PRELIMINARY PROGRAM

Confederazione ANTEL-ASSIATEL-AITIC
Associazione Italiana Tecnici Sanitari di Laboratorio Biomedico

WELCOME

Dear Colleagues,

The 33rd World Congress of the International Federation of Biomedical Laboratory Science, will be held 22nd through 26th September 2018 in Florence, Italy. The Congress is jointly hosted by the International Federation of Biomedical Laboratory Science (IFBLS) and ANTeL Associazione Italiana Tecnici di Laboratorio.

As Presidents of IFBLS2018, we are delighted to invite you in Florence for this exciting and important meeting.

Florence, with its monuments, museums and its traditions, is pleased to welcome our international colleagues from all over the world for this meeting. The theme of the congress will focus upon the future development of Biomedical Laboratory Science.

The Congress venue will be at Palazzo dei Congressi of Firenze which is located near the main railway station in the historical centre of the city. Located in the middle of the country, Florence is easy to reach from the biggest cities of Italy.

The Scientific Committee is working diligently to invite Biomedical Laboratory Scientists who are experts in professional and scientific fields as speakers for the congress.

IFBLS2018 would like to give a different point of view in order to define the most important topics of Biomedical Laboratory Science of this century.

Congress participants will have the opportunity to learn new technologies, the role of biomedical laboratory science in the delivery of 'patient-centred' healthcare, 'personalised medicine', 'gender-medicine' and its impact on Biomedical Laboratory Science.

Students are invited to participate in the congress through activities and sessions provided by the Student Forum.

During the World Congress IFBLS will also be holding its biannual meetings: General Assembly of Delegates, Open Forum, Student Forum and the Chief Delegates meetings. Please join the IFBLS2018 World Congress and experience our hospitality while contributing to your professional development in Biomedical Laboratory Science.

ABSTRACT

Congress delegates are invited to submit abstracts of their scientific work for presentation as a free communication at IFBLS 2018 through the web site: www.ifbbs2018.org.

Abstracts of scientific contributions will be selected for Oral Communication or Poster for display.

ABSTRACT TOPICS

- | | |
|--------------------------------------|--|
| 1. Biosafety | 13. BLS round the world |
| 2. Pre-analytical phase | 14. Telepathology |
| 3. Stem cells and transplantation | 15. Molecular Pathology |
| 4. Pediatrics | 16. Improving Laboratory Test Utilization |
| 5. Human Microbiome | 17. Territorial Medicine |
| 6. Code of Ethics | 18. Learning Outcomes and Competent Practice |
| 7. ICT | 19. Harmonization, accreditation and standardization |
| 8. Cytology | 20. Laboratory testing in emergency |
| 9. Adding value to CPD | 21. Mass spectrometry in clinical laboratory |
| 10. Advances in virology | 22. Other |
| 11. Use of technologies in education | 23. Diagnostic network in coronaric diseases |
| 12. Mycobacteria | |

GENERAL REQUIREMENTS

The text must be clear, concise, and written in proper English. The content must not have been previously published in academic journals or subject to peer review. Significant technical information must not be withheld. Abstracts must absolutely contain results. Statements such as "results will be discussed" are not acceptable and will lead to rejection.

The body of the abstract must not exceed 2300 characters, spaces included.

STRUCTURE OF THE ABSTRACT

Abstracts can be structured and may include:

- BACKGROUND

a brief introduction stating the purpose of the investigation and its relevance to laboratory medicine;

- METHODS

a description of the methodology used;

- RESULTS

to be supported by statistical or other evidence to show their validity;

GENERAL INFORMATION

Submission deadline: **January 29 2018**.

Confirmation of receipt: Receipt of the abstract will be acknowledged by e-mail immediately after submission.

Registration: The presenting author of each abstract must register for the congress.

IMPORTANT NOTICE

Abstract authors are asked to indicate the most suitable topic for presentation of their work and will also be asked whether they wish apply for an oral communication during the scientific session.

The organising secretariat will send registration receipt upon receipt of payment, by e-mail.

Please be sure your e-mail address is filled in correctly.

PERSONAL INVITATION FOR VISA PURPOSES

To facilitate congress attendance a personal invitation can be sent on request. This invitation does not exempt the recipient from registering and paying the proper congress fee. Please inform the congress secretariat if you need a personal invitation letter.

CURRENCY

Registration fees and charges for all events related to the IFBBS 2018 Congress as well as hotel cost must be paid in euros.

CANCELLATION AND REFUND

Cancellations must be sent to registrations@ifbbs2018.org.

The amount equal to 50% of the fee paid will be refunded for cancellations received by 30 June 2018.

After 30 June 2018 no refunds will be issued.

All refunds will be paid in euros after the congress.

CANCELLATION OF THE CONGRESS

The congress secretariat reserves the right to cancel the congress, shift venue, or change dates without notice, in case of "force majeure". Neither MZ Congressi nor the Congress Organising Committee shall be liable for any damage claims.

LIABILITY AND INSURANCE

Registration fees do not include the insurance of participants against personal accidents, sickness and cancellations by any party, theft, loss or damage to personal possessions. Participants are advised to take out adequate personal insurance to cover travel, accommodation, cancellation and personal effects.

GENERAL INFORMATION

CONFERENCE VENUE

Congress and Exhibition Center
Piazza Adua, 1 - FIRENZE
www.firenzefiera.it

Located in the heart of Florence, this is a unique conference and exhibition area.

It is only a few steps away from the Santa Maria Novella Railway Station and only 5 km from the Amerigo Vespucci Airport.

Firenze Fiera offers two venues which can satisfy any need: Palazzo dei Congressi and Palazzo degli Affari.

PALAZZO DEI CONGRESSI

Located in the 19th century Villa Vittoria, Palazzo dei Congressi boasts a prestigious auditorium which can host up to 1,000 people, with 920 square meters available for exhibitions, as well as various halls with a capacity from 50 to 200 seats, located on the 4 floors of the villa.

Surrounded by a centuries-old park, Palazzo dei Congressi and the Limonaia (Lemon House) nearby are located in front of Palazzo degli Affari.

ABOUT FIRENZE

In the basin crossed by the Arno River, stands the magnificent City of Florence, one of the most beautiful cities in Europe, filled with historical relics and artistic masterpieces by the greatest masters of Humanism and the Renaissance. Because of its monuments, churches and palaces, Florence historical center has an outstanding universal value and was classified as a World Heritage Site by UNESCO.

The official language of the Symposium is English. Simultaneous translation will not be provided.

HOW TO REACH FLORENCE

ARRIVING BY PLANE

The international airport 'Amerigo Vespucci', is located in the north-west suburban area of Florence. There are many airlines arriving there and connecting the city to some of the most important European airports. The airport is only 4 km from the city center, which can be easily reached by taxi or with the bus shuttle service (around 15/20 minutes), connecting the airport to the main central railway station of Santa Maria Novella.

At the airport you can also find the main car rental agencies.
www.aeroporto.firenze.it

The international airport of Pisa is located 80 Km from the city center of Florence and is connected to the Tuscan capital by train (every hour) and Terravision bus (full flight coverage with 18 return journeys).

For information about timetables and fares visit www.terravision.eu www.pisa-airport.com

ARRIVING BY TRAIN

The main central railway station of Santa Maria Novella (one of the most important railway junctions as well as an interchange point of the Florence public transportation) is located just a few steps (2 minutes on foot) from the main entrance of the conference-exhibition area and from the main reception of Firenze Fiera, located on the Palazzo degli Affari ground floor. Distances between Firenze Santa Maria Novella Station and three major Italian cities: 35 minutes from Bologna; 1 hour and 20 minutes from Rome and 1 hour and 50 minutes from Milan.

ARRIVING BY CAR

Florence is well connected to the main Italian cities through an efficient motorway network, which allows an easy access to the city center, where the conference and exhibition complex is located.

HOTELS

Florence also means more than 1000 hotel rooms located within walking distance from the conference venue and spread in 3, 4 and 5 star hotels.

Accommodation fares are guaranteed and will result equal or less expensive than Booking.com

To get the best rates during the conference, please visit the Congress Web Site: www.ifbls2018.org
