## Higher Degree Research Student Conference 2011

The Conference will showcase research being conducted by the HDR students of Sydney Business School and display student research posters. Research related information sessions and workshops are available along with the opportunity to network with University research staff and students.

The Conference will be held at UOW's Innovation Campus – voted the 2011 Winner in the Innovation & Excellence Awards as the Best Business & Industrial Park Development.

Sydney Business School welcomes all University of Wollongong students, staff and alumni along with members of the local business community. There is no cost for attendance.
