## Yearbook To Stage "Horror, Inc." Night In Week Campaign

### Sleep, Peace of Mind To Vanish In Wake of Thrills 'n Chills

It's the eve of Friday, February 24. "Horror, Inc." is the password—also the death warrant at the big madhouse, "Horror, Inc." From eight to ten the Ruby "doth murder sleep," and all peaceful thoughts of Ursinus students, who will have their chance to prove their worth, valor, strong hearts and courage to survive till the terrifying end, will succumb.

For the evening the T-G gym becomes a hall of horrors, and for a mere 25 cents (for the Ruby), you can prove to yourself the advantages of being a mouse! (Twenty-five cents fine if you can't take it and are forced to flee from flying missiles before the free food is served!)

### Come and Scream!

Something new has been added—definitely. Don't miss it! (Bats are harmless, you say?) Just hike down the long trail at eight, bringing your own convoy. (If necessary, there'll probably be some one there to pick up the pieces and carry what's left of you back to the dorm.) Wear your oldest clothes and come en masse. Dates aren't important or necessary for this evening. (No man likes his ear drums punctured by shrill feminine shrieks and screams!)

Think how horrifying it would be if there were no Ruby! Again it's a mere 25 cents for which you can help this noble cause whose leaders have nightmared up a night that will be the first of its kind for Ursinus, maybe even the last of Ursinus!

The horror show will serve as a climax to a week-long subscription drive, when super-salesman dorm representatives, in lieu of a ready market, will "persuade" luckless students to sign on the dotted line.

## Thespians To Enter "Junior Miss" Trials For May Production

Mr. Donald Helfferich announced last Tuesday, at a mass meeting of Curtain Club members, that this year's spring play will be **Junior Miss**, Jerome Chodorov's and Joseph A. Field's popular adaptation of the sketches written by Mrs. Sally Benson for **The New Yorker**.

This play is completely a comedy and is full of hilarious situations. It has a long cast in which no one part demands much previous acting experience. Tryouts will be held in Superhouse this week and next week on Tuesday, Wednesday and Thursday evenings from 6:45 to 7:45 p.m. Anyone who is interested in any role is urged to come to the Helfferichs' home on one of those nights.

The production will be given three consecutive nights in the Thompson-Gay gymnasium, ending on Saturday, May 13, the date of Ursinus' May Day.

## March 14 To Close '50 Pageant Contest

March 14! Mark it on your calendar—the deadline for the submission of May Day pageants.

The time to start developing sparks of inspiration that have been darting about occasionally is here.

The pageants usually consist of pantomime and dancing with appropriate musical setting. Ideas can be developed in other equally effective ways with careful planning. Further information can be obtained from Miss Maribelle Waldo, producer of the pageant.

May Day, one of the leading traditions at Ursinus College, is also one of the most important activities given solely by the women students on the Ursinus campus. In the past, these gay and colorful productions have been popular successes. The co-operation of every woman student is needed to continue a run of successful pageant material.

## Seniors Head Cast For "Dream Waltz", Straus' Music Show

A Waltz Dream, Oscar Straus's well-known international musical success, will be staged Friday, April 14, in Thompson-Gay Gymnasium for the annual operetta presentation. The entire theme is one of thoroughly enjoyable light comedy, containing several of the composer's most familiar numbers.

Tryouts have resulted in the following cast's selection: Nancy Mattson '50, in the role of Kay; Norma Young '50, as the Princess Helene; Sally App '50, singing the part of Matilda; and Lou Stefan '50 as Niki. Everyone will remember the three feminine leads from their able performances in musical productions in years past; Lou Stefan, new to the Ursinus stage, will have a chance to display his talents in an excellent role.

The rest of the cast includes Murray Grove '51 as Maximilian X; Howard Roberts '53 as Prince Rupert; Fred Beckhardt '50 as Lieutenant Montschi; Kathyne Haney '51 as Annerl; Doris Dalby '50 as Louisa; Emile Schmidt '51 as Bert-

## Fraternities Welcome 67 As Rushing Season Ends

### Zeta Chi Receives 16, Sig Rho 14, Beta Sig and Demas 13, Apes 11 Following Round of Parties at Local Spots To Entertain Rushees

Climaxing a week of rushing parties by the five Greek fraternities on the college campus, 67 Ursinus men accepted bids at noon today. The bids were made in the college library and the following men signified their acceptance:

**Sigma Rho Lambda:** Len Abel, Bob Fisher, Gordon Tait, Ron Frankel, George Ott, Frank Staurowsky, Roy Foster, Jim Scott, Jim Shiver, Charles Stokes, Charles Fach, Bill Beckley, John Marshall, Bob Shinehouse.

## Y Chats To Discuss U.S. Foreign Policy; Religion Week Near

### Vice-Presidents Announce Plans For Emphasis Week Schedule

"Can an Effective American Foreign Policy be Based on Power Alone?" will be the question under discussion this Wednesday evening at the Y's Fireside Chats.

Two weeks ago, Secretary of State Dean Acheson made an important declaration of American foreign policy when he asserted that agreements with Russia were worthless unless based on strength and backed by force. This "power policy" statement, highly controversial and indicative of a trend in American policy towards Russia, presents an excellent topic for these informal small-group discussions. An attempt will be made to determine to what extent this "realistic" policy is valid today and whether it will ultimately lead to a peaceful solution of the "cold war."

These chats are planned to give every student a chance to express his own opinion and join in a spirited debate or glorified "bull session." Everyone interested is asked to gather in Room 2 of Bomberger immediately after dinner Wednesday evening. Lists are provided on

## Organizations Join To Send Assistance For Schools Abroad

### Two Alumni Requests To Renew Money, Clothing Contributions

A clothing drive, impetus for which is supplied by two letters received from Ursinus alumni in foreign countries, will be conducted here during Religious Emphasis Week beginning February 26 by the Student Council, the fraternities and sororities, and the Y.

In a former issue of the *Weekly*, there appeared a letter from Lester Williams '31, a member of the faculty of Baring Union Christian College in India. Baring College was originally a high school and is inadequate for the enormous demand for higher education in India. Funds are needed for equipment in physics and chemistry laboratories, scholarship aid, a movie projector, and sports equipment. Mr. Williams appealed for our assistance in the matter.

The *Weekly* editor suggested that several interested groups could join in pursuing this request to a successful end. Lending support to this suggestion was a recent letter from Meyagi College, Sendai, Japan. The president of the college is Dr. Misao Nichiyama, a graduate of Ursinus who also received his honorary degree of LL.D. here.

Meyagi is the only four-year college of any kind, north of Tokyo, for women. Seven out of nine of

## WAA Femmes Plan Night of Minstrelsy, Comedy and Music

The annual WAA Minstrel Show, featuring dancers, vocalists, and comedy acts, will be presented in the Thompson-Gay gym Tuesday night, March 7 at 8 o'clock. All proceeds will be added to the WAA Scholastic Fund. Pat Pattison '50, president of the WAA and Jean Daniels '50 are co-directors. The incomparable Steve Muench '51 will act as interlocutor.

Marion Kurtz '51 is in charge of the music and Marge Grauch '50 heads the stage committee. The use of props will be initiated this year to add to the students' enjoyment of the event. Freshmen members of the WAA will handle publicity.

Tryouts for "end men" will be held tomorrow noon. All students are invited to participate.

## Miller Takes Leave For Speaking Tour

Dr. Eugene Miller, professor of political science at Ursinus College, left last evening on a two-week's speaking tour through the south and mid-west, where he will address high school groups and service clubs on the subject "The North Atlantic Pact."

Widely known for his grasp of America's international relations, especially those with Canada and South America, Dr. Miller has for some time served on the speaker's bureau of the "Institute of World Affairs." His coming tour will take him through Mississippi, Arkansas, Oklahoma and Kansas.

A graduate of Ursinus College in 1933, Dr. Miller received his M.A. and Ph.D. degrees from Clark University. He became an instructor in history at Ursinus in 1935, but later shifted his field of major study and work to political science.

## Boswell, Chandler To Take Sides In Debate on Economic Situation

The debating team and Tau Kappa Alpha, honorary debating fraternity, will sponsor a debate on the question: Should the United States continue its present economic foreign policies?

Speakers for the event will be Dr. James L. Boswell of the Economics Department and Dr. Charles L. Chandler of the Sociology Department. The debate will take place on Monday, March 13, at 8 p.m. in Bomberger Chapel.

## Dr. White Narrates Color Day History; Reviews Progress of Ursinus Women

At the twenty-fourth annual Color Day, Friday, Dr. Elizabeth B. White presented an absorbing account of the history of Color Day and the achievements of Ursinus alumnae. Dr. White, who is at present doing extensive research in the field of transportation in Pennsylvania history, was formerly head of the history department and dean of women here.

She contrasted the present established position of women at Ursinus with that of the women students of 1927, who instigated Color Day in order to give themselves a sense of "belonging". The importance and number of women students has increased steadily since then, and they have received recognition in almost every profession and vocation.

Ursinus women have become teachers, doctors, librarians, scientists, social and religious workers—to mention only a few of the more outstanding fields. Dr. White declared that our women graduates are noted for their initiative, ambition and success, and reminded the freshmen women that it is their future accomplishments which will uphold the high standards of Ursinus alumnae.

In addition to the main address, the freshmen women were wel-

## VARSITY CLUB MEN INITIATE NEW ATTENDANCE REGULATION

The first meeting of the reorganized Varsity Club was conducted by President Ron Landes last Thursday. According to the new constitution, meetings will be held the second and fourth Thursday of each month at 12:30 p.m. in Bomberger.

All the members—they must have varsity U's to be eligible—had to sign a pledge of support for the club and willingness to attend four meetings per semester to be allowed to attend the Varsity Club Banquet in May.

## Dean's Men Capture Bitter 110-97 Victory Over Busy B-Listers

In a titanic struggle which began last September and ended in a final skirmish January 27, the Dean's cohorts triumphed over the library crowd with a rousing 110 to 97.

Whether this score was caused by an increase in Canasta and social projects or by the shortage of midnight oil and black coffee is not known, but the ineligible succeeded in gathering superior forces to wallop the industrious B listers.

Those enjoying a position on the smaller team are:

Guenter Ackerman, Nancy Bare, Willard Baxter, Edward Becker, Russell Binder, Edward Bogar, Robert A. Brown, George Burchill, Charles Burk, Charles Coyne, Doris Dalby, Jean Daniels, John Davies, Susanne Deitz, Margaret Denham, Joyce Derstine, James Devlin, Le-Rohn Deysher, Wainwright Diehl, Clarence Domm.

## Women To Sponsor Senator Wood Here

The Honorable Lloyd H. Wood, state senator and Ursinus alumnus, will speak in Bomberger Hall at 8 p.m. on Wednesday evening, March 8, under the auspices of the American Association of University Women.

The Evansburg resident, mentioned as a possible candidate for the governorship of Pennsylvania, will talk on "The Problems Facing the Next Session of the Legislature."

Senator Wood, chairman of the Montgomery County Republican Committee since 1940, was elected to the Pennsylvania House of Representatives in 1938. In the spring of 1944 he was elected to the Senate to fill the vacancy caused by the death of Senator Edmond. He has been a member of the Senate since that time.

Ursinus students are urged by the AAUW to attend the affair.

### PAGE-SETTERS?

We are college students. We are the "intelligent, forward-looking, thinking individuals" who set the pace for the rest of our generation. We represent the group with the zest and idealism needed to go places and do things for a world that seems doomed to destruction. And isn't it almost a laugh? Isn't it really ironic, that in actuality we are quite the gay crowd of happy-go-lucky individuals who place our emphasis on so many of the things in life that have so little lasting value? Recognize in us the crowd which turns up its nose at the charity drives for the world's needy? Or the crowd which looks with disdain at any forum or program that might make us think? Or the individuals who think it's smart to say we haven't opened a book in weeks?

Perhaps this sounds like too harsh a judgment, but let's take a peak at a few campus scenes and attitudes. On an evening when the calendar called for a wrestling match and a forum, several hundred students turned out for the first event; barely fifty for the second.

A recent polio campaign netted \$27; yet if each of us had contributed one very thin dime, the total would have been over \$90. When the library is filled with people, it is either because we are making a last-minute attempt to do a month-old assignment, or else we want to socialize. A student who devotes more than two evenings a week to lessons is soon known as a grind or an eager beaver. And how many of us search feverishly for that extra snap course to lighten the burden of too many studies?

Certainly no one expects us to be long-faced pessimists, weighted down with the cares of the world and everyone in it—but it wouldn't do us any harm to open our eyes wide enough to see beyond our own selfish spheres of influence. Wouldn't it be wise if we tempered our love of laughter and the social whirl with the realization that the serious side deserves more than a back-seat in our college life?

## Economics To See Twenty-year Slump, Thanks To Roberts

Last Friday afternoon Professor Symons' one p.m. economics class was treated to a very enlightening lecture by visiting professor of economics, Dr. Howard F. Roberts ('53). Dr. Roberts spoke on the "Theory of Rent and the Landowner's Share of Our National Income" or "Why the American Bison Is Fast Becoming Extinct in Montgomery County".

The Professor, having just returned from the Arctic Circle where he was studying the value of polar ice in ginger ale, was suitably attired in a jaunty 75 pound bear skin coat with contrasting black hat and white scarf, presented to him by the Walrus Hunters' Union, Local 569. He was accompanied by his new valet, Gerald B. Donahue, Esq., an Oxford graduate found working in Dream's Rendezvous.

Dr. Roberts answered questions proposed by various students including Mr. Symons, who was enlightened (one way or another) by the lucid explanations of the famous professor. Various subversive elements, led by Mr. Raymond Rauenzahn, attempted to disrupt the lecture, but were beaten into submission by the clever tongue of Professor Roberts and the heavy blackjack wielded by Mr. Donahue.

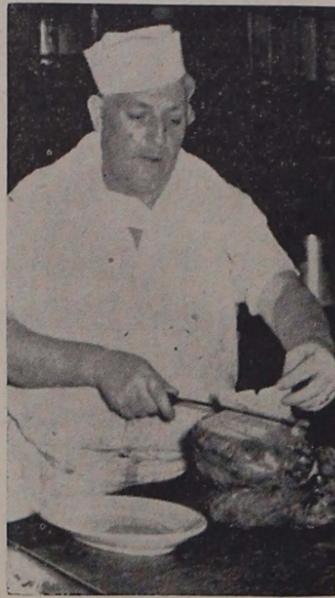

The class closed with students carrying Dr. Roberts triumphantly out of the classroom on their shoulders with shouts of "Bravo, Huzzah, and Let's Take the Marines out of Nicaragua." The good

## Forum Speaker Urges Return To Verse, Reconciliation of All People with Poets

On Wednesday evening the Ursinus College Forum presented Mr. Edward Davison, dean of Washington and Jefferson College, who discussed poetry in any person's life. Mr. Davison claimed that today

too many professors of poetry do not make clear to the student exactly what it is that he is studying. The poetry student must realize what part poetry plays in the life of man rather than try to define the term itself.

The speaker went on to say that many poets have attempted to define poetry by way of actual illustrations and instances. However, one definition offered by a teacher of his pleased Davison. This was that "poetry is the kind of thing that the poets have written."

Mr. Davison advised that the best way to read poetry is to read it aloud. In his youth Davison recited poetry aloud in his home. He did not understand it all but claims that the best poetry is never completely understood.

Mr. Davison also claimed that poetry should have emotional drive. It should "move, evoke, provoke and touch the mind."

In addition, the speaker expressed his opinion about several particular poets. He spoke of Robert Frost as one of the best, called Edna Millay a "youthful Byron," and rated T.S. Eliot as one of the greatest influences on modern America.

He thinks the appreciation of Milton to be an achievement that oftentimes accompanies the completion of a college education.

Mr. Davison emphasized that poetry is not for a special class of people set apart from and over the masses. It is for all people to enjoy, since all people feel the same emotions in similar situations.

The speaker concluded by saying that the new criticism in the university graduate schools has had bad effects, forcing the poets away from the people. Our problem is now to reunite the poets and the people, "for woe be to those who forget the poet."

# Derrites Formulate Unique Mental Law As Result of Finals

by Willard Wetzel '51

DERR HALL, February 20—Ursinus Press—One of the most fruitful results of the last semester here at Ursinus college was revealed today when two eminent paranoids announced the formation of an important law.

The investigation that led to the development of the Wildasin-Wetzel Law of Dynamic Transference grew out of the period of derangement that followed in the wake of last semester's mid-term examinations. It progressed through the usual stages involved in the development of a law, nerve-rackingly advancing from hypothesis through theory to law.

Satisfied that it has been sufficiently verified during the recent period of final exams, the inventors have now released The Law, which states: "Everything that is either omitted or forgotten by the student during preparation for an examination is transferred by a means similar to mental telepathy to the mind of the professor of the course, who then inevitably includes it in the test."

### Follows History Exam

The hypothesis was first revealed to the two progenitors of The Law when they returned to their room after a history mid-semester exam, certain they had flunked and sure that "some of those brief notes were not in the assigned reading."

Investigation revealed that the brief notes were in the reading after all; and it was at this time that the revelation occurred. Like a thought out of nowhere came the realization that what might have happened was that the very little knowledge of history which had inadvertently escaped them was transferred to the mind of the professor by mental telepathy. This seemed so incredibly plausible — but the careful social scientists were not yet satisfied.

### Law Proof-Positive

They put the hypothesis into the back of their heads to keep it there until they could apply further tests to it after the next exam the following day. When the same thing occurred the next morning to both of them in different tests, they "just knew" that their hypothesis must be true. But, like good social scientists, they were still not satisfied, or willing to reveal their discovery. They continued their nerve-racking investigation on the many subsequent mid-term exams, and finally decided that they now had sufficient evidence to warrant calling it a theory.

Final examinations led them to pronounce it a law, and the W-W Law of Dynamic Transference had at last become a reality. The crowning experiences occurred during a French and a Greek final. In the third section of the French exam, and the fifth part of the Greek test, the truth of The Law was "indelibly inked" on the minds of the originators.

# '51ers' Harmony To Vie With College Foursomes

The '51ers—those four barber-shop specialists—Don "Duckums" Donahue, Buck Ross, Russ Fisher and Russ Lord — will hop into Buck's station wagon (a Willy's Jeepster) on Saturday, March 4, bound for the Penn-Sheraton Hotel in Philadelphia and the annual quartet contest sponsored by the University Glee Club of Pennsylvania.

Approximately six hundred music lovers (including Mr. and Mrs. Donald Helfferich and Dr. Phillip) will be at the Penn-Sheraton at 8 p.m. to hear the various quartets, all of which represent schools on the eastern seaboard, such as Yale, Harvard, Princeton, Swarthmore, and, of course, Ursinus.

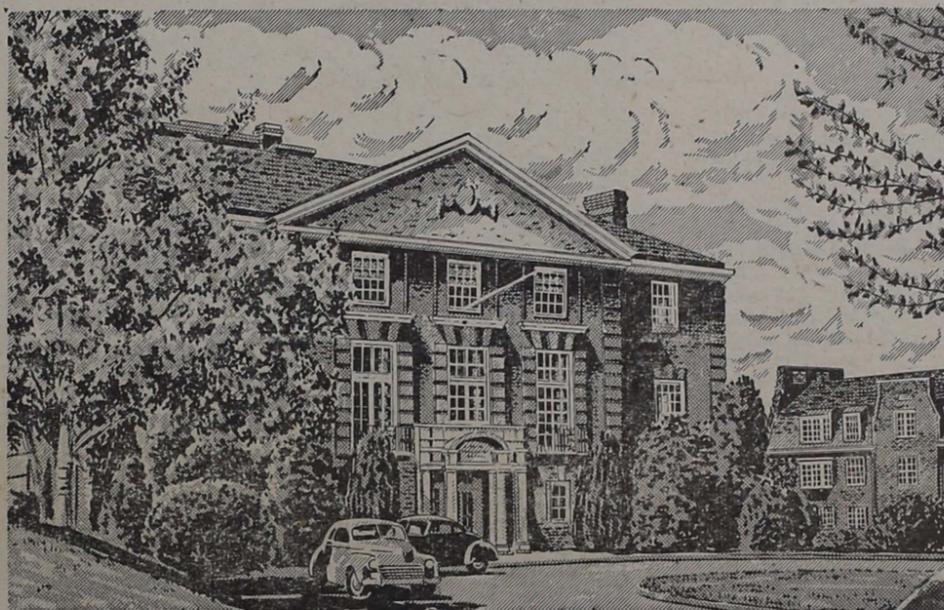

Among their selections for the contest the four vocalizers have in-

cluded a medley of World War I songs, a semi-classical piece, and several barber-shop numbers. As Donahue (or shall we say "Duckums") says, "We don't expect to win, but the experience of competing against those other schools will be good." Contest winners will sing in the annual Spring Music Festival held at Robin Hood Dell.

Another important engagement for the '51ers will be their appearance toward the end of March at Atlantic City under the name Ursinus College Quartet. The S.P.B. Q.A. (Society for the Preservation of Barbershop Quartets in America) sponsors Barbershop Quartet Nite at the Hotel Ambassador each Monday evening. Leading foursomes are chosen to sing as guest artists.

## Major Bill Reynolds, Oregon '40 Pilot-Professor, U. S. Air Force!

Bill was an all-round athlete. He chose football as his favorite sport, made the varsity teams at Pomona Junior College and also at the University of Oregon.

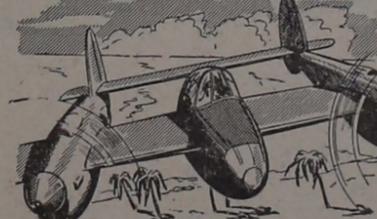

A Theta Chi, Bill enjoyed campus social life. Found that it eased the pressure of rugged athletics and his heavy study schedule in Personnel Management.

Upon graduation, Bill chose a future in the Air Force. He "flew" his first Link trainer as an Aviation Cadet in 1940. By March, 1941, he had won his pilot wings.

The 1st Observation Squadron, Fort Riley, Kansas was Lieutenant Reynolds' first assignment. While there he met the future Mrs. Reynolds. They married a year later and now have two fine sons.

The Squadron moved to Panama, then to the Pacific. Bill advanced from pilot to operations officer to squadron commander. He came home a Major and qualified for a Regular Commission.

Recently commended for peacetime work — organizing and improving instruction techniques — Major Reynolds, a "Pilot-Professor", looks forward to a long and gainful career in the U. S. Air Force.

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

Bruins Yield 65-49 To League Leaders; Forsyth Gets Honor

by Ed Klein '52

The University of Delaware thumped the courtmen of Ursinus 65-49 last Wednesday night at the Blue Hens' Field Armory at Newark, Delaware.

The Delaware rooters watched their charges take an early 13-4 lead, ripen it into a 43-23 halftime margin, and then continue to hold this lead through the remainder of the game.

The game started slowly and with five minutes of play gone the score was only 4-4. But then Delaware poured in 9 straight points before Forsyth tallied on a field goal, making it 13-6.

The second half was played on more even terms and the Bruins actually outscored Delaware by four points. But it was not enough, as they went down to defeat 65-49.

Second Loss Comes To Badminton Team

Last Monday the badminton team travelled to Philadelphia to play the Penn JV squad.

Two of the matches were drawn out to three sets. Sally Lumis, an Ursinus Freshman, took the first set from her opponent, Cynthia Shaults, 1-11, but Miss Shaults won the next two sets, 11-6, 11-4, to score a victory.

Janice Christian and Marge Justice forced their two opponents to play three sets also. The Ursinus coeds dropped a very close first set and then went on to clinch the second, but again the prowess of the Penn girls enabled them to take the third set and win the match.

- 1st Singles—Ruth Woll (P) defeated Jeanne Daniels (U) 11-4, 11-7. 2nd Singles—Nancy Groseclose (P) defeated Pat Pattison (U) 11-6, 11-6. 3rd Singles—Cynthia Shaults (U) defeated Sally Lumis (U) 1-11, 11-6, 11-4. 1st Doubles—Sally Landers and Jeanette Selky (P) defeated Janice Christian and Marge Justice (U) 15-13, 10-15, 15-9.

Belles Down Albright For First Win 38-31

Tuesday the Ursinus girls' basketball team travelled to Reading to defeat the Albright College squad by a 38-31 score.

The lead see-sawed back and forth for the first two quarters, with Albright holding a one-point advantage at half time.

The Ursinus squad showed a definite improvement over their opener with East Stroudsburg. Marguerite Spencer was high scorer with 25 points.

To make the day complete for Ursinus the junior varsity squad defeated the Albright junior varsity 34-19.

Although the scoring was well distributed, Janet Vart was top scorer with twelve counters.

This was the opening contest for the junior varsity, which plays a nine game schedule.

Table with columns: Ursinus (38), F.G., F, Pts. Rows include Spencer, Hitchner, Nesbitt, Rittenhouse, Vadner, Hooper, and Totals.

## Bruin Matmen Decision Fords To Add Tenth Victory to List

by Roy Foster '51

The Bears won their fifth match of the season and extended their victory streak to ten over a period of two years by defeating a strong Haverford squad 19-11 last Saturday on the losers' mats.

In the initial bout Loren Zimmerman won by default over Harry Bair. Zimmerman was ahead by 6-2 when Bair developed shoulder trouble and had to retire.

Game but inexperienced French Youngman, who had replaced Jim Hartman in the 128 pound class, found his opponent John Dodge too strong and was decided 6-1.

Dick Gellmen, surprising young 136 pounder, fashioned the first pin of the match against Bob Atkinson. He conquered his man with a double bar in 6:50 to put Ursinus ahead 10-3.

The always colorful and aggressive Ted Miller followed with a 2-0 decision over Gouverneur Cadwaller in the 145 pound bracket.

Then the Fords' Ian Walker pulled the surprise of the day when he combined a half nelson and body press to pin Captain Bill Turner with two seconds remaining in the bout. Turner had held a point advantage at the time.

Galey Chandler, wrestling at 165, bettered Lee Harper 7-4, after which wiry Frank Schiesser succumbed to Haverford's veteran Phil Maroney 9-5.

To round out the day the losers' captain, Bill Rodewald, the 175 pounder turned heavyweight, dropped a 4-0 decision to Bill Helfferich. Helfferich was never in danger as his opponent stalled for nine minutes.

Before the main event, a four-man JV squad edged Haverford's juniors 10-8. Bob Meckelberg and Bob Mitchell turned in pins.

**Summary**

- 121—Zimmerman, U., won by default over Bair, H.
- 128—Dodge, H., decided Youngman, U., 6-1.
- 136—Gellman, U., pinned Atkinson, H., in 6:50.
- 145—Miller, U., decided Cadwaller, H., 2-0.
- 155—Walker, H., pinned Turner, U., in 8:58.
- 165—Chandler, U., decided Harper, H., 7-4.
- 175—Maroney, H., decided Schiesser, U., 9-5.
- Unlimited—Helfferich, U., decided Rodewald, H., 4-0.

## Grunt and Groaners Beat Drexel; Winning Streak Jumps to Nine

by Nels Fellman '52

The Ursinus College wrestling squad registered its ninth straight mat triumph with a 16-14 victory over Drexel in Collegeville last Wednesday night. Drexel, who won only two matches in five attempts, gave the Bruins a scare, for the victor was not determined until Bill Helfferich pinned his man in 1:26 of the second period of the final bout.

The locals entered the last match on the light end of a 14-11 score. Only a pin would enable the Bears to hold together their long string of victories; the crowd knew it, the team knew it, and Helfferich knew it. Big Bill finally caught his opponent, Kim Billing, with a bar-arm body press in the second frame and provided the winning margin.

**Drexel Takes Early Lead**  
The visitors jumped off to an 11-0 lead by winning the first three matches; however, Ted Miller started the hometown rally by winning a 10-2 decision. Captain Bill Turner then pinned Al Mathews with a reverse bar-arm body press to add five points. Galey Chandler, who was twice robbed of a pin by the buzzer, tied the score at 11 all with a 10-0 victory.

Gene Pascucci, visibly weakened by the strain to meet his weight, lost his bout by decision, yielding three points. The stage was thus set for Helfferich, who came through in the "clutch."

Only three obstacles remain for the Bears to hurdle before they embark for Wilmington to participate in the Middle Atlantic Championships held at the University of Delaware on March 3 and 4.

- Summaries:-**
- 121 pound—Al Link (D) decided Warren Zimmerman (U), 8-4.
  - 128 pound—Charles Vincent (D) pinned French Youngman (U) in 1:57 of the second period.
  - 136 pound—Dan Morrison (D) decided Dick Gellman (U), 6-0.
  - 145 pound—Ted Miller (U) decided Lou Clark (D), 10-2.
  - 155 pound—Bill Turner (U) pinned Al Mathews (D) in 2:30 of the third period.
  - 165 pound—Galey Chandler (U) decided Grant Garsner (D), 10-0.
  - 175 pound—Bob McCrump (D) decided Gene Pascucci (U), 8-0.
  - Unlimited—Bill Helfferich (U) pinned Kim Billing (D) in 1:26 of the second period.

# Lassies Lose 37-26; Rally Gives Margin To Immaculata Gals

Immaculata College handed the Ursinus girls' basketball team their second defeat of the season Friday evening. However, the 37-26 final score is a poor indication of the keen competition that was exhibited.

Ursinus dominated the play during the second and third quarters, and it was not until the fourth quarter that Immaculata was able to surge ahead with the necessary winning baskets.

In the early part of the game the Ursinus forwards had some difficulty in getting through Immaculata's zone; however, as the second quarter started, they began to find openings. Nancy Vadner was high scorer for the Belles with 13 points. The guards played well; Captain Mary Evans did a commendable job guarding Immaculata's star forward, Mary Frank. A sure shot if left unguarded for a second, Captain Frank has been a scoring threat to opposing teams for several seasons.

The Ursinus' junior varsity gained their second straight win by defeating the Immaculata junior varsity 40-14. Joan Hitchner, dropped in 14 points, but the remainder of the scoring was well distributed among the other Ursinus forwards.

Wednesday the Belles will meet Rosemont here in Collegeville for their fourth game.

# Jayvees Drop Two After Delaware Win

After thrashing Delaware earlier in the week, the Ursinus JV basketball team dropped two contests to Juniata and Elizabethtown over the week-end on successive nights.

Poor foul shooting (14 conversions in 34 attempts) and a slow start in the second half were responsible for the 68-50 loss at Elizabethtown Saturday night.

Juniata edged the junior varsity squad 55-53 Friday night on the home court as Bob Swett split the cords for 20 points. On Wednesday the Cubs racked up their only win of the week over Delaware 47-26 at Wilmington.

## Bears Go Wild in Indian Skirmish As Forsyth Hits 29, Young 20

The victory-starved Bruins latched on to their third victory of the campaign Friday evening, as they ambushed the Indians from Juniata 83-68. The Bears employed a scorching fast break that sent the warriors running to their reservation.

Captain Bill Forsyth once again established himself as the top scoring threat by registering 29 points. Don Young countered 20 points, most of them coming on a jumping push shot. Ulsh was the only Indian that was able to penetrate the Bear defense successfully. His efforts netted him 28 points.

After Korody opened the game with a twin-pointer, Bronson and Forsyth countered with lay-ups to give the Bears a lead that they never relinquished. With Forsyth setting the pace, Seeder's men shot to a 10-3 lead. Then, finding the inside tied up, they moved to the outside where Don Young and Forsyth jumped in long set shots to widen the gap at 22-6. In the meantime Condie, Bronson and company were controlling both back boards.

Midway through the first half the Indians rallied around Ulsh to pull up to 29-15, and again just before the half at 39-32. Forsyth scored a sensational set shot from midcourt, seconds before the buzzer to make it 41-32 at halftime.

Bill Myers and Ed Klein took up the scoring roles early in the second half as the Bruins maintained their ten point lead. Never did Juniata get closer than eight points. Klein and Young made sensational passes that completely bewildered the Braves.

With eight minutes left in the game the Indians began to whoop it up, but Seeder's inserted unheralded Ted Chantler. His efforts, along with those of Young and

## Young Garners 29 Points In Vain As Elizabethtown Wins 82-69

Ursinus' heightless quintet snapped a short one-game winning streak Saturday night, succumbing to a rangy Elizabethtown team 82-69. Playing on E-town's midget floor, the Bears clung tenaciously to their sharp shooting opponents the entire game, but couldn't overtake the tall Blue and White five.

Don Young played brilliantly for the Bears, intercepting passes, setting up plays, and amassing a total of 29 counters, his best contribution of the year. Led by Young, the courtmen employed a pressing defense and a slam-bang fast break which was seriously hampered by the close quarters.

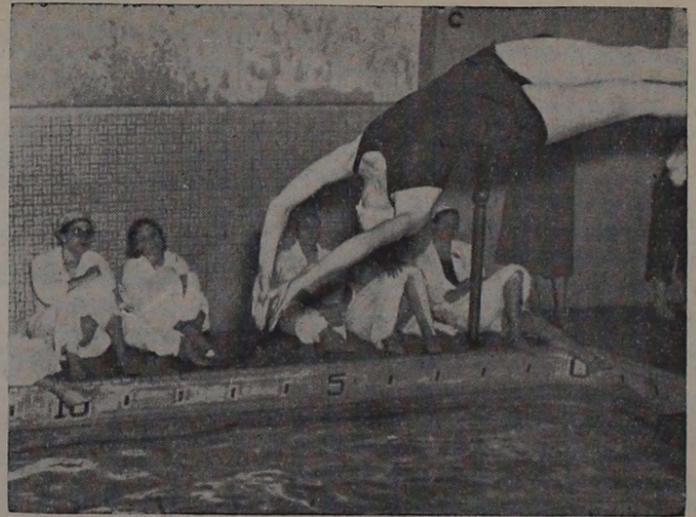

With Bob Foster fronting the attack, the hometowners jumped to a 21-17 lead by the end of the first quarter and threatened to turn the game into a rout in the second period. However, with less than a minute to play until the half, the alert Bears capitalized on several E-town miscues and netted eight points to narrow the count 40-38.

The third quarter followed the pattern of the first two, with the Bears trailing by several points and neither team being able to get a winning attack underway. The quarter ended 59-56. As the final period started the Bruin's defense faltered and a fresh platoon of Blue and White iced the game with a ten point flurry.

Reliable Bill Forsyth garnered 16 points and Mac Condie contributed 13 counters for the Bears. A bright spot in the locals performance was their accuracy at the free throw line, swishing 21 out of 27 attempted.

Forsyth, widened the margin until the final whistle sounded with the score 83-69.

# Garnet Gets 38-19 Victory Over Ursinus Tank Team

The Ursinus mermaids suffered their first defeat of the year last Wednesday at the hands of a strong Swarthmore team at the Norris-town Y. The final score was 38-19. This defeat gives the squad a 1-1 record with five meets remaining.

From the beginning the Swarthmore swimmers showed their speed and skill. In the freestyle event the visitors took first and third places, while Anne Marzahl came in second. Margaret Penfield, Swarthmore, had no trouble winning the backstroke event, but the race for the number two berth was close. However, Swarthmore also took this and Ursinus' Marge Grauch had to settle for third.

Freshman Joan Compton provided the only first place victory for Ursinus by clinching first place in the forty yard breaststroke event.

Swarthmore's aggregation swept the medley relay race and the 160 yard freestyle relay. This left only the diving contest.

First place in this event went to Jill Morrel, Middle Atlantic Diving Champion, who displayed her excellence in the optional dive, half

gainer layout. Ursinus' Captain, Pat Pattison, also performed skillfully and was rewarded with second place.

40 yard freestyle: 1, Smith (S); 2, Marzahl (U); 3, Thompson (S). 25.4.

40 yard Back: 1, Penfield (S); 2, McClellan (S); 3, Grauch (U). 28.3.

40 yard Breast: 1, Compton (U); 2, Crookston (S); 3, Morvel (S). 30.8.

60 yard Medley: 1, Swarthmore (McClellan, Morvel, Thompson). 38.4.

160 yard Freestyle Relay: 1, Swarthmore (Smith, Penfield, Crookston, McClellan). 1.39.3.

Diving: 1, Morvel (S); 2, Pattison (U); 3, Adams (S). Winners points 138.

The JV mermaids dropped the initial contest of their four-meet schedule last Wednesday at home. This meet was run alternately with the varsity events. Swarthmore accumulated 42 points to Ursinus' 15. Dorothy Garris, Marie Linder, Myrna McGrath, and Ruth Reed were the only girls who placed in this contest.

**MARCH OF DIMES RECEIVES POOR CAMPUS TOTAL OF \$27**

The 1950 March of Dimes campaign at Ursinus was received very coldly by the students. Byers Bachman '53, chairman of the drive, announced that a total of twenty-seven dollars was contributed to this worthy cause. Of this amount, fifteen dollars was collected in the Supply Store. Even the polio movie shown during the campaign from January 16 to 27 failed to stimulate the interest of the student body.

Byers stated that the March of Dimes could have been better supported, especially considering the enrollment at Ursinus. However, he wishes to express his thanks to all those who did contribute to this noble cause.

the college buildings have been destroyed. Most of the 1700 girls are housed in frame shacks and there is very little heat in the classroom.

Gifts of warm clothing—especially heavy winter coats, dresses, sweaters, and underwear—are requested. Also, money is needed to help to restore the school plant.

Dr. Kate I. Hansen writes, "There is a great battle going on in Japan today—a battle for the very soul of the Japanese people: a battle between materialism and atheism, spearheaded by communism, on the one hand, and Christianity, the Christian way of life, the Christian idea of morals, on the other. We in Japan are in the fore-front of this battle."

As a result of these two letters the Student Council, the fraternities and sororities, and the Y have organized a clothing drive, beginning on February 26 and continuing through March 4.

The Student Council is going to send representatives to the dormitories to collect clothing, and each fraternity and sorority is being asked to give five dollars to pay for the shipment of the clothing.

A dance will be held in the gym on March 4 for the benefit of the clothing drive. The ticket of admission is usable clothing or a money donation.

Soloists were Nancy Mattson '50, Kathryn Haney '51, Jack Christ '51, and Bill Van Horn '51.
