WP3 !

"CMS Requirements"

EDG WP3 Meeting   14/01/04 – 16/01/04

Test Summary

- Need to simultaneously track progress of 000's of jobs scattered across Grid

- R-GMA performance is now of correct order of magnitude

- Batches of 3000 fakejobs with occasional lost message

- Hear Rob's talk tomorrow

LCG 2

- Need to get into LCG distribution
- Get past: not Ian Bird, now John Gordon
- LCG2 deadline Feb. 9th

Next step

- Create LCFGng objects
  Test on **LCG1** testbed with CMS apps
  (DC/BM/ST)

"Criteria"

- Doesn't break other parts of the testbed!
- ?

… and Finally

- Need to be UK driven
