STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

Paul R. LePage  
GOVERNOR

Dear Citizens of Corinth:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

Sincerely,

Paul R. LePage  
Governor

PRINTED ON RECYCLED PAPER

# United States Senate

WASHINGTON, DC 20510

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072<sup>nd</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices, or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins  
United States Senator

Dear Friends of Corinth:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My actions on the Every Student Succeeds Act and the Community Broadband Act will support local efforts to increase broadband access.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions to streamline the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

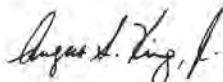

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at [www.king.senate.gov/contact](http://www.king.senate.gov/contact).

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Angus S. King, Jr.

Dear Friends and Neighbors:

I am honored that you've put your trust in me to represent you in the Maine Senate and I will continue to work tirelessly for the betterment of you, your community, and our great state. Please allow me to provide you with a recap of the first session of the 127<sup>th</sup> Legislature as well as my hopes for the second session, which began in early January 2016.

The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so the Legislature's responsibility and my solemn promise is to continue working to expand economic opportunity for all Mainers. To this end, my fellow legislators and I accomplished a great deal during the first session of the 127<sup>th</sup> Legislature.

We passed a biennial budget that provided more Maine families with a tax cut than did in the budget containing the "largest tax cut in Maine history" approved in 2011. This year's budget stopped taxes on military pensions, so those who have served our country can feel welcomed and appreciated in making their home in our state. We restructured portions of our welfare system, increasing funding for nursing homes, and directed more funding towards eliminating waitlists for services for brain-injured and intellectually disabled Mainers. Some of our state's most vulnerable deserve to have a higher priority than those able bodied individuals who had previously been moved to the front of the line.

I'm really looking forward to watching how the significant changes we've already made will better the everyday lives of Mainers. My goal while serving in Augusta is to positively impact the direction of our district and state. Because of this belief, passing meaningful legislation (and, sometimes, stopping bad legislation) is very gratifying.

As you know, more changes are necessary. In 2016, during the second session of the legislature, we need to make progress towards addressing the cost of energy in this state. There are a number of bills that have been proposed that would change the way our state's energy system works, and I look forward to putting my own energy into legislation that would lower your energy costs. I also believe that working to provide support to areas hard-hit by recent mill closings should be a focus of the 2016 session. Additionally we are now at work on a comprehensive plan to address the staggering drug problem that has flooded parts of our state and is robbing us of some of our family and neighbors.

You have my humble and sincere thanks for allowing me to represent you in Augusta. It is important to know how those I represent feel about the important issues facing us. Please feel free to contact me at 207-358-9447 and [andre@andrecushing.com](mailto:andre@andrecushing.com) if you have comments or questions, or if you would like assistance in navigating our state's bureaucracy. I continue to stand ready to help you.

Sincerely,

Senator Andre Cushing (Newport)  
Assistant Senate Majority Leader

*Proudly serving 15 Communities of Southern Penobscot County.*

Town of Corinth

Dear Friends,

This past year—my first as your Congressman in the U.S. House of Representatives—I am proud to have supported Maine families, local businesses and communities by working hard with Republicans and Democrats to promote policies that will preserve and create jobs and lower energy costs. I have worked to ensure our Veterans and active military members have the services they have earned and deserve, protected the individual rights and liberties they have fought for, and strengthened our national security to keep Americans safe and free.

I have fought tooth and nail to protect and create jobs for Maine. I stood up against the Washington political establishment, including Congressional leadership, to oppose granting fast-track authority to the President, a policy that allows him to facilitate massive international trade agreements that are unfair to American businesses, especially those in Maine. I am also extremely proud to have led the charge in successfully ending unfair and job-killing Canadian subsidies and to win a major victory for Maine by pushing into law a provision that will continue the FDA's use of paper inserts, efforts that combined to preserve hundreds of traditional Maine papermaking jobs.

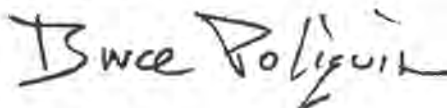

As a proud member of the Military Veterans Caucus, I have been fighting for our Veterans by supporting several bills to increase funding for Veterans' health programs and hold the VA accountable. I also am proud to have introduced my own bill—the Helping Our Rural Veterans Receive Health Care Act—to give our rural Veterans easier access to their earned health care services by letting local hospitals care for them instead of VA centers far from home. I extend my thanks to all who have served.

In this first year, I also had one of my own bills signed into law. My critical and bipartisan Child Support Assistance Act will help children and their families receive legally due support in a timelier manner from delinquent parents. My District offices also helped hundreds of Maine families resolve issues with federal agencies and get the answers, benefits and services they deserved.

There is much more work to be done. Our Great State and Nation face many critical challenges. Please know that I am working hard, every day, to serve you and that I will continue to work here at home and in Washington for our families, local businesses and communities.

If you ever have any concerns or if I can provide assistance, please contact my Congressional Offices in Bangor (942-0583), Lewiston (784-0768), Presque Isle (764-1968) and Washington, DC (202-225-6306), or visit my website at [poliquin.house.gov](http://poliquin.house.gov). It is an honor to represent you and our fellow Mainers in Congress.

Best wishes,

## HOUSE OF REPRESENTATIVES

2 STATE HOUSE STATION

AUGUSTA, MAINE 04333-0002

(207) 287-1400

TTY: (207) 287-4469

Dear Friends and Neighbors:

Thank you for the opportunity to represent Corinth in the House of Representatives during the 127<sup>th</sup> Maine Legislature.

It's a short session this year, but a busy one for me. I'm pleased to have been appointed the new House Chair of the Inland Fisheries and Wildlife Committee. I have a passion for safeguarding and promoting Maine's outdoor sporting heritage, and I appreciate this opportunity to lead nonpartisan work on the committee to help preserve Maine's traditions.

Meanwhile, I continue my work on two other committees. The Government Oversight Committee is a nonpartisan committee that directs the Office of Program Evaluation & Government Accountability to root out fraud, waste and inefficiency. I also serve on the Environment and Natural Resources Committee, overseeing policies important to our natural resources-based economy, waste management, and air and water quality. For our area, I consider forestry and agriculture to be keys to a strong local economy.

For all of this, I need your help. My first priority is always to create more economic opportunity for hardworking people, especially here in rural Maine. I am committed to working with my colleagues on both sides of the aisle to find solutions to our challenges. But the true source of common sense is found right here at home. On any issue at any time, please give me your advice, by phone at 827-3782 or by email at [duchesne@midmaine.com](mailto:duchesne@midmaine.com).

Best regards,

Dear Residents of Corinth,

Well, here we are again fast approaching another Town Meeting. We, The Select Board of the Town of Corinth, **wish to thank** the residents of the Town for choosing us to serve you. It is an extreme honor and privilege to do so. This Town is uniquely blessed to have a sizable group of very dedicated volunteers that spend countless hours performing all kinds of work for the Town. They're doing their best to help keep taxes down. **Good job folks.**

**We are welcoming three new employees to the Town of Corinth;** a new member to the Town Office staff, Deputy Clerk, Sara Torbett, a new Code Enforcement Officer (CEO), Carl Dow, and a new Animal Control Officer (ACO), Noel Sirabella. We are extremely fortunate to have the competent and knowledgeable staff at the Town Office with Carolyn Chambers, Donna McEwen and Town Manager, Travis Gould. They're always ready to help the best they can.

**A walking path** has been established around the athletic field in 2015, this year we intend to alleviate the water problem on the field, repair and straighten the fence. **Thanks** to the volunteers for their dedication in clearing brush and debris from the walking path. **Huge thanks** go out to Terry and Jason Grant for donating equipment, time and material, without this the walking path may not have been possible. This is typical of Terry and Jason in dealing with the Town of Corinth. The path is 1/3 mile long; everyone should come and try it out.

**Thanks to the Fire Department Brush Truck Committee and our Fire Chief** for their commitment to finding the right truck for the job. After looking at over 100 trucks, they decided on one that was a made to order truck, just what was needed for our fire department. The truck was purchased with proceeds from the sale of the Hummer, the Rescue Van along with money from the Firemen's Association.

**The Covered Bridge project** has come and gone but Bob Coleman remains at the Bridge, continually blotting out the graffiti that seems to reappear whenever you turn your back. **Thank you** Bob for your commitment to keeping our Covered Bridge (**a historic registered land mark**) looking great.

**Thanks** to the persons responsible for the two signs over the entrances of the bridge. They are period correct and look great!

**The Town Wide Yard Sale** was a great hit in 2015 and we hope it will be again in 2016. Advertising for the yard sale generates a lot of traffic, what better time to set up your yard sale. Don't forget to register your yard sale with the Town Office; they will have a map showing the location of your yard sale as well as others. These maps are free to the public upon request. Have fun and good luck!

**Old Home Days** was another huge hit in 2015, for the young as well as the old. Fun, games and food were had by all. The Dirt Digger Race was a great, fun filled time. Join in the fun even if you come just to watch and or sample the food. Help us make this another huge success.

**Thank you** Buzz Caverly for starting the **Road Side Cleanup Project**, which has now spread through the whole Town. The volunteer group picks up hundreds of pounds of waste each year. It surely makes a difference when driving through Town or just looking out the window of your home.

**We give thanks to all the valuable volunteers.** Lack of space prohibits us from listing all the names, but you are all **appreciated** for your countless hours of dedicated work.

**Wait!** Don't toss out that **Town of Corinth Newsletter** without first reading it, there's a lot of information about upcoming Town affairs. A great way to stay well informed.

Respectfully,

Board of Selectpersons

**David A. Dunfee, chair, R. Stanley Bean, Gareth W. Blackwell Jr., Charlene E. Chesley, Terri Jane Casavant**

To the Officers and Citizens of Corinth,

Hopefully by the time you read this the weather will be warmer and we'll all have a renewed spring in our step. It is time to once again submit the Annual Town Report on the past year's work and what may be in the Town's future.

I would like to take this opportunity to thank the Select Board, Office Staff, Code Enforcement Officer, Fire Chief and the citizens of Corinth, for all of their hard work and support.

The Town's financial condition remains good with no outstanding debts and a fairly substantial cash balance. In 2015 we did not have to borrow money to operate.

The Select Board and the Budget Committee have had a chance to review the proposed 2016 budget and make careful examination and recommendations. I believe that they have tried to present a budget adequate to operate each department efficiently, and at the same time being mindful of the current economy .

I would like to say thank you to some volunteers for multiple accomplishments this past year. Like preparing and putting up all the Christmas wreaths in Town - done by members of the Fire Department and Charlene & George Chesley and Stan & Linda Bean. The Christmas tree looked great this year thanks to Charlene & George Chesley, Jeff & J.R. Dow, Scott Bragdon, Stan & Linda Bean, Dick & Debbie Dunham and Stewart Brooks. Also Charlene & George Chesley for adding bark mulch to the playground at the park to keep our kids safe. Linda Parent, Marcia Lancaster, and Charlene & George Chesley, for donating precious time and cutting brush and small trees around our walking path at the park. Terry and Jason Grant for donating time, equipment and material for the walking path around the park. People are using the walking path much more than I anticipated. Bob & Norma Coleman and Dianne Martin for taking such great care of the Covered Bridge, like planting flowers and putting up Christmas wreaths on the bridge, keeping the trash picked up, trees trimmed, weed whacking, and staining all the guard rails on the approaches to the bridge. Benches were made and set at the Covered Bridge by Norman Patterson, Bob Coleman, Elwell Hicks, Kendall Bean and George Chesley. Thanks to Richard and Linda Laliberte for keeping a sharp eye and keeping things in order at the Covered Bridge as well. **Thank you** for all you have done to make this Town a better place to live in. I would also like to thank everyone who participated in the the 2015 Annual Road-side Clean-up Project. It really makes the Town look great.

The Town of Corinth lost a great man when Donnie Strout passed. It would be very hard to list all of his accomplishments, but we know he did many wonderful things for this town and we are still reaping the benefits of how he managed here. I could not have come in after a better Manager. He is missed by all.

I hope everyone is enjoying our quarterly newsletter that we started last year. If anyone has any great ideas for information to put in the newsletter, be sure and let us know.

When you see our new employees please help me welcome them to our great Town. They are Sara Torbett as Deputy Clerk, Carl Dow as Code Enforcement Officer and Noel Sirabella as Animal Control Officer. Make sure and ask Noel about the predicaments he gets into. He had a crazy incident with a Bobcat on Morison Avenue.

I am now the Licensed Plumbing Inspector for the Town, so if you need a permit just stop in the office during regular hours.

Stop in and check out the Fire Department's "new to us" brush Truck. It's a 2002 F-450 4x4 with a V-10 gas engine all set up to fight brush fires. Big thanks to Mark Roy, Tim Moore, and Jeff Dow Sr. - our Brush Truck Committee, and Fire Chief Scott Bragdon for picking out a great truck for us.

The town printed 450 Annual Town Report books last year and made them available at the Town Office. By doing that, it saved the Town \$2,851.91, and I never heard a complaint. We are hoping to save even more this year as well.

2015 was a huge year for roadwork in the Town starting with the center of Corinth right at the blinking light. The State redesigned the intersection to give tractor-trailers more room to make the turn by the bank and to free up traffic movement. The intersection came out much better than I had envisioned. The state paved the Exeter Road all the way to the Exeter Town Office - which was very badly needed. The Town paved an overlay on the one-mile section of the Ledge Hill Road from the Beans Mill Road south. We reclaimed, added recycled asphalt, and paved 2 inches of binder on a mile and a quarter of the south end of the Ledge Hill Road; a three quarters of a mile stretch in the middle of the Black Road and a half mile section on the east end of the White Schoolhouse Road.

We are also doing a better job cutting roadside brush; the Fire Chief has said they do not have to go out as much when the wind blows to take care of downed trees and branches.

The Select Board and the Budget Committee have put a couple of new Articles in this year. Both Articles are to start saving money towards reserve accounts for a newer Town pickup and a newer fire truck that we know we will need in the future. They feel that it is better to save up for them than to have to borrow the money and pay interest.

Please come to Town Meeting, remember it is your Annual Meeting where you decide the outcome of the 2016 annual budget.

Thank you again for your continued support,

Travis Gould  
Town Manager

Certified Copies of vital statistic records may be obtained at the town office for a fee of \$15.00 for the first copy and \$6.00 for each additional copy purchased at the same time. Vital records can ONLY be issued to certain people, THIS IS A LAW. Proper identification and a written form is required to obtain any vital records.

Dogs six months old and over are required by State Law to be registered annually. New dogs older than 6 months must be registered within 10 days of ownership. Fees are \$6.00 per dog if they are spayed or neutered and \$11.00 of unaltered. Kennel licenses are \$42.00 for every 10 dogs. Dogs licensed after January 31<sup>st</sup> will be charged a \$25.00 late fee per dog.

## Animal Control Officer

I am Noel Sirabella, your Animal Control Officer (ACO) since July 2015. I live in Exeter ME. I can be contacted at home 207-379-2776, cell 207-478-4220, or the Sheriff's Dispatch 207-945-4636.

Below is a synopsis of Animal Trespass, *IAW Maine Animal Welfare Laws and Regulations*; section 7 4041: Animal Trespass briefly states....

**1-A. Trespass.** An owner or keeper of an animal cannot allow that animal to enter onto or remain on another's property or roadway after being informed by an authorized agent such as an ACO.

**2. Removal.** You can be financially responsible for removal of the animal. The ACO can remove and control the animal if you fail to do so or the animal is a danger to itself or others

**3. Civil violation.** A person commits a civil violation if an animal owned or kept by that person is found trespassing and:

- a. That person fails to remove the animal within 12 hours or immediately if public safety or private or public property is threatened after having been notified by an authorized agent or the animal is trespassing on 5 or more times in 30 days or 3 times in 7 days.

**4. Fines. A person who violates this section is committing a civil violation and is subject to the following fines**

- a) 1st Adjudication -No less than \$50 nor more than \$500,
- b) 2nd Adjudication - a fine of \$1,000,
- c) 3<sup>rd</sup> Adjudication - a fine of \$2,500

In addition to the fine and court costs of not less than 20% of the fine you can also be ordered to pay restitution for damage done by the animal and the animal may be forfeited.

This is just an over view and by no means the complete law.

Remember that you must license your dog if it is over 6 months old and/or you have had the dog for more than 10 days. The reason for dog licensing is not to raise money for the town, since the town only gets \$1 of the fee; it is to insure the dog is current on its rabies shot. The fee is \$6 for neutered dogs or \$11 for non-neutered dogs.

If you have not licensed your dog by January 31 you must pay a \$25 late fee. You are also committing a civil violation and may be cited for which a fine of not more than \$100 plus court costs may be adjudged.

# Atkins Memorial Library

Atkins Memorial Library is open 12:30-6:00 pm on Thursday.

We have around 50 families that are currently using the library.

We still have the pass for the Children's Museum and have had quite a few users.

We have just purchased a new printer/ copier so we can do copies for 10 cents each.

Days we are closed in 2016:

Saturday July 2  
Saturday Sep 3  
Wednesday November 23  
Saturday December 25

It's been one of those years when people in the solid waste world have had information coming at them as fast (or faster) than they can process it. Penobscot Energy Recovery Corporation (PERC) and Fiberright have been explaining in great detail that they are both better equipped to handle the solid waste for the 187 member towns of the Municipal Review Committee (MRC). The MRC has a website, [mrcmaine.org](http://mrcmaine.org), and under the banner "post 2018" they give a pretty good summary of their side of the story. The PERC side is harder to find but if you search "PERC" at the Bangor Daily News website, it does a fair job of giving both sides of the story. It's an issue that will determine the cost of waste disposal for decades and has no clear answer. If you haven't made up your mind on the issue, visit the web sites and if you have made up your mind.....well don't bother, you've already made up your mind.

No matter what the outcome of the waste disposal debate is, it is clear that one of the things that we can no longer ignore is the cost of not recycling. First of all, the legislature has had numerous bills submitted to establish a recycling goal that has penalties for not meeting an established rate of recycling. Eventually one of these bills is going to pass. We are trying to get ahead of this by establishing a recycling committee to identify what barriers there are to people recycling. We are hoping if we get a diverse group on the recycling committee we can identify the problems and come up with a solution. We are looking for people who can help increase our recycling through educational programs, advertising type of promotions, public speaking, coming up with new ideas or just lending a hand. The recycling branch of CPSWF has its own email address: [cpswf2@gmail.com](mailto:cpswf2@gmail.com) and will be there to answer any questions that you have about helping out. Once you learn them, the rules are pretty simple and it is cheaper to dispose of your trash when you take out the recyclables. Someone once told me that the first step in problem solving is identifying the problem. We have identified the problem as not enough recycling and need your help in solving it. Recycling works out for everyone. If you are a recycler, the committee will make it easier to recycle. If you're a fiscal conservative your pocketbook won't suffer as much.

Hello residents of Corinth, as of June, 2016, Mike Polyot resigned from the position of CEO/LPI. I was selected as the new CEO. The only thing that has changed this year is the hours. The new hours are Wednesdays, from 4 p.m. until 6 p.m. If you have any questions or are unable to come in at these times you can send an email to [cdowceo@gmail.com](mailto:cdowceo@gmail.com).

A sketch of your property and a site visit may be required prior to a building permit being issued. Please allow ample time in your projects to accommodate for this.

Respectfully submitted,  
Carl Dow  
CEO

A plumbing permit is required for the following:

- a) The installation or replacement of all water distributing and drainage pipes, hot water storage tanks and hot water heaters.
- b) The installation of all new faucets, valves and plumbing fixtures

## Annual 2015 Corinth Planning Board Report

The Planning Board approved the amended plan to the Pomeroy Logging Subdivision (Map 06, lot 24) to cut off lot 12-1 from lot 12.

The Planning Board, also, approved the amended plan to the Wallace M. Linnell subdivision (2004), which divided lot 14 in half and added each half to lots 13 & 15.

The current members of the Corinth Planning Board are Chairman James Connolly, Vice-Chair James Berry, Secretary Cynthia Commeau, Bill Molloy, Joshua Campbell, and Carl Grant.

It is my privilege to present you with the 64<sup>th</sup> Annual Report of the Corinth Fire Department. Last year your Fire Department responded to 821 emergency calls. There were 16 extra alarm incidents in the Town of Corinth. The Fire Department was also fortunate enough to receive a Federal Assistance to Firefighters Grant in the amount of \$63,063.00 to purchase 25 sets of personal protective equipment which includes 25 pants, 25 coats, 25 helmets, 25 pair of boots, 25 nomex hoods and 25 pair of gloves. This grant will insure that we comply with federal guidelines and all of our gear will be newer than 10 years old and all members will have gear issued to them. We have purchased a used brush truck with funds from the sale of the Hummer and the Rescue Truck. The new brush truck is a 2002 Ford F450 with 300 gallons of water, a 350 G.P.M. pump and 12 gallons of foam. Several maintenance projects at the station were completed this year including: fixing interior water damage, a new side entrance for the public, renovated bathrooms, new plumbing in several areas and some new electrical work. Sadly, last year we lost 4 retired members who gave tirelessly to the Corinth Fire Department; Past Chief Norman Buswell, Past A/C Doug Poor, FF Donald Strout and FF Larry Pineo. This year we will recognize several Firefighters for their years of dedicated service including; FF Dwight Bragdon 50 years, FF Jeff Dow 45 years, Safety Chief Keith Craig 40 years and FF Peter Bragdon 40 years.

For the year 2015, 655 open burning permits were issued in the Town of Corinth; there were 311 allowable burning days in the Town of Corinth during this period. A burn permit is required for any out-of-doors burning; a burn permit is required by law even when there is snow on the ground. Fire Permits can be obtained at the Fire Station Monday thru Friday from 8 a.m. to 5 p.m., weekend permits need to be obtained on the Friday before the weekend. If you cannot get into the station call us at 285-3303 and we will deliver a permit to your site. Due to light snow fall so far this winter I would recommend doing your spring burning early as the Forest Service is predicting an early, dry spring. Permits are issued on Fire Class Days 1 & 2, permits are not issued on Fire Class Days 3, 4 and 5, daily fire weather can be obtained by calling the Fire Station or on the Maine Forest Service website, Corinth is in Fire Zone 3.

## 2015 Corinth Historical Society Report

A remarkable year of historically valuable donations was highlighted by volumes of documents, photos and diaries from the old Skinner farm donated by James Wagoner. We spent hours and hours of cataloging and archiving these items and have many more to go.

Among the points of interest this past year were changes to the second floor exhibit area as well as improvements to the storage area behind the stage that included urgently needed sturdy shelving units. We opened in June with the always rewarding Children's History Day and added Sundays to our hours of opening. We participated in the Town Wide Yard Sale, which proved to be a very successful fund raiser. As every year we were open for Old Home Days and the Alumni Banquet in July. A new genealogy night was also added in July and this will be offered again in 2016. Our final event for the season was the dedication of Lieutenant Joseph Bragdon's stone in the old Herrick Cemetery. It was a very moving ceremony held with all veterans in mind the Saturday prior to Veterans' Day in November.

In 2016, we hope to complete several projects that have needed attention for some time. Among them are building a privacy fence as a background for the Dow village in the back of the museum building, rebuilding and repairs to the handicap ramp and improvement to the first floor back room. We always welcome new members and volunteers and would love to have you join us. Members received a quarterly newsletter.

### Corinth Old Home Days

We want to start by saying "Thank you" to those who supported, advertised, donated, helped and participated in the Old Home Days celebration with us on July 11<sup>th</sup> and 12<sup>th</sup>. Without your support, our event would not be possible! With the continued community support we were able to have our 2<sup>nd</sup> annual advertising book and held our biggest event yet! Each year we have been able to increase the size of our event in thanks to our beloved community. The weather was perfect to watch the parade, join in the fun or sit back and enjoy the entertainment. The Pan Storm Steele Drum Band from Hermon and the North Eastern Winds Belly Dancers really helped to set the mood for our Luau theme, while Logan Rouse kept the crowd entertained with his magic skills. Our car show offered several categories and filled every open spot, overflowing around the lawn! The beautiful weather even held out for our Dirt Digger Race on Sunday, which offered mud for everyone! What a wonderful weekend we had!

Our upcoming 2016 Old Home Days event is shaping up to be a smaller, downsized event due to lack of volunteers. If you can lend a hand, have ideas or suggestions, or if you would like to make a donation, please contact us on Facebook or contact the Town Office. We will not be able to offer the advertising book this year, but hope to bring it back in the future.

Thank you for your continued support!  
Kristan Bryant

**Yearly Report  
Local Sealer of Weights & Measures  
Corinth - 2015**

This job has been done through the State of Maine Dept. of Agriculture [DOA] as an independent contractor and requires all Local Sealers to be appointed and sworn in at every town office every year.

Late in the year 2013 a bill was passed by the State Legislators, which had an attachment added to it, at the last minute, stating that Town's no longer have the authority to appoint people to State jobs.

On April 20<sup>th</sup> all Local Sealers across the state received registered letters from the office of State of Maine Assistant Attorney General, stating that we are no longer authorized to do any Weights and Measures work, and must stop immediately.

The [DOA] does not have enough full time employees to test all the fuel pumps and scales tested each year by local sealers, as well as doing the work of their normal year; and at last report, due to a State hiring freeze, cannot hire any new full time employees to do this work. So this means, diesel meters, gasoline pump meters, store scales and taxi cab meters having a low priority, will not be tested every year as in the past.

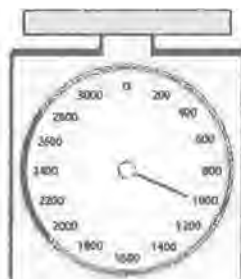

There is currently no law stating these have to be tested yearly; the [DOA] said they will try to get these tested every two years, but with only eight full-time sealers, this will likely be more than two years.

All pump owners will have to pay for this service every year.

Many Local Sealers have contacted area State Legislators to try and get this bill reversed, but as of today's date, as far as I know, little or nothing has been done by them.

If anyone has a concern that a scale or pump did not dispense the amount that you think it should have, you will now have to call the State Dept. of Agriculture Quality Assurance and Regulations at 287-7587, who will then send a person to check out the complaint.

## **Annual Report of the Corinth Municipal Building Committee**

The Municipal Building Committee meet twice in 2015 to review the condition of town owned buildings. The 2015 repairs made to municipal buildings were:

- Fire Station, mold has been removed and damage repaired, side door access has been repaired and two bathrooms have been upgraded. Further repairs are being carried over to 2016 due to lack of time resources to complete the remaining items.
- Corinth Products building was put up for sale.

The committee is evaluating these repairs/upgrades for 2016:

- Exterior of the Grange Hall/Museum building -
  - Bids will be obtained on repairing the building foundation.
  - Wheelchair ramp has sunk below grade of the door sill and needs to be jacked up
  - Back door sill and siding near the door are rotting and need to be replaced.
- Products Building – wall connecting alley way is showing cracks – this will be monitored
- Town Hall –
  - Front doors need to be re-hinged with stronger hinges and weather proofed
  - Wood rot is being investigated in the interior right front corner
  - Front stoop roof over-hang needs some rotting boards replaced
  - Front door-sill needs to be cleaned and oiled
- Fire Station – funds carried forward from 2015 to will be to complete the repairs at the station include replacing some windows, flooring, repair ceiling in pump room and adding gear lockers.

The remaining buildings which include, Town Office, Sand/Salt Shed, Playground buildings and restrooms, are all in good shape and did not require any repairs or upgrades in 2015 and none anticipated in 2016.

Buildings overseen by this committee are: Town Office, Town Hall, Historical Museum, Fire Station, Corinth Products building, town recreation playground maintenance building, playground restroom and Hearse House at Corinthian Cemetery.

Respectively submitted for the Municipal Building Committee:

Wendall Harvey, Chair, George Buswell, Vice-Chair, Sharon Buswell, Secretary, Jeff Dow Sr., Ronald Latourette Sr, Mark Roy, Norman Patterson, and Scott Wilson

Dear Residents of Corinth:

Wow, 2016 is starting off to be a very warm winter, we are hoping for more snow soon!

We have been extremely busy this past fall preparing the trails for the season, rebuilding the Grant Snowmobile Bridge, and re-routing the ITS 83 north trail. The re-routed trail by the new school will provide access to the Countryside and the northern trail system towards Dover-Foxcroft. Thank you to the School Board and the Superintendent for all their help making this possible.

Club meetings are held on the second and fourth Monday of every month during the winter season, at 7pm, at the Corinth Town Office. Everyone is encouraged to attend the meetings and become a club member! Memberships are \$25 per person, \$35 for a business, and we also have family memberships, which require you to be married and have children under the age of 18, and cost \$25 per family.

We would also like to thank the landowners for giving us a right of away on their property to keep these trails open; it is always our pleasure to maintain these trails, and as always many thanks for all you do for us! Without your permission and trust in us there would be no snowmobile club or trails.

## Recreation Committee

Corinth Recreation had another great year in 2015. We continue to have a large number of participants in both our spring and fall sports. We are fortunate to be supported by volunteer coaches each year who donate many hours working with the kids in their respective sports. This helps provide a fun experience while teaching both skills and love for the game. We appreciate all the time and hard work everyone put in last year volunteering their time.

Baseball and softball included approximately 115 kids playing tee ball, instructional baseball & softball, farm league, little league and 3<sup>rd</sup> & 4<sup>th</sup> and 5<sup>th</sup> & 6<sup>th</sup> grade softball teams. Volunteer coaches were Aaron Libby for tee ball, Brandon Daigle for instructional baseball, Jen Thomas for instructional softball, Phil Cadieux for farm league, JR Bryant for junior league, Bryan Preble for little league, Kati Deane Grant for 5/6 grade softball and Laci Daigle for 3/4 grade softball. The Corinth little league team coached by Bryan Preble won the little league championship over Dover. The Corinth 3/4 girls softball team coached by Laci Daigle won their championship over Etna/Dixmont. Great job by all teams and coaches.

Summer track was coached again by Mike Viani and had a large group of kids participate. The kids compete weekly in events and have had some very impressive showings in the local and state level competitions. Thanks to Coach Viani and his student track athletes for working with these young kids. The program keeps getting bigger and bigger each year and the kids enjoy working with Coach Viani and participating in the meets.

Soccer had more than 75 kids sign up for league play and instructional. Coaches for instructional were Kristen Holmes and Wanda St Peter. Coaches for the 2/3 grade league play teams were Jesse Studley and Phil Cadieux and the 4/5 grade teams were coached by Joseph Wright and Russell Broad. All the coaches along with many parents worked with the kids during the fall season and we were able to see major improvement throughout a relatively short soccer season. The league is a non-results oriented league and tries to promote kids developing a love of the sport along with having fun and improving their overall skills.

We would also like to thank Anne Kenneson for running the concession booth again in 2015 and maintaining the bathrooms each day. This was a huge help to the recreation department and it helped raise money to re-invest in our town park and team sports. We appreciate all your time and efforts working with the recreation department.

In 2015, we were able to put two new backboards on the one of the basketball courts, we began painting the dugouts and picnic table areas as well as continued maintenance of the fields throughout the summer. The rec department was also a big contributor to the new walking path around the outside of the park that was completed by B.L. Grant & Sons. The path is open to the public and has had many positive comments since it was finished last fall.

In 2016 we will be adding two more new backboards to the other basketball court, finishing the painting of the dugout and looking at fixing some of the fencing around the baseball field. We are also looking at possibly adding a smaller playground down by the softball/baseball fields for kids ages 2-5 for parents to be able to keep them closer during games as well as keep them safer from playing on the main playground with older kids. We are hoping to be able to have this added in the next year or two.

If you have any suggestions or concerns please let us know. If you want to be on the mailing list for rec committee activities please contact the town office. We utilize the Facebook page Corinth (Maine) Recreation to keep people update with current events. Thanks to all the coaches and volunteers for working with our kids and helping them become better athletes by teaching the skills required to succeed.

Respectfully submitted,

## Summer Recreation

The summer program went off without a hitch this year. We had extremely high attendance and many new faces this year! Our first day we had over 60 kids. We also had a pretty new staff, and volunteers who made the program go smoothly.

One new thing we were able to establish was a token system. This token system reinforced with positive behavior. When children were spotted helping others, picking up, or having a good attitude they were rewarded with a bracelet. At the end of the rec day they were able to cash bracelets in for a prize. The more bracelets the higher the prize.

Another thing we were able to start this year was a community car wash. The children and staff brainstormed ways we could help the community. At our car wash we were able to raise over 100 dollars! As a group we decided to save the money to put towards a small playground down by the rec fields. This would be helpful for the town during rec games, and for younger kids not playing on the field. This has been sent to the Recreation committee and is currently being researched and planned out.

This summer is shaping up to be a great one! We will continue to be community focused and working towards making the summer program the best yet! As always suggestions and ideas are welcome. As the summer recreation coordinator I look forward to the upcoming summer! Thanks for all the continued support and input.

Yours truly,  
Brittany Dorr  
Corinth Summer Recreation Coordinator

## CORINTH ROADSIDE CLEAN-UP

For over a decade Buzz Caverly, a retired Ranger and longtime Corinth citizen, has been dedicated to cleaning up the sides of the Corinth roads. His interest started on the McCard Road on which he lives. Each spring the folks who lived on that road gathered to pick up the trash and then he and his wife would treat them to a barbeque. A few years ago he came to the Board of Selectpersons and asked about making this effort town wide and to promote Corinth Pride by keeping all of our roads free of debris. The Board decided this was a good idea and after some organizational meetings it has been a success.

Each year there has been a good number of caring citizens who show up to get this job done. The Boy Scout and Girl Scout Troops have taken the time also to help us with this task. Some people pick the trash up and others come with their vehicles to transport it to the Transfer Station. Many hands make light work! Each year there is plenty to be picked up, but nothing like the first year! Those who could not make it on the designated date and wanted to help did their assigned road at their convenience.

Last April, 60 to 75 people gathered to hit the roads in Corinth and get them cleaned up again. This is picking up only litter that is on the sides of the roads and not any individual's trash. After the work is completed, we all gather and are served hotdogs and hamburgers cooked by our Fire Department. Also desserts for our lunch are made by ladies in the community who are doing their part as well.

I am sure you have seen the signs that are posted on many of our roads. These signs were purchased by individuals, businesses and the Town. Let's try hard to keep our roads looking nice all of the time.

This year we will be cleaning up the Roadsides on **Saturday, April 23, 2016**. You are encouraged to come and volunteer your time in our Roadside Clean-up! We need more volunteers. An organizational meeting will be held just prior to the work day. Any questions please call the Town Office.

Thanks to Buzz Caverly, Project Coordinator, for getting this project in motion!  
Thanks to all who were involved in our Roadside Clean-Up project!
