Baccalaureate Degrees Received by Eighty-nine Students As Ursinus Observes Seventy-sixth Annual Commencement

Rev. Billman, D.D., Delivers Address to Sr. Class Sunday

"Among the many valuable acquisitions of a college student I believe one of the most important and useful ones is a genuine respect for facts," asserted Reverend A. M. Billman, D.D., at the annual Baccalaureate service held yesterday morning in Bomberger Chapel. Rev. Billman is pastor of the Fourth Evangelical and Reformed Church in Harrisburg.

He used the fact that human beings are first, last and all time dependent upon forces and elements not of their own making for existence, for continuance, and for whatever they may hope to accomplish in the future as his basis for stressing the point that facts dare not be ignored if one hopes to live a happy and successful life.

"Since we have long recognized the necessity of obeying the physical laws of the universe if we are to survive, why is it that in the realm of spirit there is not such a complete willingness to follow the forces upon which we depend for existence and growth?" asked Rev. Billman.

The speaker believes that we must pattern our lives after that of Jesus of Nazareth. Jesus felt a complete sense of oneness with God, "Our Father." He understood that since God is the Father of all men and we are all brethren that the love He shows us should be the rule of our lives in relation to one another. Rev. Billman feels therefore, that personality thus becomes the keynote of all life.

Rev. Billman insists that in order to use our education to its greatest advantage we must somehow relate it to the way of life that Jesus taught and dedicate it to the many unfinished tasks now confronting civilization. We can do this only through close fellowship with the Father, the source of all life.

"Live in such a manner that when your earthly work is done you will be ready to go on with the great adventure that awaits all who fit their lives to the eternal purpose of Him who is from everlasting to everlasting" was Rev. Billman's closing advice.

Rev. Maurice Hohlfeld Addresses Conference of Mission's Group

Maurice Hohlfeld, Instructor in Languages, addressed the women of eleven Protestant denominations and the Interdenominational Unions of six other cities besides Philadelphia at the thirtieth conference of Missions at Beaver College, Jenkintown, last Saturday. Mr. Hohlfeld is an associate of Dr. Frank C. Laubach, "the Apostle of Literacy" and a special counselor for the Committee on World Literacy and Christian Literature of the Foreign Missions Conference of North America.

Mr. Hohlfeld addressed the group on the theme of World Literacy and Christian Literature.

T. Gresh, Williams Take Honors As Valedictorian, Salutatorian

"Americans are the offspring of people who distinguished themselves by doing things differently." With this thought in mind Robert L. Johnson L.L.D., president of Temple University, addressed the eighty-nine graduates at the seventy-sixth annual commencement today.

Despite the fact that America has achieved miracles in industry and government, Dr. Johnson stated that there are many who believe that our basic pattern of living has hardened us so that we are no longer free to meet new conditions with new behavior. Whether this makes democracy and anachronism a relic of the gaslight era in an atomic age is certainly a fair question asserted the speaker.

Dr. Johnson continued to discuss the two systems for getting the world's work done. These may be termed as status by achievement and status by assignment. The authoritarian power sets for every individual the task that he is to perform. "It is perhaps," continued Dr. Johnson, "the surest way of getting done those things which are the minimum essentials of social existence."

Democracy, on the other hand, is essential to a system where one's status is achieved and not assigned. Dr. Johnson believes that America is built upon the toils, devises, and studies which men use to gain recognition from his fellows and thus raise his standing in the scale of things. The system of achieved status is the surest way of knowing that the things that are done will be well done.

The speaker continued to state the influence of free competition, high incentives and large scale production on our ways of living. He believes that our weaknesses are both political and economic. He based the discussion concerning our weakness on the fact that we must have both sound and consistent progress and a sense of loyalty to fundamental truths. We must be both radical and conservative.

Dr. Johnson told the graduates that it was the millions of young people today whose faith and honest toil in making their dreams come true will continue to build America upon the things hoped for by generations long before ours.

Honorary degrees were conferred upon the Reverend Levi Valmore Hetrick, the Reverend Franklin I. Sheeder, and Dr. Robert L. Johnson.

A Farewell

In behalf of the students and faculty of Ursinus we would like to extend our best wishes for continued success to Rev. Franklin I. Sheeder who will begin his new job as Executive Secretary of the Board of Christian Education and Publication of the Evangelical and Reformed Church on July 1. Mr. Sheeder has served the college in various capacities for twenty-one years; acting as registrar for sixteen. In his work as registrar Mr. Sheeder had the task of introducing Ursinus to the new student and counseling him in his academic and financial difficulties. His kindly advice and aid has been greatly appreciated and will be missed by all students.

In saying good-bye to Mr. Sheeder we must also bid farewell to his wife who is resigning her post as Instructor in Latin and in Pageantry and Assistant in Religion on July 1. Mrs. Sheeder will want to visit Ursinus often for we wood Hall. We hope that both Mr. and Mrs. Sheeder will want to visit Ursinus often for we shall miss their friendly ways.

To the Seniors

As we bid the seniors farewell we recall to mind the address given by Dr. Johnson today. The graduates of 1946 are facing a world whose problems are as difficult as any that the country has ever confronted. The educated young men and women of the world have a real responsibility. They must use the knowledge, ideals, and experience which they have accumulated through their four years of college to fulfill the aspirations of the American people. They must accept the responsibility and work unremittingly to make them come true.

To the seniors we extend our congratulations and best wishes for future success as they face the world of today. May the training in both book-learning and character which they received at Ursinus prove invaluable to them.

A Job Well Done

As this is the first issue of the Weekly since the distribution of the Ruby on campus, we would like to extend our belated congratulations and thanks to all those who were responsible for such a fine yearbook. The arrangement and variety of pictures and material will enable us to preserve the pleasant memories of this school year. Few realize the planning and problems which the staff confronts in putting together such a publication, but the compliments expressed by the student body concerning the Ruby should bring to the editor and staff a feeling of a job well done.

GAFF from the GRIZZLY

or What's Bruin

JULY 1st, with the wonderful cycle of football games, freshmen customs, frat and sorority rushing, spring fever, May day and exams having spent itself, here we are bidding some of our best friends goodbye and others just "so-long" 'til next year.

Hard to realize that this year is over; guess it will be a long time before we forget Paul Stauffer's May Day dance, the basketball team's climb to fame and George Kennedy's shots at the basket, Andy's car that climbs steps, Turner's trombone that plays best after midnight, Dave Bahney standing on a ladder proclaiming himself "cutest frosh on campus" to the gals dorms during customs, Baumgart discouraging women from falling in love with him, Hal Grossman in "Spring Again," Joan Wilmot finding a laugh rival in Marion G. . . The Derr girls' attachment to their rooms.

What will Ursinus be without:

Bobby Geist, for team captains, . . . Henri or Nancy Herron in the quan lab . . . No more "Sabo" without Spence . . . Bridge gatherings not complete without Ed Hanhausen and Lynnewood losing a few bridge addicts — Jane Reifsnyder, Anna B. and "Scoop".

Who can take the place of:

Nicki and Til's ad-libbing . . . Tinker's smile . . . Head waiter Harry trying to create order out of chaos in the dining room.

Iced tea in the dining room gives Joe added incentive to torture Nicki . . . did you see Nick making a hasty exit from the dining room and then returning with a piece of ice in her hand, looking much relieved??

Virginia Dulin and Erma Keyes Receive Medals as Outstanding Junior Athletes

Ginny Dulin, an outstanding junior and a physical education major, was awarded the WAA Honorary Medal for her outstanding achievements in athletics, sportsmanship, and scholarship. Ginny's record in sports during her three years at Ursinus qualified her for this honor.

Ginny came to Ursinus in '43 from Springfield High School where she began her sports career by playing on the varsity hockey basketball, and tennis teams. In her spare time she capably handled the job of sports editor for the school paper.

While at Ursinus she has played three years varsity softball, two years varsity hockey and one year varsity basketball. Ginny is still writing sports articles, too, only now they are featured in the "Weekly."

Some of her other campus activities include Tau Sigma Gamma sorority and the Physical Education Club. Next year Ginny has been elected to serve as Day Study senior representative to WSGA. It seems that one of Ginny's main interests is her "Model B" which may frequently be spotted as it makes its numerable daily trips back and forth to the gym.

Summer vacation will find this all-round athlete an activities counselor in a girls' camp.

Girls' Sport Highlights

By Jeanne Loomis

HOCKEY

Success once again followed the Ursinus coeds in their Intercollegiate athletic competition during the past year. Despite the fact that the swimming team was the only varsity to go undefeated, the girls usually turned in top notch performances and gave their opponents plenty of competition.

The hockey eleven, captained by Janet Shoemaker, left fullback, opened the sports' season with victories over East Stroudsburg, William and Mary, Chestnut Hill, and Temple but were on the wrong side of the ledger in the close Beaver and Penn games. Hilda "Andy" Anderson with her famous flicks and outstanding speed was the Ursinus scoring threat.

At the Middle Atlantic All-College hockey try-outs five Ursinus girls gained recognition. Gracie Nesbitt, who was all-college second team goalie last year, with her speedy footwork and hard clearing drives walked away with the goalie first string spot which had been held by Jean Gordon of Temple for the past two years.

D. J. Hobensack, captain-elect of the 1946 varsity, moved from her customary center half spot to cop the varsity right fullback berth. She easily adapted herself to the new position and proved to be quite an asset to the all-college eleven.

Andy and Jan placed as left inner and right fullback respectively on the second team and Tinker Harmer received a spot on the reserves.

The varsity team was one of experience with Jane McWilliams, center forward, and Doris Greenwood, left halfback, as the only freshman members. Mac's lunges and Greenie's ever sure stick work really paid dividends for Ursinus.

Eddie Daniels, left wing, Sallie Secor, right inner, Erma Keyes, right wing, Ginnie Dulin, right halfback, and Evie Moyer, were the other members of the team. Betty Cowell had all the headaches as manager.

BASKETBALL

Two defeats against six wins was the varsity basketball record. Kathleen "Deanie" Sinclair, stellar guard, served as captain of the sextet which was monopolized by freshmen. Joan Wilmot handled the duties of the manager.

Connie Warren, Winnie Mutchler, Edith "Bugs" Calhoun were the forwards contributed by the class of '49, while Floy Lewis and Betty Jean Moyer were the guards. Since Deanie and Courtenay Richardson were the only senior members of the team, the girls should have a strong experienced combination next year.

The outstanding guarding ability of the defense is shown by the fact that the total scoring of the eight opponents was 173 points while the Ursinus coeds racked up 245 tallies. Bugs Calhoun was the high scoring forward.

Deanie was awarded a defensive berth on the all-college second team, a position which she well deserved. Her coolness and steady dependable play held the entire team together. Honorable mention went to forwards Jane Bruschi, next year's captain, and Bugs Calhoun.

SWIMMING

Hats off to the swimming team for winning the Eastern Intercollegiate girls' swimming title! To them go top honors of the year. Their victory was a surprise to everyone (especially to the reporters of the Philadelphia Inquirer and Bulletin) except the Ursinus students. Firsts in both the 75 yard medley relay and the 200 yard freestyle medley brought the title in their direction.

They should receive special credit because of the fact that they had six entries to the ten or twelve from the other colleges and universities, and three of the girls were forced to do double duty. In the relays it was necessary for Betty Walton, Sid Sponaugle, and Sis Bosler to swim the 75 yard medley and then go right back in the water with Pat Ellis as the only frosh member for the 200 yard medley. Sallie Secor and Anne Eysenbach were the other members of the Ursinus team entered in the championship meet.

Sid nabbed a second place in the 50 yard breaststroke, and Sis and Betty gained a third and fourth in the 50 yard freestyle.

The Ursinus mermaids literally sank Temple, Chestnut Hill, and Penn in their only scheduled meets, 36-21, 39-18, and 44-13, respectively. Mimi Keech gained many points in these meets for her beautiful diving form and grace. Dusty Brooks and Maggie Schafenacker were the other team members while Jane Reifsnnyder carried the burden of seeing that everyone was present and accounted for.

SOFTBALL

Softball season arrived and with it came the first Ursinus defeat since softball started here in 1941. Temple handed the coeds a 5-2 setback. Although Ursinus outhit the Owlettes, five errors accounted for the defeat. The other five games were Ursinus victories.

Captained by shortstop Court Richardson for the second successive season, the team was composed of nine veteran players. Gracie Nesbitt took over the vacancy at third.

Marauders Down Softball Queens

In the great meeting between the Curtis Marauders and Snell's Bearcats several weeks ago the girls, after a great fight, went down to a 6-2 defeat.

After both teams were held scoreless in the first inning Richard "The Hair" Wentzel romped home in the second on errors for the first tally of the day. Then in the third the Curtis "boys" put over another run on singles by Miller and Chance.

Things really began to get interesting in the fourth inning, however, when the girls proceeded to tie up the score. Sal Secor led off the inning with a single followed by a hit, by B. J. Moyer. Both came in on errors by Derham and Miller. The girls had the bases loaded at the end of the inning but Miller was able to retire the girls. Many of the spectators as well as players had a certain worried look on their faces at this point of the game. They seemed to have a somewhat monetary interest in it.

The Marauders picked up four more runs in the last two innings and were able to hold the girls scoreless.

The big guns for Curtis were George Miller and Dick Wentzel, each with two hits and Sal Secor took the honors for the girls with two singles.

Curtain Club Members Re-elect Jane Estabrook as President

The members of the Curtain club have re-elected Jane Estabrook '47, as their president for the 1946-47 term. The other officers include Susan Bellis '48, vice-president; Carolyn Howells '47, secretary; and Jack Norman '48, treasurer.

Bears Drop 2-1 Game To Lancaster Batsmen Despite Errorless Ball

Playing an away game as the last of the 1946 season, the Bears traveled to Lancaster on June 13 in an effort to avenge their defeat a few weeks ago. Frank Everett again drew the pitching assignment for Ursinus. It was a tough game to lose, but F & M came out on top leading the Bears by a 2-1 score when the game was over. Both clubs collected 6 hits and not an error was committed all afternoon.

The Bears started off the scoring in the first inning when they pushed across one run. To start off the first, Bakes and Eckenroth walked. Both runners advanced on Bahney's infield out. Geist then drew a walk to load the bases and Bakes scored a few minutes later on a single by Hallinger. The inning ended when Troutman and Hallman struck out.

In the fourth inning F & M tied the score at one-all when they scored on a triple by Miller followed by a single by Mackey. The score remained tie until the sixth when that very same combination put two hits together to clinch the game for the Lancaster club.

The Bears began a rally in the eighth on consecutive singles by Eckenroth and Bahney, but these men died on base as the next three men went out.

Mules Are Victors Over Ursinus Nine

Traveling to Allentown for a game with the Mules on Friday, June 7, the Bears lost a hard-fought game in the ninth inning by a score of 3-2. Frank Everett drew the pitching assignment for Ursinus. He gave up seven hits, keeping them well scattered throughout.

The Mules drew first blood when they scored one run in the fifth inning. After two were out, Dean reached first on an error. Two hits and another error then combined to give Muhlenberg a two run edge before the Bears could get the last man out. The Bears countered with a run in the seventh on singles by Geist, Hallinger, and Ross. At this point the Bears trailed by a 2-1 count.

Opening the ninth inning, singles by Eckenroth and Bahney brought the score to a two-all count. In the bottom half of the ninth, the Bears again managed to get the first two men out. Everett then walked pinch-hitter Helkis to put the winning run on base. A few minutes later this man scored on a double by Dean to give the Mules a 3-2 decision over the Bears.

Both teams collected a total of 7 hits apiece while the Bears committed 3 errors against one by the home team.

Men's Sport Highlights

By Grant Harrity and Ray Warner

FOOTBALL

Football this year was, for the third consecutive season, made up almost entirely of Navy V-12 personnel. The team played an abbreviated schedule of only five games with the Bears taking two of them and losing three.

The season's opening saw Swarthmore win out over Ursinus to the tune of 13-6 with two touchdowns in the second half. In their annual game with F & M played at home, the Bears lost their second game in a thriller which saw the Diplomats ahead at the finish 7-0.

Ursinus then broke into the win column with a smashing 24-0 victory over C.C.N.Y. In another game in the metropolitan area Ursinus lost a bitter struggle with King's Point 12-0. The final game of the season saw the Bears finally exert their strength and the home team swamped P.M.C. by the score of 53-6.

Only three civilians saw action this year—Bob Poole, Bob Baumgart, and Harlan Durfee, all line men. The team was co-captained by Bill Carlin and Joe Topper. Lt. Commander George D. Miner coached the team, assisted by other members of the Navy personnel attached here. Lots of credit is due to those who worked to put a football team on the field and congratulations to the boys who did so well under so many handicaps. Next year Ursinus will put an all-civilian team on the field as a sign that the war is over. There is much hope that it will be a good team. Coach "Pete" Stevens, back from the service, will be the mentor.

BASKETBALL

Hail the champions of the Middle Atlantic Conference (southern division)!! In one of the best basketball seasons that Ursinus has seen in a decade, a team made up almost entirely of freshmen and returning veterans rang up a league record of 9 wins against 2 defeats to capture the title. Under our new coach, Emil Messikomer, the Bears proved to be one of the best teams of its class in this area. The season record for all teams was 12 wins and 4 losses.

Starting off after the Christmas vacation, the Bears swamped P.M.C. 57-28. Then, after losing their first and only league contest to a Swarthmore five, the Bears trounced Delaware, Haverford and Drexel. F & M then defeated the Bears, 48-41, for their second loss of the season. Victories over Swarthmore, Delaware, Susquehanna, P.M.C., Drexel, Susquehanna again, Haverford and Moravian then brought the Bears regular season record to 12 wins and two losses.

Throughout the season, Captain Bob Geist proved to be the outstanding player for the Bears. Playing his last year for the Red, Old Gold, and Black, Geist led the scoring parade with a 14.5 average per game. He was followed by Bob Poole, a freshman, with a 9.1 average. Roy Love, another freshman, had an 8.6 average.

The highlight of the season came as the Bears accepted an invitation to play in the Middle Atlantic tournament. Muhlenberg, Lafayette, Rutgers, and Ursinus were the teams chosen to participate. The first night the Bears lost to Rutgers, 57-41. Bobbie Geist took top scoring honors with 18 points, but it was not enough to overcome a strong Rutgers nine.

The following night, Ursinus met the Garden-bound Muhlenberg five in the consolation game. In this contest the Bears proved no match for the highly touted Allentownians. The final score stood at 67-30 with "Red" Baldwin taking the scoring honors with 23 markers.

It was undoubtedly one of the best seasons Ursinus has seen in years. Congratulations must be given to Coach Messikomer for the splendid job that he did with almost completely new material in his first year here at Ursinus; success indicative of the fine teams we may expect in the future.

Captain Bob Geist, Roy Love, and George Kennedy were honored when all three won positions on the first squad of the all-league team with Bob Poole winning honorable mention. In the Philadelphia Inquirer's selections for the outstanding players in this area, Bob Geist was awarded a birth on the second team. In the all-state selections both Bob Poole and Bob Geist won honorable mention.

All this is proof that Ursinus enjoyed an excellent year. School spirit went up 1000 percent with scores of students following away games in chartered buses to give the team as much support as possible. And the students were not disappointed.

Congratulations to those who made this successful season possible and best of luck to Coach Messikomer and the boys who will wear the Red, Old Gold, and Black in the seasons to come.

TRACK

Competing in only two events in the Penn Relays, the Bears started off the season by failing to place in either of the mile relays in which they ran. Ray Olweiler, Jack Brill, George Glisson, and Bob Poole formed the Ursinus team.

George Glisson and Bob Poole were the only Bears to place in the Middle Atlantic Championships held at Lancaster. Swarth-

more's Gillcrest nosed out Glisson in the 220 low hurdles and Poole finished third in the broad jump.

Journeying to West Chester for a triangular meet, the Bears were topped by the Teachers' 93 points, but defeated Cheyney State Teachers College by a 34-13 count. Placing for Ursinus were:

George Glisson — 1st in high hurdles, 2nd in low hurdles, 4th in shot put.

Paul Detwiler — 3rd in 100, 3rd in 220.

Jack Brill—2nd in 880, 2nd in mile.

Ray Warner—3rd in high hurdles, 4th in 880.

Ken Reinhart—Tied for 2nd in high jump.

Finishing the season, the Bears placed third in the Neighborhood Meet held at Swarthmore College. St. Josephs won with 56 1/4, 3 more than the hosts. Trailing the 18 points scored by Ursinus were Drexel with 15 1/4 and LaSalle with 11 1/4. By placing in four events, George Glisson scored half of the Ursinus points. Bob Poole, Don Payne, Harlan Durfee, and Jack Brill completed the scoring.

BASEBALL

The Bears started off the season with a fine brand of ball against the Middies at Annapolis, but went down to a 7-4 defeat. All-American footballer, Dick Duden, homered with two on to clinch the victory. Hallman and Reinhart did the tossing for the losers.

In the home opener, Moravian was tripped by a 10-5 count. Bob Geist led the hitters with 3 safeties. Bakes and Bahney were good for two apiece while Hallman's 7-hit pitching was the feature attraction.

Visiting the Main Line for a day, the Bears suffered a 10-3 setback at the hands of Haverford College. Jones did the pitching and the hitting department was led by Bakes and Geist.

Hap Hallinger's "Grand-Slam" in the third inning put the finishing touches to a ball game in which Swarthmore was downed 8-7. An early 8-0 lead was shaved down by the visitors, but the punch needed to win was lacking. Hallman started on the hill but was relieved by Reinhart, who stopped the parade of runs.

Committing 15 errors in the next 2 games, the Bears went down to successive defeats at the hands of Dickinson, 12-2, and Moravian, 8-0. Geist hit safely twice in both tilts, and Troutman came through with 2 hits against Dickinson, but no individual could compensate for the all around poor playing displayed in the season's worst week.

Extending the losing streak to 3 straight, the Engineers from Drexel Tech were handed another ball game by a 9-3 count. Five more errors were committed by the Bears. On the bright side was the hitting of Bakes, Bahney, and Ross, and the fine relief pitching of Frank Everett, in his first appearance of the season.

Showing a complete reversal of form, the 3-hit pitching of Frank Everett was backed up by 11 hits and some good fielding, as PMC was downed 8-1 on the losers' diamond. Claude Troutman was the big gun in the attack with 4 hits, and Hap Hallinger contributed a pair.

After being rained out of 3 games, the final home game of the season was dropped on another day when everything went wrong. This time the sad results showed Ursinus trailing F & M, 14-5, although the home team outhit the visitors, 12-11. Eight errors and some poor base running aided considerably in giving away the game. Bakes, Bahney, Geist, Ross, and Bain each came through with two hits, with Andy Bain's homer being the hit of the day.

Three losses while playing away brought the season to a close with a record of 3 wins against 9 defeats. The hard-hitting University of Delaware collected 11 hits to down the Bears, 14-4, in the first one. Hallinger led the local hitting with 3 hits with Eckenroth and Bahney garnering 2 apiece. A heart-breaker was dropped to Muhlenberg in the next one. Frank Everett's 7-hit pitching went for naught as the Mules broke a 2-all count in the ninth by scoring on a walk and a double. Eckenroth was the only man to hit safely more than once. Franklin and Marshall finished the season by

Girls' Sports

(Continued from page 3)

Erma Keyes, varsity hurler for three years, brought glory to herself and the team by pitching a no-hit no-run game against Penn—her first one. Erma also lead the hitting for the day with three singles and a homerun in her four times at bat as Snell's Belles walloped Penn, 18-0.

Court and Erma held the batting honors for the season. Sallie Secor, second baseman, and Court will be the only batsmen to graduate, so under the leadership of Erma, the team should start another undefeated record. Andy Anderson, catcher, Jane Brusch, first base, Lois Cain, left field, Evelyn Moyer, center field, Anne Eysenbach, right field, and Ginnie Dulin, short field, were the regular varsity members while Sis Bosler and Betty Jean Moyer also added their prowess.

TENNIS

The racquet-wielders, under the guidance of Jan Shoemaker, captured four wins out of six matches. Tinker Harmer, Jan, and the '47 captain, Jackie Landis, were in the singles' spots while Court Richardson and Emily Fischer teamed up for first doubles and frosh Doris Greenwood and Bugs Calhoun handled the second doubles' berth.

Tinker, Jan, Jackie, and Em entered the Intercollegiate tennis matches at Bryn Mawr but were all eliminated in the first round with the exception of Em who won her first match but lost by default in the second round.

The medals for the outstanding girls of the Junior class were awarded this year to Ginnie Dulin and Erma Keyes. Both girls are high in scholastic standing, character, leadership, and all-round athletic ability. Erma and Ginnie have both played two years of varsity hockey, one year of varsity basketball, and three years of varsity softball.

To Miss Snell and Nat go many thanks and expressions of appreciation for their coaching leadership, and their ability to instill in each girl the ideals of good sportsmanship—those things for which Ursinus has been known to stand.

taking another close one, 2-1. Everett pitched a 6-hit ball game and his mates in the field played flawlessly, but it still didn't add up to victory. Two of the Bears' 6 hits were credited to Hallinger.

Thus ended a season highlighted by the individual efforts of Frank Everett and Captain Bob Geist—a season in which the team played like champions one day and folded completely the next—a season that produced its share of close ones and its share of massacres—a season that left a record that we're all hoping will be improved upon next year.

YM-YWCA Install Officers, Cabinet

"The student Christian organizations are the only truly intercollegiate activities in which we participate. For, while we do have intercollegiate athletics and debating teams, these are selective groups. The student Christian activities are voluntary and provide a wider opportunity for every type of work for every type of student." With these words Professor Sheeder installed the cabinets of the YM-YWCA at a Vespers' service on June 16. He lit the candles of Margaret Singley '46, and Raymond Furlong '46, the retiring presidents, who, in turn, installed Dorothy Derr '47, and Joseph Newlin '47, the incoming presidents.

The officers of the YWCA, Jean Anne Schultz '48, vice-president; Ruth Petit '49, secretary; Catherine Schellhase '48, treasurer; and the YMCA officers, Charles Idler '49, vice-president; William Nichel '48, secretary; and Jack Brill '49, treasurer, were officially installed by their new presidents.

A committee composed chiefly of alumni members was appointed by Dr. Paisley to investigate the petition presented by Dr. Norman E. McClure which had been presented to him by the students.

The treasurer's report showed that the college finished in the black at the close of this year. A total of \$49,000 in gifts was received by the college. The total debt including bank loans and mortgages was reduced by \$35,000.
