RUBY SELLS GREETING CARDS, PLANS WELCOME-BACK DANCE

The Ruby is selling Christmas cards bearing a picture of Pfahler Hall of Science to help finance the 1950 publication.

The cards contain the writing, "Greetings from Ursinus College" inside, and are being sold for \$.10 apiece.

A welcome-back dance is on the Ruby schedule for Tuesday night, January 3, from 7:30 to 10:30 p.m. The famed Ruby orchestra will appear once more by popular demand, and refreshments will be sold. Admission is \$.35 stag and \$.50 per couple.

All juniors and seniors expecting to go to the studio for retakes of individual pictures must do so before Christmas, December 25. The studio is located at 1360 Walnut Street in Philadelphia.

SENIOR STARLIGHT SPLENDOR

Mary Morgan '51 and date enter the Sunnybrook frolic through the high lighted star, feature of the evening.

Yuletide Setting Pervades Starlight Ball

Orchids being decidedly in the forefront these days, let's award a few to the Seniors, for their Starlight Ball was all they had promised. Last minute troubles with hairdos and bow ties were completely forgotten when couples finally arrived at the entrance to Sunnybrook.

From the first moment of stepping through the archway of the huge glittering blue star onto Sun-

nybrook's famed dance floor, the previous hectic search for tux and mitts matching new gowns were worthwhile. The pine boughs wreathing the pillars on the edge of the floor and sparkling with Christmas lights gave the ballroom a festive air which was enhanced by the gay "Holiday Greetings" and other decorations giving an attractive background for George Sommer's musical team.

Annual Publication to Include Ursinus Seniors

A board consisting of Dean Camilla Stahr, Dean Seiber Pancoast and the two student council presidents has formulated the list of twelve seniors who have qualified for the honor of being listed in this year's "Who's Who Among Students in American Universities and Colleges."

Those chosen are Anne Hughes, Elizabeth Leeming, Nancy Mattson, Winifred Pattison, Barbara Shumaker, Raymond Dippel, Robert Gehman, Norman Harberger, Ronald Landes, Raymond MacQueen, George Saurman and Keith Taylor.

The national board of "Who's Who" allocates to each university and college a certain number, depending upon enrollment; with a leeway of two names more or less, the schools submit names to the publication. Ursinus' quota of eleven was surpassed by one name. Students are chosen on the basis of such qualities as leadership, scholarship, participation in extra-curricular activities and character.

Music Group Plans Christmas Greetings January 5 Concert

Thursday night, January 5, Mr. Armand Basile, pianist, and Miss Estelle Harrop, soprano, will appear in a combined concert in Bomberger Chapel at 8 p.m.

Miss Harrop, winner of the Voice of Tomorrow Contest in 1945, entered the Curtis Institute of Music where she received her diploma in 1948. She has appeared in concert, oratorio and radio along the eastern seaboard and last February made her debut in opera. At that time she sang the role of Countess Almaviva in Mozart's Marriage of Figaro which was performed by the American Opera Company in the Academy of Music. She is now a leading soprano at the Washington Memorial Chapel, Valley Forge.

To the students:

The year 1949 has been a good year for the students of Ursinus College and for the College as a whole. I believe that you have done your best to make it so. Your work, your conduct, your fine spirit deserve commendation. I believe that all connected with the College have worked together with unselfishness and good will and with a real understanding of the work that we should do. I thank you all for what you have done to make this year a good year.

I earnestly hope that you and your families will have a very happy Christmas, and that 1950 will be for all of you a better year than any year in the past.

Sincerely yours,

N. E. McClure, President

Men's Council Clarifies Stand on Frosh Customs

In last week's letter to the Weekly, there appeared a letter written by Bert Husband in which several points were raised contesting the recent action taken by the

council in abolishing the Sophomore Rules Committee. In order to clarify those points that were not made clear in the article, and to present the true motivating force behind this action, the Council feels it necessary to present its side of the story.

Council's Administration

The overall conclusion that Mr. Husband draws is that customs will become defunct when the Student Council administers them next year. The reason for this, the article further states, is the removal of the powers of the Soph Rules Committee. Not even the most enthusiastic participant in this or any preceding Soph Rules Committee can justify this claim since it has not been the success or failure of this Committee that has perpetuated customs, but the fact that customs have always been a tradition here at Ursinus and have filled a need for each succeeding Freshman class. In the same sense it cannot be denied that customs, as we know them, have degenerated from their original purpose until they no longer retain any semblance of their original utility. Not too many years ago, the entire Freshman class participated in customs and benefited from this tradition which aided in rapidly adjusting them to their new college environment. This tradition has been impeded in recent years, however, by the fact that only a small minority of Freshmen have been chosen to bear the burden of menial tasks, midnight rides, wild automobile chases and the like, for the entire Freshman class.

Frosh Misled

This has resulted in little, if any, value to the freshman class as a group and has served to instill within the minds of the unfortun-

Deck the halls they have indeed, and that grand old Christmas spirit is fairly oozing from each crack and cranny of every dorm and building on campus as the last week of classes begins before the holiday.

Highlighting the week's activities will be the annual Christmas banquet and dance on Wednesday evening. Feverish preparations have been made in advance for the decoration of the tables, and, it is at the banquet that the girls of each class will have an opportunity to display their cleverness and originality in the art of table-dressing. Women are asked to report to the dining room at 5:45 p.m. in full festive regalia for the big formal dinner of the year. The judging of table decorations will be held after the first course when the committee of preceptresses will inspect the tables and cast the deciding votes. The winning class will be announced at the close of the meal, and a prize will be awarded the winner.

Dancing and Santa

After an exchange of greetings between presidents of the WSGA and the MSGA, the banquet will be adjourned to the Thompson-Gay gymnasium for dancing until 11 p.m. Special entertainment will be provided at the dance for foot-

ATTENTION

All student organizations are required to send a representative to the student activities meeting on Monday, January 9, at 7 p.m. in S-12.

Each organization must present at this time a complete schedule of its activities, previously approved by the advisor, to the committee for approval or disapproval. No further permissions for events will be granted after this meeting.

All social events and organizational activities will be placed on the permanent Social Calendar for the second semester at this time. The calendar will be distributed at the beginning of the second semester.

ANNUAL ORATORIO PRESENTATION

Popular visitor, bass Earle Styres appearing in traditional "Messiah" performance with entire assemblage.

"Messiah" Ensemble Wins New Acclaim

From the tenor's first note of the opening recitative to the final Hallelujah of the concluding chorus, the Messiah on Thursday evening was a success. Within two hours and fifteen minutes George Frederick Handel's oratorio was completed, culminating weeks of preparation initiated in mid-October by the conductor, Doctor William F. Philip. The combined chorus of voices of all calibers included one of the best bass sections in many a year

at Ursinus. There have been many masterful Messiah performances in the past. This year two new soloists to appear before an Ursinus audience, alto Laura Grauer and tenor Arthur Bailey, were on the superb par with the previously acclaimed soprano, Martha Wilson, and the favorite bass, Earl Styres.

The orchestra members, both students and professionals, are to be commended for their able accompaniment.

THE MAILBOX

To the Editor:
We realize that the editorial in the Weekly of December 5, 1949, expresses the general opinion of the student body toward the distribution of tickets for the Messiah production. We would like to explain the problems confronting us as the Ticket Committee.

As with all productions at the college, the faculty and administration receive first opportunity to obtain tickets. This year they were limited so that more tickets would be available to the students. Also we feel that it is only fair to provide tickets to those students in the Messiah chorus for their parents since, by being in the chorus, the student relinquishes his right to the complimentary ticket to which all other students are entitled.

After those tickets were distributed, the Senior Class could obtain its tickets, the Junior Class following, and so on. We would like to point out that good seats were not necessarily those that were paid for, and that one complete section in the center portion downstairs was reserved for students. We have done our best to grant seats without showing partiality.

Sincerely,
The Ticket Committee

ate few, the idea of getting even next year as a Soph Ruler. Under this system, little, if anything, can be accomplished to promote those desirable functions that customs can serve.

The Council sincerely feels that in making the step it has made, that it will be retaining those features of customs that are worthwhile, and those that create unforeseen but chronic mishaps, such as the injury to an innocent preceptress, the near-riot panic of the girls at the Freshman banquet this year, and the reckless and wasteful smashing of cars, will be averted.

For those specific questions raised by Mr. Husband in his article which require an answer, the following are respectfully submitted:
The Council is not, as Mr. Hus-

band states, a group of men elected individually on the basis of judicial qualities for the purpose of sitting in as a jury on disciplinary cases. It is rather a representative body of the male students consisting of members elected from each class, whose duty it is to deal with those affairs that arise having to do with the male portion of the student body.

Furthermore, the Council does not feel that it is overestimating its ability and scope in undertaking to administer customs or obviously it would not have done so. It is with this in mind that the Council has taken steps to incorporate into next year's Freshman handbook, those rules having to do with customs which the incoming Freshman class will be expected to fulfill. This handbook, together with the guidance of the Council member assigned to the Freshman class, should bring about an organized and uniform set of customs for all. This we feel is an improvement over the former method which apparently justified most of the actions of the Soph Rules Committee as being sanctioned by the Student Council. Since the Council will enforce directly what it sanctions, there can be no grounds for misrepresentation of just what is, and what is not, approved by the Student Council.

The point Mr. Husband raises that some members of the Council have not taken customs is true enough as far as it goes. What the author has failed to take into consideration, however, is the fact that many of the members on the Council have taken customs and together with those members that have not taken them, have put their stamp of approval on this recent reform as a means of bettering customs. Since there are representatives on the Council from each class and since their opinions are necessarily motivated by different factors, we feel that the most democratic resultant has been obtained when the members signify their approval of taking over the responsibility of administering customs.

It is disheartening to note that the author feels that there is no ability required in the formation of new rules, but instead feels that "checking up" on them is the true criterion of ability. It is hard to conceive of any community, college or otherwise, existing under a system in which definite rules were not established for the betterment of its citizens. The "Police Force" idea proposed or which would evolve from Mr. Husband's proposal, is hardly satisfactory to those cases of rules infractions that do occur. As applied to this case, the Council has taken an unprecedented step in correcting a situation that has been a constant source of trouble to the faculty and the council.

It has not been a policy of this or any other Student Council to back up every move of the Soph Rules Committee. The actions of the committee have always been subject to the approval of the Council, but in recent years there has been no means of determining the complete extent of the actions of the committee since the committee has done so much on its own initiative. There is nothing reprehensible or illegal about a "break" since it has always been a distinct possibility as a Freshman weapon, to free themselves from customs. It has always been the duty of the Soph Rules Committee to prevent such occurrences on its own, without the aid of the Student Council. When this year's re-

bellious freshmen "broke," they were informed that it was against the rules for them to do so. This was not the case and never has been; it indicates an inadequacy on the part of the Soph Rules Committee since it was unable to cope with the situation when it arose.

Finally, Mr. Husband is correct when he states that customs are for Freshman only. However, a closer examination of the rules will reveal that Sophomores, too, are underclassmen, and even though

they are not expected to take customs, they are restricted from sitting on Freeland steps by a definite rule.

There are many other points in Mr. Husband's article which could be commented on, but which are not pertinent to this particular issue. In view of what has happened recently, there is certainly a need for some reform in customs and the council feels that it has accomplished this purpose in the best possible manner under the new system. Customs will remain

virtually unchanged save for those features which have caused trouble. Dinks, buttons, lining the athletic fields and so forth will still be an integral part of customs. The council does not anticipate any trouble in administering customs and it fully realizes its responsibility to the students in undertaking this assignment. In the event that no improvement results, the students are free to exercise their natural rights by removing this power from the Council.

Bear Quintet Loses 73-54 To Strong Moravian Five

by Roy Foster '51

A fellow named Werpehoski and his mates from Moravian displayed the speed of their mascot, the greyhound, in humbling Ursinus last Wednesday night 73-54. The indefatigable junior from Bethlehem donated 27 points to his team's cause, throwing them in with either hand from anywhere within range of the basket. He maintained a shooting average of .386 from the floor, pouring in 10 of his 26 shots. From the foul circle he sank 7 out of 8.

The fast-breaking, straight-shooting charges of Coach Harvey Gillespie quickly took command of the game. The Bears led 1-0 on a free toss by Phil Seibel, and again 3-2, but that was the extent of their dominance. Moravian forged ahead leading at the end of the first quarter by 10 points, and at the half 35-21.

The visiting Greyhounds did not exactly coast through the second half but they were never threatened, as the lead they had built up was too much to overcome. The game was fairly rough, Ursinus recording 20 personal fouls to Moravian's 23. The losers put in 16 of their 31 fouls shots for an average of .516. The victors' average was slightly better.

Forsyth High for Ursinus

Captain Bill Forsyth was the leading scorer in the losing cause, netting 6 of his 21 shots and 4 free throws for a total of 16 points. Dave Reice was next with 10, then Malcolm Condie with 9. Both sank half their shots, which is a good percentage in any league. Ira Bronson, who with Dave Reice fouled out in the final period, had 6, Seibel and Ed Klein each 4, Will Wimberg 3, and Bobby Gehman 2. Second to the high scoring Mr. Werpehoski for Moravian was Loncar with 15 points. Moravian's shooting average was a respectable .349 compared to Ursinus' .260.

Players To Receive Fall Sport Awards

In a special release to the Weekly, Mr. Everett M. Bailey, Director of Athletics, announced the names of the fall sports players who earned their varsity letters for the 1949 season.

Fifteen soccermen and twenty-five gridders qualified for the coveted award, while the senior manager of each sport was rewarded for his long and faithful service. Since only four booters and five Wienekemen on the list are seniors, there should be no shortage of experienced talent answering the call to action next year.

All letter winners should contact Mr. Bailey to receive their awards. According to regulations, athletes are not eligible for varsity sweaters until their sophomore year. However, freshmen are entitled to letters.

Those who received the big "U" are:

Cubs Score Victory In Greyhound Game With 44-36 Margin

Don Young and Chuck Klaus led the junior varsity basketball team to a 44-36 victory over Moravian last Wednesday night at Bethlehem's Liberty High gym. It was win number two for the undefeated Cubs.

Moravian quickly took the lead as Warker threw in four field goals. But Ursinus fought uphill to tie the count and then the two squads played on even terms for the rest of the half. Both defenses were tight and points scarce, so the score stood 19-17 at the midway point with Ursinus on the long end.

Second Half a Different Story

It was still close through most of the third period until Ursinus switched into a pressing defense that baffled Moravian. The Cubs cashed in with a flurry of quick baskets that broke Moravian's back. Though Moravian rallied in the final five minutes, the winners were never really in danger again and the game ended 44-36. Charlie Klaus was high scorer with four goals and three fouls for eleven points. Don Young, proving he can handle a basketball as well as a football, poured in nine, one more than Stan Swenk. Bob Swett and George Wilson controlled the boards for most of the game, netting five and four points respectively.

WRESTLING BRIEFS

The Eastern Intercollegiate Wrestling Association, headed by Mr. Ebb Caraway, will hold its fourth annual wrestling clinic at Cheltenham High School this Saturday morning at 9:45.

Some of wrestling's great figures will be present to demonstrate the highlights of fundamental takedowns, escapes, and pinning combinations.

After the coaches have interpreted the 1950 rules, there will be two feature dual meets. The first will be between Penn's Jayvees and those of West Chester. The other will find Penn's varsity matched against that of Gettysburg.

Court Coeds Report For Daily Practice; Experience Lacking

Under the excellent tutelage of Miss Eleanor Snell and Mrs. Natalie Whiting, the girls' basketball team has been practicing since the first of December in anticipation of another good season. Captain Mary Evans and Marguerite Spencer, the only two members of last year's squad to return thus far, will be joined later in the season by Joanne Duncan and Anita Frick, former varsity forwards. Dunc is leaving soon to play hockey in England and Anita is preoccupied with wedding plans.

Despite this lack of varsity experience there are many capable players among the party candidates that have reported to practice. Margaret Hooper, Betty Keyser, Marion Kurtz, Marjorie Justice, Margery Johnston, and Shirley MacKinnon are members of last year's junior varsity vying for positions.

In addition to these junior varsity players, there are many newcomers who show great promise. Nancy Vadner, who had gained some experience in her freshman year, has returned from the University of Utah.

This year the Belles are playing a ten-game schedule which includes two night games. A full junior varsity schedule is planned, in addition to several third and fourth team games.

Ursinus Rallies Too Late; Engineers Triumph 49-42

by Don Stauffer '51

The Ursinus basketball team played their second home game of the infant season Saturday evening, only to be turned back by a hustling Lehigh University five, 49-42.

The contest featured some fine passing and shooting, mingled with some loose and rough play that saw both teams drawing numerous fouls. Captain Bill Forsyth was the game's outstanding scorer, getting five twin-pointers and converting six foul shots for a total of 16 points.

Jayvees Win Third; Down Lehigh 48-46 In Thrilling Battle

Undefeated in two previous starts, the jayvee basketball squad squeaked by a tough Lehigh outfit to the tune of 48-46 in a preamble to the varsity contest on Saturday evening. Don Young glittered in the Bear offense and defense as the team showed great cooperation and competitive spirit.

Ursinus' forward Jim Develin opened the scoring race with a foul shot in the first minute of play. Henry Slaff, mainstay of the losers, looped one in for a 2-1 count. After Paul Jones' sidearm shot put the Cubs ahead 12 to 7, the score was evened four times—at 13-13, 23-23, 41-41, and 42-42. Andy Carter consistently broke up Engineer scoring plays in the first half, and was just as consistent at the foul-line. Rebound assignments were taken care of by Bob Swett, Ursinus football monster, who was fouled thrice in his first four minutes of play by offensive screens. Chuck Klaus and Jim Wilson converted foul shots to put the home team ahead 31 to 25 at half-time.

With Swett and Klaus doing most of the heavy work, the Bears maintained a slight advantage for most of the second half in spite of the constant scoring sprees of the visitors. Young's constant drive-ins and final conversion of a foul shot were major factors in the Ursinus victory.

Lehigh began with a side shot by Frymoyer, and a one-hander by Lange. Then the Bruins began to work the weave effectively and forged ahead 9-8. The Engineers two aces, Gratton and Lange, went to work in earnest at this point, and Lehigh went out in front 19-15 midway through the first half. The Bears drew even on a jump shot by Seibel and a long set shot by Ira Bronson. With two minutes until halftime Forsyth tallied on a rapid lay-up, to shorten Lehigh's lead to 25-20. Lange quickly countered for the visitors, and at half-time Lehigh led 27-20.

The Bethlehem five started the second half with a rush, as they built up a commanding 39-27 lead. With Lange and Gratton hitting the cords repeatedly, Lehigh continued to pull away 41-27. Here the Bears caught fire. Seibel sank a set shot, Bronson scored a lay-up and Condie added another long shot to close the gap at 42-33. After Drack scored for Lehigh, Forsyth added a field goal and a foul to make it 45-38. With only two minutes remaining Bronson and Forsyth registered to bring Ursinus up 45-42. Ververloh tapped in the final two points for the Engineers.

Forsyth and hardworking Ira Bronson were offensive leaders for the Bears, getting 26 of the Ursinus 42 points. For Lehigh Gratton and Lange were the consistent scorers, with 11 and 10 points respectively. The fact that the Bears only converted eight out of twenty-two foul tries did not help the home cause.

SOME DATES WON'T WAIT!

Neither will that
First Class
after vacation!

So better travel Home and back on DEPENDABLE RAIL SCHEDULES!

More Fun, Too, traveling with the gang. Lots of room to roam about and visit. Mouth-watering meals in the diner. Yes, it's part of vacation to go by train!

From School:

SAVE 28% on new Group Tickets, good on most coach trains east of Chicago or St. Louis, and north of the Potomac and Ohio Rivers, and west of New York City. Parties of 25 or more leaving school together for same destination may participate in this arrangement. So gather your group now. If not all go to same final destination, pick farthest point to which you can travel together... and get Group Tickets that far. Then get individual round-trips beyond. Return trip may be made individually in time for reopening of school. Ask ticket agent or nearest railroad passenger representative to help organize a group. Each member saves 28% of round-trip fare on Group Tickets.

From Home:

COLLEGE SPECIAL tickets are available at your home town ticket office anywhere in the U. S. On coach or Pullman, they give you all the cash saving and stop-over privileges of a regular round-trip ticket with longer return limits. Get a College Special back to school after Christmas... it will still take you home for Spring or Summer vacation!

Christmas Festivities

(Continued from Page 1)

sore and waltz-weary dancers, and it is rumored that Santa Claus or a reasonable facsimile thereof might appear for a sneak preview just so that all the kiddies won't be disappointed.

The all night dorm parties will begin as soon as the curfew has rung and the girls have all returned from the dance. It will be a long night filled with gift exchanges, endless bridge games, argyles that will show much progress come dawn, a perpetual diminishing of the food supply, much scrambling to glimpse the varied and assorted groups of carolers, and very little sleep in most dorms. And at six o'clock the more hardy of the yuletide celebrants will sally forth to serenade the men's dorms in just retribution.

If this all sounds like a woman's world, it's quite misleading, for the men of Ursinus will be having their own celebrations, if not dorm parties. They will be busy indeed spreading the Christmas cheer from one women's dorm to another as their voices blend in and out of harmony to the old loved Christmas carols. Some groups have been practicing for quite some time and the result should be most professional.

Of the Thursday morning following there is little that can be said. There are not many who would be awake to hear it said, either, so it really doesn't matter much. However on Thursday evening at 7 p.m. the Y and Brotherhood of St. Paul will sponsor the traditional Candlelight Communion Service, to conclude the campus Christmas celebration on the proper reverent note. Mr. Alfred Creager, college chaplain, will officiate.
