## Pageant Emphasizes Unity As Floy Lewis Rules Day

by Polly Pechter '49

Color, beauty, and peace reigned over Ursinus' campus Saturday as the may pageant **May is For U** set the theme of the day. Combining the gaiety of May Day with the tempo of the world, the pageant and the May Queen symbolized Unity and Utopia throughout the Universe.

To the friends and parents gathered on the bleachers, this year's background presented one of the prettiest scenes of Ursinus May Days.

Against a lattice entwined with roses the court jester tried to find a queen to unify the leaders of the world. Constance Warren '49 was outstanding in her clear interpretation of the jester's lengthy search for a queen.

All countries of the world sent representatives to vie for the crown. Their offerings ranged from peppy Dutch dancers to a sultry Arabian harem. The coy French dancers and Hawaiian hulas also added foreign touches to the American background. Other countries sent animals like the fierce bull from Spain. The fuzzy-haired native and the huge elephant from Africa, and the naughty penguin and eskimo from the Northlands added humor to the beauty of the pageant.

As a fitting climax Floy Lewis '49 was crowned queen, completely satisfying the most particular judge. She and her court reigned over the now peaceful scene of all the now-united nations of the

## Coed Dorms Elect Next Year's Heads

New dorm officers, recently elected by the coeds, have been announced by the WSGA.

The following are president, senator, and secretary-treasurer, respectively, in each of the women's dorms: 944—Nancy Wiseman, Jackie Seitzinger, and Edna McLaughlin; Bancroft—Dolores Meyers, Effie Siegfried, and Edith Siegener; Firecroft—Nancy Stotler, Adelle Michels, and Lizanne Waite; Lynnewood—Peggy Corliss, Doris Flite, and Dorothy Sandbeck.

Duryea—Ruth Wilson, Marie Linder, and Sue Boyd; Shreiner—Joanne Duncan, Thelma Lindberg, and Margery Johnston; South—Alda Thompson, Winifred Somerville, and Jean Frederick; Baird's—Betty Sheffer, Nancy Mattson, and Lois Johnson; Hobson—Sue Letson, Doris Neill, and Margaret Simcox; Maples—Sally App, Mary Jane Kraft, and Mary Ruth Muffley; Glenwood—Joanne Heckman, Jane Perreten, and Esther Knoebel; Clamer—Louise Eisenhower, Sue Parran and Marion McCrane; Day Study—Gladys Miller, Grace Garis, and Connie Gallo. Marie Schauder was elected as the Day Study's representative to the Student Council.

## SYMPATHY

We extend our sympathy to Jack Bowers '51 and his family upon the death of Jack's grandmother following a heart attack which she suffered at the close of our May Day celebration on Patterson Field.

## New Chapel System For Fall To Include All Upper-classmen

The Faculty has changed the regulations on Chapel attendance. When the student body was smaller, all students—both resident and non-resident—attended the chapel daily. Gradually exceptions were made, until at present only resident students with less than sixty semester hours to their credit are required to attend.

Under the new rule, which is believed to be more democratic and fair and to give the greatest number an opportunity to participate in this service, freshmen and sophomores will attend on Mondays, Wednesdays, and Fridays, while juniors and seniors will attend on Tuesdays and Thursdays. The new rule replacing rule 25 in the handbook follows:

All resident students and all day students whose homes are within a mile of the campus are required to attend the Chapel services on certain designated days of each week. Each student is assigned a seat in the auditorium and is required to occupy his own seat. Ab-

## Med. Society Elects D. Schultz President

Don Schultz '50 and Ruthann Preston '50 were elected president and secretary-treasurer of the James M. Anders Pre-Medical Society, as the group concluded a very successful year at its meeting Tuesday night.

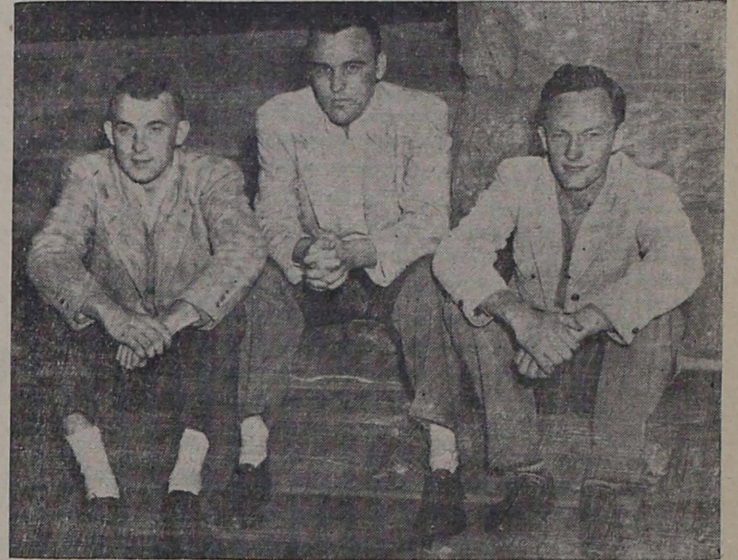

Dr. Brownback complimented John Morehead '49 and Gisela Ungurian '49 for their outstanding leadership as president and secretary-treasurer, and extended his thanks on behalf of the student body for their untiring efforts throughout the past year.

Following the business meeting, Dr. Otterbin Dressler, dean of the Philadelphia College of Osteopathy, spoke to the group on tuberculosis. Dr. Dressler is recognized as an outstanding pathologist and is well acquainted with the tuberculosis disease. He accompanied his address with slides to illustrate the effects.

He pointed out that this complicated disease not only infects the lungs, but can infect many other parts of the body. Today, tuberculosis is seventh on the list of causes for premature death. Even more appalling is the fact that four

## Men Select MacQueen New MSGA President

by Walter M. Rohlf's '49

In the elections held by the new MSGA Council, Ray MacQueen '50 was elected president, Bill Jordan '51, vice-president and Al Buchanan '52, secretary-treasurer.

On Wednesday, after the lively, well-publicized general election of the Men's Council, five delegates maintained their seats and five new representatives gained recognition. In the junior class Ray MacQueen and George Saurman, present secretary-treasurer of the council,

both received the continued support of the student body while Ray Dippel, 1950 class president for two years and Ron Landes, our south-paw family man, were the new choices.

## Cancer Drive Fails To Reach \$500 Goal

Last week the Cancer Drive came to a close with a net total of \$246.96. The committee was very satisfied with the results, taking into consideration the expenses at this time of year. In contrast with other drives held on the campus, that for cancer received good support. Those directing the drive extend their thanks to all solicitors for their help in making the drive a success.

The amounts received from the various sources are: Glenwood, \$22.75; Shreiner, \$20.60; Maples, \$19.25; Hobson, \$15.30; Firecroft, \$11.25; Clamer, \$8.64; Rimby's \$7.50; South, \$7.36; 944, \$6.45; Bancroft, \$6.15; Baird's, \$5.25; Duryea, \$5.25; Lynnewood, \$5.10; Brodbeck, \$21.10; Annex, \$17.25; Derr, \$10.50; Freeland, \$10.20; Curtis, \$7.80; Wag-

## Y Backs Admission Of European Frosh

by Bob Herber '51

With the co-operation of the college faculty and administration, the YW-YMCA has secured permission to sponsor a European student at Ursinus College next year. For the past month, the Y has been making arrangements for this project and, barring unforeseen difficulties, will go through with it as planned.

The student, a displaced person, will be a member of the predominant sex and religion at Ursinus—male and Protestant—in order to facilitate the adjustments which he will have to make. The World Student Service Fund Organization, which is sponsoring similar projects in many other colleges, will select the student, and until then his name and nationality will remain unknown to us.

However, the Y has been assured that he will be a competent stu-

## Derstine, Bare, Johnson Get Top 'Weekly' Posts

Remaining posts on the new Weekly staff were filled at a special meeting of the Weekly Board of Control last Monday afternoon.

Joyce Derstine, a modern languages major, has been named managing editor for the next year. She began her Weekly duties as a proofreader during her sophomore year and served this year as one of the associate editors. In addition, she is a member of Alpha Sigma Nu sorority and the Y Commission on Student Worship.

Promoted to the rank of associate editor is Nancy Bare, sophomore English major. Nancy, who has worked on the Weekly news staff for the past two years, is well-

known on campus for her roles in Curtain Club productions. She was recently elected vice-president of the YWCA and is active in the English Club and Tau Sigma Gamma sorority.

Wesley Johnson, a modern languages major, will serve again on the associate editor staff. Prior to becoming an associate, Wes worked on the Weekly as copy editor. He was also president of the French Club this semester and is active in the German Club and the Chess Club.

George Saurman, junior business administration major, will continue in his capacity as sports editor, a post he assumed in the middle of

the semester. This year George was secretary-treasurer of the MSGA and was chosen co-editor of the 1950 Ruby. He is a varsity football and baseball player and a member of Cub and Key, the Curtain Club, the Varsity Club, and Demas fraternity.

Bob Gehman, a physical education major, was promoted to assistant sports editor, having contributed consistently to the sports pages this year. Bobby is well-known for his participation in varsity football, basketball, and baseball. He is a member of Alpha Phi Epsilon fraternity, the Varsity Club, Cub and Key, and is president of Physical Education Club.

# EDITORIAL

This week the '49 Ruby makes its debut on the Ursinus campus. It is the laudable result of a year of working originality and hard labor by a part of the senior class.

The work of this group was marred by one disappointment—a disappointment which cancelled some intended improvements. The necessary fund, almost \$6000, was not quite met; several hundred more was needed. An individual assessment of the senior class resulted.

This year's budget, or one very close to it, must be met by each graduating class by soliciting ads, staging class projects, working the football game concession, and taking yearbook subscriptions. There is no aid given by the school, as is often thought, except for a full-page ad; the editors are not paid. The business managers raise the entire fund and receive only 10 percent of the money gotten from the ads if all goes well.

The uncertainties involved in publishing a yearbook and in raising such a vast sum are obvious. The business managers are not assured of a cent at the outset, and must rely upon bills and checks arriving on time and as planned for. Very nearly 1000 people are dealt with in this respect. Only a small percentage of them act as planned.

It has not been the rule in recent years for the Ruby business staff to meet the budget amount. It seems, in fact, to be a big victory if such is done.

Under the present system a year-long crusade is waged to get every cent possible, and every cent is needed. No matter how carefully the campaign is conducted, the element of chance is unusually menacing.

Most students become a senior someday. All of us will have a Ruby to finance. Therefore it seems wise for us to consider improvements in the method of raising the needed funds.

Several alternatives are available, and are used at other schools. One is increasing the student activities fee and giving every student a Ruby. Another is urging the administration to pay a percentage of the cost in return for the top-notch publicity which it receives. The various systems have advantages and disadvantages. The job is to find the system which is best suited to our situation.

The purpose of this editorial is not to propose a plan but to set minds in motion to create one which will alleviate the huge burden which dominates the life of every senior class.

# Kauffman-Hart Comedy Scores Success With Ursinus Audiences

by John Burton '49

Last week-end the Curtain Club rounded off a highly successful season with three performances of *You Can't Take It With You*, the Kauffman-Hart classic about the Good Life and a handful of people who are determined to lead it. The production was easily one of the best presented by the club in recent years. It was as polished and well-cast as many a professional offering and was duly received and appreciated throughout.

The play centers about the Vanderhof-Sycamore clan about as zany a group of people as was ever assembled under one roof. It all began when Grandpa Vanderhof, some thirty-five years before curtain time, decided to stop taking life seriously and to enjoy himself on three thousand per annum, an aquarium full of snakes, and the commencement exercises over at Columbia. As the years roll by, things get pretty well out of hand, to put it mildly, until the house has become an asylum for everyone from the ice man to the Grand Duchess Olga Katrina, cousin of the Czar and currently working as a waitress at Child's.

Trouble comes when a representative of the government drops in to collect fourteen years back revenue tax and the rich and respectable Kirbys come around to meet the family of their prospective daughter-in-law. But by the play's end Mr. Kirby, after a night in jail and an unscheduled wrestling bout, is won over and gives the young couple his blessing. As for the Bureau of Internal Revenue, it is silenced once and for all when Grandpa Vanderhof informs them that the man they are after has been dead for a number of years,

and that he is Martin Vanderhof Jr.

As Penny Sycamore, who writes plays around such epic themes as war, religion, and sex and displays a staggering deficiency of tact, Bernice Harris '51 was exceptionally fine. Her wide-eyed, detached manner and expert timing showed off to advantage throughout the play's three acts. The part of Grandpa Vanderhof was played with admirable restraint and sympathy by Fred Tischler '49, one of the most versatile members of the club.

Carolyn Warren '49 was well-cast as Essie Sycamore, an ambitious dancer whose ability is well characterized by Russian emigre Boris Kolenkhov ("Confidentially, she stinks"). Her husband Ed, played to perfection by Joe Beardwood '52, looks and acts like a harmless idiot.

The part of Paul Sycamore gave Tom Swan '50 an opportunity to demonstrate his gift for characterization. Nancy Bare '51, as his daughter Alice, the black sheep of the family who holds down a secretarial job and loves the boss' son, was up to her usual excellent standard.

William Keller '50, specialist in all kinds of comedy and particularly those requiring an accent, was perfect as Mr. Kolenchov. Manuel Parseghian '51, who played Mr. DePinna, the ice man who comes to the house one day on business and stays for eight years, was equally good.

Rhea and Donald, the dusky pair who dish up the corn flakes three times a day and make their home in the kitchen, were cleverly played by Anne Hughes '50 and Pat Dougherty '49.

John Ulmer '49, making his last appearance on the Ursinus stage, scored a personal success as Mr. Kirby who has been a good provider, if an inadequate husband. The repressed Mrs. Kirby was played with appropriate disdain by Nancy Brasch '51. Tom Davis '52 rounded out the Kirby clan well as son Tony, the personable chap who loves Alice in spite of, or maybe because of her family, and spends most of his time trying to prove it.

The part of Gay Wellington, a promiscuous actress who has a few too many and spends most of the second act out like a light on the day bed, was expertly acted by Mary Dee Weinberg '49, while Jane Nagel '49 was perfect as the eye-filling Duchess. (With a few waitresses like that on hand Child's should drive Horn and Hardarts out of business in no time at all.)

Fred Beckhardt '50 literally brought the house down as Henderson, the Internal Revenue man; and Dick Reid '49, Dave Bahney '49, and John Vance '49 all looked and talked like bona fide G-men.

The production offered convincing proof of much behind-the-scenes labor. The smoothness with which it progressed speaks well for Mr. Donald Helfferich, the guiding hand behind all Curtain Club productions, and for student director Dick Brandon. The set served as a perfect background for the entirely commendable presentation.

## A SPECIAL OFFER TO THE GRADUATING CLASS . . . JUNE '49

### You May Be Accepted for an Early U. S. Air Force Aviation Cadet Training Class

If you are a college graduate, married or single, between the ages of 20 and 26½ and physically and morally qualified, you may be accepted for assignment in the U. S. Air Force Aviation Cadet classes starting in late summer or early fall.

You get a well-planned course, valued at \$35,000 . . . this includes about 275 hours of flight training, and the finest aviation education and executive training in the world.

### Win your wings and then start a career with a future . . .

College men are today's leaders of the U. S. Air Force. With new and complex aircraft and equipment being developed, scientific research becomes more and more important, increasing the need for college-trained men.

As a college graduate you will have an unlimited future in aviation fields of personnel management, operations, matériel, supply, research and development.

It's a year of learning, flying and time for recreation with a hand-picked top-string team of Americans.

Upon assignment to an Aviation Cadet class you will be sent to one of the U. S. Air Force bases

in Texas for the world's finest aviation training.

Here you will receive about 175 hours of flying instruction in the Texan T-6 trainer plus an extensive course in aviation education and executive training. Navigation, fuels, weather, radio and radar are some of the subjects you will take.

During this training period you'll find plenty of hard, fast action to keep you fit and trim . . . the best athletic facilities are available. Upon completion of training, you will win your silver wings and receive a Reserve commission as second lieutenant in the U. S. Air Force. Outstanding graduates receive Regular commissions upon graduation.

#### OFFICER CANDIDATE SCHOOL FOR COLLEGE GRADUATES

If you can meet the high standards required of candidates for officer training, there's a real future for you in the U. S. Air Force. Capable young executives are needed for positions of responsibility in non-flying assignments . . . management, communications, engineering, research and other fields. That is why the Air Force is offering qualified, ambitious men and women with college training an opportunity to prepare for leadership in the air age.

#### WIN YOUR WINGS

#### U. S. AIR FORCE

Single or married men with two years of college (or who can pass an equivalent examination) between ages of 20 and 26½ with high physical and moral qualifications, act now! # Garnet Strength Defeats Bruin, Drexel Tracksters

by Steve Arvanitis '49

In the only triangular meet held at Patterson Field this spring, the men of Swarthmore easily ran to a victory over second place Ursinus and the end team, Drexel, on Wednesday. Ursinus and Swarthmore each had six first places, and a first place tie, while Drexel took a win in only one event. Here again it can be seen that while the Bear cindermen were equal to their competition in the ability to take first places, the lack of depth in these events and the complete dearth of scorers in three others kept Ursinus on the short end of the score.

As has happened in every hundred yard dash in the last two years, Russ Binder took that event in rapid stride, and scored five points for the home squad. Big George Kennedy, the most successful weight man an Ursinus track team has ever boasted, took top honors in both the shot put and the discus, and still remains undefeated in the latter. Smiling Clem Compstone made up for his defeat on Saturday by hurling the javelin ten feet farther than his closest competitor and remains a steady point-getter for mentor Ray Gurzynski.

There has been no track meet in the last two years without at least one victory for versatile Bill Turner, who came through with a first in the 220 low hurdles, plus a tie in the pole vault. The last Ursinus win was provided by hustling Herman Lintner in the two mile run. Freshman Lintner kept close to the pack for seven of the required eight laps, and then in one of the most exciting finishes this season ran completely away from his antagonists, and came in with a burst of speed fast enough to establish a new Patterson Field record for Ursinus men.

Bob Mochel and Hugh Battin starred for the victors, and there were always plenty of maroon jerseys crossing paydirt in every event, thus giving Swarthmore the 79 points necessary to win the track meet. Ursinus grossed 50 points, and Drexel scored 24.

# Genial Coach Heads Grizzly Cindermen

Since 1947 the coach of the Ursinus track team has been genial Ray Gurzynski, and since the spring of that year Ursinus athletes and men students alike have come to know and appreciate the value of the hard-working coach.

Mr. Gurzynski originally came from Catasauqua to Ursinus College, and was graduated with a B.A. degree in 1937. While an undergrad, he received varsity letters in baseball and football. From Ursinus he went to Stuart Junior High in Norristown as athletic director; during his seven years at that institution he worked for his masters degree at Temple. Besides being head man in track, he is assistant coach in football and teaches several classes in physical education. Mr. Gurzynski also found time to get married and start a family, and has one boy and one girl.

Out on the track his young and worthy crew knows him as a conscientious hard-working mentor who has time for everyone and who is interested in each man as a performing individual. Ray can take honors for producing some very capable performers from potential raw material, notable among them middle Atlantic champions George Kennedy and Russ Binder, and star two-miler Herman Lintner.

# FROM THE SIDELINES

by George Saurman '50

Last Thursday the Haverford cricket team decisively defeated the Bruin aggregation on the victor's circled field to retain possession of the J. Alison Scott cup. This is the oldest of intercollegiate trophies in the country, having been first awarded in 1881.

The Ursinus scoring was weak last Thursday, despite the seven runs tallied by John Peterson and the five scored by Jim Callan. The Fords won by an easy margin of sixty runs.

Because of the uniqueness of this ancient ancestor of baseball and hockey, we have obtained the following information from Dr. Donald Baker, Classics professor, who is responsible for keeping cricket alive on the Ursinus sports' scene.

Formerly, this game was played at several of the colleges of the eastern United States; but golf, tennis, two world wars, and "spectatoritis" have combined with other factors to eliminate cricket largely at the intercollegiate level. At the opening of World War II there were four colleges participating. The sport was abandoned at Princeton and the University of Pennsylvania during the war and has not yet been revived, but both Haverford and Ursinus have managed to keep the spark alive.

This year, however, Harvard and Lincoln University have taken up the game anew; and if these two

clubs are admitted to the league, the interest and competition are bound to climb.

The game of cricket, while similar to baseball in some respects, differs from the modern sport. The batters run back and forth between two wickets to score runs. These wickets are sixty-six feet apart and consist of three stakes on which are balanced two short sticks which fall off if the ball touches the wicket. The bowler, who corresponds to the pitcher, tries to hit the wicket. If he succeeds, the batter is out.

The batter's task is to guard his wicket and at the same time attempt to hit the ball far enough to allow him to reach the other wicket before the ball is returned by the fielder. If the batter does not believe he can safely run to the other wicket after hitting the ball, he does not need to.

There are no balls, strikes, or fouls, but any fly which is caught retires the batter. However, he is entitled to remain at bat until he is put out and can score several runs. The catch is that he gets only one turn at bat. When each of the eleven men who compose the squad have batted, the side is retired and the other team gets its turn to bat. One inning is all that is customarily played in this country.

# Bruins Take Albright 3-2; Submit 5-4 to Haverford

## Bruin Strategy Proves Decisive In Recent Game With Albright

On Friday afternoon a determined group of Ursinus ball players departed for Reading to take on the Albright nine and did not start on the return trip until they had secured a 3-2 verdict in their favor.

Don Stauffer did a tremendous job on the hill for the Bruins, yielding only nine well-scattered hits. One man crossed the plate in the initial frame to give the home squad a one run lead which looked big enough until the visiting Bears broke out of hibernation in their half of the eighth inning to score three runs.

Dick Cherry was the hero of the day by virtue of one of the most thrilling plays ever witnessed on a college diamond. Art Baron had drawn a base on balls to begin the inning and pitcher Don Stauffer, attempting to sacrifice him to second, was safe on an error. With instructions to lay down a bunt, Cherry took a bad pitch and observed the defense.

On the next throw, Dick punched the ball between the charging infielders and proceeded to second base before the right fielder could recover sufficiently to field the ball. The tying run had scored but the enraged Bruins added two more before calling a halt.

## Fords Score Five in First Frame; Local Nine Fails To Close Gap

The Ursinus ball-and-glove men dropped their second tilt of the season to the Haverford nine by a hairbreadth 5-4 decision Wednesday afternoon on the home grounds. A small group of fans braved the blistery weather to watch hard-working Ron Landes take the mound for the locals against the Ford's Hibberd.

The Mainliners took advantage of the poor pitching condition in the initial frame, as they used five base hits to score an equal number of runs. However, that concluded the Fords' scoring, since 'Lefty' pitched shut-out ball for eight innings and fanned eight Haverford batsmen.

Hap Hallinger started the Bruin rally in the second frame with the first of his three hits and tallied on two fielding miscues. Three more men crossed the home plate in the third. Bob Gehman led off the inning with a single, followed by Dick Cherry's walk and Harry Light's sacrifice bunt. Two more errors by the Randall proteges enabled Cherry and Gehman to score, while shrewd Dave Bahney later hustled home on a fielder's choice.

In spite of two more singles by Hallinger and six occasions when the Bruins had men on second, they failed to push across the tying run.

# Softball Team Stops Temple Lassies 9-4 To Stay Undefeated

The Ursinus girls' softball team triumphed over Temple 9-4 last Wednesday on Temple's field.

Ursinus earned a run in the first inning on a walk issued to Mary Evans and a double to right field by Spencer. Temple came right back to gain two runs in their half of the second. Louis Lenco got to first and moved to second on errors; Flossie Green was issued a walk, and on succeeding plays both came in to score on passed balls.

At this point things looked black for the Ursinus aggregation but because of four Temple errors and a single by lefty Sue Leinbach, the Belle's came through with three big runs to lead 4-2.

Temple went down in one-two-three order in the next two innings while the Bearettes garnered five more runs. Hits by Charlotte Hohenstein and Corky Ford with the help of two Ursinus errors gave the Owlettes their last two runs.

Marguerite Spencer and Sue Leinbach led the Bearettes' attack with two hits each. Outstanding in the game were B. J. Moyer, who allowed only three hits and struck out four; and Corky Ford, the Owl-ette shortfielder. The game was marked by many errors on both sides—even by temple and ten by Ursinus.

## Belles' Court Squad Achieves Initial Win

The coed tennis team journeyed to Reading last Monday to meet the Albright varsity. There the squad was able to gain its first victory of the season, 3-1.

Anita Frick seemed to have achieved a perfection in her game that had not been evident in previous matches. Frickie's powerful shots and her ability to place the ball deep in the court proved too much for Albright's Joan Peek. Jody Woodruff also proved to be better than her competitor, and her smashing drives kept Doris Channin in a precarious position. Doris Greenwood came through with a victory over her opponent by the score of 6-2; 7-5. With this win by "Greenie," Ursinus swept the three singles matches.

The only loss for Ursinus was dealt to the first doubles players, Floy Lewis and Jean Daniels, who were defeated 6-4; 3-6; 2-6. The match was shortened by thunder showers which rained out the second doubles match. When this competition was stopped, each team had one set to its credit. The final score put Ursinus on top 3-1.

1. Singles—Frick vs Peek (U) 6-3, 6-0; 2nd Singles — Woodruff vs Channin (U) 6-1, 6-3; 3rd Singles—Greenwood vs McGee (U) 6-2, 7-5.  
1st Doubles—Lewis & Daniels vs Baker and Mange (A) 6-4, 3-6, 2-6; 2nd Doubles—Christian and M. Daniels vs Boyer and Long—cancelled because of rain.

# Russ Binder Retains Title As MA Sprint Champion

Paced by Russ Binder, George Kennedy and Bill Turner, a five-man Ursinus track squad took eighth place in the Middle Atlantic Championships held at Gettysburg last Friday and Saturday afternoons. St. Joseph's took top honors.

Champ Russell Binder remained undefeated in the 100-yard-dash, but had his closest call in several years of competition in the final on Saturday. Due to the inconsistent starting, Russ held back to keep from being disqualified. He was in fourth place at the 50 yard line, but finished five yards ahead of the second man. His official clocking was 10.00 seconds flat, though many spectators timed Russ in 9.8.

## Playoffs Due Soon In Campus Softball

The intramural softball league moved into its final phase last week as a total of eight games was reeled off. There remain only several postponed games to be played.

In the opening game Monday evening, 9th Street turned back Curtis II 9-5. Bill Young was the winning pitcher. In the second game, Annex II rallied to defeat Trappe 12-6.

On Tuesday evening Annex I displayed plenty of hitting power in defeating Freeland 17-5. In the second game Brodbeck and Derr put on a thriller that finally saw Brodbeck win 6-5. Ed Stevens was the winner in a relief role. Don Young made two sensational stops to aid the Brodbeck cause.

Norristown posted a 5-2 victory over Trappe Wednesday evening. Big Bob Mitchell was the winning pitcher. This was Norristown's fourth straight victory. In the nightcap, veteran Bill Young shut-out Collegeville, allowing only one hit as 9th Street triumphed 9-0.

In a very important game Thursday, Curtis II took undisputed possession of first place in League I by outscoring Stine 6-3. Ray Dippel turned in his fourth win of the season in this game. In the second game Curtis II defeated Annex II 13-12. Steve Muench hit a three-run homer for Curtis II in the first inning.

In League I Curtis is in first place with four wins, followed by Stine and Annex I. In League II Norristown is on top with 9th Street in second place. Curtis II and Annex II are tied for third. Lew Wilt has announced that playoffs will begin as soon as the postponements are made up.

## Ursinus Loses 9-0 On Albright Courts

In their trip to Albright on Friday afternoon the Bruin netmen yielded 9-0 to the Reading squad. In addition to the match played with Drexel this afternoon, the Bears will meet Haverford on Tuesday. Both of these matches were formally postponed by bad weather.

**Friday's Results**  
Singles: Mengel defeated Walsh 6-1, 6-3; Dohner defeated Dewees 7-5, 8-6; Ruoff defeated Benenotti 6-1, 6-2; Kane defeated Lyttle 6-1, 6-3; Kissinger defeated McManimen 6-0, 6-2; Shenk defeated Jones 6-2, 6-4.

Doubles: Mengel and Kane defeated Walsh and Dewees 6-4, 6-1; Ruoff and Kissinger defeated Benenotti and McManimen 6-2, 6-3 Shenk and Dohner defeated Lyttle and Jones 4-6, 6-3, 6-3.

undefeated in the 100-yard-dash, years of competition in the final on Saturday. Due to the inconsistent starting, Russ held back to keep from being disqualified. He was in fourth place at the 50 yard line, but finished five yards ahead of the second man. His official clocking was 10.00 seconds flat, though many spectators timed Russ in 9.8.

Ralph Ziegler was the only other Bruin track man to compete. Ralph got through the low hurdle trials on Friday, but was unable to qualify for the final. Tom Foley of St. Joseph's, defending titlist, won the semi-final and final of the low barrier event in 0:25.2 seconds.

Saturday things brightened with the arrival at the battlefield of the fieldmen, defending discus champ George Kennedy, pole vaulter Bill Turner, and javelin thrower Don Cumpstone. Al Harnley of Albright broke the only meet record of the day in the javelin by heaving the spear 201 ft. 7 in., while Cumpstone failed to qualify.

Team captain George Kennedy lost his discus title to Einbecker of Lafayette whose toss of 139' 10 7/8" was good enough for first place. Kennedy was unable to break into the shot put scoring despite the best put of his career of over 43 ft.

Bill Turner shared fifth place in the pole vault with six other men. Jim Tuppeny of LaSalle captured top honors with a 12' 3" vault.

**Golfers Triumph Over Moravian; Bow to Delaware's Blue Hens**

Playing on a soggy turf at Jeffersonville last Tuesday, the local linksmen downed the Moravian team 7 1/2-1 1/2 for their initial victory. The Friday match at Delaware was a victory for the Blue Hens by the identical score.

In the Moravian match, Lew Hatch of the Bears won over Merritt Rutt 1 up while Bob Davis took Sam Cann 2 and 1 after being 3 down at the turn. The Ursinus duo took best ball 5 and 4. Bob Buzzard lost 4 and 2 but John Martin won over Fritz Quinn 5 and 4 and the Bruins gained a point with the best ball. Chet Johnson and Jack Thalheimer received two points, each winning 5 and 3. The best ball was halved, both Moravian and Ursinus gaining a half point.

Hatch came through with the only Bruin victory in the Delaware match beating Ed Wilson 1 up.

dent, intending to remain in the United States after graduation and to become a citizen. He will study here for at least two years and will be aided financially by the college and the Y.

The administration has voted him a full tuition scholarship and the Y has guaranteed him eight hundred dollars for the first year, with an unwritten understanding to continue that aid in the second year.

Five hundred dollars will be taken directly from the Y budget and the rest, it is hoped, will be provided by other campus organizations or by special Y activities during the year. In addition, the DP student will be given a self-help job and arrangements for summer-time work will be made by the Y.

In compliance with the United States statute, he will have to live off campus, but it is hoped that he may be permitted to eat in the campus dining-room. Every effort will be made to enable him to feel at home and become a member of our campus society.

Dr. Norman McClure, college president, Rev. Alfred Creager, college chaplain, Nancy Bare '51, and Dave Monjar '51 deserve special credit for giving their time and effort in making these arrangements. The Y believes that the student body is in sympathy with this project and will co-operate to make the college life of this fellow student the happiest and most memorable time of his life.

persons die prematurely every minute from this disease.

The three great factors which produce tuberculosis are ignorance, poverty and filth. For this reason epidemics usually reach their peaks during wartime. Among persons between the ages of twenty and twenty-five, there is a sharp increase in the death rate, and there is a predominance of the disease at that age in females.

Ironically, it was found that the class of people with the highest percentage of tuberculosis is the medical students. Their susceptibility can be attributed to lowered resistance and exposure to the germ.

**Tau Sig Elects Future Officers**

Sue Letson '50 was recently elected president of Tau Sigma Gamma sorority for the coming year. Other officers named were: Gladys Miller '50, vice-president; Doris Neill '50, recording secretary; Marilyn Joyce Miller '51, corresponding secretary; and Marjorie Justice '51, treasurer.

The group plans to spend the coming week-end at the Ocean City home of Vera Wanger '49. The annual dinner-dance will be held at the Plymouth Country Club on June 3.

sences may be excused under rule 23. Three unexcused absences from Chapel are allowed during a term. Persons exceeding this number of unexcused absences will be given five demerits for each unexcused absence. The Dean of Men will impose these demerits and report them to the Dean and to the Faculty.

It is hoped that students will co-operate in making the Chapel services a worthwhile period of group worship, rather than something to be endured. The lack of reverence shown during previous Chapel services is recognized as a serious problem, and efforts will be made to improve next year's services and to insure a more reverent atmosphere.

**Chess Club Elects Johnson Prexy**

The last official meeting of the Chess Club was held last Thursday evening. The club elected the following officers for next year: president, Wes Johnson '50; Bill Brown '51, secretary-treasurer. The departing seniors presented a gift to Dr. Manning, club supervisor. Bill Weber, Tom Kimes, and George Dillinger were appointed to the Montgomery County Chess Team. The group will play the Philadelphia Chess Team in Philadelphia Friday.
