Acknowledgements

The funding to conduct the national evaluation was provided by the Australian Government Department of Health and Ageing.

The authors acknowledge that the evaluation would not have been possible without the contributions and cooperation of a number of groups. In particular we would like to thank the schools and school staff involved in the evaluation of the Stephanie Alexander Kitchen Garden National Program, the Stephanie Alexander Kitchen Garden Foundation, members of the Evaluation Reference Group, and participating representatives of Australian state and territory education and health departments. The support of staff within the Healthy Living Branch, Population Health Division (Department of Health and Ageing) is also gratefully acknowledged.

Finally, the authors acknowledge the contribution made by colleagues from the Australian Health Services Research Institute during the course of the evaluation. In particular we would like to thank Janette Green, Elizabeth Cuthbert, Joanna Baker, Cristina Thompson, Alan Owen, Cheryl Blissett, Quy Minh Tran and Kristen Rezek.
