JOYFUL MEMORIES –  
THEY'RE SOME  
OF THE BEST GIFTS  
THE FAMILY OF  
AN ILL ADULT  
CAN RECEIVE.

Memories of Love was created to give patients and their families a much-needed reprieve from the everyday pressures of life-threatening illness. Through the support of corporate and individual donors, Memories of Love is able to send patients and their families on carefree, cost-free vacations to Orlando.

Each wish vacation includes:

- 3-day Park Hopper Pass to Walt Disney World
- 1 day at Universal Studios
- 1 day at Sea World
- Restaurant gift certificates
- Accommodations at one of 13 area Holiday Inns
- Stipend for travel and incidental expenses

*All at no cost to the patient.*

"We are so thankful for this opportunity and we will always cherish this memory. Thank you very much."

- The Brennen Family: Nathan, Hyacinth, and Kyle

"We truly had a pleasant and memorable experience. Thank you so much for everything. We will never forget!"

- Flora Harrington

## HOW YOU CAN HELP:

Blue Cross and Blue Shield of Florida is proud to support Memories of Love, and asks for your help in identifying families in need. To benefit from a Memories of Love vacation, critically ill patients must:

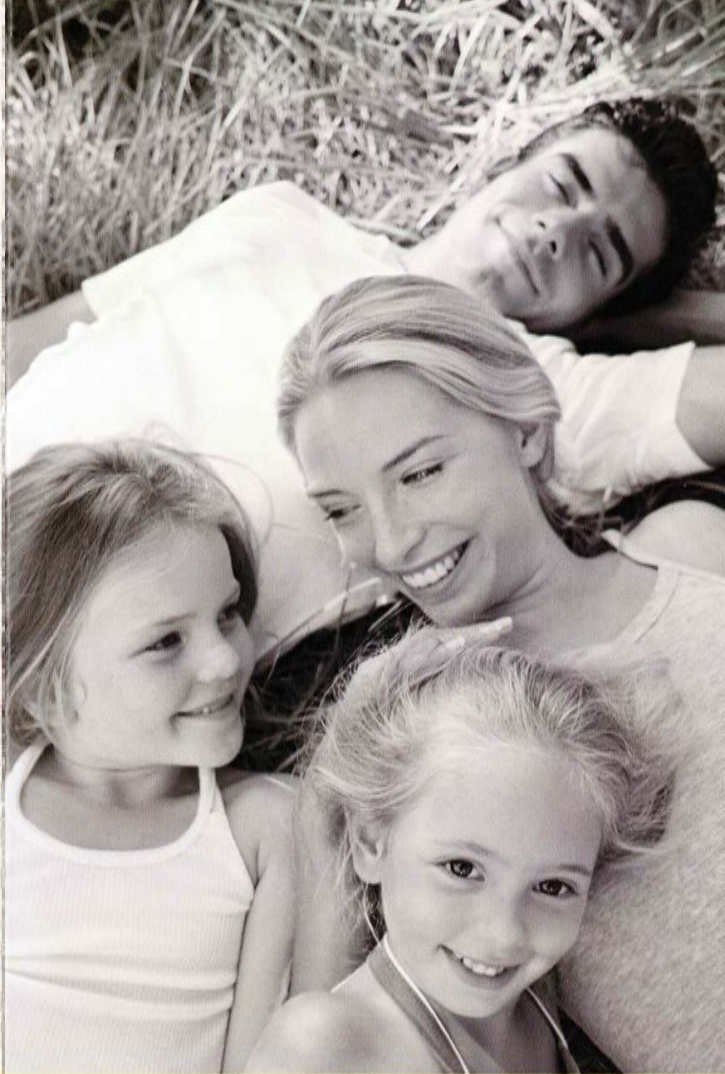

- Have children through the age of 16
- Desire a memorable, cost-free, 5-night, 6-day, vacation with immediate family members

You can help ensure that children experiencing the illness of a parent are left with the best memories of all.
