Graduation, Baccalaureate Plans Are Set

By DAVID PEYTON
Staff Reporter

Plans for the formal exercises of the 126th Commencement ceremonies have been completed, according to Luther E. Bledsoe, registrar and director of admissions.

The formal exercises will begin on Saturday, June 1 and continue through Commencement on Sunday, June 2.

The graduating ceremonies this year have been titled "The Centennial Year Commencement."

Activities of Commencement weekend will actually begin on Friday evening, May 31, when all graduating seniors and the seniors who graduated last July, August, and January are invited to an informal dinner and reception at 6:30 p.m.

in the main dining hall.

The dinner is sponsored by the Office of Development and Alumni Affairs and is designed to allow the officials and the Board of Directors to become acquainted with the graduating seniors and to explain the role of the alumni office.

On Saturday, June 1, seniors and their families are invited to the President's Reception from 3 p.m. until 5 p.m. at President Stewart H. Smith's home, 1636 5th Ave.

The Baccalaureate and Commencement exercises will be held on Sunday, June 2, on the lawn between Northcott Hall and the Student Union. The Baccalaureate Service will be at 10 a.m. and the Commencement will be at 2 p.m.

Rev. Joseph Duffy, a 1954

graduate of Marshall, will deliver the Baccalaureate sermon. He is presently an instructor in social ethics and director of admissions at Hartford Seminary, Hartford, Conn. Reverend Duffy, a native of Huntington, is a member of the board of directors of the Hartford chapters of the American Civil Liberties Union and the Congress of Racial Equality. He has had published several articles and reviews in church and theological journals and has written several newspaper articles.

Secretary of the Army Cyrus R. Vance, a native of Clarksburg, will deliver the Commencement address. Secretary Vance was sworn into office as Army secretary last July 5, after nomination by

President Kennedy and confirmation by the Senate.

Eight West Virginia natives will receive honorary degrees at the commencement ceremonies. President Smith said in announcing the degrees in April that the bestowing of honorary degrees to West Virginians was "in keeping with the spirit and theme of our Centennial." The recipients of the degrees will be Phyllis Curtin, Metropolitan Opera soprano; David L. Francis, president of Princess Coal Co.; John D. Maurice, editor of the Charleston Daily Mail; Robert Stewart, dean of the Fletcher School of Law and Diplomacy at Tufts University; Miles C. Stanley, president of the West Virginia Federation of Labor, AFL-CIO; Festus P. Summers,

West Virginia University professor of history; Jim Comstock, editor of the West Virginia Hillbilly; and Cyrus R. Vance, Secretary of the Army.

All June graduates are required to attend both Baccalaureate and Commencement programs or request "in absentia" graduation in writing to the dean of their college, according to Mr. Bledsoe.

A fee of \$10 must be paid by June graduates if they cannot attend or if they are not excused. None of the events of graduation day will be rehearsed.

Graduates must report to the designated places at 9 a.m. for Baccalaureate services and at 1:15 p.m. for Commencement exercises so they can be placed in the academic procession by

Centennial Edition Due Soon

By PAT BLAIR
Feature Writer

The fever of the 100th birthday of West Virginia is spreading throughout the Mountain State. Marshall, through the various departments of the University, will add to the enthusiasm of the state Centennial by depicting its contribution to the state's history in a special centennial edition of The Parthenon.

President Stewart H. Smith formulated the original plan for this special Centennial edition. It called for all departments of the University to write an article for the edition that would recapitulate their role in the state's past.

A Journalism Department spokesman stated, "The journalism faculty and students are editing and making up the paper. The articles that will appear in the Centennial edition have been written by the members of the various departments within the university."

The centennial edition will be 16 pages and will be dedicated

entirely to Centennial information. One aspect of the paper will be the use of an artist's conceptions of Marshall's past, present and future. Some of these sketches, drawn by Miss Nancy Brooks, will be in spot color. This different use of color will symbolize some of the colorful attractions and scenic projects that have been planned in accordance with the Centennial celebrations across the state.

A faculty member added that, "Many daily and college newspapers over the state will be making contributions of this type to promote more enthusiasm toward the Centennial celebration."

Solons OK 'New Look' For Nov. 9 Homecoming

A new plan, abolishing house decorations and floats for the 1963 Homecoming, was adopted by the Student Senate during a special meeting Friday.

Activities under the new plan will be centered around the theme "Alumni Passing in Review," with a parade of antique automobiles and alumni greeting signs. Activities also will be scheduled for the night of Nov. 8 as well as the regular dances on Nov. 9.

Prior to the majority vote to accept the new plan, John Sayre, director of development and alumni affairs, spoke to the Senate concerning two plans which had been formulated by the Homecoming Commission.

Mr. Sayre explained to the Senate that representatives from various fraternities and sororities had come to him expressing

a desire for the abolishment of floats and house decorations for three main reasons: time, money and manpower. He said that many groups believe the money used for floats and house decorations could be used for something more worthwhile, such as a scholarship fund. Mr. Sayre also said that many students do not enjoy the Homecoming activities because they are exhausted after working on floats and house decorations.

After reviewing the details of the two plans, the first being the "status quo modified," Mr. Sayre told the Senate that adoption of the new plan would be for this year only. He said that it is impossible to know whether any other plan will work until it has been tried.

Concerning a adoption of the new plan, Student Body President Ken Gainer said that "basically it is a pretty good plan."

Other Student Senate action has included ratification of 26 student government appointments. The new appointments, made by President Gainer, include John Shea, coordinator of Greerbackers Commission; Thomas Rardin, Donna Sturgeon, and Connie Barbera, Student Scholarship and Loan Commission; Sue Ellen McElhinny, Who's Who Commission coordinator, and commission members, Joe Kessler, Edie Alexander, Becky Barshurst and Errol Hess.

New members of the Freshman Court are: judge, Jim Wilmer; baliff, Fred Reader, and Justices Loretta Ufheid, Barbara Collins, Carroll Hoffman, John Cross, Judith Settle and Mike Smith.

New coordinator of the Cheerleaders Commission is Peggy Shephard, and Student Court justices include Robert Puthoff, Gary Starcher, Gus Cleckley, Wendell English, Joyce Hoke, Martha Buckley, Lily Wray Naylor and Kay Mullen.

Seven Faculty Members Turn In Resignations

Seven faculty members have resigned effective June 30, according to Dr. J. Frank Bartlett, dean of the College of Arts and Science.

Faculty members leaving are: Dr. Alex Darbes, professor of psychology; John J. Patton, associate professor of English; Dr. Dana R. Cartwright, assistant professor of chemistry; Paul Alexander, instructor in political science; Miss Judith A. Machado, instructor in English; Miss Joan A. Martin, instructor in English; and Miss Mary J. Pribble, instructor in chemistry.

Dr. Darbes has served Marshall the longest coming here in 1957. He received his Ph. D. at Western Reserve University in 1951. Professor Patton came here in 1962. He obtained his M.A. at the University of Pennsylvania in 1949.

Dr. Cartwright received his Ph.D. at Ohio State University and came to Marshall the same year.

The other leaving faculty members began their duties here in 1961. Mr. Alexander obtained his M.A. at Vanderbilt University and Miss Machado received her A.B. at the University of California. Miss Martin and Miss Pribble both hold M.A. degrees from Columbia University and Duke University respectively.

Golf, Tennis, Track Teams Lose Out In MAC Tournaments

By JERRY REED
Sports Editor

The Big Green forces came home after a solid trouncing in three of the spring sports tournaments at Western Michigan University in the Mid-American tournament over the weekend.

The MU golfers made the best showing at the MAC Festival by placing fifth in a field of seven while dropping the championship, which it won last year, to Ohio University.

Senior Dave Whipkey made the best showing of the MU golfers by compiling an 80-75-155 for the 36 hole tournament. This was good enough to give Whipkey 10th place in individual scoring.

Chip Woodring was named to the All-Conference first team and Whipkey was added to the second squad for the MU representatives on the dream squads.

Ohio University swept the first four individual places and finished 41 strokes ahead of Toledo, 740 to 781. Next was Bowling Green with 785 strokes, followed by Western Michigan with 795 strokes. Kent State was sixth and Miami finished last in the tourney.

Harry Hoffer was second to Whipkey on the Big Green team with a 76-82-158 after finishing one stroke behind Pete Byer and Jim Ward in the tournament last year. Ward and Byer were co-medalists in the meet last year as they led the team to the championship.

Woodring tied Hoffer with an identical 158 mark while George Somich, 162, Bill Spensky, 164, and Dave Herndon, 170, followed in that order.

With everything pointed to the next few years in all the spring sports the golf team only loses

Team Lacking Time, Practice

Ohio University women want to play intercollegiate golf with the Marshall University women's golf team, according to Dr. Alta Gaynor, chairman of the women's physical education department.

Dr. Gaynor said that due to a lack of time in this school year, and a lack of practice among the girls, the match would have to be postponed until next year.

Sue Shambaugh, Miami, Fla., freshman, feels that by next spring, the Marshall University women's golf team will have enough practice to make a good showing.

Those who are interested in joining the women's golf team may see Dr. Gaynor in the women's physical education department.

2 Baseball Losses

The Big Green baseball squad dropped both games to Bowling Green over the weekend to end up in the Mid-American Conference cellar.

Friday the MU team lost 8-0 with only two hits. Pitcher Dale Lynd dropped his fifth decision against four wins.

MU closed out the season Saturday with a 4-1 loss to BG as Larry Tincher lost his fourth game while winning one.

This game left MU with a 2-10 conference record and a 8-16 overall record.

one man, Dave Whipkey, and should have a good nucleus for the upcoming squad next year.

Probably the most disappointed MU team was the track squad under Coach Charlie Kautz after his team was rated as one of the best Marshall has had.

The Big Green thinclads only scored one point on a fifth place finish by Mike Hicks in the discus throw. This was the worst finish for a Marshall track team since 1959 when it failed to score.

"The breaks didn't actually go against us, but the lack of experience told in this meet," Coach Kautz said.

"Brown looked good, but when he got disqualified in the 220 hurdles it sort of demoralized us," Kautz added.

Jimmy Brown, hurdle star, was disqualified in the 220-yard hurdles because of two false starts; and he was near the lead in the 440-yard intermediate hurdles when he tripped over the last hurdle.

Pole vaulter John Bentley went out at 13 feet after five others had cleared it.

"Bentley was the sixth one left and if he had cleared 13 feet he would have placed," Kautz commented.

"Jack Mahone would have had a better time if he had gotten a better start, but he had one false start against him and he waited too long to get out of the starting blocks," Kautz said.

Mahone was third in his heat

with a time of 10.2 seconds and the winner of his heat was Chuck Friedman of Toledo with a time of 9.4 seconds to win the event.

"The track was a little damp, but all in all the meet was a good one and we feel we ran against one of the best track teams in the country in Western Michigan, the host squad," Kautz concluded.

The track team is in the best shape of all in the way of returnees for next year since no one will be lost.

The Big Green tennis team was blanked at the MAC Festival and it was the fourth shut-out over an MU tennis team in the last 11 MAC meets.

The results for Big Green netters were: Bill Carroll lost to Bob Gill (WMU), 6-3, 6-2; Bill Jefferson lost to Ted Norris (BGSU), 6-3, 6-0; Wayne Wookey lost to Norton Thomas (WMU), 6-2, 6-1; and Jim Wellman lost to Fred Bonsack (Miami), 6-2, 6-0.

In doubles matches Carroll and Jefferson lost to Kuhn and Stark (Kent), 6-2, 7-5; Wookey and Wellman lost to Norris and Dimling, (BGSU), 6-0, 4-6, 6-4; and Jack Viehman and Adkins lost to Thompson and Sebastian (Miami), 8-6, 6-4, 6-1.

The downfall in the tennis department was the loss of Carroll and Jefferson in the doubles matches. They had only been beaten twice over the year in this event.

Intramural Champions

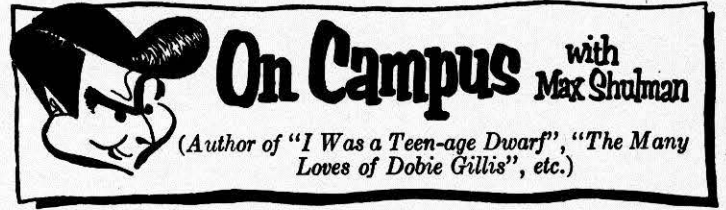

Pi Kappa Alpha won the water polo championship with a 3-1 victory over Sigma Phi Epsilon last Wednesday evening.

Members of this team were Jim Hamilton, Bill Winters, Ralph McBrayer, Benny Williams, Larry Stratton, George Wardell, Gary McMillan, Mike Chambers, Larry Dezio, Howard Miller, Tom Langfitt, Barry Zorn, Charles Evans, Jack Tagliente

and Jim Cure.

Members of the Sigma Phi Epsilon softball champions that defeated Lab School for the title last week are Harper Hill, Bob Altomare, Jim Stone, Mike Carroll, Mike Cimaglia, Ted Haddox, Chris Cremeans, Joe Thomas, Bill Francis and Jim Houghton.

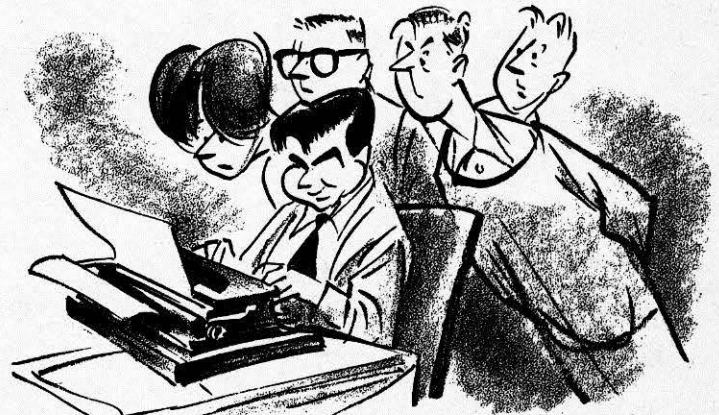

The rod and reel fly casting championship was won by SPE's John Deitz.

TILL WE MEET AGAIN

With today's installment I complete my ninth year of writing columns in your college newspaper for the makers of Marlboro Cigarettes. In view of the occasion, I hope I may be forgiven if I get a little misty.

These nine years have passed like nine minutes. In fact, I would not believe that so much time has gone by except that I have my wife nearby as a handy reference. When I started columning for Marlboros, she was a slip of a girl—supple as a reed and fair as the sunrise. Today she is gnarled, lumpy, and given to biting the postman. Still, I count myself lucky. Most of my friends who were married at the same time have wives who chase cars all day. I myself have never had this trouble and I attribute my good fortune to the fact that I have never struck my wife with my hand. I have always used a folded

It's a rare and lucky columnist

newspaper—even throughout the prolonged newspaper strike in New York. During this period I had the airmail edition of the Manchester Guardian flown in daily from England. I must confess, however, that it was not entirely satisfactory. The airmail edition of the Guardian is printed on paper so light and flimsy that it makes little or no impression when one slaps one's wife. Mine, in fact, thought it was some kind of game, and tore several pairs of my trousers.

But I digress. I was saying what a pleasure it has been to write this column for the last nine years for the makers of Marlboro Cigarettes—a fine group of men, as anyone who has sampled their wares would suspect. They are as mellow as the aged tobaccos they blend. They are as pure as the white cellulose filter they have devised. They are loyal, true, companionable, and constant, and I have never for an instant wavered in my belief that some day they will pay me for these last nine years.

But working for the makers of Marlboro has not been the greatest of my pleasures over the last nine years. The chief satisfaction has been writing for you—the college population of America. It is a rare and lucky columnist who can find an audience so full of intelligence and verve. I would like very much to show my appreciation by asking you all over to my house for tea and oatmeal cookies, but there is no telling how many of you my wife would bite.

For many of you this is the last year of college. This is especially true for seniors. To those I extend my heartfelt wishes that you will find the world outside a happy valley. To juniors I extend my heartfelt wishes that you will become seniors. To sophomores I extend my heartfelt wishes that you will become juniors. To freshmen I extend my heartfelt wishes that you will become sophomores. To those of you going on into graduate school I extend my heartfelt wishes that you will marry money.

To all of you let me say one thing: during the year I have been frivolous and funny during the past year—possibly less often than I have imagined—but the time has now come for some serious talk. Whatever your status, whatever your plans, I hope that success will attend your ventures.

Stay happy. Stay loose.

© 1963 Max Shulman

We, the makers of Marlboro Cigarettes, confess to more than a few nervous moments during the nine years we have sponsored this uninhibited and uncensored column. But in the main, we have had fun and so, we hope, have you. Let us add our good wishes to Old Max's: stay happy; stay loose.

Alumni Will Meet On Campus June 8

The 1963 Alumni Day will be held June 8. This date is actually a week later than it has been in the past for several reasons, according to John Sayre, director of development and alumni affairs.

Caps, Gowns Available On May 27-June 8

(Continued from Page 1) the faculty marshals.

Teachers College seniors will meet at the northeast entrance to Old Main opposite Main Annex. Marshals will be Joseph M. Lichtenstein, associate professor of education and Robert L. Britton, professor of geography.

Marshals Named

Seniors in the Arts and Science College will meet at the northwest entrance to Old Main opposite Main Annex. Ernest W. Cole, assistant professor of business administration and Dr. Raymond E. Jansen, chairman of the Geology Department and professor of geology, will be marshals for the college.

Seniors in the College of Applied Science will meet at the front steps of Old Main, 16th street entrance. Samuel T. Stinson, associate professor of engineering, will be marshal.

Candidates for the master's degree will form a line beginning at the bust of John Marshall in front of the 16th Street entrance of Old Main. Dr. A. Mervin Tyson, professor of English, and Charles S. Runyon, professor of education, will be marshals.

Stoles At Registrar

Those who are to receive their degrees must wear cap and gown at both Baccalaureate and Commencement exercises. Women will wear white dresses under their robes. Black shoes are suggested as appropriate with academic costume. Honor graduates will wear stoles. Stoles may be picked up at the Registrar's Office between May 27 and 11:30 a.m., Saturday, June 1 and must be returned to the Bookstore with your cap and gown following the Commencement program. Master's degree candidates will wear their hoods. Caps and gowns may be picked up in the Bookstore between May 27 and June 1. The Bookstore will close at 11:30 a.m. on June 1 and caps and gowns must be called for before that time. No regalia will be mailed to students. Caps, gowns, hoods and stoles are to be returned to the Bookstore immediately following close of Commencement exercises.

No tickets are required for admittance to the Commencement ceremonies, Mr. Bledsoe said. In case of rain, both the Baccalaureate and commencement ceremonies will be held indoors. In the event that such a change in schedule occurs, notification will be made over the local radio and television stations.

SABIN CLINIC TODAY

The third Sabin Oral Vaccine clinic will be held in the Student Health Center today from 9 a.m. until 4 p.m.

Mr. Sayre said the new date would not conflict with Commencement Weekend and it would allow several reunion classes to have their luncheons on campus. He also explained that the latter time will allow use of dormitories for alumni who would like to stay on campus and more out-of-town graduates could attend since their school terms would probably be over by then.

The first seminar in Alumni Day history will be the first activity and will begin at 10 a.m. in the North Parlor of Old Main. It will be conducted by Dr. Charles Moffat, professor of history, and Dr. Mahlon Brown, assistant professor of social studies.

Luncheons for various reunion classes are scheduled between noon and 2:30 p.m. Classes of 1908, 1913, 1919, 1928, 1933, 1938, 1943, 1948 and 1953 will make their reservations directly through respective class chairman.

The alumni association business meeting is set for 3 p.m. in Science Hall Auditorium. Election of new officers and other association business is scheduled. Guided tours of the campus will begin after the business meeting.

President Stewart H. Smith will speak at the dinner meeting in University Dining Hall at 6:30 p.m. The president's topic will be "Marshall University in the Centennial Year."

Awards will be given to outstanding and honorary alumni and new association officers will be introduced. The dinner will cost \$2.50 per person and reservations must be made by May 31.

The annual dance will be held in the Governor Cabell Hotel beginning at 9:30 p.m. Tickets are \$3 per couple and Joe Avis will furnish the music.

5 Cadets Complete ROTC Air Course

"All cadets who started out in the flight training program have completed it successfully" according to Cadet Lt. Col. Richard Denison, Vienna senior.

Denison went on to say, "Upon entering active military service, these cadets will be eligible for the Army Flight Program at Fort Rucker, Ala."

Cadets completing the flight program are Cadet 1st Lt. Marvin D. Roush, Pt. Pleasant senior; Cadet Lt. Albert L. Stonestreet, Harrisville senior; Cadet Capt. Thomas E. Rast, Charleston senior; Cadet 1st Lt. John Mazon, Logan senior; and Cadet Lt. Col. Richard H. Denison, Vienna senior.

Campus Christian Center Conducts Poll On Student Church Attendance

By PAULETTE MESSINGER Teachers College Journalist

Would you like to have a weekly inter-denominational church service at the chapel? This is the question asked by Lander Beal and the planning committee for the Student Christian Center.

A survey is being made throughout all the dormitories and the sorority and fraternity houses. So far there have been 299 opinions returned to the committee. Out of this 299, 71 say that they attend church every Sunday but only four of the 71 said they would attend the chapel services. Eighty-one students go often to church and 92 seldom go. Thirty-one go home on weekends and 42 never go to church.

When asking the students if they would come to the inter-denominational service the majority answered, "I believe so",

while 41 said "definitely not." Out of the 42 who never go to church, 14 said they would go.

In registering for school, only 260 students out of 4700 had no religious preference. "There seems to be a desire to be labeled as a church member but they do not want to come," Mr. Beal said.

In talking to several of the students who participated in the survey, it was found that of those who do not favor the idea, the majority prefer their own church. They seem to like a more personal fulfillment atmosphere which they find in their own church.

Most of the students voted to hold the services between 10 a.m. and 11 a.m. on Sunday. When asked if communion would be served Mr. Beal said that they may try it.

Communion is served on Wednesday morning for one denomi-

nation. In the new program which will probably begin in the fall, the chaplains in the sororities and fraternities will work with the planning committee to encourage the attendance and participation. Also an informal discussion group is planned for the hour following the service.

It was the students' choice to have various guest speakers as well as a few regular ones. The majority did not want a different one every Sunday.

The program would be of value in transportation and convenience to the "on-campus" students. Mr. Beal said that if the students are sincere, this program can work.

The survey sheets have not been circulated completely yet but they soon will be. If you have not received one and you have an opinion or suggestion, stop in the Student Christian Center and tell Mr. Beal.

Civic Interest Unit Gains Goal After Negotiating With Bailey's

Civic Interest Progressives attaining one of its objectives—Bailey's Cafeteria in downtown

Huntington.

Herbert H. Henderson, attorney for the group of Marshall students known as Civic Interest Progressives, told The Parthenon that negotiations were concluded last week with Bailey's and that it was his understanding that, during a two-week period, service would be gradually offered to Negro customers.

The cafeteria should be completely open to Negroes this Fri-

day, he said.

Several Huntington ministers, the Huntington Commission on Civil Rights, and delegates from C.I.P., took part in negotiations with Bailey's management.

"I'm pleased that Mr. Walker has apparently changed his ideas and feels that Negroes are a part of the public," Mr. Henderson said.

Floyd E. Walker is co-owner of Bailey's.

The negotiations followed a decision on May 11, by Cabell County Circuit Court Judge John W. Hereford, which denied an injunction, sought by Bailey's, to halt picketing by C.I.P.

6 To Be Initiated In Pi Sigma Alpha

Pi Sigma Alpha, national political science honorary, will conduct its annual initiation at 5 p.m. today in the small dining room of the Cafeteria.

New members being initiated are Ruth Fuller, Huntington senior; Margaret Hubbard, Parkersburg senior; David Thompson, Montgomery graduate; Edward Hall, Madison junior; William Ice, Jackson, Ohio, junior; and Ruth McDonald, Huntington junior.

The officers of Pi Sigma Alpha are Joyce Rohr, Huntington senior, president; Tom Dumfee, Huntington senior, vice president; and Mary Margaret Abruzzino, Huntington senior, secretary. Dr. Paul Stewart, professor of political science, is faculty adviser.

Research Bulletin Being Distributed

The Marshall University Research Bulletin for 1962-63 now is being distributed on campus.

Compiled by Dr. Walter Perl, associate professor of German, the bulletin is published annually by the Marshall University Research Board.

In the preface, Dr. Harold E. Walker, vice president of academic affairs and Research Board chairman, said, in part:

"As our University continues to grow, it is of the utmost importance that our research increase . . ."

The bulletin shows that 22 faculty members had books, articles or book reviews published during 1962-63; 19 read papers at scholarly meetings or exhibited art; 21 had research in

progress; 10 have received grants from the Research Board for studies this summer; 9 have received grants or fellowships, and 10 hold office in scholarly associations and societies.

In addition there were five

group research projects and three faculty members were participating in additional group research projects.

The 1962-63 Research Bulletin is the second to be published by the Research Board.

The Gamma Chi chapter of Phi Alpha Theta, national history honorary, elected officers for the coming year at a dinner meeting and initiation held last Saturday in the Marshall University cafeteria.

Also special recognition was given to Dr. H. G. Toole, retiring chairman of the history department.

The new officers elected were Victoria Smith, Nitro senior, president; Dr. Herschel Health, the newly appointed chairman of the history department, vice president; and Lucille Ingram, Nitro senior, secretary-treasurer.

The newly inducted members are Irene Brand, Southside freshman; Claren Brooks, Arlington, Va., junior; Grace Chirico, Mt. Gay sophomore; Richard Childress, Oceana senior; Betty Fallis, Huntington senior; Donna Hughes, Huntington sophomore; Rebecca McDaniel, Huntington sophomore; Marcia Moore, Dunmore junior; Jean Ann Tolley, Huntington junior; William Ward, Acme junior; and Frank Weitz, Huntington graduate student.

THE SAFE WAY to stay alert without harmful stimulants

NoDoz keeps you mentally alert with the same safe refresher found in coffee and tea. Yet NoDoz is faster, handier, more reliable. Absolutely not habit-forming.

Next time monotony makes you feel drowsy while driving, working or studying, do as millions do . . . perk up with safe, effective NoDoz tablets.

Another fine product of Grove Laboratories.
