the Double F, but we are pleased. "I whipped them several times for exploring caves. But We know Dr. Ammons' frist love is family, second is people azy, spoiled or unruly "brut" and medicine, and coming in "in a photo finish" would be can't seem to get along with any-

Saw Dr. Jones and startled him AGAIN, with some brilquestions about whether Queen Elizabeth's invitation to the liant remark. Just remembered he didn't even mention the Duchess of Windsor, for whom King Edward VII gave up his Double F. Shame on you, sir. We know you are a bird hunter, but you can't get away with "high hattin'" us. Perhaps you should pretend to join us or we just might pull a "sneaky" on you and Robert O. Miller.

Congratulations to Dan Miller on winning the scholastic at all-Negro Jackson State College, could not stand idly by award, also the trophies he and the bird dog continue to bring home. As we've mentioned before, this is quite a youngster.

"I want all college students there and any outsiders who Dan, this will no doubt "put you on the spot", as nice word for anyone usually leads to an "overdose" of kidding from the friends. If you have any inherited traits of your Pop, you'll form of brain damage. "hold your ground".

Mrs. Calton Morgan of Morgan's Boat Dock called us Saturday night. Thank you ma'm for your help, and we do appreciate the ad, especially since you mentioned the Double F in connection with it. We've tried a number of times to ask Faith enables us to draw on the power of God. One talent our friends to "back us up" a little, but the boss keeps cutting

Bill Whiting and Harry Spears, from Harrisburg, Ill., are frequent visitors at Morgan's Boat Dock and Restaurant. On Saturday last, these gentlemen landed 93 cropple. They were fishing in shallow water, around bushes, and were using minnows (alright, shiners then.) The minnows and all types of bait, as well as all fishing equipment, can be purchased "right" on the spot" at Morgans. Mr. Morgan reports the croppie are "bitin' like crazy". Bass are also hitting well.

Mr. and Mrs. Jack Jones of Cypress Resort, report the same conditions in their vicinity. Mr. Jones also has in stock

Morgan's Boat Dock and Jones' Cypress Resort often have more customers than they can supply at the moment, so they Murray, became the bride of Bobby Frank Pickard, son of Mr. and Mrs. Voris Pickard of Lynn Grove on April 21.

Dr. and Mrs. F. E. Crawford left yesterday for Pensacola, ing businessmen who are in competition, and wet are referred. Fla., to visit their youngest son, Dr. Phil Crawford who is enough to know cooperation brings more business to each establishment than all of the "throat cutting" could possibly do. Nice families, good businessmen and Good Friends!

Left, Larry Ryan, and right, Dwain Gibbs, and their

Larry lives on South 16th Street and works at Crouse Auto Supply. Dwain, from Route 1 Murray, is a brick mason. The boys caught 56 croppie and 4 bass. The croppie were taken on minnows, the bass with Shysters. They were fishing at Morgan's Boat Dock.

Our thanks to Hugh Gray Massey for "brow beating" the boys into coming by for a picture. We tried the same tactics on Hugh Gray, but it didn't work for us. We'll get him, betcha!

Jeff Recker and the big catch! Jeff and brother Timmy were vacationing near Kentucky Lake, during K.E.A. Week. The picture of Tim was in color and wouldn' reproduce very well. Sorry, Tin Tim is a carrier boy for the Daily Ledger & Times - and is ably assisted by the fisherman in the picture.

CALLIOPE BEEF A new thriller by Howard Rigsby

CHAPTER 20 fire Christian held out her He looked uncomfortable.

AURA ROBBINS and Christian held out her "Someone told me she had se-L tian St. Laurent walked along the little road that ended where his cottage clung to the cliff edge.

Laurent walked bleak look in his eyes as ne rious intentions. I just don't think she wants you around."

He said now in a pordering way, "If they wanted to push tian St. Laurent walked bleak look in his eyes as ne rious intentions.

cliff edge.

Laura asked Christian what he was working on, he and his colleague, Dr. Price.

"Right now we're concerned"

"She was your wife?" She took the glass.

"Yes," he said.

"She watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the watched him come and the warm glass in the warm glass in the watched him come and the warm glass in the warm glass in the watched him come and the warm glass in the watched him come a

"Right now we're concerned with anti-matter," he said. "With neutrinos and anti-protons."

He was telling her momentous things, she thought, things that were beyond her understanding, but he didn't act as photograph, looked a way from the standing, but he didn't act as photograph, looked at her. "I told you said they."

She watched him come and sit down again. "You said they."

Who are they?"

"We have our intelligence. They have theirs. I told you it was a race. If they should win it they might coerce the rest of the world into surrend-rest of the world into surrend-rest of the society."

standing, but he didn't act as if he really cared for the subject. There was something else on his mind.

Like a pennant snapping smartly in the wind, there was the crack of a rifle, a sound that followed a trilling of lead, a small, spattering impact on the rock near them and there was a puff of granitic dust.

Almost before the scho of the shot was whirled away. Christian's arm wend, around ner and he swept her back. He held her while they listened to the wind.

"It was probably a hunter, a stray bullet," he said "Since it happened you are the first person I have felt I could talk to about it. Now, though, sudden, ly—" He hesitated. "I find I realize that. I have to free myself, decide for myself."

Free himself from what? she was well beyond that basic point and we're not telling anybody anything. Price and I are extremely careful. When I have something for him I phone from Mussel Bay and pass on what I have in a gobbledegook we use, or I

while they listened to the wind.

"It was probably a nunter, a stray bullet," ne said after a minute. "There's an open season on wild bear in this country now"

Just as he finished saying this they heard another shot, more remote and with a deeper sound, as if made by a neavier calibergun. After that there was only the sound of the wind.

As they came along the hogache wind, now a galer, caught over and sat in a chair by the fire.

"Let's forget me," he suggested after a moment, "Perhaps you would like to talk. Do you want to tell me why you came here?"

She shook her head. "There's an open season what I have in a gobbledegook we use, or I mak him to fly up here."

Why do you work here?"

Why do you work here?"

The sale after a moment, "Perhaps you would like to talk. Do you want to tell me why you came here?"

She shook her head. "There's at a pobledegook we use, or I mak him to fly up here."

The again to fly up here."

The special transmit of the you work here?"

The shook her head. "There's at a pobledegook we use, or I mak him to fly up here."

Why do you work here?"

The shook her head. "There's at a population to tak about. It's all over." She shifted her gaze from the fire to his eyes. "You might tell me this. What's happening here?"

Tim not sure I know what opened it, the gale swept into the room, bringing someone

As they came along the hogtack above Christian's cottage.

"I'm not sure I know what opened it, the gale swept into the room, bringing someone along."

"That shot up on the mounthem fair in its blast, kinfing." hrough them. Christian turned, grinning, his hair flying, and took her arm. They ran down the widening path to his cottage.

"And perhaps whoever pushed the widening has been dead to be smiled and said, "And perhaps whoever pushed to be smiled and said, "And perhaps whoever pushed to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, "They have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and said, they have been dead to be smiled and they have been

Christian had a fire blazing those rocks down onto the beach Christian had a fire blazing those rocks down that us."

and he was making toddies, didn't really want to hit us."

Didn't expect to find you here. He seared forward. "You saw How are you, honey?" The blue. heavy glasses on a coffee table someone?"

She aodded. "I'm convinced a long table in front of the wind dows. It was piled with books, top of the cliff I saw movement."

How are you, honey?" The blue eyes were watery from the wind, but still they were wise and sly. There was a laugh. "Guess he just plays the field. dows. It was piled with books, nqtebooks, and papers, and she saw the photograph that stood there in a leather frame as she came toward the couch.

The photograph was of a dark-naired, dark-eyed girl and the face was so striking that it stopped her. She stood staring.

"Mr. Bean doesn't see the last movement —someone. I couldn't tell you any more than that."

"That's interesting." He leaned back thoughtfully in his chair.

"Did you hear about Gail's arcident?"

"The got to be going." She

stopped her. She stood staring at it, the full, tender mouth, think it was an accident." the eyes that burned with a life "Gail warned me," she said, so vital and urgent that for an then she stopped, wondering Fighting the wind, neither of instant she had the illusion that how much to say.
