ADMINISTRATION

Principal's Message

Once again The Towers goes to press and I take this opportunity to offer my congratulations to the Editor, his staff and teacher sponsors. Each one who has added something very real to the life of the W.D. Lowe Technical School and in turn has been enriched by his contribution.

Members of the graduating class of 1968 have an honoured place on these pages. We, of the Teaching Staff and Student Body, join in wishing the graduates success and happiness in the years to come.

L.F. McGEE
Principal

Technical Director's Message

This issue of The Towers has a special meaning for me as it represents the last time I make a contribution to it and also to the life of the school. As I approach retirement, after 37 years of active participation in the life of the school, I am conscious of the important contribution our school has made in the life of the community. This has been accomplished by the high standards maintained and the spirit of cooperation that has always existed between the students, staff and administration of the school.

May I take this opportunity to wish our graduates every success and to thank all those who have helped make my life here a satisfying and rewarding experience.

F. H. BARNES
Technical Director

Vice Principal's Message

The production of a school yearbook is a task of considerable proportions. To the students and teachers involved in it, we owe a great deal.

I would hope that you, the members of this year's graduating class, achieve the degree of success which you deserve. To the rest of the student body, may I express the wish that you too will some day join the ranks of the graduates of W.D. Lowe Technical School.

G. JENKINS
Vice Principal

EDITOR'S MESSAGE

Once again, for your enjoyment and as a memento of the students and the events at W.D. Lowe Technical in 1968, we present The Towers.

Many factors are necessary for the successful publication of a yearbook. At the top of the list is the active interest of the teaching staff. Without the encouragement of Mr. Marchand and several other advisory teachers, the

'68 edition of The Towers would never have reached the printer.

I extend my gratitude to Jim Waley and Norm Savage, whom without their assistance, the publication of the Towers, would have been impossible.

The members and advisors of the Towers take this opportunity to wish each graduate success and long life in the trying years ahead.

Two 'oldies' among 18 records

Dufault, Bigness set 'em

By KEN FATHERS

Monday, for the first time in its 48-year history, the scene of the annual Windsor Secondary Schools Association track and field meet shifted from Windsor Stadium.

The University of Windsor's South Campus complex at Huron Line and College Ave., became the new home of this giant cinder show and the 600-odd prep thinclads obviously enjoyed their plush surroundings as they established 18 meet records during the day-long, 92-event program.

Sixteen of the standards which tumbled had been recorded during the past six years. But, a 29-year-old junior boys' long jump mark and a 12-year-old junior boys' high jump record also were shattered.

The "oldies" were attacked by a couple of talented W.D. Lowe Technical School youngsters, Tom Dufault and Dave Bigness, who finished one-two in the race for the junior boys' individual championship.

Dufault added two inches to the long jump record of 21 feet, 5½ inches which had been set by Forster (Sandwich) Collegiate great Jack Parry in 1939.

Bigness soared 6 feet, 1 inch in the high jump competition to add 1¼ inches to the standard which had been put into the record book by Richard O'Connor of Assumption High School in 1956.

Tell-Tale Heart

Once again the drama club gets down to brass tacks in producing a play in preparation for the Drama Festival which takes place this spring. Mr. Roach chose "The Tell-Tale Heart" for our entry; a murder mystery which takes place in the early 1800's. The story concerns a young man and woman who were caught in a storm and were invited to spend the night in the house of Master Zolka played by Norm Yryke. Jess (played by Gerald Baillargeon) finds a treasure of gold coins and plans to murder Master Zolka and flee with his gold. The remaining players were Sue O'Neil, Bev Young, Robin Baker. Thanks should also be extended to all those who played a part in the play.

Earlier this year Mr. Klein directed a play called "The Silent Laugh" which I'm sure was enjoyed by those who saw the play. This was Mr. Klein's first attempt at directing a play and those who worked with him wish to give a round of applause and congratulations for the splendid job that he did. We hope that he will work with drama in future years.

All in all the Drama Club has been busy throughout the school year in their productions and we wish them luck in the Festival. All members of "Tell-Tale Heart" and stage workers can be found in the main hall of the first floor.

Roughriders Just Missed Playoffs

The 1968 edition of the W.D. Lowe Roughriders Basketball Team opened this season as in the past years' — winning. Coached by Mr. Brumpton; the starting lineup features holders Dave Bigness, Danny Thoms, Gino Barzotto, Adriaan Verhulst, Bob Facca, and newcomers Ernie Hehn, Peter Martini, Tom DuFault, Jim Brown, Steve Smale, David Howell, John Introcaso, Richard Mallat, and Alessio D'Andrea.

In their first game of the new season the Roughriders squeezed out a 52-50 decision over Herman Collegiate Green Griffins. Herman was ahead 50-49 with 1:37 remaining and attempted to run out the clock with ball control. Bigness, however, got his hands on a loose ball and fired the field goal with Steve Smale scoring from the free-throw line to wrap it up. Remaining undefeated the Roughriders nosed out Riverside 62-58 and clipped Commerce 62-53. It was not until the Brennan game that our squad came out on the short end by bowing 55-46 to the Redbirds. With still a giving away mood the Roughriders were blasted by the Walkerville Tartans 70-35 in our own gym where one

Doug Reaume

year ago the Techman dumped the defending champions.

With a pair of losses to their record the Roughriders were looking forward to some wins. Bouncing back from their disappointing loss to Walkerville the squad went in to upset Brennan 66-56 and bomb the Riverside Rebels 58-34 on the Riverside court. Victory looked ahead for the Riders as for their next four games were again teams troubled by setbacks earlier in the season; their hopes were dimmed when the Roughriders were edged by Massey 61-55, by Kennedy 57-45, by Herman 46-43, and by Patterson 63-55.

The playoffs were not far off and with confident of their ability to win the Techman kept their hopes alive by trimming William Hands Vocational School 68-48. With the more important games just ahead the Riders walked into the Walkerville court and saw their playoff hopes dimmed, dropping a 62-49 decision to the Tartans. Moving on into the Assumption gym they were again defeated 61-39. The Riders went on from this point to defeat Commerce 70-50 and the Forster Spartans 69-43, to end their schedule.

WOMAN

Through love she was born,
With love she grew,
In love she married,
For her love was true.

Through love she's happy,
With love she cares,
In love she gives birth,
For love she shares.

Robert Faubert 12D

Another better idea from Ford.

Better ideas count only if you are first. The selectivity tower pictured at Ford of Canada's new St. Thomas passenger car assembly plant is an example. It adds a new profile to the skyline of the Canadian automotive industry. Twelve storeys high, it stacks car bodies for immediate use when required on the final assembly line. It is a better idea — the kind that helps ensure better products.
