Berkeley California
December 1. 1902.

My dear Mr & Mrs Meir
Our day passed off very
successfully - delightfully
interesting - the only dis-
appointment being the
absence of the one so dear
to the hearts of all Californians
and to whom the beautiful
tree was dedicated -

We received your telephone
message this morning and
appreciate very much your
good wishes for the day's
success - and felt you were

with us in spirit. Some
time when you come to
Berkeley you must visit
the High School grounds
and see this tree and read
the inscription on the
plate. A paper giving
an account of the species
will be sent to you. also
a souvenir program.

Hoping you will both soon
recover from the prevailing
colds - and thanking you
for your kind letters.

Yours very sincerely
