Martinez, Cal. April 28, 1900

My dear Merriam,

I'll do what I can to get that ice done by the time you state, but do not be disappointed if you do not see it until later, as my visit to Berkeley to meet the Harrimans two weeks ago nearly finished me. I'm now gaining again however. The Grippe is gone but I'm bothered with the bronchitis it left. Glad you are again well after so severe an attack -- I may yet have to go camp on the Glacier.

It was delightful to see Mr. and Mrs. Harriman again [and] the two little boys. Charlie Keeler is looking well. So is Prof. Ritter.

Remember me to Gannett and give my hearty congratulations to Gilbert on his well won medal.

Ever faithfully yours,

JOHN MUIR
