Dear Mr. Muir

St. Kilda - York Road
Edinburgh 14th Dec. 1902

I was ached to receive your letter of 14th Nov
telling me that I had been at the Grand Cañon
of the Colorado after all. You see underneath
a photo of myself + three others looking
it from
J. M.

what I
suppose
was Grand
View Point.
At any rate
the point
is about
half an
hour
easy walk
in a westerly
direction
or perhaps
NW from
the Grand
View Hotel.
I have to
thank you
for the
beautiful
description

you send me from the Century Magazine. I will
make a point now of seeing each month's Century
and hope to see more articles of yours therein.
You will no doubt have heard that Maggie
Lemay has had a bad time of it lately with
bronchitis, but is getting round again. I wish
I could look with some sort of hope to taking
the trip you mention to the Forests and Glaciers
of Alaska, but at present I cannot see my
way to do so. I am sending another Post-Card

to your daughters along with this -
The View on it is one I took in
Cairo - a mere snap shot - but it
is considered a very good picture.
We are now in the dead of winter
with its cold bleak blasts while
you are no doubt revelling in
sunshine - By the way you must
have been in the Grand Cañon
just 3 months after I was there
myself - How odd it would have
been if we had met in either of
these Backwood Hotels - The Bright
Angel or Grand View - Yours
very sincerely, James Murdoch
