N. H. SECOND AT WILLIAMS MEET

Dartmouth Wins Close Contest by Short Lead

BRUCE BREAKS RECORD

Only One Point Difference Between Leaders—Gunnar Michelson High Scorer of Meet—Gerrish and Weston Take Third and Fourth Places—Gerrish Out Of Carnival Meet On Account of Injuries

New Hampshire's winter sports team lost by one point to Dartmouth in the Central Divisional meet of the International Winter Sports Union which was held at Williamstown last Thursday and Friday. The two Granite State institutions had things entirely their own way throughout the contests as the 39-38 score clearly indicates, but the final outcome was in doubt until Proctor of the Gig Green team defeated Capt. Michelson in the ski-jump late Friday afternoon. Williams, who finished in third place with ten points, failed to capture a single first place.

The high scorer of the meet was Gunnar Michelson, leader of the Blue and White's ice and snow men. He took a first, two seconds, and a fourth place for a total of twelve points in the four events he entered. His excellent form in the ski-proficiency contest won him an easy first, and, in spite of the fact that he had not done any speed skating for several years, he managed to win his preliminary heat and take a fourth in the finals of the quarter mile race. Gerrish and Weston captured third and fourth respectively in the former event. In the mile ski race he again trailed Proctor, this time by only a few yards. "Eddie" Bruce finished fourth.

The seven mile ski cross-country race marked the shattering of the course record by Bruce, who led Capt. Farwell and Conant of Dartmouth all the way. His time was 54 min., 37 sec., over a minute better than that of Platt of Williams, the former record holder. "Duke" Peaslee, closely followed by Ralph Littlefield, his teammate, out distanced the field in the five mile snowshoe race, while Tetley, New Hampshire's freshman skater, did phenomenal work in his events. He won the quarter mile dash easily and in the two mile contest pushed Lafayette of Dartmouth, intercollegiate champion, all the way, finishing in third place.

PRES. HETZEL BUSY WITH CONFERENCES

In Washington Since Tuesday—Will Return for Carnival Ball—Attended Several Meetings Last Week in Boston

President Ralph D. Hetzel left Durham for Washington, D. C., on Tuesday to attend the Executive Committee meeting of the Land Grant Colleges of the United States. He will return from this meeting today, in time for the Carnival Ball.

During the past week the President has had several conferences in and out of the state. While in Boston he conferred with President Hustes, and Vice-President Forte of the Boston and Maine Railroad Company, relative to the co-operation of the company with the University in transporting students throughout the state. President Hetzel met with the officers of Harvard University and checked with them various plans in order to get suggestions for the new recitation hall to be erected in the spring. The views of the Harvard authorities on the correlation of certain graduate courses were also obtained by the President. During the trip to Boston the President was in conference with the officers of the First Corps Area regarding the military instruction being offered at the university.

TEA DANCE TO BE HELD FRIDAY IN T. HALL GYM

A tea dance will be held in the T. Hall Gym this afternoon from 4 to 5 o'clock. Lieutenant and Mrs. Carter and Mr. and Mrs. Bishop will act as chaperones. In case of rain on tomorrow another dance will take place at the same hour instead of the Carnival sports.

COMMUNITY HOUSE OPEN FOR CARNIVAL GUESTS

Due to the kindness of the Prudential Committee the Community House has been turned over to the use of the students for Carnival Week-end. It will be open this afternoon from 2 to 5 o'clock, Saturday from 10 o'clock to 5 o'clock, and Sunday at 2 o'clock.

The committee in charge has no special program planned. The guests are left to their own devices, after being received by the hostess. A number of rooms will be open and made cozy and homey by cheery fires in the fireplaces. It will be just the place to chase away the chills, which are usually forgotten in carnival enthusiasm.

GWENDOLYN JONES ELECTED PRESIDENT

New Council Chosen According to Revised Plan—Mrs. DeMerritt Talks on Aims and Ideals of Student Government

Last Thursday afternoon the monthly meeting of the Women's Student Government Association was called. Mrs. DeMerritt conducted a discussion of the duties, aims and ideals of the Association in which many of the students took an active part, forwarding diversified opinions as to the success or failure of the principles of the organization. Several changes in policy were suggested and many views were expressed for future consideration.

Before the main business of the meeting, election of officers was taken up, an amendment was added to the constitution. This amendment constituted a change in the Executive Council which will now consist of the four officers and two representatives from the Senior class and one from the Junior class.

At the annual election Gwendolyn Jones, '27, of Concord was elected President; Willena Burpee, '27, of Newport, Vice-President; Anna Philbrook, '28, of Meredith, Secretary; and Louise Sprague, '29, of Concord, Treasurer. The representatives from the three upper classes include Margaret Marnoch, '27, of Dover, Frances Fairchild, '27, of White Plains, N. Y., and Alice Melendy, '28, of Manchester.

COMMONS DINNER DANCE FOR NON-FRATERNITY MEN

A Dinner Dance will be held at the Commons Saturday evening, from 8 to 11.30. It will be strictly a reservation affair. Reservations may be made at the Outing Club store in the Gorman Block or at the Commons. About 75 couples are expected. Tables will be decorated. The chaperons will be Major and Mrs. Walker, Mr. and Mrs. J. S. Walsh, and Mr. and Mrs. James Macfarlane.

In other years the fraternities have monopolized the social activities after the Carnival Ball. The Outing Club has this year scheduled the Dinner Dance in order that the non-fraternity men may have social diversion for Saturday evening.

UNIVERSITY BOWS TO KING CARNIVAL FOR TWO DAY REIGN

Holiday Starts at Noon Today. Guests Pour Into Durham From all Parts of New England. First of Sports Start This Morning. Carnival Ball Features Program Tonight

Varsity Winter Sports Team. University of New Hampshire. Season 1925-1926.

COMMONS WING READY TO HOUSE VISITING TEAMS

The new wing of the Commons will be ready to house the winter sports teams of Dartmouth, Massachusetts Aggies, and Williams, which will compete at the Carnival events this week.

The completion of this addition solves a problem which up to now has been difficult to handle, that of taking care of the visiting athletic teams. Previously, the teams were divided and housed in different fraternity houses. Now, however, beds will be put in the Commons, which will answer the purpose, and also make it more comfortable for visiting contestants.

FRESHMEN SPLIT IN COURT GAMES

Win from Tilton 20-17 Coburn Beats Frosh 20-19

SHOW BIG IMPROVEMENT

Harriman Stars at Center—Garlock Plays First Game—Both Battles Closely Contested—Martoski Scores Winning Point for Coburn

In the best freshman game played this season, the blue and white yearlings were beaten by Coburn Classical, Friday night, in a closely contested battle which ended in the score of 20-19 in favor of the Coburn quintet. The freshmen showed a complete reversal in form over the previous games.

Coburn rolled up an easy score in the first half with Martoski and Gile, their fast forwards, shooting all the Maine team's points. Fast passing helped them to get past the freshmen guards. The 1929 squad did not have a chance in this part of the game which closed with a 13-5 score for the invaders from the Pine Tree state.

The freshmen came back in the second half and gave Coburn one of the hardest battles of its schedule. The heaviest attack of the frosh was in the final period when they tied the score with only three minutes to play.

Captain Martoski and Gile starred for Coburn, scoring seventeen points between them. Harriman and Bruce were the offensive men for the New Hampshire team. Harriman played his first game at center and filled the weak spot in the front line.

Fresh from their defeat of Friday, the freshmen met the Tilton School five Saturday night and took them into camp by the score of 20-17 after a hard struggle. Both sides exhibited strong defensive work which kept the score low.

The frosh did most of their scoring during the first half, but continued to roll up points enough to keep a winning lead. Coach Fernald tried out Garlock in Landauer's guard position and the new player showed that he was a capable man to be used in future contests of the freshman schedule. Clement shot three long baskets, which make him the high scorer for his team.

MIDDLEBURY AND NORWICH BEATEN

Vermont Scores Only Win Over Blue and White Team

CRAIG AND COTTON HURT

Davis and Cotton High Scorers of Vermont Trip—Kelsea and Nicora Show Up Well—Conn. Aggies Play Saturday at Carnival

On the three-day trip to Vermont, the varsity basketball team won from Norwich and Middlebury and lost to the University of Vermont in the opening game. Against the Vermont team the varsity played one of its worst games of the season and was beaten by the score of 25-14.

Harold Cotton, Basketball, '24, '25, '26—Captain of varsity basketball, 1926

Friday night the Middlebury quintet fell an easy victim to New Hampshire team by a 31-13 score, Davis dropping in five baskets from the floor. Craig was unable to play in this game or the following one, on account of an infected foot. Fast

(Continued on Page 5)

The University of New Hampshire closed shop at noon today. Books were flung onto high and inaccessible shelves, ink ceased to flow from fountain pens, lecture halls were deserted while students, faculty members, university employees and townspeople donned outdoor clothes and prepared to pay tribute to Carnival Queens and a New England climate. Winter Carnival has gripped the University of New Hampshire and busy students, working untiringly for weeks, have prepared a program—and a setting for that program—which is unqualifiedly acclaimed as the "Biggest Time" that old New Hampshire has ever seen.

The sport program of the two day holiday is enough to satiate the most exacting lover of sporting events. The backbone of the Carnival will be the Triangular Winter Sports meet between Dartmouth, Williams and New Hampshire. New Hampshire defeated Dartmouth at Lake Placid during the Christmas vacation; Dartmouth turned the tables on New Hampshire by 39 to 38 points at Williamstown last week, and now the three old rivals are at it again with the victory anybody's in a sport that always provides thrills and upsets which even the best prepared and the most skilled of champions are unable to foresee or forestall. This afternoon the meet starts off with the ski proficiency contest followed by the long distance ski and snowshoe events, tests of endurance and skill in which New Hampshire is fully qualified to meet all comers. Tonight at seven, the scene changes to the skating rink, transformed into a gorgeous winter setting with ice palaces, snow arches, evergreen, and colored lights framing a perfect picture for the gliding skaters to complete.

Ball in Oriental Setting

Then comes the Carnival Ball, a costumed affair, which fully 200 gaily decked couples will attend. The old Gymnasium has been completely camouflaged so that Coach Cowell himself would not recognize it. Chinese lanterns, paper effects, subdued lights, fraternity booths, with a Chin-Chin setting, have been combined to turn the hall into a convincing imitation of a Confucian temple. The music for the Ball will be furnished by Billy Lossez and his Shepherd Colonial Orchestra. At the same time music will be furnished at the rink for general skating. The Carnival Ball will begin at nine and end at two o'clock while the skating rink will close at 11 o'clock. The Queen of the Carnival will be selected at the Ball and a beautiful loving cup will be presented to the young lady favored by the judges.

Saturday will be a strenuous day from the time that the dancers of the night before crawl out of bed until they finally finish their dancing parties again at midnight. At 10 a. m., the one-mile ski race will be held at the Littlehale Farm. At 10.30 a. m., the varsity hockey team will meet the Massachusetts Aggies skaters on the local rink in the second home game of the winter.

Ski Jump Saturday Afternoon

Promptly at two p. m., the big event of the week-end will be held on Beech Hill when the Dartmouth, Williams and New Hampshire ski jumpers will fight out their battle for team and individual honors. Included in this contest will be Gunnar Michelson, three times intercollegiate champion; Stewart Weston, winner of the Marshall Foch Trophy last year; Gordon Brown, captain of Williams championship team last year, and Charlie Proctor of Dartmouth, twice victor over Michelson this winter and hailed by many as the coming successor to the New Hampshire Ace. The visiting jumpers will be nearly as familiar with the local hill as the New Hampshire men themselves and those who should know are saying that when the crowd leaves the big chute on Saturday afternoon, a new record for the jump will be written in the scorer's book.

Boxers Next on Program

The crowd will hurry back to the Gymnasium, stripped of its oriental trimmings, where the varsity boxing team will battle the clever mittmen from New York University at 4.30. At seven o'clock the spectators will return to the same hall to see Coach Cowell's basketball team play the Connecticut Aggies quintet. Following this game the freshman club will play Clark School. In the meantime the fraternity dances will have started.

CARNIVAL GIRL

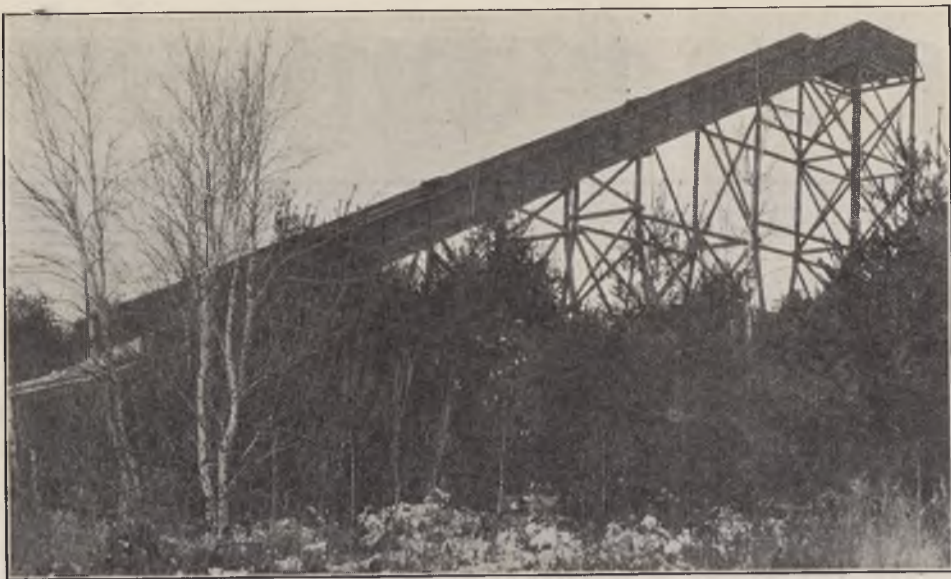

Carnival Girl, we welcome you. We are giving our institution over to you for the next two days. What you want to do we will do and your good time is ours. We have looked forward to this event for a good many months; we have saved; we have planned; in fact, we have done everything we could think of to make this the best time of the year. Perhaps you have looked forward to visiting us also, but in some ways we think that we have looked forward to it much more than you have, CARNIVAL GIRL.

The Outing Club has labored for weeks to get our program completed so that you may enjoy yourself. The members have gathered pine branches for the ice carnival; they have tried to keep the ice in the best condition possible; they have spent innumerable hours decorating our much too small gymnasium in order that you might enjoy yourself in the atmosphere of a Chinese Temple; they have talked winter carnival; they have slept winter carnival, in fact, they have lived winter carnival for months, all for you, CARNIVAL GIRL.

Winter Sports Men have trained since the beginning of the year, some have been in training for a longer period. The hockey team has changed its schedule so that you may watch the contest with Massachusetts "Aggies." The boxing team has gone through gruelling battles preparing for this event. The basketball team will favor you with an exhibition of its prowess on the floor, all for you, CARNIVAL GIRL.

Cigarettes have been smoked to the last inch; movies have been missed; sodas have been forgotten; some have gone without breakfasts; the golf hose wanted so much are still in the windows of the cloisters; letters and letters have been written; telegrams have been sent; toll calls have been made; hours have been spent trying to figure out the monetary problem; all for you, CARNIVAL GIRL.

We have tried to find rooms for you, some of us have been forced to locate you off the campus. You may have to plow through drifts, but that is something we cannot help in this little town of ours. Next year we

UNIVERSITY SKI JUMP

SLEIGH TRANSPORTATION TO SKI JUMP SATURDAY

The Outing Club will provide sleigh transportation to the ski jump and back Saturday afternoon. The service will begin at one o'clock and will continue as long as the demand requires. The fee will be twenty-five cents per person for the round trip. It is the purpose of the Outing Club to provide the best accommodations for the guests. The sleighs will run constantly back and forth from the gym to the ski jump, and there will be no necessity for anyone's having to walk.

COLBY DEFEATED BY NEW HAMPSHIRE SIX

Dearington Stars As Varsity Wins First Collegiate Game Played On New Rink by Close Score of 4-2

In the first collegiate hockey game played on the new rink, the varsity won a hard fought, rough game from Colby College by the score of 4-2. The game was fast and exciting at all times. The New Hampshire men showed a complete reversal of form over that of the preceding week and passed, checked, and played well at all times. Dearington was the best man on the ice, his brilliant stick-work and dodging bringing the puck into Colby territory many times. Percival played his usual steady game, as did "Duke" Blewett at goal. The invaders had a star pair of defense men in Drummond and Peacock.

During the first period the teams were evenly matched and it was not until the final minutes of play that the varsity was able to score, when Dearington on a pretty pass from Percival scooped the puck into the net.

Early in the second period the varsity scored again on a long shot by Ide, but Colby came right back and scored her first goal of the game from scrimmage in front of the cage. Near the end of this period Fudge, on a pass from Percival, shot the puck into the goal, which gave the varsity a lead of two points again.

The Colby team seemed tired in the final period, but fighting gamely managed to cage their second score of the game on a corner shot by Gould. In the final minutes of this stanza Percival scored and the game ended with the varsity safely leading.

The Summary: New Hampshire Colby. McGowan, lw, Dearington. Gould, c, Percival. Muir, rw, Ide. Drummond, ld, Vatter. Peacock, rd, Fudge. Fagerstrom, g, Blewett, g. Goals scored by Colby: Muir, McGowan; New Hampshire: Ide, Fudge, Percival, Dearington. Referee: Ouellete. Judges: Crins, Mitchell. Time of periods: 15 min.

hope to offer you hotel service, but that is not taking care of circumstances now. Whether you are "off campus" or "on campus," we hope you will enjoy yourself. We are going to do our best for you, CARNIVAL GIRL. Whether you are one of our "Co-eds" or an "Import," tall or short, blonde or brunette, stout or thin, from the country or the city, it makes no difference, we are giving our all, we welcome you, CARNIVAL GIRL.

DEPUTATION TEAM VISITS BREWSTER

Crowd of 200 Turns Out to Hear N. H. Students—Favorable Impression of University Given to Academy Undergraduates

The Y. M. and Y. W. combined in sending out a deputation of four students: Miss Catherine O'Kane, leader, Miss Eleanor Wellman, "Ray" Danforth and Raymond Atherton; to Brewster Free Academy last weekend.

At a social and dance given by the students of the Academy, Saturday evening, the team put on a short play. The next day, Sunday, the services of two churches, one in Wolfboro and one in Wolfeboro Falls, were partly conducted by the members of the deputation, as was also the union service Sunday evening. In the afternoon a snowshoe hike for the boys and girls of the Academy was led by Miss O'Kane, and college life at the University was informally discussed. As a result, many of the students informed the team that they intended to come to New Hampshire after they graduated from Brewster.

ARTISTIC CREATIONS APPEAR ON ICE POND

One of the many thrills of the week will be the Ice Carnival, elaborately planned by the committee headed by Paul Tracy, '26. The committee has erected two ice columns, supporting an arch of birch and pine, forming a gateway to the pond. Starting at this gate and enclosing the entire surface of the ice an artificial grove of evergreen and birch, supported by an embankment of snow, has been erected. Bordering the ice on one side, a series of three snow igloos have been built, which will give the effect of an Eskimo village. Across from the snow village a bonfire will be built. Strings of colored lights will dot the atmosphere overhead, beneath which the costumed skaters will perform.

The regular events are scheduled to start at seven o'clock and will end approximately at nine, after which there will be general skating to music.

Special Bus Service

Boston & Maine Transportation Co. Friday February 12 Leave Dover—Hourly from noon to 10.00 p. m.

The Money Making Secret of J. W. Davis' Success

J. W. DAVIS The Cucumber King

DOUBTLESS you already know of him. If you don't, he is the Cucumber King.

Grows cucumbers in greenhouses.

Acres and acres covered with greenhouses, growing "painless cucumbers" as he jokingly calls them.

Just a few years ago, I sat in the twilight beside his open fire.

He is a modest man and it's hard to get him to loosen up. But few of us can withstand the influence of an open fire.

So he told me about how he started with a little old fashioned greenhouse and used to peddle the vegetables and flowers about town.

For several years, he and his brother worked like dogs, and had no more at the end of the year.

Then one day he took some of his meagre savings out of the ginger jar, and took a trip to see how other greenhouse men made all the money he had heard they made.

He came back with a new vision.

Sold out to his brother, interested a man with some money, and built one of our big iron frame houses for growing just cucumbers.

That was about 12 years ago.

Now, although still a young man, he owns four big ranges of greenhouses in different parts of the country.

Spends his winters in Florida and all that sort of thing.

There's money in growing greenhouse cucumbers.

If J. W. Davis can become a millionaire at it, why can't you?

Start small. Grow big.

Here's something to get right into after graduation.

Start making money the first year.

Write us asking all the questions you want to.

You can't ask too many for us.

Tell your Dad about it.

Get Mother interested.

Let's put this thing over together.

If interested write to the Manager of our Service Department, Ulmer Building, Cleveland, Ohio, who will give it his personal attention.

WILLIAMS WINTER SPORTS TEAM

Varsity Hockey Sextet Meets M. A. C. Saturday

The varsity hockey team will entertain the M. A. C. sextet, Saturday morning, at ten-thirty on the college rink, in what should be one of the most interesting games of the season. Percival, the star of the blue and white team, with the aid of Captain Fudge, Ide, and Dearington, will give the Aggies' defense plenty of work before the final whistle is blown. Much is expected of "all legs" Blewett in the cage.

The "Aggies" have lost only a few games this year and held the strong M. I. T. team to a 3-0 score. Captain Moberg and Palmer are the star players of the Massachusetts puck chasers.

Chi Omega Wins Close Game With Score 26-22

On Tuesday night, Feb. 2, the Chi Omega and Delta Kappa basketball teams met in a fast close game. The teams were very evenly matched, and the game was won by the Chi Omegas with a score of 26-22 only after a hard contest in which both teams showed skill and cooperation. The following composed the Chi Omega team: R. Milan, center; D. Hebert, side center; F. Fairchild (Clarkson) and M. Fifield, guards; W. Scott and D. Clarkson, (Merrill) (Record), forwards. The Delta Kappa players were: M. Hubbard, center; B. Hill, side center, with K. O'Kane substituting; Helen Brady and Alice Brady, guards; D. Flynn and A. Melendy, forwards.

Blue Key Registers One Hundred Carnival Guests

With the Winter Carnival around, the corner the Blue Key, an honorary Senior Fraternity, undertook the placing of the guests expected. This is the first year that the association has acted in this capacity and so far has been successful.

The committee in charge secured a list of all available rooms in the dormitories and homes on the campus. A bureau was then established at "T." Hall, where late registries might be accommodated. The committee is placing more than one hundred guests in Durham, Colony Cove, and in Dover Hotels. The Committee selected by the Blue Key was composed of Floyd Macdonald, Chairman; Charles Grey, Leslie Hubbard, Edward Davis, and George Trombley.

Poem on Granite State Written by Mrs. Speare

Mrs. Guy E. Speare, President of the New Hampshire Federation of Women's Clubs, homeward bound from West Baden, Indiana, last June, where the council meeting of the General Federation took place was impressed with the contrast between what she was leaving and what she was approaching. This suggested a description of her beloved state and home. She composed the following poem; a true picture of the "Granite State" hills and lakes:

"OUR NEW HAMPSHIRE HOME"
 "Sea-shore, lakes and mountains,
 Pineclad hills sublime,
 Fragrant spruce and hemlock,
 Cool and sunny clime,
 Rosy winter sunsets,
 Purple shadowed vales,
 Towering cliffs of granite,
 Ferny, peaceful dales.
 This is New Hampshire,
 New Hampshire,
 New Hampshire.

Sturdy sons and daughters,
 Patriots known to fame,
 Poets and composers
 Music's charm proclaim.
 Indian tales and folklore,
 Deeds both brave and great,
 Fill the page of history,
 For the Granite State.
 This is New Hampshire,
 New Hampshire,
 New Hampshire.

Prof. J. Wellman Speaks at Lawrence Meeting

Prof. J. O. Wellman spoke at a meeting of the Men's Brotherhood of the South Congregationalist Church, Lawrence, Mass., on Monday night, Feb. 8th. His subject was "Heritage and Parentage."

Prof. Wellman spoke on the same subject in Dover a week ago at a meeting of the D. A. R.

N. H. Second At Williams Meet

(Continued from Page 1)

suits, very encouraging. In the Ski events, the Green's strong point, New Hampshire made twenty-two points to her twenty. Dartmouth's craft skaters amassed only sixteen credits, while the two Durham men without doing any figure skating at all, scored twelve. Capt. Michelson's results in the ski jump have been an exasperating disappointment. He lost this event at Lake Placid by .09 points and at Williamstown by .10. The contest Saturday afternoon should prove very interesting as he tied or bettered his opponent's actual distance each time. All men who secured firsts or seconds in the meet last week will participate in the International championships at Hanover next Thursday. New Hampshire's chances for a winning combination seem excellent at the date. Carroll Gerrish, whose fine ski work at Williamstown won him the praise of coach and teammates, will be unable to compete again this year owing to injuries received during one of his jumps.

The Summary:
 Mile ski race: 1st, Proctor, D.; 2nd, Michelson, N. H.; 3rd, Farwell, D.; 4th, Bruce, N. H. Time, 7:29.
 Seven mile ski race: 1st, Bruce, N. H.; 2nd, Farwell, D.; 3rd, Conant, D.; 4th, Banks, W.
 Ski proficiency: 1st, Michelson, N. H.; 2nd, Proctor, D.; 3rd, Gerrish, N. H.; 4th, Weston, N. H. 58.
 Ski cross-country race: 1st, Peaslee, N. H.; 2nd, Littlefield, N. H.; 3rd, Mason, D.; 4th, Greeley, D. Time, 27:05.
 Quarter mile skating: 1st, Tetley, N. H.; 2nd, Harris, D.; 3rd, Banks, W.; 4th, Michelson, N. H. Time, 49:25.
 Two mile skating: 1st, Laffey, D.; 2nd, Harris, D.; 3rd, Tetley, N. H.; 4th, Michelson, N. H. Time, 17:48.
 Ski jumping: 1st, Proctor, D.; 2nd, Michelson, N. H.; 3rd, Weston, N. H.; 4th, Brown, 13:61.

Middlebury and Norwich Beaten

(Continued from Page 1)

playing featured throughout the contest. Captain Rice of Middlebury was the high man in scoring for his team.

In the third game of the trip the Norwich cadets were overwhelmed by Coach Cowell's charges in a hardly fought struggle, which ended in the blue and white being victorious, 29-19. Every man on the New Hampshire team scored at least one basket, while Cotton and Davis each shot in four baskets.

Kelsea and Nicora, New Hampshire's sturdy guards, showed up well in the three contests, keeping the opposing forwards' scores low after the first game with the Vermonters. Smith and Bridge did excellent work in filling the places of Taylor and Cotton when substitutes were needed.

Connecticut Aggies play the varsity basketball tomorrow night, as one of the carnival attractions. The "Aggies" have lost only two games this year and come here with two all-conference men of last year in Captain Makoski and Schofield. Preceding the varsity contest, the freshmen will play the strong Clark School five.

New York Bouts Big Attraction

(Continued from Page 1)

sity, New Hampshire has a very good chance to clean up at least four of the six bouts.

In the elimination bouts held in the Gymnasium last Saturday afternoon, three men, new to the varsity ring, won decisions, and a place on the team. Two of these men, Ralph Lizio and "Danny" Ahearn were expected to win in their classes, but the big overturn of the afternoon came when "Bill" Higgins took over "Jimmy" Boyd, ex-college champ in the 125 lb. class, in the finals in that weight.

The first bout of the afternoon, between Ahearn and McLeod, lightweights, was won by Ahearn on a decision. Boyd took over Abrahamson, 125 lbs. in the second bout. He easily outpointed his man throughout the fight. The third bout between Currie, 135 lbs., and Higgins, 125 lbs., was exhibition stuff of the best sort. No decision was rendered. Ricciardi then fought Lizio in the 115 lb. division finals, and was badly defeated. A fast exhibition was staged by Reid, 160 lbs. and Sargent, 145 lbs., for no decision. Captain "Al" Smith, 160 lbs., and "Eddie" Necker, heavyweight, fought three fast and heavy exhibition rounds for no decision.

In the 135 lb. finals Ahearn won the title from Currie in a rather costly fight. Currie battled well, but was outguessed in all departments of the game, and Ahearn earned the privilege of a varsity berth.

In the final bout of the afternoon "Jimmie" Boyd, the University champion in the 125 lb. class, was badly whipped by "Bill" Higgins. "Jimmie" fought his usual tigerlike fight, but was forced to run from his opponent who seemed to place telling blows at will. Higgins completely out-battled Boyd in every round, thus upsetting all the "dope" and furnishing the biggest surprise of the day.

Although this is the first year that New York University has recognized boxing as a varsity sport, for several years an intramural boxing tournament has been held to keep the men in form. For this reason New York has an exceptionally strong lineup, and looms big in the realm of Inter-Collegiate boxing. The fact that the N'Yorkers held West Point to a score of four to three is sufficient proof of their prowess in the squared circle.

In the 115 lb. class Captain Frank Ferrara of New York, who won his bout at West Point, where he was the first New York man to enter the ring from his University, will scrap Ralph Lizio, one of the smoothest flyweights in this section. Lizio has been prominent in local exhibition bouts for several years.

George Ortiz, a New York U. novice with a splendid reputation, will

 Jack Mulhall, Charles Murray.
 Pathe Comedy—"CALIFORNIA OR BUST"
Matinee at 4.00

Evening Shows at 7 and 8.30

fight "Bill" Higgins, who has already proved his ability by defeating Boyd. Both men are fully versed in ring tactics, and each packs a heavy wallop. A fast battle is expected.

A very hard battle is to be looked for between "Danny" Ahearn and Murray Israel, New York's veteran lightweight. Israel has fought more than 100 amateur battles, a majority of which he won. In Ahearn he will find a very dangerous opponent, and young Murray will have to step to take over the local boy.

At 145 lbs. Jack Jackman is sure to find a well-trained, heavy-hitting opponent in the person of "Leb" Sargent, who has shown up exceptionally well throughout the season. Jackman has been with the N. Y. U. club for two years, and is a tough scrapper.

"Johnny" Reid of New Hampshire will meet Chet Cohn in the light heavyweight bout. Reid is a born scrapper with a reputation to make, and will give Cohn the battle of his life. Cohn made a very good showing at West Point, and won the elimination tournament at N. Y. U. last year.

In the heavyweight class Captain "Al" Smith meets "Al" Lassman, who whipped his man for New York in the West Point affair. Captain Smith is all primed for his bout, and if speed and experience in the ring can win for a man, "Al" is certain to come out on the top end of the fight.

"Les" Hubbard, New Hampshire veteran in the unlimited class is likely to be without an opponent, since at present New York has no able man in this weight. Hubbard is known and feared in the ring because of his extraordinary hitting power, and his cagey footwork.

UNIVERSITY BOWS TO KING CARNIVAL

Decorate yourself with the degree of P. A.

THAT means "Pipa Amoroso" in the Latin, or "pipe-lover" in plain campus English. P. A. has certainly endeared a pipe to more men than any other letters in the smoke-alphabet. Because Prince Albert lets a fellow smoke all he wants to—and makes him want to!

Cool as the stare of a marble Venus. Sweet as the approach of vacation. Fragrant as spring blossoms. Think up your own similes, Fellows. You will when you pick P. A. and a jimmy-pipe for permanent roommates. Prince Albert is great tobacco, and that's not blah.

Get yourself a tidy red tin of Prince Albert today. Fill the bowl of that old jimmy-pipe to the brim and borrow a match. Then you're set for some great smoke-sessions, as sure as you're a foot high.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.

COLBY RELAY TEAM FINAL OPPONENT OF VARSITY

The New Hampshire Relay Team will go to Portland, Me., Monday, to meet the Colby College relay team in the American Legion games. This will be the last meet of the season.

Coach Sweet is as yet undecided who will run, but he will pick the team later in the week from the following men: Atkins, Barclay, Daland, Toolin and Van Allen.

Colby has a fast team this year, although it doesn't appear as strong as Maine's.

SPECIAL PICTURES SHOWN AT THE FRANKLIN THEATRE

A new type of working girl is projected on the screen in "Classified," new First National offering starring Corinne Griffith showing Saturday, February 13, Franklin Theatre.

A refreshing exposition of how this kind of working girl lives, the influence exerted on her by her daily contact with sophistication, is presented by Miss Griffith, who ventures into new channels in projecting Babs Comet.

"The American Venus" Paramount's widely heralded film special showing today, appears to be blessed with every ingredient that makes for entertainment not only on the screen but on the musical stage as well. Esther Ralston is a radiant vision of blonde loveliness and makes an appealing sympathetic heroine.

"SPIRES" NEW PUBLICATION APPEARS ON CAMPUS TODAY

A new publication is scheduled to appear on the campus today. SPIRES is published by a small group of individuals who are endeavoring to give the University a magazine of a literary nature. It should appeal to the student body in that it is something entirely new.

PLEDGING NOTICES

Tri Gamma fraternity announces the pledging of: John Prood, '28, Lynn, Mass.; Frank Hobbs, '28, North Hampton, N. H.; Edward Burnham, '29, Nashua, N. H.; Charles Batchelder, '29, Portsmouth, N. H.; Roscoe Prescott, '29, Concord, N. H.; Paul Hobbs, '29, North Hampton, N. H.

Nu Beta of Phi Mu Delta announces the pledging of Thomas A. Caie, '29, of Berlin, N. H. Delta Kappa Sorority announces the pledging of Cecelia Hourihane, '27, of Somersworth; Margaret Blaisdell, '28, of Dover; and Margaret Cournoyer, '29, of East Jaffrey.

Delta Pi Epsilon announces the pledging of William B. Fisher, '28, of Manchester, N. H.

RELAY TEAM BEATEN BY MAINE IN MEET

Hard Luck Ruins New Hampshire's Chances in Two Events—"Duke" Peaslee Runs Well in Three-Mile Race

The Varsity Relay Team lost its first intercollegiate race of the season to the University of Maine, at the B. A. A. games last Saturday evening. With one of the fastest relay teams ever to represent New Hampshire, the stage was apparently set for a close race, then the unexpected happened. Reggie Atkins, running first for New Hampshire against Romsville of Maine, darted from the mark for the first corner. Romsville kept abreast of him, and just as they reached the corner Atkins slipped and fell. He quickly recovered, started out after his opponent who had picked up a lead of 20 yards, but was unable to make up any ground.

Daland received the baton 20 yds. behind Burnham and tried vainly to gain. Toolin received the same handicap and fought fruitlessly to decrease Torrey's lead. Van Allen, New Hampshire's anchor man, started on the final leg of the race with slightly more than a 20-yard handicap. Running smoothly he gained a few yards on Eaton but could not overcome the ground lost by the accident and trailed his opponent to the tape about 18 or 20 yds. The time was 3 min. 36 6-10 sec., two seconds slower than the time against Andover.

Once again during the evening, hard luck picked New Hampshire as its victim. Eddie Coughlin, running in the 1000-yd. invitation event (sometimes known as the free-for-all) got caught in the rush for the corner and although he escaped uninjured picked himself up minus a shoe. He replaced his shoe and started out again but it was impossible for him to pull up with the leaders.

"Duke" Peaslee, however, brought New Hampshire's colors to the forefront, by finishing second to Verne Booth, former Johns Hopkins track star and now running for the Millrose A. A. in the G. B. Williams three-mile event. Peaslee ran a good race leading the more experienced Booth until the last lap but lost when Booth opened up a wonderful sprint and broke the tape less than 20 yards ahead. "Duke" and Booth took the first mile easily staying in fifth and sixth places, after which they began to forge to the front. Peaslee took the lead for over a mile and three-quarters. Wachsmuth, another Millrose contestant, was unable to follow Peaslee and finished about 40 yards behind for third place. All other collegiate contestants failed to keep up the pace and dropped out as they were lapped. Lermont did not compete.

Jim McManus ran in the 40-yard dash trials but drew Murchison's heat and was unable to qualify for the semi-finals.

SPORTISMS

"Sammy" Craig, varsity forward and the crack shot who saved the Springfield game in the final moments of play by his sterling work, is out of the game for sometime. An abscess on his left foot caused his retirement early in the Vermont game and is still causing him much trouble. It is also taking away a great deal of the scoring effectiveness from the varsity.

Carroll Gerrish, due to several torn ligaments in the forearm, will not be able to jump again this year. He won third place in the ski proficiency at Williamstown, besides doing some good jumping, and Coach Perley says that he was good for at least a second or a third in the proficiency in any meet this year.

All season "Bullet" Percival has been the main offensive power of the varsity hockey team, but it now looks as if he would get some much needed help from Dearington, Fudge and Ide. "Perce's" clever stick handling and hard shooting have been the outstanding features of the varsity's play this winter.

NOTICES

The postponed Intramural Winter Sports Meet will be held Saturday, February 20. Fraternities wishing to add names to their eligibility sheets may do so by sending them to the secretary at least 48 hours before the meet.

All freshmen who have high jumped or who want to learn are asked to meet Coach Sweet at 1.30 P. M., next Monday, February 15, in the gymnasium.

Y. NOTES

At a meeting of the Y. M. C. A. Cabinet last Friday, Karl Ladd was elected treasurer of the Cabinet, to succeed McLean Gill who was forced to resign because of the point system. There will be no need of going hungry while watching the skiing, snowshoe and skating events at the Carnival, for the Y. M. C. A. states that it is to have hot-dogs and coffee on sale at the ski jump and at the Pond. The "Y" was awarded the outdoor sports concession for selling cats for the year, and hopes to earn a part of its annual budget in this way.

**Engineer!
Arrest that Bolt**

The question is sometimes asked: Where do young men get when they enter a large industrial organization? Have they opportunity to exercise creative talents, or are they forced into narrow grooves?

This series of advertisements throws light on these questions. Each advertisement takes up the record of a college man who came with the Westinghouse Company after graduation and within the past ten years.

JOSEPH SLEPIAN

THE Sales Department was talking in emphatic and easily understood language. It was saying, "We want action."

At Westinghouse, action in many cases is another word for research. And research works toward selected goals. In this case the goal was for new apparatus to make unchained lightning more respectful of power plants, lines and equipment.

Today, as a consequence, the electrical industry is the beneficiary of the "Autovalve Lightning Arrester", perfected to a degree of efficiency, long service and universal utility never dreamed of before. Behind that picture you find Joseph Slepian. With two degrees from Harvard, he started training in our East Pittsburgh Shops in 1916. A year later he entered the Research Department.

This was the lightning arrester situation which Slepian took into the research camp: There were two different types of apparatus. One, called the multi-gap, was used chiefly on poles of distribution circuits. When lightning struck, it frequently

caused transformer troubles and damaged equipment. For high-voltage application there was the cumbersome electrolytic arrester. Its performance was good enough. But it required constant attention; was costly of upkeep; and could not be used on poles.

When Slepian perfected the Autovalve Arrester, the demand was so great that orders could not be filled. It was entirely new. One type of apparatus solved the whole problem—no more costly care. It stands up indefinitely, whether used on poles or on the ground—sufficient reasons for yearly sales exceeding \$2,000,000.

Such results may depend as much on a phase of an engineer's past training as on his immediate research. Take the radio horn which gives the natural tone to Radiola sets. It was Slepian's mastery of mathematics, in which he specialized at Harvard, which contributed toward that big advance in the early days of loud-speaker popularity.

The man with "hidden reserves" is constantly finding them called upon to "climb peaks and cross mountains" in institutions like Westinghouse.
