TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Antrim, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town, on the 8th day of March, 1949 at 10:00 o'clock in the morning to act on the following subjects:

The polls will be open at 10:00 o'clock in the forenoon and close at 4:00 o'clock in the afternoon.

1. To choose all necessary Town Officers, Agents and Trustees for the ensuing year, and to approve a by-law of the Town permitting games of sports to be held on the Lord's Day.

2. To hear the reports of the Auditors on the Town Officers' accounts, and act thereon.

3. To see if the Town will vote to authorize and empower its selectmen to borrow such sums as may be necessary in anticipation of Taxes.

4. To see how much money the Town will appropriate for the repair of Roads and Bridges for the ensuing year.

5. To see how much money the Town will appropriate for snow removal for the ensuing year.

6. To see if the Town will appropriate the sum of \$2,500.00 for the surface treatment and maintenance of tar roads.

7. To see if the Town will vote to appropriate the sum of \$620.21 in order to obtain from the State Highway Department the sum of \$2,480.84 to be used for Town Road Aid.

8. To see if the Town will vote to appropriate \$100.00 to provide for suitable care and maintenance of Public Cemeteries within its confines, which are not otherwise provided for, as required by Chapter 68, of the Revised Laws.

9. To see if the Town will vote to raise and appropriate the the sum of \$1,000.00 to continue work of the Town tax map.

10. To see if the Town will vote to raise and appropriate the sum of \$146.00 to The Monadnock Region Association of Scenic New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven Towns in Monadnock Region.

11. To see if the Town will vote to reimburse Antrim Precinct for expenses of the Fire Department in amount of \$879.12 or take any action thereon.

12. To see how much money the Town will appropriate for Street Lighting for the ensuing year, or take any action thereon.

13. To see if the Town will vote to raise and appropriate one hundred and fifty dollars (\$150.) for Concord Hospital as the pro rata share of this town, on the basis of patient days, of the estimated deficit of the Hospital for the year 1949 of sixty thousand dollars (\$60,000.).

14. To see if the Town will raise and appropriate the sum of nine hundred dollars (\$900.) for the purpose of rebuilding and tarring Pleasant Street, from Highland Avenue to the end of water line below residence of Louis Ordway.

15. To see if the Town will vote to return to the General Fund all unexpended balances of previous appropriations with the exception of the school appropriation, and less the amount of the overdrafts of the year 1948.

16. To see if the Town will vote to appropriate \$150.00 to assist the Meyers-Prescott Post No. 50 American Legion, and Ephraim Weston Post No. 87, G. A. R., in properly observing Memorial Day.

17. To see if the Town will vote taxicabs ordinances in accordance with Chapter 146 laws of 1943 or take any other action relating thereto.

18. To see if the Town will raise and appropriate the sum of \$2,000.00 for the purpose of painting and redecorating the town hall, inside and out.

19. To see if the Town will raise and appropriate the sum of \$2,600.00 to purchase a Power Grader, or take any action thereon.

20. To see if the Town will vote to adopt a zoning ordinance to be administered by a Board of Commissioners composed of five members,—three members to be appointed at this meeting by the Moderator, as follows:—one member to serve for one year; one member to serve for two years; and one member to serve for three years. The fourth member shall be one of the

Board of Selectmen and the fifth member shall be chosen from the Board of Precinct Commissioners to be appointed by each Board each year; this Zoning Board to serve without pay. Each year hereafter one member of this Board shall be elected to serve for a term of three years. The Board shall meet as soon as possible after their election and draw up a set of rules or regulations to comply as far as possible with the State Zoning Laws, after which there shall be a public hearing, when changes may be suggested by the voters; all changes so requested must have a majority vote of the Zoning Board. Thereafter, changes may be made at any Town Meeting.

21. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Dollars to have the Invoices and Taxes for the year 1949 printed.

22. To see if the Town will vote to eliminate all raw sewerage from running into the brook or stream, known as Great Brook which flows from Gregg Lake to the Contoocook river, and give all property owners a time limit of five years to install septic tanks approved by the State Board of Health, or adopt any other method for the disposition of their sewerage that is approved by the State Board of Health or Water Pollution Commission.

23. To see how much money the Town will raise for statutory requirements and to carry the above articles and appropriations of the School Meeting into effect.

24. To hear reports of Committees, and act thereon.

25. To transact any other business that may legally come before this meeting.

Given under our hands in said Antrim, this 10th day of February, 1949.

REPORT OF THE TRUSTEES OF THE JAMES A. TUTTLE LIBRARY

This year, we feel the library has served the Town of Antrim to a greater extent than ever before. Circulation has increased from 8,793 of last year to a new high of 10,311; of this, 2,532 withdrawals have been in the juvenile department. Two hundred fifteen new books have been purchased for adult reading and 105 for the children—the last figure almost double that of two years ago. A new subscription to "Parent's Magazine" brings our periodical total to 26.

The use of Library Hall has been encouraged, and we now have the Woman's Club, Legion Auxiliary, Woman's Relief Corps and Antrim Music Club all holding regular meetings there. With the generous contributions from those clubs using the kitchen, a new electric plate has been installed.

We wish to thank the Garden Club members who gave their time and energy renewing the gardens behind the library and decorating the library rotunda for Christmas.

Of interest to all, is the Historical Room which has recently been reorganized by the Daughters of the American Revolution. Anyone interested in the display may obtain a key from the librarian. Plans will be made in the spring to have a definite schedule when the room will be made available to the public.

Observation of Book Week brought Tasha Tudor to speak to the elementary grades in Library Hall. This charming illustrator of childrens' books sketched several of her favorite characters and pleased the feminine audience especially with a parisienne doll complete with wardrobe.

As you know, the sole income of the library is derived from interest on trust funds. This figure has remained static while operating costs are constantly rising. It is only by foregoing minor repairs and curtailing on fuel consumption and book purchases that we will be able to operate within our budget. If costs continue to rise, an appropriation by the Town may be necessary in the future, if we are to serve the Town adequately.

Respectfully submitted,

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Antrim qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March 1949, at 8:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years, and a member for the ensuing two years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what disposition the district will vote to make of the North Branch School Building and lot.
10. To transact any other business that may legally come before said meeting.

Given under our hands at said Antrim this 14th day of February, 1949.

REPORT OF THE HEADMASTER

To the School Board and Superintendent of Schools:

I am pleased to submit to you my report as Headmaster of Antrim Central School.

Of necessity this report is based mainly on the school since its opening for this school year on September 8, 1948.

The enrollment by grades, for the current year is as follows:

	Boys	Girls	Total
Grade I	8	11	19
Grade II	14	7	21
Grade III	14	3	17
Grade IV	7	8	15
Grade V	11	11	22
Grade VI	7	13	20
Grade VII	10	5	15
Grade VIII	6	7	13
Grade IX	11	6	17
Grade X	6	5	11
Grade XI	2	4	6
Grade XII	6	4	10
	<hr/>	<hr/>	<hr/>
Total	102	84	186

An Ideal Social Studies Situation

At the graduation exercises, held on June 13, 1948, nine seniors received diplomas: Barbara Bean, Donald Bryer, Maurice Cutter, George DeFoe, Norma Fuglestad, Nancy Hall, Robert Lowell, Beatrice Wallace, and Robert Warren.

The traditional pattern of the school program is gradually changing. The theory of mental discipline which was the basis of the traditional school, has largely been discounted by educational research. The traditional function of selecting intellectually competent pupils and eliminating the others has been entirely changed. It is very apparent that the Antrim school system has kept abreast of many of the findings of educators.

Future Secretaries in Training

GENERAL PROGRAM

Although we have a college curriculum which could qualify our students to enter any institution of higher learning, the greatest improvement continues in revamping the old traditional program to meet the needs of that larger group which does not go on to college. All of our students must be educated for the kinds of lives they will live and the problems they will face. The following notations indicate the general trend of our endeavors in the Antrim school:

(a) Household Arts courses have been established and are now a required subject for all Freshmen, seventh and eighth grade girls.

A Scene from Our High School Shop

(b) General Shop is now established and fairly well equipped. All boys in the Freshmen, seventh and eighth grades enroll in this course.

(c) The physical education program has been broadened, and includes two periods each week for every boy and girl.

(d) Visual education is recognized as an efficient teaching aid and many excellent films are booked for the year.

(e) In the elementary school the fact that each grade has its own room and teacher, may be viewed with a sense of achievement and satisfaction.

(f) The importance of democracy training is realized and stress is placed in all grades upon this important phase of living.

(g) The six week work shop on the pageant, "My Town-Antrim," was an example of an activity in which all the students participated in the learning process in a cooperative whole.

The traditional subject matter attitudes were cast aside and the learning was achieved through a total endeavor focused toward one major goal—a study of my town.

(h) The most modern text books, charts, and equipment have been purchased to assist in learning process.

(i) An excellent reading program has been established in the elementary school and is operating very efficiently.

(j) Reference materials have been supplied for all rooms and the high school library.

(k) In October all teachers attended a one week workshop in Henniker, where opportunity was provided for them to hear and see the latest in educational methods.

(l) New materials have been introduced and constant revision continues in order to integrate the entire school program to meet the demands of changing conditions.

Music is an Essential Part of the Educational Program

FACULTY

Any success that our school enjoys is naturally the result of teacher effort and cooperation. Our faculty is aware of the educational problems of today's children and strives constantly to improve methods and materials to further the learn-

ing process. Teachers' meetings are democratic conferences where problems are defined and studied, and ideas are exchanged to meet their solution.

We are most fortunate to have in our school a group of hard working enthusiastic and well trained teachers.

Antrim High School meets the requirements of the State Board of Education for Class A Schools. A complete list of subjects being taught this year and their enrollment is as follows:

STUDENTS' ACTIVITIES

The Student Association is the major organization of the school. The student council is the advisory body for the Student Association. The council studies the problems of student life and ways to improve them. Excellent work has been done in this field and much benefit may be derived through this close cooperation between pupils and teachers.

Among the activities of the Student Council have been the organization of the student traffic patrol.

Three organizations of the community recognized outstanding citizenship and achievement among our youth. The Prescott-Meyers Post No. 50 of the American Legion sent Norman Wallace to Profile Boys' State and Marguerite Worth was sent to Granite Girls' State. These meetings of one week duration were held during the summer at New Hampshire University and provided a great learning experience. In January of this year Marguerite Worth was chosen by students of the senior class and faculty as the recipient of the Molly Aiken D. A. R. award. The school appreciates very much the cooperation and support of these organizations.

The school has continued its membership in the Southern New Hampshire Interscholastic League. Our athletic teams consist of boys' and girls' basketball, girls' softball and boys' baseball. All students on the athletic teams have been enrolled in the New England Secondary School Athletics' Accident Benefit Fund.

Stress is placed upon the importance of good sportsmanship at all times.

CONCLUSION

Evidence indicates that Antrim's elementary and high school have experienced a steady and constructive growth. Every effort shall be made to go forward with the realization that the school does not belong to the teachers or administration, but to the people, and that it must operate for the public good.

Appreciation is expressed to Superintendent Stewart V. McCormack, the members of the School Committee, and the teachers for their interest and support.

Respectfully submitted,

HARRY A. JOHNSON

Progress Account

During the past year, your school has continued to make some progress toward modernization. We have recorded above, eight new teachers of which five are replacements and three are additions to our staff. The elementary grades are now divided up as they should have been long ago, with one teacher to a room and grade. While this is not a final answer to a good and efficient program, it is indicative of better teacher organization.

The building we are now using has long ago ceased to be acceptable in any way for an elementary school plant and is barely acceptable for any school purposes.

With our new additional teachers, our number of pupils per teacher is just about standard in most cases. Dr. Hilton C. Buley, Commissioner of Education, said recently at the Antrim Womens' Club that he considered twenty or twenty-two pupils per teacher to be an effective maximum. By having two teachers now where we had only one before, we have all ready loaded our teachers with this maximum in most rooms. In these days of extreme teacher shortage, run-down and over-loaded classrooms are sure to discourage most capable teachers

from accepting jobs in such towns. Luckily Antrim, is forging ahead on a new elementary plant, to adequately house its present number of pupils in the first six grades and capable of taking slightly larger enrollments in each.

At the High School level we are continuing the strong program previously started. In our nation there was recently completed a study of educational needs known as the Life Adjustment Program. A main feature of the study was to determine what should be the purposes of High School education. The outcomes of the study were broadcast throughout the land in an effort to re-vitalize secondary education. Fortunately, here in Antrim, we had all ready embarked on certain recommended phases of the program, such as our new courses in practical arts for boys and girls. This year, we have added courses in physical education and have tried to do more work in expression. We of course are primarily concerned with developing each pupil as much as possible in all phases of his abilities which will make him a successful citizen in his home and community after he leaves school. The paths of education are not strewn with blueprints for success in an atomic era. Therefore we have moments of wrong road situations even in school life. But largely, your teachers are seriously intent on training your boys and girls to be successful citizens in a yet untried civilization.

The great need everywhere in education is for alert citizens who will protect whatever ground is gained, against a noisy minority who often try to take everybody back to the "horse'n buggy" days in education.

With the first six grades moved into the new elementary building, grades 7-12 will have more room in the old building. This extra room, they can well use.

Whenever high schools are discussed, the question of cost of instruction naturally arises. The following table illustrates the relation of last year's cost in Antrim High School for per pupil cost of instruction compared to other schools.

Cost of High School Instruction

(From 1947-1948 survey by N. H. State Board of Education)

District	Average H.S. Membership	Expended for Instruction	Average Cost per pupil
Amherst	42.21	\$9,892 91	\$234 37
ANTRIM	40.01	8,799 59	219 93
Carroll	22.35	8,589 56	384 32
Enfield	80.28	18,112.91	225 62
Laconia	572.02	113,037 25	197 61
Nashua	1308.10	255,284 98	195 16
Troy	36.46	9,568 40	262 43
Whole State	17,331.97	2,751,325 84	158 74

It can be seen that costs here compare very favorably with those of small and large high schools, and yet it offers a fairly comprehensive program.

On these pages we have introduced a few pictures typical of life in certain phases of school activities in Antrim. Such scenes are everyday affairs in the better high schools of today. Such close, friendly cooperation between pupils and teachers or capable townspeople, helps our pupils to live the worthwhile democracy we talk about.

Mrs. Edna Humphrey, has loyally and effectively carried on the noon lunch program, again ably assisted by Mrs. Mary Warren. The Odd Fellows again allowed the use of their hall for the lunch program, until the new school is in operation. Nearly a hundred pupils partake of the hot lunches daily at a cost to them of twenty cents per day.

Whitney Bus Company has been continued as transporters on the North Branch and East Antrim runs. Their service has been dependable, in safe vehicles, and at fair rates.

Mrs. Mary Griffin, has continued her program in the field of school health, through check-ups, visits with parents and remedial work where possible. Last Spring, the local Red Cross donated a large sum of money to purchase a Pure-tone audiometer for use in the school. This instrument is of the latest design and permits early detection of any hearing loss which could be a handicap to learning if undetected. Mrs. Griffin's report illustrates her work in some areas.

In conclusion, it seems fair to say that the year has been one of educational progress against a tremendous backlog of educational needs. Progress has been in many different areas which can only be completely coordinated when the new school is completed and the secondary pupils adjusted to the whole of the old building. In the meantime a thorough study of an area high school is being made by people from this and surrounding towns.

Your School Board has given uncountable hours of time and energy to the problems of your schools this past year. They have forged on carefully through these great problems in local education with only superficial rewards for the tremendous tasks. The duties of citizenship as exemplified by this board in their attention to the job at hand should remind us all that citizenship makes harsh demands on some in order to save privileges for the many.

Our grateful thanks to the School Board, Town Officials, pupils, teachers and parents who together have helped to put Antrim education to the high level it deserves.

Respectfully submitted,

STEWART V. MCCORMACK
Supt. of Schools
