SUMMARY INFORMATION

Repository

University of Mississippi Libraries

Creator

University of Mississippi. Dept. of Archives and Special Collections

Title

Small Manuscripts

ID

MUM00400

Date [inclusive]

circa 1750-2008

Extent

37.26 Linear feet 92 boxes + 18 boxes

Abstract:

Contains individual items and small collections. Small Manuscripts at the University of Mississippi Department of Archives and Special Collections was assembled through the collecting activities of the Department over the past thirty years. The collection documents unique and discrete individual moments of history associated with the State of Mississippi. A variety of material formats can be found in the collections including individual diaries, ledgers, corporate records, correspondence, and broadsides.

COLLECTION HISTORY

Since 1976, additions have been made annually to Small Manuscripts. In 2010, the entire collection was assessed for preservation with boxes merged to eliminate unnecessary empty space. In addition to rehousing parts of the collection, materials were selectively removed for inclusion in the J.D. Williams Library catalog.

[Return to Table of Contents »](#)

ARRANGEMENT

This collection is arranged chronologically by year of acquisition. Additionally, the following series were added based on material type: Lobby Cards, Movie Stills, and Pressbooks; Broadshhets and Broadshdes; and Ephemera.

ADMINISTRATIVE INFORMATION

Publication Information

University of Mississippi Libraries 2010

Revision Description

Finding aid revised in Archivists' Toolkit by Susan Ivey. 2014, and by Abigail Norris, March 2020.

Access Restrictions

Items in Small Manuscripts are open for research.

Copyright Restrictions

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement.

Additions

Additions are made annually to Small Manuscripts.

Alternative Formats

Several items in Small Manuscripts collections have been digitized and are [available online](#).

RELATED MATERIALS

Resources at the University of Mississippi

Since Small Manuscripts represents every topical subject area collected by the University of Mississippi Archives & Special Collection, view our [subject guides](#) to locate more resources on select topics.

Separated Material

In 2010, approximately 300 items were removed for inclusion in the Library Catalog. This material consisted primarily of publications, including Mississippi Territorial Documents and early State and Federal Documents relating to State of Mississippi. For a listing of materials removed for cataloging, contact Archives and Special Collections.
