Bruins Trip 'Fords For Sixth Success; Ross Notches Win

Haverford played its return engagement with Ursinus on Tuesday, and was again defeated, as the Bears bunched their hits to gain a 7-3 triumph. Lew (Buck) Ross, in his first appearance on the hill this year, although pounded for twelve hits, was effective in the clutches and kept the slugging distributed over the nine frames.

The Fords temporarily went into the lead, on singles by Ralph Jackson and Joe Wood and an error by Jack Kemp on Paul Henkel's grounder, good for one tally. The Bears tied it up in their half on successive walks to Bob Gehman and Kemp followed by Dave Bahney's perfect bunt-single and Dave Ziegler's long fly to center.

In the second canto, the Bruins amassed five safeties to score four runs and take a lead they were never to relinquish.

Haverford collected its one and only earned run in the third. Jackson and Henkels collaborated once more, with a single and double, respectively, and Jackson registered after Jerry Howe's hoist to Eck-enroth. Activity began in the home bull-pen, but the Bridgeport, Conn., heaver regained his composure and pitched shut-out ball until the ninth, when the fourth Bear miscue gave the Fords their final marker.

Ziegler drew a pass in the stretch inning, went to second on John Snyder's one-bagger, took third as relief moundsman Bob White tossed erratically on an at-

(Continued on page 4)

Y Conducts Weekend Of Fellowship, Planning

The YM-YWCA held its annual retreat at University Camp, Green Lane, Pa., this past week-end. A group of thirty-one attended. The program of the retreat was one not only of fellowship, but also of planning for next year's Y program.

Highlight of the weekend was a talk by Harold Viehman, regional secretary of the Student Christian Movement. Mr. Viehman discussed the various methods of Y leadership. His talk was followed by an open discussion on the needs of the students on the Ursinus campus.

Also included on the agenda was a morning watch on Saturday, several other periods devoted to discussion, criticism, and planning, a campfire get-together on Saturday evening, and a Sunday morning church service.

Much of the credit for the week-end success should be given to Frank Pirazzini '49 and Jean Anne Schultz '48, student leaders, and to Rev. and Mrs. Wallick and Mary Johnson, cook, whose fine meals were enjoyed by all.

Campus Briefs

ANNEX DANCE . . .

The men of the Annex invite everyone to a dance to be held from 2 to 5 p. m., Sunday. Refreshments will be served.

HOBO HOP . . .

On Friday evening the Ruby will ring down the curtain on its money-raising activities of the year when it sponsors the Hobo Hop. Admission to the recorded dance will be twenty-five cents. Refreshments will be served and entertainment furnished under the direction of Susan Bellis '48. Any knock-about clothes will suffice as costume for the evening.

MEN'S MAY DAY . . .

On Thursday evening the true Queen of the May will be crowned when the men students present their version of May Day. The names of all characters are being withheld, but programs listing the entire complement will be distributed on the evening of the performance. Richard Clark '48 is directing the annual farce.

NOTICE!

On Thursday afternoon at 4:30 p. m. the new football coach, Kurt Wieneke, wishes to meet all prospective candidates for next year's eleven. It is imperative that everyone connected with last season's football team, as well as any newcomers desiring posts on next fall's gridiron squad report at this time to convene with Coach Wieneke. The meeting will take place in Bomberger Hall, Room 7, and there will be notices posted on the campus to this effect.

Annex Man to Head Next Year's Sophs

Raymond Dippel '50 was chosen by his classmates to fill the post of class president for the coming year at a meeting on Thursday in Pfahler Hall. Ray, who hails from Audubon, N. J., will succeed Richard Davidson.

At the same time the freshmen elected Donald Schultz, vice-president; Doris Neill, secretary; and Richard Kropp, treasurer.

Ray, a former member of the men's council, lives at the Annex, is a member of the Demas fraternity and is active in intramural sports.

Vice-president Don Schultz belongs to Sigma Rho Lambda fraternity, sings in the chapel choir and is active in dramatics and musical activities. Doris Neill, serving her second term as class secretary, is also a member of the WSGA. A member of the track team, treasurer Dick Kropp answers to the roll call of the Demas fraternity.

ALPHA PSI OMEGA WELCOMES SIX CURTAIN CLUB INITIATES

The Delta Tau Chapter of Alpha Psi Omega, honorary dramatic fraternity, held its initiation ceremonies last night at nine o'clock in Bomberger Hall. The new members include Harold Grossman '49, Nelson Yeakel '48, Dean Evans '48, Marian Bell '48, Marjorie Coy '47, and William Lambie '47.

A new system has been set up in the Curtain Club concerning promotion into Alpha Psi Omega. In the past, anyone who accumulated enough points to become a star in the club automatically became a member of the fraternity. Now there is a separation between the two. After a person becomes a star his total number of points gained while a member must equal fifty to qualify him for Alpha Psi Omega. To gain these points a member's work must include acting and direction or production work.

The present officers of Alpha Psi Omega are Andrew Souerwine '47, grand director; Charlene Taylor '47, secretary; and Carolyn Howells '47, stage manager.

LAST FTA PROGRAM FEATURES DISCUSSION OF HORACE MANN

The final meeting of the George Leslie Omwake Chapter of the Future Teachers of America Organization was held Wednesday evening in Bomberger Hall. A program featuring the life of Horace Mann was presented by a group of students. The meeting commemorated the 150th anniversary of the birth of Horace Mann, one of America's leading educators.

Jacqueline Landis '47, presided at the meeting and introduced the speakers for the evening. Charlene Taylor '47 spoke on Mann's early life. Nelson Yeakel '48 discussed Horace Mann as Secretary of the Massachusetts State Board of Education. Catherine Faust '49 spoke on his political activities, and Miriam Schellhase '48 talked on Horace Mann as President of Antioch College. Dorothy Kuntz '49 and Dean Evans '48 spoke on the organization at Antioch.

Dr. Jesse Heiges, faculty sponsor of the organization, spoke briefly of the high percentage of educators found in the American Hall of Fame at New York University.

The meeting was concluded with the discussion of plans for the forthcoming school year.

WSGA Installs Officers At Dinner for Women

Installation of officers, hall presidents, and senate representatives for the 1947-48 Women's Student Government Association was held on Wednesday at the annual installation banquet. Marjorie Coy '47, retiring president and chairman for the banquet, presented the charge and administered the oath to the new president, Dorothy Marple '48. New members of the council, Floy Lewis '49, Sue Letson '50, Pauline Mathers '49, Marian Bell '48, Barbara Yerkes '49, Barbara Shumaker '50, Evelyn Moyer '48, and Marian Bosler '48, were presented their charges by the 1946-47 student council. Each member of the new council and Katherine Chamolou '50, Soph Rules Chairman, was presented with an attractive nose-gay of flowers.

The new president and vice-president administered the oath to the new senate members and hall presidents, respectively.

In appreciation for the guidance and cooperation of the Dean of Women, adviser to the student council, Marjorie Coy presented a corsage to Miss Camilla B. Stahr.

The banquet closed with the singing of the Campus Song.

AVC Aims Delivered By Mr. William Batt

Mr. William Batt, Jr., spoke to a small group of veterans in room 7 on Monday night. Mr. Batt, a graduate of Harvard, was the Democratic candidate for Congress from Montgomery County and is now a member of the National Planning Committee of the AVC (American Veterans' Committee).

The aims of the AVC are to help the veterans and it has lobbied for increased subsistence allowances for veterans, for guaranteed full employment at all times, and presently for economic, but not military, aid to Greece and Turkey.

The AVC has secured veterans' housing at some colleges, as well as club houses and recreation centers. Mr. Batt expressed the hope that an Ursinus chapter would be formed by fall and that the chapter would accomplish something for the veterans here.

FBI Agent Addresses Students

Did you know that one out of four Ursinus students will be affected by a major crime if present conditions go on? In his address to the Legal Society on Wednesday Mr. J. J. Hinze, Assistant Special Agent in charge of the Philadelphia Bureau of Investigation, warned of the serious crime wave facing this country.

Mr. Hinze explained the intricate workings of the FBI. The Fingerprint Department has done amazing work in war and peace to convict criminals and identify civilians in major disasters. Some of the best criminals have been forced to resort to wearing gloves. Exceptional work has been accomplished by using scientific crime detection. A chip of paint from a car, when analyzed, may lead to detection of make of the car.

There are positions available for men and women college graduates; men can apply to the Philadelphia FBI for special agent work and women for clerical and stenographic work. The jobs offer excellent salaries and opportunities for ambitious men and women.

Fifty Hear Messiah Recordings

Tuesday evening at 6:30 p. m., a group of about fifty students gathered in the music room of the library to hear the recordings of this year's Messiah. The program, under the direction of Amy Nezek '49, was composed of records of several choruses sung by the choir with one or two solo parts. The Messiah, an annual Christmas festivity, was recorded this year for the first time by students in the college in the persons of Vangy Tilton '48, and Walter Fehrle '49, with the help of Dr. Heilemann, professor in physics. These records will be added to the collection kept in the music room.

ARCHIE SIMONS

Ruby Show Offers Eye-Filling Co-eds In Modeling Roles

A gorgeous array of thirty-five garments dazzled John Snyder '47, Jules Pearlstone '47, John Dougherty '47, and Isaac Serata '47, the four judges at the fashion show sponsored by the Ruby on Wednesday afternoon.

Summer cottons, silks, playclothes, bathing suits, and handbags styled by popular designers were modeled by Ursinus co-eds. From such a display of finery the board of judges chose eleven charming costumes which were especially appealing. In no particular order, the connoisseurs selected various outfits: a black and white spun rayon dress as worn by Esther White '47, a stunning wood-rose coat-suit, modeled by Jane Nagel '49, and a blue and white chambray frock as worn by Christine Franzen '47. The gray traveler's suit worn by Mildred Wilson '47, received the approved stamp of the board. Many lovely bathing suits received admiring glances from the experts, but a combination worn by Esther White and Jane Rathgeb '47, ranked among the highest. Esther wore a strapless sun dress of white waffle pique while Jane wore a matching bathing suit. Marjorie Coy '47, in a cleverly designed tea rose swim suit, merited much praise. Faith Emerson '49, in a trim polka-dot play suit, and Joan Wilmot '47 modeling a cool green afternoon frock, summed up the "best-bets" according to the exacting judges who had an eye to the practical value, as well as to the attractiveness of their selections.

Language Clubs Elect Officers

On Monday and Tuesday the French and German Clubs held their elections for the coming year.

Following a banquet at the Kopper Kettle on Tuesday evening, Charlotte Stolze '48, was named president of the German Club. Prior to her nomination, Charlotte was secretary of the club and secretary of the Senate. Alfred Roberts '50 was elected vice-president and Helen Derewianka '48, junior representative to the May Court and chairman of the WSSF, was named secretary-treasurer.

Mary Kern '48, who has been an active member in the Curtain Club and Glee Club, was voted the new president of the French Club on Monday evening. Jo Fornari '48, a member of the Newman Club and the YWCA, was named vice-president. Joyce Derstine '50, and Wesley Johnson '49, will serve as secretary and treasurer.

The English Club held its meeting at the home of Dr. McClure at nine o'clock on Monday evening. Dr. Calvin D. Yost, professor of English, spoke on the "History of Ursinus College."

ATTENTION P.L. 346 VETS!

There were 24 P.L. 346 veterans who did not appear at the meeting on Wednesday. In order to avoid subsistence difficulties, etc., it will be necessary for those veterans to come to the auditorium in Bomberger Hall at 12:15 Wednesday, May 21. They will complete the necessary forms at that time.

Class of '48 Names A. Simons, D. Helms To Fill Top Offices

Something of an oddity occurred at the Junior class elections last week when the present officers were all re-elected to serve for the 1947-48 term.

Archie Simons will again head his class as president. Archie has been very active in many extra-curricular activities since his return to Ursinus last year. A phys- edder, he has played varsity soccer and baseball, and owns the distinction of being a member of the Cub and Key, campus honorary fraternity. Archie is also a member of Alpha Phi Epsilon fratern- ity.

Dorothy Helms, a chemistry major here at college, is to be vice-president. She is a member of Alpha Sigma Nu. The re-elected secretary is Mary Elizabeth Flad, a math major and the vice-president of Alpha Sigma Nu for next year. Millard Leute, treasurer, is president of Zeta Chi fraternity.

Richard Clark and Leroy Grabenstein were elected to the positions of co-business managers of the Ruby for next year at this same meeting. Clark, a business major, has already been chosen to head the Pre-Legal Society for the coming year. Leroy will preside over Sigma Rho Lambda fraternity.

Varsity Club Slates Wednesday Banquet

The Varsity Club will hold a banquet at Spring Mountain House in Schwenksville, on Wednesday at 7:00 p. m. A highlight on the social calendar of pre-war days, the event had not been conducted through the war.

The re-organization of the club took place this past March, and at that time officers were elected and plans made to obtain sweaters for all letter-winners here. Membership in the Varsity Club is open to all men of the school who have won a major award in a recognized sport.

In the past, the Varsity Club sponsored the Grizzly Gridder, a football program, and also took charge of a scholarship fund for needy second semester seniors. Both of these functions will be handled again beginning next autumn.

Seth Bakes '48, president of the organization, has announced that guests at the banquet will include members of the Athletic Committee, and Mr. Kuhr Wieneke, new football coach, who will be formally presented at this time.

CHORAL GROUP PICKS OFFICERS AT FINAL BUSINESS MEETING

At a final business meeting of the Meistersingers for this year, the election of the officers for 1947-48 was held. Donald Schultz '50, was elected business manager to take charge of transportation and other arrangements for the group's appearances. The other officers include Marian Bell '48, secretary, Joyce O'Neill '48, treasurer, and Eileen Lockhart '48, librarian.

It was suggested that the Meistersingers have a student conductor to assist Dr. Philip, instructor in music. This job was given, by unanimous consent, to Ian Smith '48.

Dr. Philip announced that, beginning next year, the officers will form an executive committee to work with him in judging tryouts of new members for the organization and in planning concert programs.

Among tentative plans for next year is a concert to be given here some time during the first semester, besides a series of outside engagements.

NOTICE

All P.L. 16 veterans will meet at 12:15 Wednesday, in the auditorium of Bomberger Hall. Additional information is required by the Veterans Administration with reference to summer school.

On Improving the Musical Scene

Every once in awhile we get to thinking about missing links—not that between friend monkey and man, but ones existing in doings here at Ursinus. Rather, it's not the "doings" but the things that aren't done which are our pet gripe of the week.

To be more specific, we're bemoaning the lack of cultural extra-curricular activities in campus life. We've got the baseball, basketball, football, the varied activities of the YM-YWCA, the Curtain Club productions, the Forum, one operetta and the Messiah each year, and we're mighty glad we have them. But do you honestly think the Messiah and an operetta, performed almost exclusively by undergraduates, should be the only musical entertainment offered by a liberal arts college of almost a thousand students?

We think not. Nor do we think the lack of activities in contemporary art and literature should exist, either. And we feel something should be done about it! College ought to be the place where the arts should flourish; college students ought to be the ones to have an opportunity to enjoy concerts and art exhibits. But what opportunities have been open to the undergraduate at Ursinus to see even a second rate pianist or violinist perform? As far as art is concerned, all we ever know about that is gleaned from a few History 1-2 slide lectures.

We advocate that some sort of committee should be set up to arrange a series of programs featuring outstanding musical personalities, artists, and the like. These programs would be presented two or three times a year, similar to the forum series.

The chief objection to such a plan, as we see it, would be the financial end. It's possible, you may argue, for highly endowed colleges to engage Iturbi or Carl Sandburg, but how could we manage it? Our answer is that small colleges have and are managing it. Perhaps a plan similar to the one Marietta College has used, enabling them to obtain Marian Anderson and Rubenstein, would work here. They have brought the town into the organization so that townspeople and students share the financial burden—and enjoyment, too.

Now, while Ursinus is enjoying a peak enrollment, is the time to initiate such a plan, if we're ever to help pull the school out of the cultural rut we feel she's stuck in at the present time.

N. B. T. '48

ALUMNI-SOCIETY NOTES

Officers for 1947-48 were elected in three fraternities during the past week. The results of these elections are as follows:

Alpha Phi Epsilon—President, Richard Clark '48; vice-president, David Bahney '49; secretary, George Dougherty '50; treasurer, John Vance '50; archives keeper, Donald Boyer '49.

Beta Sigma Lambda—President, Frank Pirazzini '49; vice-president, Jack Brill '49; treasurer, Frank Everett '49; secretary, Richard Wentz '49; corresponding secretary, Ray Warner '49; Inter-Fraternity Council representative, Harold Buckner '49.

Sigma Rho Lambda—President, Leroy Grabenstein '48; vice-president, Chad Alger '50; secretary, Werner Hollendonner '50.

GAFF from the GRIZZLY

Some folks thing that blushing is a lost art among women, but Ursinus co-eds reddened en masse at the WSGA installations upon discovery that they had skipped a verse in singing the "Campus Song." There are three verses, girls, remember?

Tina Bentzen's enjoying her driving lessons, but not any more than her instructor is, we think.

"The 'ayes' have it" — but all depends how you spell that word. "Ayes" of approval for the Ruby's fashion show came from those who paid their quarters, but the "eyes" of fashion connoisseurs Bud Serata, Pearlstine, Dougherty and Snyder were silent evidence that they were enjoying their work. They didn't have to pay a quarter, either.

Dr. Heilemann's new adding machine can do almost anything if you push the right buttons. E. J. can work it, but Bob Jaffe swears he pushed one of the buttons and a little man jumped out and yelled, "Tilt!"

Try rolling out of bed in the morning for your eight o'clock to the music of our Glenwood Quartet. Listen to station KYW between 7:30 a. m. and 8 a. m. and see if you can't recognize Ian, Bud, Mike and Kenny singing "Stormy Weather."

Quite a crowd turned up for the social highlight of the past weekend—the APE-Sigma Rho dinner-dance. Listed present were Wally and Shirly, Betty Lou and Rhinehart, Faith Taylor and Don Boyer, Joe Jones and Marge Seitz, Chad and Ellie, Stan Claves and Krissie, Dick Reid and Whisk and Dick Clark with Marge Coy.

"Coachie" Muntz would never get to class if her dad let her keep the family car up here all the time.

Don't forget the "Hobo Hop on Friday in the gym. The price is only two-bits and a swell time is in store for all.

And last, but not least, congrats to Art Barker and Dot Hollis on their engagement.

Group Hears Mr. J. M. Hohlfeld

The 1947 annual meeting of the American Association for Adult Education marked the organization's twenty-first year of existence. The Association has "come of age" and the first postwar conference of the group was held last week, May 12-15th, at Hotel Thayer, West Point, New York in order to celebrate the event.

Mr. J. Maurice Hohlfeld of the faculty (Dept. of Modern Languages) was called upon to conduct a workshop period on Wednesday, which dealt with language-teaching techniques. He was co-leader with Dr. Ambrose Caliver of the United States Office of Education.

A special feature of the conference was a discussion on principles and practices of literacy education, a field which is closely related to foreign-language learning. Mr. Hohlfeld contributed material in this latter area and explained the work of the Committee on World Literacy and Christian Literature, which is one of the committees of the Foreign Missions Conference of North America.

CHEYNEY CHOIR WILL PRESENT CONCERT HERE ON WEDNESDAY

On Wednesday at 7:30 p. m., the Cheyney State Teachers College Choir, under the direction of Dr. Leslie P. Hill, college president, will present a concert in Bomberger Chapel.

Co-chairmen of the program, sponsored by the Commission on Racial Equality of the "Y", are Barbara Deitz '48, and Walter Johnson '49.

A light supper will be served for the choir at 5:30 p. m. in the girls' day study under the direction of Jo Snaidman '48, Arlene Boltz '47, Janet Sachs '49, and Vangy Tilton '47.

Faculty, students, and townspeople are cordially invited to hear the concert which will include both classical and light selections as well as favorite Negro spirituals.

PENN SOFTBALL TEAM ROUTED AS ERMA KEYES WHIFFS TEN

Thursday afternoon Snell's Belles walloped the hapless Penn lassies down at Penn to the tune of 18-1. The female Grizzlies blasted Red and Blue twirling to all corners of the lot to chalk up fourteen baseknocks while pitcher Erma Keyes held the Penn coeds down to two safeties over the entire route. She whiffed ten opponents and had the opposition eating out of her hand during the entire game.

In the hitting department, Miss Keyes and Miss D. S. Stierley led the Ursinus coeds attack on Penn pitching. The Quakers committed nine miscues while Miss Snell's proteges erred only once during the whole tilt.

Cricket Team To Meet 'Fords

The ancient sport of cricket has returned in an informal way to the campus during the past few weeks. Cricket was last played here some three years ago when a team from a British ship in port at Philadelphia came out and administered a sound drubbing to the local eleven in what is believed to have been the only international athletic contest ever held on the campus. The only match scheduled for this year is to be played at Haverford College this Thursday starting at 5 o'clock and continuing into the evening after a supper interval.

Sharps and Flats

by Walter Turner '48

It seems that a while back, three months to be exact, the entertainment world was somewhat staggered by the statement that several of its top names were abandoning the baton in favor of less strenuous and more lucrative fields. In quick succession Harry James, Les Brown, Tommy Dorsey, Woody Herman, and Benny Goodman gave the Petrillo-dictated notice of two weeks and exercised a complete withdrawal from night clubs, ballrooms, theaters, et al. The withdrawal was ostensibly for the purpose of securing a more objective view of the situation that had been thrust upon them. Variety magazine, in the colorful and oftentimes indecipherable jargon that it employs, reported an all-time recession in box office receipts and night club attendance. The section on vending machines and juke boxes observed that even canned music was not without a decrease in revenue.

Fortunately for the music-hungry, a turning point has been reached. By employing less expensive musicians and yet without sacrificing creative ability or quality of performance, the leaders are once more offering their talents to an eager and grateful public. Les Brown has not only reorganized, but has sent two former attractions of his fold, Butch Stone and Jimmy Zito, their respective ways in front of orchestras bearing their names. The one fronted by Zito, Neapolitan trumpeter par excellence, is particularly interesting in that he is the only trumpet player in the group. The writer is of the opinion that he plays enough horn to compensate for the missing three others! Woody Herman, while preferring a domestic existence and yet not wishing to abandon his clarinet and impeccable showmanship, seems to have achieved a happy medium by serving as a part-time disc jockey and recording with a studio band on the west coast. His counterpart, Benny Goodman, whose name has never been obscured for long on the musical horizon, has signed a long-term contract for Johnny Mercer's Capitol label to serve in the dual capacity of musical director and artist. Benny has launched his own "classical" division at Capitol. With the pianist Nadia Reisenberg accompanying his clarinet virtuosity, Benny needed Von Weber's "Concertino for Clarinet" on his initial longhair session in Hollywood. Additional performances are promised in this new Capitol endeavor.

Stan Kenton, the only leader to continue through the slump, is still maintaining his \$7200 weekly payroll and current plans indicate a whirlwind series of one nighters and theater appearances. Ever refusing to make a compromise between commercialism and art, the lanky pianist now finds himself reaping the rewards that seven years of hard work have produced. Dismissing his doctor's orders that a long rest is due him with the statement, "This is all I live for," the dynamic musician with such showcase attractions as June Christy, Vido Musso, Eddie Safranski, and Kai Winding, is now embarking on one of the most strenuous junkets of his career. With musicians of that calibre and his own ability, there is every reason to believe that Stan means what he says.

A current release of interest is the Victor album by Charlie Spivak in which he makes a very successful adaptation of violinist Fritz Kreisler's more renowned solos. The adaptation is so successful that none of the original elegance has been forfeited in the conversion.

Alumni-Society Notes

The Phi Alpha Psi Sorority has elected its officers for next year. Florence Cherry '48, will take over the duties as president. Aiding her will be Mary Arrison '49, as vice-president; Barbara Yerkes '49, recording secretary; Hilda Anderson '48, treasurer, and Doris Gray '49, as chaplain.

The sorority spent last week-end in Wildwood at the home of Jane Nagel '49.

The Tau Sigma Gamma girls also spent the week-end at the shore. The sorority visited the home of president Jacqueline Landis '47.

Omega Chi girls were the guests of Anne Eysenbach '47 at her summer home in Avalon this past week-end.

Kenneth Seagrave, M.D., is now resident in radiology at St. Vincent's Hospital in New York. Dr. Seagrave is a member of the class of '39.

Dr. and Mrs. H. John Witman are now living in Trenton, N. J., where Dr. Witman is connected with the St. Francis Hospital. Mrs. Witman, the former Julia Ulrich, is a member of the class of '42. Dr. Witman was graduated in '41.

Joseph Harrison Jr. '41 is serving as a Doctor at the Bryn Mawr Hospital, Bryn Mawr, Pa. He is residing at Willow Crest, Villanova.

Alpha Phi Epsilon and Sigma Rho Lambda fraternities combined to hold a dinner-dance at the Llanerch Country Club on Friday evening.

Sports Slants

by Roy Todd '49

Diamond Dust . . .

Coaches Pancoast and Dennis couldn't have made a more popular hurling choice last Tuesday when they sent Lew Ross to the hill to face the Haverford nine. Ross, one-time frosh hurler, has been hampered for the past couple of seasons by that bugaboo of all twirlers—a sore arm. Working out diligently all season long and refusing to give up, the burly senior finally convinced the diamond mentors that he was fit and ready for action on the mound. The entire baseball squad was glad to see him start the Haverford tussle. Buck responded with a heady exhibition of chucking, and although yielding a dozen safeties, was mighty tough in the pinches, and chalked up his initial mound win of the present campaign. Hats off, Lew, for a fine job!

Big John Snyder has certainly been macing the pellet of late! The rangy first sacker, after a rather slow start, has really come around, and with Dave Ziegler hitting as he is, the pair form one of the most fearsome one-two punches in collegiate baseball ranks. Shortstop Jack Kemp is another lad who has been getting his baseknocks consistently all season long.

We see by the recent sport pages that Moravian knocked off the hitherto unbeaten Lafayette outfit the other afternoon in an extra inning fray. All of which seems to bear out the fact that the present Grizzly outfit could show up creditably against most any college ball club in these parts if given the opportunity.

Here and There . . .

Congrats to big George Kennedy for his grand showing in the recent triangular track meet down at Swarthmore with Ursinus, Drexel, and Swarthmore participating. The Moose copped a pair of firsts in the weight tossing events, a feat which occurs very rarely in college track meets these days.

The Ursinus co-eds' softball aggregation boasts one of the most efficient twirlers in feminine circles in Erma Keyes. The fireballing lassie has really been mowing down the opposition with her high, hard one of late. How about it, Dads?

This week brought forth a rather sour note in the Inter-mural softball derby. That shoddy exhibition of sportsmanship displayed by a few players in the recent 6-6 tie between Curtis and Off-Campus did little but mar the reputations of the two clubs concerned in the eyes of the spectators. We suggest that the next time the two teams face each other, the umps be armed with a few bludgeons to halt the constant bickering which took place last Tuesday evening!

Major League Briefs . . .

Keep your eyes focused on Boston's red hot Red Sox in the American Loop pennant parade. Williams, Doerr, D. DiMaggio and Co. have really been rolling recently, and are at present only a game or two behind the league leading Detroit aggregation.

In the Senior circuit, Chicago's clouting Cubs have been setting the pace lately with the Durocher-less Dodgers seemingly on the down grade. The world champion St. Louis Cardinals have not yet hit their stride, but once they do, your writer predicts trouble for the rest of the National League!

What appears to be a beautiful football block is only an attempt by Jack Kemp, Bruin shortstop, to make home-plate in third inning of Haverford game. Kemp was called out. Catcher is Wood.

Garnet, Drexel Top Bears in Tri-Meet

On Tuesday, Swarthmore literally ran away with top honors in a triangular meet, by scoring 89½ points to Drexel's 36 and Ursinus' 28½ on the Garnet field.

Moose Kennedy once again gained first place in the discus and shot put, to register the only firsts garnered by the Bears. Ken Rheinhardt captured second place in the high jump while Rotwein contributed three points with a number two spot in the javelin. Dick Gradwohl placed in three events to add four points toward the Ursinus total.

In spite of the fact that the Bears bettered most of their previous records the men from Swarthmore had too much power.

120 High Hurdles: 1, Moore (S); 2, Hanlon (D); 3, Vernon (S); 4, McKee (D). Time, :16.1.

100 Yard Dash: 1, Etter (D); 2, Van Deusen (S); 3, Gradwohl (U); 4, tie, McBride (S), and Kropp (U). Time, :10.5.

Mile: 1, Nicholson (S); 2, Baum (D); 3, Daland (S); 4, Tori (U). Time, 4:35.2.

Women Golfers Mace S-more; Are Whitewashed by Beaver, 5-0

Starting off the season on the right foot, the Ursinus women's golf team took the measure of Swarthmore College, 4-1 Tuesday at Tully-Secane Country Club.

Scoring the match on the basis of the low score on each separate hole, Floy Lewis in the number one spot got things going by annexing six of the nine holes and losing only one.

Ursinus then proceeded to roll up a score of twenty-five holes while losing only nine to their opponents.

In their second contest of the year on Thursday at Plymouth County Club, the Ursinus golfers were set back by the Beaver club 5-0.

Betty Adam in the number four slot was the only Collegeville girl to make any threat to Beaver by taking two holes while losing five.

Thin-Clads Score at Rutgers

Although Coach Ray Guryzinski only used five men in the Middle Atlantic Meet held on Saturday at Rutgers, two of them, Bill Turner and Moose Kennedy, managed to place in their respective events, the pole vault and discus. Ursinus had 2¾ points, finishing ahead of Juniata, Alfred, and PMC. Rutgers won the meet with 40¾ points.

Brodbeck, Curtis Tied For Softball Loop Lead

With the campus brother dorms, Curtis and Brodbeck, closed in a deadlock for the lead in the second half of the men's intra-mural softball, the meeting of these two clubs tonight should prove most interesting. A victory over Curtis will clinch first place for Brodbeck. Both teams have compiled two wins thus far and neither outfit has been defeated. Curtis, however, has been tied by the Off-Campus ten and will have to replay this contest at a later date.

Last week, Curtis stepped into the limelight when they defeated the dangerous Annex Aces by a 9-3 score to retain their first place tie with Brodbeck. Moundsman Joe Much allowed only four hits and hard-hitting John Vance placed a ball in the tennis courts to put the game on ice for Curtis.

Ten Leading Hitters

	A.B.	H.	Pct.
Bain, Off-Campus	24	12	.500
Oberholtzer, Annex	24	12	.500
Much, Curtis	31	15	.483
Thomas, Brodbeck	27	13	.481
Wickerham, Curtis	24	11	.458
Wilt, Annex 2	20	9	.450
Dougherty, Brodbeck	18	8	.444
Dahlman, Brodbeck	27	12	.444
Parsons, Brodbeck	25	10	.400
Weidman, Brodbeck	21	8	.380

H. Anderson's Hitting Features 11-1 Softball Win Over B. Mawr

On Monday, Bearette softballers won their second victory of the season by trouncing Bryn Mawr 11-1 in their first twilight softball game.

The softballers started out with a bang in the first inning when Evie Moyer, first hitter, got on through an error by the Bryn Mawr first baseman. Following her, Andy Anderson smacked out a single, with the next batters, Erm Keyes and Doris Stierly, repeating her example. Jane Brusch, Ursinus' first baseman, was credited with distance honors for the day by batting out a triple, bringing home Erm and "DS." "Easy" Eysenbach drove Jane home bringing the total up to 5 runs before 3 outs had been recorded.

Pitching a one hitter, Ursinus' hurler Erma also pounded out 2 hits. Andy, however, led the hitters by obtaining 4 hits for 4 times at bat.

Second baseman Young tallied the only run for Bryn Mawr after she received a pass and proceeded to steal second, third, and home.

Netmen Bow to 'Fords; Succumb to Drexel, 8-1

Last Tuesday afternoon the all powerful Haverford College tennis team invaded Collegeville and whipped a game, but outclassed Bear racquet squad. The proteges of Chaplain Wallick have nothing to be ashamed of even though they dropped the match by the score of 9-0. The Grizzlies fought hard throughout but were simply up against a better club in the Haverfordians.

The Fords, perhaps the best group of College netmen in the east, were forced to extend themselves throughout, and found no set-ups in the Bear squad, despite the fact that they didn't drop a single set. For gameness and a never-say-die spirit the Wallickmen are to be commended, and to further bring out the fact that the match was closer than the score indicates, not a single clash during the entire afternoon turned out to be a "love game."

Singles:

Mateer (H) defeated McCausland (U) 6-3, 6-2.
 B. Betson, (H) defeated Miksch (U) 6-0, 6-1.
 D. Betson (H) defeated Roncace (U) 6-0, 6-2.
 Crolius (H) defeated James (U) 6-3, 6-1.
 Foster (H) defeated Vance (U) 6-3, 6-1.
 Shields (H) defeated Lanning (U) 6-2, 6-2.

Doubles:

B. Betson & D. Betson (H) defeated McCausland & Roncace (U) 6-0, 6-3.
 Crolius & Mateer (H) defeated Miksch & James (U) 6-1, 6-0.
 Shields & Foster (H) defeated Jones & Vance (U) 6-1, 6-1.

On Friday afternoon, the Bear netmen dropped their second match of the week to a highly polished Drexel tennis team by an 8-1 count. Stan McCausland accounted for the only Ursinus victory when he whipped Milton Parmet of Drexel in the No. 1 singles tussle. The Engineers snared the other five singles duels and copped all three of the doubles matches to account for their victory.

Golfers Beaten, 9-0, By Strong Blue Hens

Charlie Steinmetz' golf team found the University of Delaware's six to be a bit too powerful, and lost, 9-0, at the winners' links on Saturday.

The highlight of the match from the Ursinus viewpoint was the brilliant play of Bruin ace and captain, Lou Graff. Lou locked horns with Ed Wilson of Delaware and went down 77-73. However, Wilson came through with an eagle on the 17th hole to shade Graff two and one and cop the contest.

Lew Hatch of Ursinus carded a 77 against Bob Stewart's 72. Stewart is an erstwhile Virginia inter-scholastic champion and is one of the top collegiate golfers in the country.

Girls' Tennis Team Wins, 4-1

On Tuesday, May 13, the Ursinus girls tennis team chalked up a victory for their first match of the season by sweeping Chestnut Hill College by a 4-1 score.

Jackie Landis, first singles, emerged with the initial victory by default. Em Fischer followed Captain Jackie's example by downing Chestnut Hill's O'Donnell 6-0, 6-2. Jane Brusch, in the third singles slot, ran into trouble in the second set, but pulled the contest out of the fire by annexing it 7-5, sewing up the match for Ursinus.

Teamed together for first doubles, Mary Anne Ballantine and Eddie Daniels, accounted for the doubles victory, while "Puddie" Moister and Maggie Schafenacker, second doubles combination, sustained the Collegeville girls' only loss of the day.

Drexel Nine Rallies To Trip Bruins, 7-4; Locals Err Thrice

Friday afternoon, Bear baseball title aspirations suffered a rude jolt when the Grizzlies journeyed to Drexel and were handed a 7-4 defeat by the Engineers. Ursinus turned in perhaps its worst performance of the year as shoddy infield play, and poor baserunning practically delivered the game to Drexel on a silver platter. The Engineers, playing an alert, heads-up brand of ball put together four safeties and a couple of free passes, and took advantage of three miscues plus some mental boners to chalk up six runs in a big fifth frame rally to sew up the tussle.

Dave Ziegler took the mound for the proteges of Pancoast and Dennis, and although hit harder than at any other time this year, delivered a creditable performance, and with a little better support, might have emerged a winner. He spaced eleven safeties over the nine inning route while the Grizzlies collected ten hits off two Drexel moundsmen.

Loses Second Game

DAVE ZIEGLER

John Snyder and Jack Kemp kept up their fine stickwork, collecting two baseknocks apiece to pace the Bear hitters, along with outfielder Dick Eckenroth and catcher-infielder Seth Bakes who also accounted for a pair of hits apiece.

The Ursinus nine kicked away a couple of beautiful scoring opportunities in the early innings as the result of a few stray baserunners being nailed by the alert Drexel club. It was the first time this season that the Grizzlies failed to create the impression that they are a top notch college ball club, so with that game out of their system, the Bears ought to have fire in their eyes when Muhlenberg invades Collegeville next Wednesday.

Score by innings: R H E
 Ursinus .. 0 0 0 2 1 0 0 0 1—4 10-3
 Drexel 0 0 0 0 6 0 1 0 x—7 11 2

U. OF MARYLAND ESTABLISHES TWO FOREIGN STUDY CENTERS

The establishment of Foreign Study Centers to serve the needs of American graduate students studying in Paris and Zurich has just been announced by the University of Maryland.

The new program, which will lead to a degree of Master of Foreign Study, will be inaugurated this September.

In each of the foreign capitals, the University of Maryland will keep a Resident Dean who will counsel students registered in this program and supervise their research work.

This Graduate Year Abroad is open to graduates from any accredited American college or university. The program provides for excellent offerings in the fields of linguistics, literature and history. Minors may be worked out in related fields.

The Foreign Study Office of the University of Maryland, College Park, Maryland, may be addressed for further information.

The program is similar—but on a graduate level—to the intercollegiate Junior Year program which has made foreign universities available to undergraduate students since the early twenties.

In Paris, the Foreign Study Office will be located in Reid Hall, 4 rue de Chevreuse, where the newly re-opened American University Union is housed.

Prof. Has Two Articles Published

Two articles by Dr. Maurice W. Armstrong, professor in history, appeared in April Periodicals. Jonathan Scott's Brief View was published in the Harvard Theological Review, and The First Protestant Ordination in Canada, in the Dalhousie Review.

Haverford Baseball

(Continued from page 1)

tempted pick-off, and came home on Eckenroth's fly-out to deep left. Bakes joined in with another single and Snyder scored the Bear's last run.

Splinters from the Bench . . . Once again, the Ursinus lineup was juggled, notably in the receiving department, where Bakes donned the catching paraphernalia for the first time in his collegiate career . . . Silent John Snyder extended his hitting streak to eight games, as his side-kick, Dapper Dave Ziegler saw his own halted after seven contests . . . Jack Kemp acted as game-captain. The present plan calls for a new field general to be appointed every several games. Ziegler and Snyder have served in that capacity thus far.

Educator Speaks at Club Dinner

Mr. Arthur James, local educator, spoke at a dinner meeting of the Canterbury Club on Wednesday at the Kopper Kettle.

Mr. James, Supervisor of Elementary Education in the Lansdale schools, spoke on "Education, What Is It?" He stressed the part that religion and the home contribute to the educational program. Mr. James considers that the development of tolerance and a cooperative spirit is more important in modern education than a knowledge of the three R's.

On May 26 Rev. Edward Platts of Evansburg will lead the club in its last meeting of the semester and all members are urged to attend.

COMMUNICATIONS**

TO CONTINUE TO PROVIDE the world's finest telephone service—this is the objective of the Bell System.

It takes the combined efforts of scientists, manufacturers, and associated operating companies . . . such as The Bell Telephone Company of Pennsylvania.

Continuous research and exploration is the function of the Bell Telephone Laboratories. From these laboratories, one of the world's great research organizations, have come significant advances in telephones, cable, loading coils, repeater tubes, switchboards, dial apparatus, coaxial cable, radiotelephone systems . . . the very fabric of modern communications.

From these laboratories, too, are coming developments which will be ready for general use in the near future: Toll dialing, microwave radio relay systems, power-line carrying apparatus for transmitting telephone calls over rural electric power lines, short-wave radio systems for extending telephone service to isolated places out of reach of wire and cable lines.

And for the tomorrow after tomorrow, still more amazing equipment . . . some of it already in the blueprint stage.

Behind each of these developments lie the skill and imagination of many college-trained men and women. More than ever, the communications system of tomorrow depends on the college classroom of today.
