February 2, 1900.

Mr. John Muir,
Martinez, Calif.

Dear Mr. Muir:

Many thanks for your telegram, which gives me exactly the information I was after. We are going to try to interest Congress in the preservation of the Calaveras Groves. I will keep you posted from time to time as the matter progresses.

Very sincerely yours,

Gifford Pinchot

Forester.

What is being done in California to save these trees?
