'Late George Apley' Tryouts Underway; Chairmen Named

"The Late George Apley," by John P. Marquand and George S. Kaufman, to be presented May 7 and 8, has been chosen as the spring production of the Curtain Club. The play deals with the snobbish tradition of Boston's Beacon Street residents and George Apley's unsuccessful attempt to make himself accept modern ideas.

Final tryouts for all parts in the play will be held tomorrow evening at 8:30 p. m. in Superhouse.

The committee chairmen are as follows: Costumes, Jean Stringfield '49; Stage Committee, Sally App '50; Properties, Norma Veith '48; Publicity, Lou Harr '49; Tickets, Dick Wentz '48. Pat Dougherty '49 is the stage manager. The cast of the play has not yet been chosen.

The following members of the Curtain Club have been promoted for their work in the recent production, "The Little Foxes": William Keller '50, Fred Tischler '49, and Charles Williamson '50 from player to star; Emile Schmidt '51 from understudy to player; Mary Lou Roy '49 from extra to understudy plus; and Murray Grove '51 from extra to extra plus. Other promotions will be announced at a future meeting of the club.

Story of Holy Week Described At Vesper Service Last Evening

The beautiful and moving story of Holy Week was told in scripture, poetry, and music at the Vesper service last evening.

Luther Heist '50 and Ruth Strassburger '49 related the Passion events from the triumphal entry, through the crucifixion, to the glorious resurrection.

A vocal solo "The Palms," by John Krist '51, and a trumpet solo "Consider and Hear Me," by Norman Harberger '50, emphasized the reverent and joyful spirit of the season.

Alda Thompson '50, Dorothy Kuntz '49, and Richard Carson '50 were accompanists.

Local Principal Addresses FTA On Subject of School Discipline

Speaking from the point of view of the secondary school teacher, Mr. Louis Krug, principal of Collegeville-Trappe High School, presented a very detailed and practical outline of both constructive and negative discipline at the regular monthly meeting of the Future Teachers of America held last Monday evening in Bomberger Hall.

Mr. Krug discussed all phases of discipline in the high school and made many specific recommendations for the new teacher.

Dean Evans, FTA President, announced plans for the April and May meetings and urged all members to pay 25 cent dues to the treasurer, Eleanor Baum '48. This money will help defray the expenses of the proposed picnic to be held at Mr. J. A. Minnich's in April. Jean Robertson '48, FTA social committee chairman, is in charge of the affair.

EASTER CANTATA CANCELLED

Due to the many rehearsals needed for the operetta, "The Mikado," the Easter Cantata will not be held this year.

Music of Ray Eberle To Highlight Jr. Prom

With the Junior Prom scheduled for April 16 at Sunnysbrook, plans are getting underway for the event which will bring Ray Eberle here, the first name band to be featured at an Ursinus dance.

Bids for the prom will be available the week after Easter vacation and are gratis to all students. Souvenir programs, illustrated with pictures of Eberle's band and vocalists, may be obtained for 50 cents.

Cub and Key Tapping

As is customary, during the dance the Cub and Key, men's honor society, will tap new members, and one of the junior women will be crowned as Prom Queen.

Alumni will be able to purchase tickets at Sunnysbrook for \$3.00 a couple, tax included.

The dance is "all-formal." Tux or tails will be the required attire for men.

May Pageant Script Selected by Judges

The selection committee of the Ursinus Women's Circle has announced the winning May Pageant for the forthcoming production. The pageant selected is "The Coming of Spring" by Barbara Shumaker, a sophomore English major. The theme of the pageant deals with the advent and departure of the various seasons of the year with spring ultimately reigning victorious. It is unique and adaptable to new innovations allowing for larger cast and a different setting.

Committee chairmen have also been selected. They are as follows: Music, Helen Gorson '48; Costumes, Carol Schoeppe '48; Program, Hilda Anderson '48 (art), Nancy Twinning '48 (literary); Publicity, Ellen Esterbrook '48; Grounds, Evelyn Moyer '48; Properties, Marion Bosler '48; Hospitality, Pauline Muntz '48.

Women's Mass Meeting

There will be a mass meeting of all women students on Tuesday, April 6, at 4:15 p. m. in S-12. Movies of former pageants will be shown, committee chairmen will announce their prospective plans, and students will sign up for respective committees at this time. Try-outs for parts in the pageant will be held in Rec Center on April 7 and 8 from 3-5 p. m.

URSINUS DELEGATES ATTEND REGIONAL MEETING OF I.C.G.

As preparation for the state-wide Intercollegiate Conference on Government to be held April 9 and 10, twelve students from Ursinus attended a regional conference at the Havertown Unit of Temple University on Saturday, March 13. The delegation, headed by James Lorimer '49, included Dorothy Arden Dean '49, John Harsch '48, Harry Weinmann '49, Helen Fretz '48, Chadwick Alger '50, Frank Edwards '50, Robert Herber '51, Eleanor Smiley '50, and Walter Rohlfs '50.

Conference at Penn

The state conference will be held in Irving auditorium of the University of Pennsylvania on April 10. Committee meetings will be held the previous day in the Bellevue Stratford Hotel, which is to be the national headquarters of the Republican Party. Model political platforms will be drawn up in these meetings and introduced on the floor of the full convention. The forty-five schools expected to be in attendance will decide on a party platform and elect a president from the list of present Republican candidates.

Each school will be entitled to one vote for each of the twenty-five delegates it is authorized to send. As the Ursinus quota has not yet been filled, it is requested that all interested persons contact James Lorimer as soon as possible.

Religious Emphasis Week Opens April 7; Yale Professor To Head Speakers' List

Liston Pope, Yale Professor, will open the YM-YW Religious Emphasis Week on Wednesday evening, April 7, with an address on the theme of the week's program, "A Christian Faces a Disillusioned World." Dr. Pope, Gilbert L. Stark Professor of Social Ethics at Yale Divinity School, is well qualified to speak on this theme. Besides his teaching duties, Dr. Pope is the author of "Millhands and Preachers" and "Labor's

DR. LISTON POPE

Relation to the Church and Community." For two years, from 1944 to 1946, he served as the chairman of the Industrial Relations Division of the Federal Council of Churches.

The entire program for Religious Emphasis Week is a varied, interesting, and worthwhile one for students living in an Atomic Age, facing the possibility of another catastrophe greater than World War II, and often-times doubting the value and validity of Christianity. Some of these doubts and thoughts may be expressed in the discussions on the pertinent topic, "What Is My Place in This World?" Three ministers, the Rev. Edward L. Schlingman, the Rev. Michael R. Schmidt, and the Rev. Alfred L. Creager will be resource leaders for group meetings in the reception rooms of Freeland, Shreiner, and Duryea Halls.

On Sunday, April 11, the concluding day of the week's program, the Rev. Charles Swantes will preach at a morning church service in Bomberger Chapel. This service is being planned by the Brotherhood of St. Paul. In the evening, Dr. Maurice Armstrong, professor of history here, will speak at an outdoor Vesper Service.

Although much of the program is devoted to serious thought and discussion, an adequate amount of entertainment has been planned. On Friday evening a dramatic program, "Between Your Hands," given by a choral speaking group, will be presented in Bomberger Chapel. Recreation for everyone is provided for Saturday afternoon. In the evening, a barn dance will be given in the gym, featuring William Weber '49, as caller.

Irish Air Pervades Gym for Soph Hop

A festive air, with a hint of the Emerald Isle, invaded the Thompson-Gay gymnasium on Friday night when the sophomore class took over the field house for their annual semi-formal dance, honoring St. Patrick.

Approximately 220 couples tripped the light fantastic to the music of the Warner-Haines orchestra. Vocalist "Pete" Miller supplemented the eleven-man outfit, giving a smooth arrangement to popular ballads. This was the initial appearance of the rhythm-makers at Ursinus.

The affair was the first major class dance given in the gymnasium since 1946 when the increased enrollment introduced the "Sunnysbrook vogue" to the Collegeville campus.

Faculty Guests

Guests of honor were Dr. and Mrs. Norman E. McClure, Mr. and Mrs. Donald L. Helfferich, Dr. and Mrs. John W. Clawson, Mr. and Mrs. G. Seiber Pancoast, and Miss Camilla B. Stahr. Mr. and Mrs. Calvin D. Yost, Jr., and Mr. and Mrs. Roger P. Staiger served as chaperones.

John Webb '50 was chairman of the dance committee. Assisting him were Sue Letson, Doris Neill, Winifred Pattison, Richard Harris, Ray Dipple, Barbara Shumaker, Alice Thompson, Arthur Hatler, Edward Robinson, Alvin Knepper, and Edward Myers.

Chem Society Tours Paint Plant

On Wednesday the Beardwood Chemical Society visited the John T. Lewis plant in Philadelphia.

Highlights of the trip were the various processes used in making "Dutch Boy" lead paints. The group, made up mostly of seniors, saw how the lead bars were made into litharge. The litharge in turn treated with linseed oil and coloring material gave the final product, "Dutch Boy" lead paint, used in the painting of homes throughout the world.

Faculty Will Consider Plan for Radio Station

The plan for an Ursinus College radio station, which was submitted to the Board of Directors by the American Veterans Committee on March 12, is now under the consideration of the faculty.

A favorable vote by the members of the faculty is necessary to pass the proposal. If the plan is approved, operation of the station will be handled by the students with the aid of faculty advisors.

Although the plan has been submitted by the AVC, its success is up to the students and campus organizations who will have the task of operating and supervising it. It is believed that a radio station on campus would offer both entertainment of an educational nature and an opportunity for students to gain experience in the field of radio.

HOSPITAL DIRECTOR TO TALK ON USE OF SHOCK TREATMENT

On Tuesday evening, April 6, at 7:45 p. m., in S-12, Dr. Hugo Mella, director of the Veterans' Hospital in Coatesville, will give a talk on "The Application and Meaning of Shock Treatment." Although the discussion will be of primary interest to pre-med students, the subject is of general interest to all students.

Dr. Mella is a retired colonel, U. S. Army, and formerly instructed in neurology and neuro pathology at the Harvard Medical School. He belongs to many outstanding medical societies. At the University of Colorado, he was an associate professor in neuro-pathology.

Everyone is invited to the lecture.

"Y" Fireside Chats Conducted At Profs.' Homes Wednesday

The "Y" Fireside Chats of the past week once again proved successful. The meetings were held on Wednesday evening at the homes of Dr. Helen Garrett, Dr. John T. Heilemann and Dr. Eugene Miller, all members of the Ursinus faculty. The coming Presidential election was the topic for discussion.

There was a general agreement among the three groups that no presidential candidate at the moment seems sufficiently able to carry on the work of our nation at this distressing time. Discussion centered around the Marshall Plan, the Communist threat, the president's speech of that day, and the possibility of a dark horse candidate. Two of the groups felt that Harold Stassen would prove most satisfactory while the third favored Senator Vandenberg.

The "Y" extends thanks to Dr. Garrett, Dr. Heilemann, and Dr. Miller for their able assistance.

All campus groups are urged to send a representative.

See where the Bearette swimmers broke into the win column with a verdict over Chestnut Hill's aquatic lassies last week. Our mermaids deserve a lot of credit for their efforts this season. In the face of well-nigh insurmountable odds, and little or no backing from anyone, this group of ambitious lassies, coached by Mrs. Betty Dando, have waded through a tough schedule admirably. Several fine performances have been turned in against such swimming powers as Penn, Temple, and Swarthmore. Hats off to you, gals!

Muhlenberg's court powerhouse certainly ran off with the Middle Atlantic Conference diadem in short order, thrashing PMC, 95-31, and Moravian, 63-52. Harry Donovan, one of the finest basketballers in collegiate ranks, took the most valuable player trophy hands down. The Mules certainly outclassed the rest of the field in the playoffs and this feat helps bear out the fact that the Northern and Western Divisions are superior to the Southern loop in the calibre of play exhibited this season, as Moravian took the other finalist spot in the playoffs.

With spring busting out all over, the lively crack of the bat meeting the horsehide in baseball practice, the crunch of cinders under the speeding trackmen's feet, and the dull thud of the tennis racquets volleying pellets back and forth over the nets will be welcome sounds to the ears of spring sports followers. It's kinda nice to be able to get out in the open air and sunshine once more to enjoy the various types of athletics one indulges in, instead of being cooped up in a stuffy, sweaty gymnasium while seeking a workout with a basketball or a pair of boxing gloves!

Prognostication . . .

About this time of the year everyone starts babbling over the American and National loop pennant parades once more. Every respective diamond fan starts building up hopes for his individual Major League choice in each circuit, and just about every club in either league is picked by someone

Bruin Diamond Squad Prepares for April 10 Elizabethtown Opener

With a full week of practice under their belts, the proteges of Coach Sieb Pancoast are gradually romping into shape for their season inaugural against Elizabethtown, April 10 on the latter's diamond. The batterymen had been working out indoors until last Thursday's balmy breezes prompted Pancoast to call out his entire squad to join them for some much needed hitting sessions on the practice field.

Todd, Landes Back

Hurler Ron Landes, left handed veteran of last year's aggregation, heads a mound staff consisting of George Saurman, another holdover, and newcomer Art Barron, E. J. Helmbrech, Don Stauffer, Bob Quay, and Hank Mazur. The catching berth embraces Roy Todd, last season's mittman, Clyde Smith-caugh, promising frosh receiver, and Wally Widholm, basketball luminary. Freshman Chris Christensen is another capable backstop vying for the job.

In the inner cordon, which is wide open, Dave Bahney is expected to patrol the initial hassock with Bobby Gehman cavorting about the keystone sack. Archie Simons, Hap Hallinger and Tweet Troutman, all veterans of previous Red, Old Gold, and Black diamond wars, will be in the scrap for infield slots. Don Weisel, southpaw first sacker, is expected to press Bahney for a starting job, and several promising newcomers are displaying sufficient talent to make things interesting for the above named candidates.

The outfield, which is as indefinite as the rest of the ball club at this early date, has several brilliant prospects. Holdovers Pete Tenewitz, Dale White, and Eddie Miller head the parade of prospective fly chasers seeking first string slots on the 1948 Bruin nine.

Three Vet Outfielders

Although it is a trifle early to prognosticate on the chances of the still embryonic Grizzly diamond representatives, one thing is certain. The charges of Sieb Pancoast will certainly display an aggressive, hustling brand of ball this coming season. The spirit and ability exhibited in the workouts to date indicate that our Bear baseballers will make it hot for all of their opponents during the approaching season.

Coeds Complete Season With Eight Wins By Whipping Swarthmore Sextet, 30-22

On Tuesday the Ursinus girls' basketball varsity team wound up its season by downing the Swarthmore varsity, 30-22 here. The Bearettes' successful season included eight wins, one tie, and one defeat.

The winners initiated the first half scoring when Edith Calhoun collected two points on a lay-up shot. Myer countered with a bucket for the Garnet sextet. Anita Frick then swished in four field goals and three foul shots to rack up eleven points for the Red, Old Gold and Black. Bugs Calhoun and Joanne Duncan each sank one to give the Bearettes a 17 point bulge at halftime.

Ursinus guards, Captain Betty Jean Moyer, Floy Lewis and Mary Evans played under an extreme height disadvantage but managed to check the visitors' high-scoring forwards.

Jayvees Triumph

Starting off the third quarter the Garnet offense perked up and Myer opened the period with a lay-up shot. Frick tallied two more points for Ursinus, only to have Meyer and her teammate Pfau each sink one. Duncan collected four points for Snelles Belles on Scotch tosses and Bugs and Frick took care of the remaining points.

The Jayvees also came through with flying colors winding up the season with a 20-13 victory over the Garnet scrubs. Their season record was eight wins and one defeat.

Junior Ruthie Pettit sparked the attack, racking up five field goals, while Captain Manny Ballantyne took second place honors with eight points.

CURTIS, OFF-CAMPUS SQUADS PAGE INTRAMURAL LEAGUES

This week's games will mark the end of the men's intramural basketball season except for the play-off game to be held on April 6.

Curtis II remains undefeated after squeezing by Off-Campus I, 36-35 Monday night and should capture top honors in League I. In individual scoring, however, Russ Binder has surged ahead of Stan McCausland and now heads both leagues with a total of 49 points for four games. He scored 19 points in last week's contest be-

Baseball Coach Sieb Pancoast announced that there will be a very important meeting of all baseball candidates at 12:30 p. m. tomorrow in Room 4 of Bomberger. It is of the utmost importance that all candidates attend.

DAY STUDY MAINTAINS PACE IN GIRLS' INTERDORM LEAGUE

Still in the lead in the girls' Interdorm loop, the Day Study last week annexed two more victories, over 944 and Maples-Lynnewood, to keep their slate clean.

In their first victory of the week, the Day Hops downed 944, 12-6, but the second battle was a much closer verdict, a 16-15 win over second place Maples-Lynnewood. Edie Hess, with eight points to her credit, led the victors while Pat Pattison rolled up seven tallies for the losers.

In the other interdorm contests of the week, Maples-Lynnewood defeated Shreiner-South, 11-8, with Maples' Polly Mathers taking scoring honors with six points. 944 also fell prey to the Maples sextet, losing 14-11.

tween Curtis I and Brodbeck I. In League II, Off-Campus II is the club to watch. Sparked by Don Stauffer, Ed Kromer, and Dave Monjar, they are the likely outfit to meet Curtis II in the play-off after the Easter vacation.

Swimmers Notch First, Conquer Chestnut Hill

Last Tuesday the girls swimming team scored its first victory of the season by beating Chestnut Hill, 30-27 at the latter's pool. Ursinus captured three firsts as Marion Bosler took the fifty-yard freestyle, Rita Lieb the fifty-yard backstroke and the two-hundred-yard freestyle relay team its event. This latter victory proved to be the deciding one for Ursinus.

The following day the Mermaids suffered a 30-24 defeat at the hands of Bryn Mawr.

Summary:-
50-yard Freestyle—1, Marion Bosler, Ursinus; 2, Maryanne Campbell, Chestnut Hill; 3, Mary McPherson, Ursinus. Time—0:31.3.

Racquetmen Commence Practice; Vance and McCausland Return

On Thursday the men's tennis team opened drills for the coming campaign.

Stan McCausland and John Vance are the only returning lettermen to form the nucleus around which Coach Charles Wallick will have to build his combination.

However, Dave Laning and Burt Landis are both experienced players and should prove valuable.

Among the likely looking newcomers are Bill MacManiman, Dick Lyttle, Sam McElroy, Bill Meinhardt, Stan Gilbert, and Wally Chambers.

The team's first encounter takes place late in April against an invading LaSalle aggregation.

Gridders To Open Drills September 8

Wednesday evening at 6:45 in the Science building, head football coach Kuhrt Wieneke conducted a meeting of all prospective candidates for next fall's edition of the Bear grid machine. The former Norristown High School mentor lectured to the group, briefly outlining next season's pigskin policies, and highlighted the evening by showing interesting movies of some of last autumn's grid classics.

Wieneke opened the meeting by flashing flickers of the '47 Ursinus-Haverford game in which the Bruins defeated the 'Fords, 6-0. Following this, he talked to next year's gridders, stressing the need for physical conditioning and a genuine brand of school spirit. The opening practice session is slated for September 8 with the first tussle booked for October 2 against Drexel. During the speech, Wieneke laid down a temporary practice program which the coaching staff and team alike will endeavor to follow come autumn. The first week of practice will consist of general limbering up maneuvers, after which a seven-day period will be devoted to brushing up on the fundamentals of the game. The third week will see our pigskin warriors indulge in several scrimmage sessions, and the last few days before the season inaugural will be devoted to polishing off the rough edges prior to embarking on their eight game card.

After the talk, the movie "Highlights of the 1947 Football Season" was shown to the prospective gridders, followed by another film explaining the finer points of Australian football.
