"The great strength of the independent college is, in my opinion, the very fact that it is independent, that it is free to refuse to undertake what is trivial and unimportant, free to supply in its own way the basic and permanent needs of our civilization."—R. W. BROWN.

The President's Page

To the Alumni:

This number of THE ALUMNI JOURNAL is the first to be edited by Mrs. G. Sieber Pancoast, who has recently been named Alumni Secretary. During Mrs. Pancoast's seventeen years as student and preceptress, Ursinus graduated more than half of the living alumni. The many hundreds of alumni, who know her work and admire her, wish her success in her new and important post.

I am certain that I express the opinion of the Board of Directors and Faculty when I tell you that the academic year that ended in June was one of the most satisfactory years in the history of the College. Speaking for the Board of Directors, Faculty, and students, as well as for myself, I assure the alumni that we are deeply grateful to you for your help given so generously to Ursinus in many ways.

The academic year soon to begin will be a difficult year. The Freshman Class will be of normal size, but, because of the uncertainties about military service, we do not yet know how many Sophomores and upper-classmen will return. It seems certain, however, that this year and for several years we shall have a somewhat smaller number of students and a corresponding reduction in income from fees. In the face of rising prices it is difficult—indeed, it is impossible—to make a corresponding reduction in expenditures. We have planned, and we shall continue to plan, to effect every reasonable economy without impairing the quality of our work. The help of the alumni and of an increasing number of friends has greatly strengthened Ursinus in recent years. This help will be unusually important during the coming year.

We approach the year with confidence in the understanding and in the generosity of all the alumni and friends of Ursinus.

N. E. McCLURE,
President.

DR. HARRY COCHRAN ADDRESSES GRADUATING CLASS

220 Graduated at 81st Commencement;
Baccalaureate Sermon by Rev. Henry Herber, '11

Ursinus conferred 137 Bachelor of Arts and 83 Bachelor of Science degrees at the 81st Annual Commencement on June 4, 1951, on Patterson Field.

Dr. Harry A. Cochran, Dean of the School of Business Administration, Temple University, delivered the Commencement Address.

Honorary degrees of Doctor of Divinity were awarded to Rev. James W. Bright, '22, Norristown, President of the Philadelphia Synod, Evangelical and Reformed Church, and Rev. William A. Katz, '27, Catsauqua. The degree of Doctor of Laws was awarded to Lloyd Hobart Wood, '25, Evansburg, Lieutenant-Governor of Pennsylvania, and Dr. Harry A. Cochran, Glenside.

Honor Students

Top student in the class was Dolores Claire Meyers, of Allentown, Pa., and salutatorian was Nancy Ruth Bare, of Lancaster, Pa. Those students graduating cum laude were: Nancy Ruth Bare, Willard Ellis Baxter, Robert Colvin Herber, Marion Ruth Kurtz, Joseph Jacob Mann, Thyrgue Richard Meeker, Dolores Claire, Meyers, Marilyn Joyce Miller, Stella Stuba, Norma Adelaide Titus, Alvin Eugene Tobis, Virginia Lee Wilson. Honors in Special Departments went to: Biology: William Leslie Walls; Chemistry: Guenter Rolf Ackermann, William Frederick Burkhardt, Thyrgue Richard Meeker; History: Patricia Anne Richardson, Marjorie Aline Taylor; Political Science: Robert Colvin Herber; French: Thelma Alice Lindberg; and Spanish: Dolores Claire Meyers.

Commencement Prizes

The Catherwood Memorial Fellowship of \$1,000, awarded to a member of the graduating class planning to continue studies in liberal arts or law, was won by Willard Baxter, of Norwood, Pa.

The Philip H. Fogel Memorial Prize of \$25, awarded annually to the member of the senior class who has attained the highest excellence in the department of religion as shown by examination on completion of at least 12 semester hours of work was awarded to Lois Brown, Philadelphia, Pa.

Wainwright E. H. Diehl, Bath, Pa., won the Robert Trucksess Prize of \$25, for displaying promise of success as a future member of the legal profession.

The Paisley Prizes of \$25 each were awarded to James Morgan and Lois Brown, both of Philadelphia, Pa., for the best dissertations on an assigned topic.

Richard Richter, Mont Clare, Pa., was awarded the Elizabeth R. McCain Prize of \$50 for the greatest ability in the knowledge and use of the English language shown by a member of the sophomore class.

Robert Herber Awarded Fulbright Scholarship

Robert C. Herber, '51, has been granted a Fulbright Award for study at the University of Bristol, England, next year.

An outstanding student and campus leader, Herber is the son of the Rev. and Mrs. Henry J. Herber, 752 Mifflin Street, Lebanon, Pa. He was president of the campus Y.M.C.A., president of the International Relations Club, vice president of the Pre-Legal Society, a member of the honorary Cub and Key Society, Pi Gamma Mu fraternity, a staff member of the *Ursinus Weekly*, the campus newspaper, and a member of the Messiah Chorus and the chapel choir.

Planning a career in the foreign service, Herber will continue his work in Social Studies at the English university.

The much sought-after Fulbright Awards are made annually to exceptional American college and university students by the State Department, under the Fulbright Act, passed by the 79th Congress. Funds realized through surplus property sales abroad are used to operate a program through which American students may study abroad and students from 19 foreign countries may come to this country for advanced study.

NEWCOMEN SOCIETY HONORS URSINUS

"We are met today, on this college campus, to do honor to the builders of Ursinus College, a college in the American tradition, a small college in Old Pennsylvania. . . . a college peculiarly American, a college that, together with the Christian church and the Christian home, has developed those principles, those values, that are responsible for all that is best and most enduring in American life."

These were among the opening words of Dr. Revelle Brown, President of the Reading Company, guest of honor, and speaker at a meeting of the American Newcomen society on Thursday, May 28, 1951, on the Ursinus campus. At this time Dr. Brown and Mr. Charles Penrose, senior vice-president of the Society, received the honorary degree of Litt.D.

The Newcomen Society is an honorary one with headquarters in London, and a branch in North America, which has as its purposes: to increase an appreciation of American-British traditions and ideals in the arts and sciences, especially in that bond of sympathy for the cultural and spiritual forces which are common to the two countries; and to serve as a link in the intimately friendly relations existing between Great Britain and the United States.

The members do not have regular meetings, but meet only when there is a distinguished person or institution to be honored. And this honor comes in the form of an address paying tribute to this person or institution. After the meeting, the address is printed and distributed by the society. This is a most attractive booklet, beautifully illustrated. The cover of our JOURNAL is an enlarged reproduction of the sketch on page 26 of the Ursinus booklet.

We are very proud that the Newcomen society should honor Ursinus in

Dr. Prentis to Speak On Founders' Day

Henning Webb Prentis, Jr., President, Armstrong Cork Company, will be the guest speaker at Founders' Day, on October 24, 1951. The title of his address is, "The Price of Freedom."

Dr. Prentis received his A.B. degree from the University of Missouri, 1903, his A.M. from the University of Cincinnati, 1907; and has received LL.D. degrees from Hampden-Sydney College, 1932; Grove City College, 1939; Franklin and Marshall College, 1940; University of Pennsylvania, 1943; University of Cincinnati, 1943; Jefferson Medical College, 1945; University of Rochester, 1946; Middlebury College, 1946. He served as secretary to the president at the University of Missouri, 1903-05; as Secretary at the University of Cincinnati, 1905-07. In 1907 he went with Armstrong Cork, and became its president in 1934.

New Stack Level Houses 17,000 Volumes

A new stack level has been added to the Alumni Memorial Library to provide shelving space for the growing book collection. Construction was authorized by the Board of Directors in the Spring of 1950, with installation scheduled for that Summer. However, difficulties arising from the Korean war held up completion until February 1951. In light of developments, the College can feel fortunate that the new library addition is built, and, especially, that the contract was let before the Korean outbreak.

Library Bureau Division of Remington Rand handled engineering, fabricating, and erecting the new all-steel stack floor and shelving. Electrical work was done by the College Buildings and Grounds Department. The third floor fills the space provided in the original building for that purpose. It will house an additional 17,000 volumes, and features five individual study carrels.

New Ursinus Directors

On June 2, 1951, the Board of Directors elected the following new members:

Mrs. Edgar N. Bahney (*Lillian M. Isenberg*, '23), Myerstown, Pa. (Nominated by the Alumni Association.)

Mr. John Kunz, Huntingdon, Pa.

Mr. G. L. Thomas, Jr., Lilypons, Md.

Faculty Changes 1951-52

The Board of Directors has accepted with regret the resignations of the following:

Mr. Walter B. Ross, Associate Professor of History.

Mrs. W. B. Whiting, Assistant Professor of Physical Education.

Miss Maribelle Waldo, Assistant Professor of Physical Education.

Mr. James S. Straub, Instructor in German.

Mr. Malcolm Campbell, Instructor in Political Science.

Mrs. Harry Grant, Assistant in Biology.

Miss Dorothy Post, Assistant in Biology.

Mr. Harry M. Frosberg, Director of Public Relations.

Dr. William S. Child, Associate Professor of English, has been granted leave of absence for the academic year 1951-52 to continue his work with the army.

Miss Margaret Jane Platt has been elected Instructor in Physical Education. Miss Platt is a graduate of Norristown High School and East Stroudsburg State Teachers' College. She has been teaching physical education at East Greenville, Pa.

Ilse Helfferich Weds

An Ursinus wedding of interest took place in Bomberger Hall on August 18, 1951, when Ilse Helfferich, daughter of *Vice-president* and *Mrs. D. L. Helfferich*, became the bride of Karl Heinz Münsinger, son of Herr and Frau Hans Münsinger, Munich, Germany. *Dr. Reginald Helfferich*, '28, uncle of the bride, officiated.

Mrs. Joseph Pond (Doris Christensen, ex '48), who now makes her home in Puerto Rico, served as matron of honor; and *Dr. Gustave Weber*, of Pottstown, was the best man. Some of the ushers were friends of the groom from Germany.

A reception was held in the Alumni Memorial Library immediately after the ceremony.

Mr. Münsinger is a graduate of George School, and after spending a year at Northwestern University Law School, he left to continue his studies at the University of Munich Law School from which he received his degree. He expects to continue his studies to earn his doctor's degree.

The young couple will return to Munich in the near future.

Former Student Bequeathes Ursinus College \$77,000

From the *David Laucks Hain Estate* Ursinus has received a bequest of \$77,000, to establish a professorship in science. Mr. Hain died four years ago. He was a student in the preparatory department of Ursinus College during the 1880's. This bequest is the largest that Ursinus has ever received from a former student.

Hood Honors Mr. Noss

Charles H. Noss, York, Pa., was one of 20 lay members of the Evangelical and Reformed Church to receive citations for achievement in various fields by Hood College at a convocation of the defense of democracy on April 20, 1951. Mr. Noss was honored for assistance in expansion of hospital facilities, in the building of "Home wood," Hagerstown, Md., and for developing an educational motion picture program to raise more than \$125,000 for hospitals, schools, libraries, scholarship funds, parent-teacher association and the church.

Mr. Noss is a member of the Ursinus Board of Directors, and many alumni will remember his Pennsylvania Dutch film that he brought to Ursinus last winter.

Statistical Report for Twentieth Reunion

The following statistics were compiled from the Alumni Register by a member of the class of '31 as a special feature of their twentieth reunion, which was held this year on Alumni Day.

General Statistics:

	Men	%	Women	%
Unmarried	11	18.7	8	16.6
Married	9	15.3	10	20.8
(no children)				
Married	15	25.4	10	20.8
(1 child)				
Married	20	33.8	14	29.2
(2 children)				
Married	4	6.8	2	4.2
(3 children)				
Married			2	4.2
(4 children)				
Deceased			2	4.2
Totals	59	100	48	100

Thirteen men or 22% selected Ursinus women as their wives; 12 women or 26% selected Ursinus men as their husbands.

Thirteen men or 22% served in the Armed Forces during the Second World War.

The following statistics pertain to advanced degrees earned by graduates of the class of '31:

Advanced Degrees

	Men	%	Women	%
M.D.	6	10.2		
B.D.	6	10.2		
M.S. or M.A.	5	8.5	8	16.6
Ph. D.	4	6.8		
D.D.S.	3	5.1		
Th.M.	3	5.1		
B.S. in L.S.			2	4.2
LL.B.	1	1.7		
M.V.A.	1	1.7		
Totals	29	49.3	10	20.8

Professions

Professionally, the men of the Class of '31 are distributed as follows:

Ministry, 10; Doctors, 6; Dentists, 3; Professors, 4; Teachers, 7; School Supervisors, 3; College Administrators, 2; Research, 2; Industrial Executive, 7; Industry, 5; Insurance, 3; Law (Judge), 1; Banker, 1; State Government, 3; Private Business, 2.

Twenty-five women were engaged in teaching during some period of time since graduation, some of whom still remain in this field of endeavor. One woman is engaged in research at present and two are engaged in social work. The remainder have become homebuilders.

Alumni Day Resume

Alumni Day activities began for many with class reunions and luncheon on the campus.

Dr. Kermit Black, '31, reelected president of the Alumni Association, presided at the regular annual meeting in the afternoon. The secretary-treasurer reported a balance in the treasury of \$745.94 as of May 25, 1951. The report of the Ursinus Board of Directors was made by Mr. William D. Reimert, '24; and Mrs. Jack Davison (Elizabeth Ware, '38) reported for the Ursinus Women's Club. Dr. Black reported that the alumni had reached the halfway mark toward the \$100,000 goal of the Alumni Memorial Scholarship Drive, and urged all members to work to meet our quota.

Following President and Mrs. McClure's Reception in the Library, many alumni went to the tennis courts to enjoy an exhibition tennis match by a group of outstanding players secured for the event by Bunny Harshaw Vosters, '40; Dick Sorlein, Philadelphia and district champion; Izzy Bellis, holder of many local titles; and Peggy Welsh Sinclair, member of the Sears Cup Team and Middle States Doubles title-holder.

The day closed with a dinner-dance in the Thompson-Gay gymnasium.

Class of '26 Celebrates Twenty-fifth Reunion

The members of the class of 1926 held their 25th reunion on Alumni Day. Through the efforts of the committee and the cooperation of the College a special luncheon was served by the College in the Upper Dining Room to 28 of the 47 living members of the class, their families and faculty members of the days of '26—a total of 72 persons.

Dr. A. Augustus Welsh, permanent president of the class, presided and acted as master of ceremonies. Faculty "speeches" of two minutes each, brought pictures out of the past. Each member of the class introduced his family and told briefly of his accomplishments in the 25 years since graduation. Letters written by members who were unable to attend were read aloud.

Signs on the campus announced the event, tags worn by the group proclaimed who they were, picture-taking indicated it was a momentous occasion, the singing was heard beyond the walls of Freeland.

Chatting bridged the 25 years and renewed again ties with Ursinus.

Memorial Scholarship Drive Totals \$60,000

Three years ago, the Ursinus alumni set out to raise \$100,000 for the Alumni Memorial Scholarship Fund. The total on August 1, 1951, was \$60,500, not including unpaid pledges, but including a few gifts from persons who are not alumni. A total of 1,056 alumni have contributed during the years, 1948-1951, to this fund or to other permanent college funds. This is an excellent record, but not so good as we hope it will be in three months' time.

It is interesting to note the following survey:

Five classes with highest percentage of contributors:

	No. of Members Living	No. of Members Contributing	Percentage
1906.....	7	7	100
1950.....	261	208	80
1905.....	9	6	67
1915.....	26	17	65
1951.....	220	130	60

Five classes with largest total of contributions:

1901-1902.....	\$3,835
1932.....	3,457
1912.....	2,630
1920.....	2,117
1921.....	2,002

Of the contributions received to date, 39% have come from the last three classes, 1949, 1950, 1951.

Fifty-two percent of all the contributions have come from the last ten classes, 1942-1951. Thirty-seven percent of the living members of these ten classes have contributed, whereas only thirty percent of all the living alumni have contributed.

In the February issue of the JOURNAL we plan to print a list of all contributors to our Alumni Memorial Scholarship Fund. Let's all work to make the list a long one and thereby make our scholarship drive a success.

Mrs. Pancoast Named Alumni Secretary

The Executive Committee of the Ursinus College Alumni Association wishes to state that Mr. Harry Frosberg, Public Relations Secretary to the College, has discontinued the duties of that office as of June 30, 1951. Mr. Frosberg, in a two-year period as Alumni Secretary, did many things to improve the Ursinus Alumni Association; and the Executive Committee extends its best wishes to Mr. Frosberg.

58 Attend York County Banquet

Fifty-eight persons attended the annual banquet of the York County Alumni Association on April 28 at the Elmwood Grille in York. Dr. Donald Gay Baker, professor of Greek and Latin and coach of soccer, addressed the group on "The Unchanging College in a Changing World."

President Norman E. McClure spoke on "Ursinus College Faces 1952" and reviewed the prospects for the coming academic year. Plans for alumni day on the campus were announced by Mr. H. M. Frosberg, general alumni secretary. Other guests from the College were Mr. Donald L. Helfferich, vice-president, and Mrs. Donald Baker.

Toastmaster for the occasion was E. Eugene Shelley, '37, president of the York Association. Margaret Moul Lentz, '19, secretary, introduced Miss Fayne Elssesser of Red Lion, who will matriculate at Ursinus in September. Miss Elssesser was one of two York County girls to be honored by the local College Club with scholarship grants to colleges of their own choice.

A report was submitted showing a net balance of \$952.50 in the York County Alumni scholarship fund. This fund was created through the sponsorship of the world premiere showing of "Pennsylvania Dutch No. 2," a movie produced and presented by Charles H. Noss, a director of the College.

John S. Throne, '37, was elected president for 1951-52 by acclamation.

Ursinus Women's Club

The Ursinus College Women's Club held its regular meeting and dinner on Friday, June 1, 1951, on the Ursinus campus. The speaker at the dinner was Dr. Allen Harman, '26, Assis't Superintendent of the Montgomery County Schools, and he spoke on, "Women's Place in Citizenship."

The highlight of the meeting took place when the club president, Mrs. John Davison, '38, presented to Dr. N. E. McClure a check for a thousand dollars to be used for the further beautification of The Effie Brant Evans Hockey Field.

The officers for 1951-52 were introduced: President, Helen Fry Anderson, '20; Vice-President, Hilda Stanley Rockett, '32; Secretary, Elmina Brant, '31; and Treasurer, Lois Hook Brownback, '20.

Oct. 27th—Old Timers' Day

Mark Saturday, October 27th on Your Calendar . . . It's Old Timers' Day

The more who arrive on campus, the merrier. The Ursinus Bears will play Wagner College at 2:30 p.m.; and the Alumni Association will provide coffee and sandwiches for everyone after the game in the new gymnasium. Come meet and chat with your college pals over a cup of coffee.

Ursinus souvenirs will be sold at the time, so that you can take Junior or Sister a sweater or a pennant, and the Alumni Association can help defray the expense of the refreshments.

Members of the committee for the day are: Mrs. David Stevenson, '25 chairman; Dr. J. Harold Brownback '21; Mr. Paul Levensgood, '35; Mrs. Wm Grove, '38; Mrs. Francis Vosters, '40 Mr. and Mrs. Louis Krug, '38 and '37 Dr. Kermit Black, '31; and Mrs. C Sieber Pancoast, '38.

Alumni Athletic Association Reorganized

Among the many activities which took place on Alumni Day, was the reorganization of the old Alumni Athletic Association. This organization in the past has done much to foster good fellowship, renew old bonds of friendship, and further interest in Ursinus athletics among the Alumni. It was with these thoughts in mind that the old organization was reactivated.

The reorganization meeting was attended by approximately fifty interested alumni, at which time the following officers were elected for the current year: President, Clifford D. Calvert Jr., '36; Vice-President, John Wise, '40 Secretary, G. Sieber Pancoast, '37 Treasurer, Max Zeski, '41.

It was decided that a meeting would be held on Old Timers' Day, October 27, at the College, following the Wagner game. It was further pointed out that membership would not be limited to former athletes but that all of the alumni are invited to join the group.

Some of the immediate plans of the association include social "get-togethers" for the near future. Plans are under way for trying, in an organized fashion, to interest boys with athletic ability in attending Ursinus. Finally it is the aim of the association to set up a scholarship fund for the aid of athletes.

Alumni Win Awards at Theological Seminary

Ursinus alumni took an active part in the 126th Anniversary Commencement of the Theological Seminary of the Evangelical and Reformed Church at Lancaster on May 23, 1951.

Among five essayists at the commencement were *George H. Yoder*, '50, whose topic was, "The Church as the Body of Christ," and *Francis X. Pirazzini*, '50, who wrote on, "Christian Education—a Fad or a Necessity."

Two Ursinus graduates received prizes: *Francis X. Pirazzini* was awarded first in the Spessard Senior Prizes in Christology for "The Christology of the Synoptics compared with that of the fourth Gospel"; and *Richard H. Whitney*, '49, won first in the Dietz Middler Prizes for "The Use and Function of Theology in Preaching."

York Alumni Take Part in Dedication Ceremonies

Two graduates of Ursinus College played a prominent part in the dedication ceremonies, July 1, 1951, at the opening of York County's new million-dollar Home Annex. *Samuel S. Laucks, Jr., Esq.*, '39, County solicitor, delivered the opening remarks in which he reviewed the history of county homes for the indigent. The dedication address was made by *Dorothy T. Shelley*, '35, assistant director of the Bureau of Homes and Hospitals, Pennsylvania Department of Welfare, before an audience of 400 gathered for the outdoor ceremony.

Teru Hayashi Develops An Artificial Muscle

An artificial muscle, capable of doing work, has been developed by *Teru Hayashi*, '38, for Columbia University's Zoology Department. The muscle is composed of actomyosin, a chemical substance found in all muscles that is strongly suspected of being the factor causing muscular contraction.

Dr. Hayashi extracted actomyosin from rabbit muscle and developed the fibers by spreading a film of the actomyosin at an air-water interface. When the film was compressed the fibers formed. These fibers contracted when treated with ATP, another muscle substance, and lifted more than 100 times their own weight.

This development represents an advance over previous efforts to form actomyosin fibers that contract.

Douthett Kept Busy Despite Retirement

Despite our efforts to keep up with alumni news, there are times when we fail dismally; and one of those times was when our own *Walter R. Douthett*, both a graduate of the class of 1912 and a member of the college's Board of Trustees, retired as Superintendent of the Darby Borough School District, Darby, Pa. But although this took place in May of 1950, we feel it important enough to warrant note in our JOURNAL.

When "Paddles" Douthett, as he was affectionately called, was at Ursinus, he was a member of the football team and president of the Student Government Association. After his graduation, he pursued graduate work in school administration and supervision at Teachers College of Columbia University, and in 1921 received his Master's degree at the University of Pennsylvania.

In 1920, he went to Darby as High School Principal and Director of Athletics, and served in that capacity for three and a half years, when in January, 1923, he was appointed Superintendent of Schools. For twenty-seven years he was the capable leader of Darby School District.

Throughout his career, Mr. Douthett has been one of the prominent educators of Pennsylvania, and has demonstrated his leadership by being an active member of many professional organizations.

Since his retirement, he has been teaching two graduate courses in Education Administration at Temple University. One is "The Principal and His School" for elementary principals; and the other is "The Superintendent, the Board, Staff and Public" for supervising principals and superintendents.

Mr. Douthett is also serving as president of the Pennsylvania Retired Public School Employees Association, and has been busy writing letters—over 1,000 of them—and making trips to Harrisburg, working to have the P. S. E. A. Legislative Committee include among its retirement bills, an additional state annuity for all of the 4,000 retired school employees who did not receive anything from the 1949 retirement legislation. He works wherever he can serve in the interest of education, and Ursinus is proud of his accomplishments.

Richard Wentzel Winner in Newspaper Writing Contest

Richard C. Wentzel, '49, a member of the Norristown *Times Herald* reporter staff, was named a winner in the 1951 Pennsylvania Better Newspaper Writing contest for the second successive year.

The contest was divided into two divisions: that for newspapers with circulation under 15,000, and for newspapers with a greater circulation. The *Times Herald* was in competition with all Pennsylvania Newspaper Publishers' Association member papers with circulation above 15,000.

Wentzel's entry was in the form of eight articles describing the purposes and functions of the newly-formed Montgomery County Planning Commission.

Bunny Wins Again

Bunny Harshaw Vosters, '40, top favorite player from Merion Cricket Club, won the Middle States Women's tennis championship at Philadelphia Cricket Club, St. Martins, on July 14, 1951, by defeating Mrs. Joseph Dillenbeck, of the host club, 7-5, 6-4, in a 50-minute final.

Bunny won her second title when she teamed with her club mate, Mrs. Andrew Sinclair, the former Peggy Welsh, to take the doubles crown, by defeating Mrs. Carter Simonin, Cricket Club, and Rhoda Joan Hopkins, Newtown, Conn., who were seeded second, 6-3, 4-6, 6-4.

A former Middle States title-holder, Mrs. Vosters, succeeds Rhoda Joan Hopkins of Newtown, Conn., winner last year, who was eliminated in the quarter finals.

ALUMNI SECRETARY

(Continued from Page 6)

and thanks for all he did for our association.

The Committee wishes to announce that *Mrs. G. Sieber Pancoast (Muriel Brandt)*, '38) has been appointed to the office of Alumni Secretary. Mrs. Pancoast assumed the duties of that office upon the retirement of Mr. Frosberg. Mrs. Pancoast is a well-known Ursinus alumna. After being graduated from Ursinus, she received her M.A. degree in English Literature from the University of Pennsylvania in 1942; and until this year, served as preceptress at Duryea Hall, when she resigned from dormitory supervising.

NECROLOGY

Dr. John LeRoy Roth, '03

Dr. John L. Roth, '03, a Conshohocken physician for 32 years, and a former athlete and sports coach, died at his home, 117 E. Fourth St., Conshohocken, Pa. Although ill for four years, he remained in active practice until eight months before his death.

Dr. Roth, a native of Nashville, York county, attended Shippensburg Preparatory School before entering Ursinus. After graduation from college, he was an athletic director for New Jersey's Y.M.C.A. and later at Swarthmore Prep School. He studied medicine at Hahnemann Medical College, and was graduated in 1918, after which he set up practice in Conshohocken.

He was a member of the Conshohocken Rotary Club, a former member of the School Board, and a member of the Montgomery County and Schuylkill Valley Medical Societies, the American Medical Association, and the American Institute of Homeopathy of which he was one of the Senate of Seniors.

Dr. Roth is survived by his wife, Mary Burke Roth; a daughter, Mrs. Paul Roberts, of Coatesville, and a brother, Ralph, of Spring Grove.

Dr. Roth was the son-in-law of the late E. S. Moser, founder of the Collegeville weekly, *The Independent*.

Harry W. Snyder, '08

Harry W. Snyder, '08, died on January 22, 1951, at his home in North Wales, Pa.

Mr. Snyder was a graduate of Girard College, the Ursinus Academy and Ursinus College. He attended the University of Pennsylvania, and received his M.S. degree from Temple University.

While attending Ursinus, he was an outstanding athlete, and was voted the most athletic man in the college in 1906. But he not only excelled in athletics. To mention only a few of his other activities in 1908, he was president of the Zwinglian, the Charmidean Clubs, Musical Clubs, and the Historical-Political Group.

For 36 years, he was connected with athletics in the Philadelphia schools, at Northeast High School and as head of the Physical Education Department of Simon Gratz High School.

Mr. Snyder made his home in North Wales for 31 years, and for 28 years, he served his community in one of the following capacities: Member of the

North Wales Borough Council, Member and President of the North Wales School Board, and Burgess of North Wales. He was a member of a number of fraternal organizations.

Mr. Snyder is survived by his wife, Nelda Hummel Snyder, four daughters and two sons (among them, Janet, '38, and Harry, Jr., ex '51).

Elsa W. Garrett, '30

Miss Elsa W. Garrett, '30, died at the home of her sister, Mrs. Robert Blackman, at Livingston, N. J., on June 30, 1951, after a long illness.

Miss Garrett formerly taught at Schwenksville High School; and during World War II, she served with the WAVES.

She is survived by seven sisters and brothers. Funeral services were private and interment took place in the Great Valley Meeting House Cemetery.

Ray S. Detwiler, '41

Ray S. Detwiler, '41, a native of Rahns, was co-pilot of the Pan American Constellation that crashed in Liberia, Africa, on June 22, 1951, resulting in the death of all aboard the plane. Detwiler was 31 years old and the son of Mr. and Mrs. Elmer H. Detwiler, of Graterford, Pa.

The plane crashed against a jungle mountainside about 50 miles Northeast of Monrovia, capital of Liberia. It was flying from Johannesburg, South Africa, to New York, and smashed against a 1600-foot mountain, 13 miles from the nearest passable road, in an area of Africa 500 miles north of the Equator.

First reported missing early on the morning of June 22, the airplane was found by a rescue party which had a difficult march through bush grass and undergrowth from the airstrip at Son-yeh, a tiny Lutheran mission station near Monrovia. The four-engined plane carried 31 passengers and a crew of nine on its regularly scheduled Johannesburg-New York flight. Rescuers reported no survivors among the 40 persons aboard, and immediate burial was authorized at a nearby village. Protestant ministers and a Catholic priest performed the burial rites.

Following his graduation from college, Detwiler taught school in Dover, Del., for six months, and then enlisted in the Air Force in January, 1943, where he served as a pilot until September, 1945. In 1947, he became a pilot for Pan American, and made his

this way, particularly since the society does not often select a college to honor, since in addition to education, it centers its work in recognizing industry, invention, engineering, transportation utilities, communication, mining, agriculture, finance, banking, economics, and law.

Presiding at the meeting at Ursinus was Mr. Ralph Kelly, retired president of the Baldwin Locomotive Works, Eddystone, and chairman of the Philadelphia committee of American Newcomen. Dr. Revelle Brown was introduced by President Norman E. McClure, who is vice-chairman of the Schuylkill Valley Committee of the society.

Dr. Brown's address is one that will be long remembered. He honors Ursinus, and of that we are very proud, but by doing so, he honors all the small, independent colleges which have extended their work "to include not merely the development of men for leadership in Church and State, but also the education of men and women for a variety of professions and for good citizenship under a democratic form of government". He gives us a goal to keep ever before us: "Higher education in a college like Ursinus—Christian, liberal, independent—offers the student unique advantages. Education of this kind gives the student perspective, an appreciation of the relative value of things. It helps him to a clearer understanding of his privileges and responsibilities as a free man in a democratic society. It teaches him to recognize and to meet his obligations to his family, to his community, to his Country, to men of good will in every land, and to Almighty God, who requires all men to choose between good and evil." Who could possibly deny that the future of our country, of the very world, depends on men so described? Let us strive to uphold the faith this society and Dr. Brown have in the independent college and in Ursinus, to help send forth such men and women.

home at 51 Luddington Ave., Clifton, N. J.

He is survived by his widow and two children, a girl of five years, and a boy three months. He is also survived by his parents, Mr. and Mrs. Elmer Detwiler, three brothers and two sisters.

Young Replaces Landes On Bear's Coaching Staff

This year Don Young, '51, will replace Ron Landes on the football coaching staff. Don will return to Ursinus to pursue his studies under the fifth year plan for teachers, at the end of which time, he will receive an M.S. degree.

Ron Landes has taken a position in physical education at the Bensalem Township High School, Cornwell Hts., Pa.

Football Prospects for '51 Season Appear Bright

Twenty-five returning veterans, 19 of them lettermen, make the 1952 football season outlook a bright one. The returning men, veterans of the best 8-game season since 1939, are as follows: John Anderson, '54; Herb Bennett, '53; Dick Radel, '52; Guards, Bob Davis, '53; John Ehnnot, '52; Tap Webb, '54; Marty Boyer, '54; Tackles, Harry Feulner, '53; Ed Mewing, '52; Ed Sella, '54; Dick Sharpe, '54; Bob Swett, '53; Orin Houser, '54; Gene Pascucci, '52; Ends, Co-captain Hermann Lintner, '52, Center, Paul Doughty, '52; Co-captain Bill Fischer, '52; Dick Glock, '54; Wil Loomis, '52; Howie Roberts, '53; Ted Yoder, '52; Bill Poore, '52; Ben Maliken, '54; Al Miglio, '52; Paul McCleary, '54; Backs.

The problems confronting coaches Ray Gurzynski, Harry Spangler and Don Young revolve around the development of quarterbacks, additional centers, guards, and passers. The return of Donald Young, '51, as a coach should go far toward solving the development of the quarterbacks and passers. One of the finest football players ever to wear the red, old gold and black, Don was a wizard at handling these chores.

The Bruins will operate from the T again if the quarterback material comes through as expected. Last year's team was the greatest scoring team in the last fifteen years, and an even greater scoring potential is present this year.

Defensively, great stress will be placed on pass defense. A strong, alert defense was developed toward the end of last season and all of the personnel except Young will be playing again.

Coeds End Softball Season Undeclared

Captain Nancy Vadner to Play Lacrosse Abroad

Once again the Bearettes came through with an undefeated softball season. Only twice have they been beaten in the past eleven years, both times by Temple. This year, Ursinus overtook Temple 6-5. It was a pitcher's duel throughout the entire game and probably one of the most spectacular victories ever witnessed.

At West Chester, the girls exhibited their strength and ability, for although handicapped by a partial team, they managed to end the game with a 2-2 tie. They concluded their season with another tie game with a professional group from Delaware County.

Captain Nancy Vadner, '51, an all-around athlete and who is to go abroad in August to play lacrosse, is greatly responsible for the team spirit and team play displayed by the Bearettes.

Next year should bring another successful season since the team lost only three members by graduation: Betty Keyser, Nancy Vadner, and Grace Nesbitt.

Women's Tennis Team Wins Five, Loses Three

Led by Captain Jody Woodruff, and coached by Mrs. William Whiting, the Ursinus women's tennis team brought home five wins and three losses for the 1951 season. Jody Woodruff, '52, a physical education major, played third position on the team and her opponents remember her powerful driving strokes which she developed and perfected while playing four years of varsity tennis at Bridgeton High School.

First singles position was played by Barbara Stagg, '52, Selinsgrove. Barbara's extensive tennis experience was revealed in her accurate placement shots and hard, fast drives. Last year's captain, Nancy Vadner, '51, held the second singles position. Nancy possesses a great variety of shots, which helped her in overcoming many opponents. She was the team's only graduate and will be greatly missed next year.

The Ursinus doubles team was composed of Barbara Landis, '52, and Joan Kirby, '52; Audrey Rittenhouse, '53, and Shirley MacKinnon, '52. These girls

Varsity Baseball Closes With 7 Wins — 10 Losses

The 1951 Ursinus Baseball Team was faced with the difficult task of trying to equal the last year's record of 10 wins and 4 losses (the best record since 1914 except for the 1922 team which had the same record), and accomplishing this task with practically all new personnel.

An intensive 17-game schedule was played without a postponement or cancellation. Two losing streaks of four games each were capped by a three-in-a-row winning streak at the end of the season to show a log of seven victories and 10 defeats.

The veterans performed capably all season with Light leading the hitters with an average of .374. Young performing in both the outfield and infield, and Stauffer seeing service on the mound and as an outfielder. Letter winners Mel Smithgall and Bill Lampeter, from an earlier year, added needed experience. Pitching chores were shared by Feist and Lampeter, both juniors, along with Stauffer. Light, at first base, was surrounded by freshmen infielders, including Popowich, Anderson, and Burger, and assisted at first by Ken Weisel, a sophomore. Ed Remsburg, a senior, saw outfield duty along with freshmen Kern, Sella, and Glock. Jay Kern was an early season hitting sensation and closed the year with a .353 average. Hal Henning, sophomore catcher, worked all games and was the best long ball hitter on the team. He hit home runs in three successive games, his third winning the initial contest between Ursinus and Drew University by a 6-5 score in the tenth inning.

Prospects for the 1952 season appear good. Only five squad members were graduated and the newcomers gained much experience.

New Track Records Set

The 1951 track season was fairly successful, and the team was the best-balanced in recent years. The record was as follows:

Ursinus, 42½; Haverford, 83½
Ursinus, 62; F. & M. 64
Penn Relays, No place
Ursinus, 80; P. M. C., 45
Ursinus, 66½; Swarthmore, 78; Drexel, 9½
Ursinus, 57; Lehigh, 69
Ursinus, 72½; Albright, 53½
Middle Atlantic—7th place out of 21

The F.&M. meet was a heartbreaker. Going into the last event, the broad jump, Ursinus needed a first and third to win. However, Ed Mewing lost first place by ¼ inch and Ursinus took second and third and lost 64-62.

Captain Don Cumpstone took five firsts and one second in regular javelin competition, and placed second in the Middle Atlantic to Lee Cappel of Albright, the only man to beat him. Don's throw of 190'2½" broke his own school record.

Dick Eshbach, freshman hurdle sensation, was undefeated in the 120-yd. high hurdles. He established a new Patterson Field record and tied *Johnny Grimm's*, '36, school record of 15.8, set in 1936. He took three firsts, one second, and two thirds in the 220 low hurdles.

Captain elect, Wilmer Loomis, won the 100-yard dash five times, was second once, and placed fourth in the Middle Atlantic championships. His best time was 10.0. Unbeaten in regular 220 competition, he placed third in the Middle Atlantic. His best time was 22.5.

Bill Helfferich established a new school record of 44'8" in the shot put. Paul Scheirer emulated Joe Shaw's feat in 1950 against the same team, Albright. He set a new school record in the mile, 4:39.4, and then came back later on to set a new school record in the half mile, 2:03.8. Bob Swett was undefeated in the discus, and set a new school record of 142'10½". He won three seconds and two thirds in the javelin, and a first, two seconds and a third in the shot. He threw the javelin 182 feet and shot 41 feet.

The outlook for 1952 is encouraging, and if some good middle distance and distance men can be developed, it will be brightened considerably.

A new and attractive addition to the gymnasium is a track record board. It was made and donated by Ursinus's popular equipment man, "Bell" Di Ilio. It bears the event, records, names, and classes of the men holding the records.

Miller's Netmen Close Season with 7-2 Record

This past year the Ursinus netmen enjoyed one of the best seasons in the history of the school. After losing the opening game to Haverford, the team proceeded to down its next six opponents. They dropped one to Swarthmore and closed the season by edging LaSalle to produce a 7-2 record.

The most consistent winner in the singles matches was Paul Jones, '52, playing the number 2 spot. He will co-captain the team next year, along with Jack Humbert, '53, who followed Jones in the win column, playing the number 1 position. Joe Benenati, '52, successfully held down the number 3 position, with Dick Lyttle, '51, Jack Ely, '52, and Bill Wimberg, '51, in the remaining 4, 5 and 6 slots respectively. These four men came through with timely wins to insure the team success.

Much credit must be given to *D. Eugene Miller*, '33, who coached the team for the first time.

The prospects of the '52 season look exceedingly bright, since only two members of the squad will fail to return to Ursinus. Among the freshmen candidates for next year is Charles Kenney, state doubles champion in class A high school competition.

Student Life at Ursinus in the Late 1800's

By Muriel B. Pancoast, '38

URSINUS COLLEGE—1870

The aim of the founders was never put aside, but the Ursinus leaders ever aimed at advancing "education in the higher branches of learning, upon the basis of Christianity, and with chief regard to religious ends".

With the additional courses of study and greater enrollment, it was necessary to find more room as early as 1872, and in that year, the wing known as Derr Hall was added to Freeland.

Number of Students

One hundred and thirty-eight students filled Freeland and Stine Halls that first year, all of whom were from Pennsylvania, except two—one was from Middle Granville, N. Y. and another was from Pennington, N. J. Montgomery County claimed most of the students, as would be expected, but was not alone for many other Pennsylvania counties were represented. Most of this number were members of the Academy. A comparison of number of students in the various departments is interesting as are the over-all attendance figures in the early years:

	1872-73	75-76	77-78	78-79
Theol.	6	9	12	8
College	41	34	27	30

Academy ..	107	88	94	73
Total	151	154	169	187
			10 S.S.	20 S.S.
			179	207

The first graduating class of Ursinus College in 1873 consisted of five men. By the end of the century (1899), the class numbered 19 (17 men and 2 women), and the alumni by then numbered well over 200.

Student Life

All students were required to live and board in the college buildings under direct supervision of the faculty although exceptions were made when students lived in the vicinity of the college. All students were subject to the general discipline of the institution which aimed to be both Christian and parental. Parents were told their sons would be treated as gentlemen, and would be expected to conduct themselves accordingly. Violations of good order received prompt and decisive penalties. Public reprimand by the President was not infrequent and few forms of punishment were regarded as more severe. Several of the professors were unmarried and lived among the students in the college buildings. Hence,

their influence was felt directly in the dormitory life as well as in the classrooms.

To modern ideas of college life, the daily routine of a young man at Ursinus in 1870 seems somewhat rigorous, to say the least. Note the plan drawn up by Dr. Bomberger:

- 5:30 a.m.—Arise.
- 6:00 a.m.—Steward's bell for breakfast. Professor at the head and foot of each table.
- 7:30 a.m.—Morning Prayer and Roll Call. Then at liberty for recreation like walking or baseball.
- 8:45 a.m.—Morning Prayer and Roll Call. Classes until noon.
- Noon —Dinner.
- Followed by recreation hour and exercise.
- 1:30 p.m.—Afternoon classes and work.
- 4:00 p.m.—Roll Call and Evening Prayer. Followed by Supper.
- 5:00-7:00 p.m.—Exercise and recreation.
- 7:00-10:00 p.m.—Study.
- 10:00 p.m.—Lights out.

Each dormitory room was equipped for two men with a double bed, mat-

In addition, each boy brought his own towels, sheep pillow cases, blankets and white bedspread, all of which had to be marked with the individual's initials in turkered cotton.

Finances

In 1870, tuition charges in the Academy Department ranged between \$10 and \$15 a term, depending on the length of the term; charges in the Collegiate Department were between \$14 and \$18. Room and board amounted to \$140 a year. Fire and light (lamps) were extra and washing cost "50 cents a dozen or \$1 a month. Incidentals were listed at \$7. The overall expense amounted to \$207 in the Academy and \$215 in the Collegiate Department, exclusive of fire, light and books. Several extra charges were made as for French lessons at the rate of \$1 a year and Instrumental Music for \$8 and \$12 a term. These costs varied little in the next 20 years. The board bill showed the only appreciable change, varying from \$1.50 a week as much as \$3.00 a week.

Parents were instructed that the was very little need for "pocket money", and were advised against giving it to their sons except through a faculty member who could oversee its use.

As time went on, scholarships were set up. Aid was often given to worthy young men preparing for the ministry. As the college was dependent upon voluntary contributions of church congregations for the funds for this purpose, congregations and classes were urged to contribute liberally to the worthy cause. Endowed scholarship were also offered. Among the earliest founders of such aid at Ursinus were *Geo. Wolf, D.D.*, *Wm. A. Helfferich*, *Nathan Spangler*, *Miss Anna M. Bomberger*, *Abraham Wagner*, *John Catson*, and *Rudolph F. Kelker*.
