**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.
TUESDAY, MARCH 13, 1990**

**BUSINESS MEETING STARTS AT 7:30 P.M. ON
WEDNESDAY, MARCH 14, 1990**

AT THE BROOKLINE ELEMENTARY SCHOOL

To the inhabitants of the Town of Brookline in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brookline Elementary School in said Brookline on Tuesday, the thirteenth (13th) day of March at 10:00 a.m. to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Agents, Auditors, Committees, and all other Officers heretofore chosen, and pass any vote relative thereto.
4. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes in accordance with RSA 33:7.
5. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another governmental unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95b, provided that no additional Town monies be spent.
6. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee on lesser interest in conservation land, or take any action relative

thereto. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

7. To see if the Town will vote to accept the following legacies:
 1. The sum of Two Hundred Dollars to be used for the perpetual care of the Wilfred Soucy Lot #282.
 2. The sum of One Hundred Dollars to be used for the perpetual care of the Reed Wilson Lot #SF-3.
8. To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." (Submitted by the Conservation Commission)
9. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the Capital Reserve Fund for expansion of town offices and library, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0)
10. To see if the Town will vote to raise and appropriate the sum of \$5,000 to hire an architect to work with the existing space needs committee to address the physical plant needs of the town offices, police department and library; the results and a proposal to be presented to the 1991 March Town Meeting, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0.)
11. To see if the Town will vote to raise and appropriate the sum of \$15,000 for additional legal expenses that may be incurred by the town, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0.)
12. To see if the Town will vote to raise and appropriate the sum of \$5,000 for improvements to the intersection of Sargent Road and Route 130, or take any action relative thereto. (Not recommended by the Finance Committee and Board of Selectmen, 6-0.)
13. To see if the Town will vote to raise and appropriate the sum of \$32,400 to purchase the Clara Bent Connolly property at 6 Main Street (map #F-141) and authorize the selectmen to carry out the terms of a Purchase and Sales agreement dated February 5, 1990, or take any action relative thereto. (Recommended by the Finance Committee and board of Selectmen, 6-0.)

TOWN WARRANT

16A. To see if the Town will adopt the following Ordinance:

1. Pursuant to the authority of RSA 31:39 I (f) (general powers) and RSA 149-M:13 II (solid waste management powers) the Town of Brookline hereby adopts recycling as an essential component of its waste management program.
2. All recyclable materials brought to the town transfer station shall be prepared and handled for recycling as specified by the Souhegan Regional Landfill District (SRLD).
3. Any material to be deposited at the town transfer station shall be subject to inspection by the attendants at the station before being accepted.
4. The contents of opaque trash containers larger than six gallons must be displayed for inspection by a station attendant.
5. Pursuant to the authority of RSA 31:39 (III) it is hereby resolved that any violation of this regulation shall be punishable by a fine not to exceed \$250.00 for the first offense, \$500.00 for the second offense or \$1,000.00 for any subsequent offense and said monies shall be paid directly to the Town of Brookline to be added to the general treasury funds.

thereto. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

7. To see if the Town will vote to accept the following legacies:
 1. The sum of Two Hundred Dollars to be used for the perpetual care of the Wilfred Soucy Lot #282.
 2. The sum of One Hundred Dollars to be used for the perpetual care of the Reed Wilson Lot #SF-3.
8. To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." (Submitted by the Conservation Commission)
9. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the Capital Reserve Fund for expansion of town offices and library, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0)
10. To see if the Town will vote to raise and appropriate the sum of \$5,000 to hire an architect to work with the existing space needs committee to address the physical plant needs of the town offices, police department and library; the results and a proposal to be presented to the 1991 March Town Meeting, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0.)
11. To see if the Town will vote to raise and appropriate the sum of \$15,000 for additional legal expenses that may be incurred by the town, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen, 6-0.)
12. To see if the Town will vote to raise and appropriate the sum of \$5,000 for improvements to the intersection of Sargent Road and Route 130, or take any action relative thereto. (Not recommended by the Finance Committee and Board of Selectmen, 6-0.)
13. To see if the Town will vote to raise and appropriate the sum of \$32,400 to purchase the Clara Bent Connolly property at 6 Main Street (map #F-141) and authorize the selectmen to carry out the terms of a Purchase and Sales agreement dated February 5, 1990, or take any action relative thereto. (Recommended by the Finance Committee and board of Selectmen, 6-0.)

14. To see if the Town will vote to accept the following roads contingent on all outstanding fees being paid by the developer and a maintenance bond being in place in the amount of 10% of the total cost for the road, and that final acceptance has been approved by the Planning Board, Road Inspector, Road Agent, and Board of Selectmen. Term for the maintenance bond shall be one year after final acceptance.

- Shattuck Lane (Oak Hill Estates subdivision)
- Birch Hill Road (Birch Hill Estates subdivision)
- Hillside Drive (Wallace Brook Estates II)
- Captain Douglass Drive (Martin & Lawrence Ruggiero subdivision)

15. To see if the Town will vote to accept the following roads. Final acceptance has been approved by the Planning Board, Road Inspector, Road Agent, and Board of Selectmen.

- Conneck Road (McHowrey Associates subdivision)
- McIntosh Road (McHowrey Associates subdivision)

16. To see if the Town will vote to authorize the Board of Selectmen to execute any and all documents necessary to convey to Terence A. & Beatrice O. Denehy property shown as area "A" on a plan of land drawn 5/4/89 for New England Telephone and Telegraph Co. entitled "easement on land of Terence A. & Beatrice O. Denehy, Tax Map E, parcel 85": in return for which the town will receive a deed from the Denehy's for area "B" as shown on the same plan, or take any action relative thereto.

17. (By Ballot) Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$40,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets of less than \$50,000 excluding the value of the person's residence. (Recommended by the Finance Committee and Board of Selectmen, 6-0) (Submitted by the Board of Assessors)

18. (By Ballot) Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50. (Recommended by the Finance Committee and Board of Selectmen, 6-0) (Submitted by the Board of Assessors)
19. (By Ballot) Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption of residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700. (Recommended by the Finance Committee and Board of Selectmen, 6-0) (Submitted by the Board of Assessors)
20. (By Ballot) Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board to delete current Article IX, Earth Removal, from the Zoning Ordinance; and replace with new Article IX, Earth Removal, which establishes the criteria for the Zoning Board of Adjustment to allow special exceptions for excavations? (Recommended by the Planning Board)
21. (By Ballot) Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board to delete former Article XIII of the Zoning Ordinance, titled Residential Construction; current Article XIII, titled Wetlands Conservation District to remain the same? (Former Article XIII was declared by town counsel to be unenforceable and illegal) (Recommended by the Planning Board)
22. (By Ballot) Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board to formally adopt the BOCA, CABO, and Electrical Codes? (Recommended by the Planning Board)
23. (By Ballot) Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board to delete Article 11 of the Building Code and replace with a new Section at the end of Article X of the Zoning Ordinance, Lot of Record, titled Non-conforming Lots, Exceptions to the Requirements for a Variance? (Recommended by the Planning Board)

Given under our hands and seal this twelfth day of February, in the year of our Lord nineteen hundred and ninety.

William A. Dunbar
Barbara A. Burckes
Russell Heinselman
Selectmen of Brookline

A True Copy of Warrant — Attest:

William A. Dunbar
Barbara A. Burckes
Russell Heinselman
Selectmen of Brookline

It is our practice to recess at 11:00 p.m., however, we will continue if it appears that the meeting will not extend beyond 12:00.

If the meeting recesses at 11:00 p.m., the meeting will reconvene Thursday, March 15, 1990 at 7:30 p.m.

PROPOSED ZONING AMENDMENTS 1990

ITEM ONE: DELETE ARTICLE IX OF THE ZONING ORDINANCE WHICH READS AS FOLLOWS:

Article IX EARTH REMOVAL

The removal of sand, gravel, clay, peat, quarried stone, sod and loam from the Town of Brookline, New Hampshire shall be prohibited. The removal from any premises within the Town of Brookline of more than 500 cubic yards of the above earth products in any one year shall be prohibited except when incidental to and in conjunction with the construction of a town road or an excavation for the lawful construction of a building or except where such removal may be authorized by permit as an exception to this ordinance by the Board of Selectmen. Permits may be authorized at Selectmen's regular meetings with prior notice given by certified mail to the abutters and notices posted in three public places. Said permit shall be valid for a period not to exceed one year and may be renewed annually upon application. The Board of Selectmen may require submission of such plans, topographical surveys, drainage proposals, estimates and other information as said Board deems necessary, including without limitations:

- a. Control of the unfinished level and grading.
- b. Control of the placing of topsoil upon completion of excavation, seeding, and planting with approved materials to restore the area to a usable condition, protected from erosion and reforested as necessary.
- c. Control of temporary and permanent drainage.
- d. Disposition of boulders, vegetation stumps, and other debris including unused material and any structures used in connection with the operations.
- e. Vegetation to remain as a visual barrier.
- f. Hours of operation except that hours of operation will not be limited during the normal work day.
- g. Routing and means (including load limits) for transportation of materials.
- h. Posting of a performance bond with sufficient sureties or other security in an amount sufficient to cover items "a" through "e" above, and any other conditions said Board may require.

- 1A. The proposed removal shall not extend within 100 feet of a way open to public use, whether public or private, or 50 feet from an adjacent property; and provided further that removal of topsoil from the premises or use in rough grading the slopes of the excavation is prohibited.
- 1B. Said removal activities in lawful operation at the time this amendment is adopted may continue unless or until abandoned for more than twelve (12) consecutive months, however, unless specifically authorized by a new permit;
 - (a) The depth of excavation shall not be increased below the grade of the lowest point excavated on the effective date of this amendment, and
 - (b) The total horizontal area of the excavation within the property shall not be increased by more than twenty-five (25) percent of its area on said effective date.
- 1C. The Board of Selectmen shall make investigation annually, or more frequently, if deemed necessary, to compliance with earth removal permits, a report of their investigations shall be kept on record at the Selectmen's office.

AND REPLACE WITH THE FOLLOWING:

Article IX EARTH REMOVAL

Excavation shall be deemed to be a use allowed by special exception as provided in RSA 674:33 IV and the Zoning Board of Adjustment shall grant such a special exception upon a finding that the applicant has demonstrated that:

- 1. The excavation will not cause an unreasonable diminution in area property value or unreasonably change the character of the neighborhood;
- 2. The excavation will not unreasonably accelerate the deterioration of highways or create safety hazards in the use thereof;
- 3. The excavation will not create any unreasonable nuisance or create health or safety hazards;
- 4. The excavation operation shall not remove more than 75,000 cubic yards annually;
- 5. The excavation site shall contain natural buffers or other visual buffers to adequately protect the health, safety, and welfare of

- abutters and Town residents. This buffer shall be used to minimize noise impact, dust impact, visual impact and biological impact of the excavation;
- 6. The excavation will not cause erosion of adjacent property;
- 7. The excavation will not destroy a habitat of an endangered species;
- 8. The length of the operation shall not exceed three (3) years from the date of Planning Board Excavation Site Plan approval; and
- 9. A period of at least three (3) years has elapsed since any previous excavation on the subject property, or on any contiguous parcels.

The Planning Board shall not grant an extension of an excavation permit unless extenuating circumstances exist. A limit of one extension of an excavation permit shall not exceed a period of one (1) year.

No new development can be approved or built on a lot which has an existing excavation until reclamation has been completed, as this will be considered premature development.

Any excavation must also meet the Excavation Regulations and get an Excavation Permit from the Planning Board.

In addition, the excavation will adhere to the Brookline Zoning and Land Use Ordinance including, but not limited to the Aquifer Protection Ordinance and Wetlands Conservation District.

ITEM TWO: DELETE Article XIII OF THE ZONING ORDINANCE WHICH READS AS FOLLOWS:

(NOTE: THIS WAS NUMBERED Article XIII PRIOR TO THE ADOPTION OF THE CURRENT WETLANDS ORDINANCE)

Article XIII RESIDENTIAL CONSTRUCTION

- 1. The number of residential building permits which may be issued to any record holder in any building year shall be limited to the following:
 - a. A record holder of a total of 10 or less acres in the Town of Brookline may obtain one permit per building year.
 - b. A record holder of a total of more than 10 but less than 25 acres

in the Town of Brookline may obtain two permits per building year.

- c. A record holder of a total of 25 acres or more but less than 50 acres in the Town of Brookline may obtain three permits per building year.
- d. A record holder of a total of 50 acres or more in the Town of Brookline may obtain four permits per building year.
- e. Only undeveloped land shall be considered in determining the acreage for the purposes of subparagraphs a, b, c, and d above.
- f. Contiguous parcels under one ownership, shall be considered in their entirety in determining the acreage for the purpose of subparagraphs a, b, c, d, and e above.
- g. The residential building permits which may be granted under this paragraph must meet all requirements of the Zoning and Land Use Ordinance and Land Subdivision Regulations as they may apply.

For the purpose of this article, the following definitions shall apply:

- a. Record Holder shall mean the owner of the land for which a residential building permit is sought, who has owned said land continuously since April 1st in the year prior to the Building Year in which the application for a building permit or transfer of rights to a building permit is made; said ownership shall be established by a deed recorded at the Hillsborough County Registry of Deeds on or before said April 1st in the year prior to said Building Year.
- b. The building year shall run from April 1st through March 31st and be identified by the year in which April 1st falls.
- c. A grantee shall mean a successor in title to the lands or a portion of the lands of a record holder.
- d. Undeveloped land shall mean land without residential housing or other structures as recited on the tax assessment records.
- e. Lot of Record shall mean:
 - 1. A building lot of less than 160,000 sq. ft. taxes as a lot by the Town in 1976; OR
 - 2. Any parcel which has been laid out on a subdivision plan

and approved by the Planning Board prior to March 1, 1977.

3. The first building year shall be from April 1, 1977 to March 31, 1978 and shall be identified as the 1977 Building Year.
4. A record holder may transfer to a grantee the rights to a residential building permit as presented in paragraph 1, by notifying the Planning Board. Notification of such transfers of rights shall be made to the Planning Board in writing within 60 days of the conveyance of the land for which a building permit is sought. Said transfer shall constitute a release by a record holder to a grantee of the record holder's right to apply for a residential building permit so transferred and shall convey to the grantee the same rights to apply for a residential building permit or permits as the record holder possessed under Article XIII. Such transferred rights shall terminate if not exercised within the building year which such rights may be issued.
5. A record holder or his grantee of a lot of Record existing prior to April 1, 1977 shall not be subject to this Article XIII in obtaining a building permit for construction on said Lot of Record. The acreage which is subject to building permits issued to or available to a record holder or grantee pursuant to this paragraph 5, shall not be considered in computing the acreage of said record holder or grantee under paragraph 1.

ITEM THREE: FORMAL ADOPTION OF THE BOCA, CABO, AND ELECTRICAL CODES

The Town of Brookline hereby adopts the following three (3) codes:

- 1) The Building Officials and Code Administrators (BOCA) National Building Code/1987 Tenth Edition as published by the Building Officials and Code Administrators International, Inc. for the control of buildings and structures as herein provided; and each and all of the regulations, provisions, conditions and terms of said BOCA National Building Code are hereby referred to, adopted and made a part hereof as if fully set out in this ordinance.
- 2) The CABO One and Two Family Dwelling Code, 1986 Edition, published by the Building Officials and Code Administrators International, Inc. regulating the fabrication, erection, construction, en-

largement, alteration, repair, location and use of detached one- and two-family dwellings, their appurtenances and accessory structures in Bookline.

- 3) The National Electrical Code 1990 Handbook Fifth Edition, Peter Schram, Editor, published by the National Fire Protection Association, Copyright 1989.

ITEM FOUR:DELETE Article ELEVEN OF THE BUILDING CODE WHICH READS AS FOLLOWS:

11. Exceptions to the Requirements for a Variance:

- A. Single Family Dwellings: Any person having a lot size of 40,000 sq. ft. and 150' frontage and who can meet the set back and side line requirements as set forth in the Zoning and Land Use Ordinance shall not require a variance in order to obtain a building permit. Any person having a lot size of less than 40,000 sq. ft. and/or 150' frontage or who cannot meet the set back requirements shall require a variance prior to the issuance of a building permit.
- B. Two-Family Dwellings: Any person having a lot size of 80,000 sq. ft. and 150' frontage and who can meet the set back and side line requirements as set forth in the Zoning and Land Use Ordinance shall not require a variance in order to obtain a building permit. Any person having a lot size of less than 80,000 sq. ft and/or 150' frontage or who cannot meet the set back or side line requirements shall require a variance prior to the issuance of a building permit.

AND REPLACE WITH THE FOLLOWING AT THE END OF Article X OF THE ZONING ORDINANCE:

11. Exceptions to the Requirements for a Variance (Non-Conforming Lots):
 - A. Single Family Dwellings: Any person having a lot size of 40,000 sq. ft. and 150' frontage and who can meet the set back and side line requirements as set forth in the Zoning and Land use Ordinance shall not require a variance in order to obtain a building permit. Any person having a lot size of less than 40,000 sq. ft. and/or 150' frontage or who cannot meet the Zoning Ordinance requirements shall require a variance prior to the issuance of a building permit if the changes will either:

- 1) increase the exterior dimensions of the structure so that it is not in compliance with the Building Code and Zoning Ordinance or
 - 2) increase the septic flow as determined by New Hampshire Water Supply and Pollution Control Commission or the Brookline Health Codes.
- B. Two-Family Dwellings: Any person having a lot size of 80,000 sq. ft and 150' frontage and who can meet the set back and side line requirements as set forth in the Zoning and Land Use Ordinance shall not require a variance in order to obtain a building permit. Any person having a lot size of less than 80,000 sq. ft and/or 150' frontage or who cannot meet the Zoning Ordinance requirements shall require a variance prior to the issuance of a building permit if the changes will either:
- 1) increase the exterior dimensions of the structure so that it is not in compliance with the Building Code and Zoning Ordinance or
 - 2) increase the septic flow as determined by New Hampshire Water Supply and Pollution Control Commission or the Brookline Health Codes.

	\$18.15

ANNUAL REPORT BROOKLINE SELECTMEN

In December of 1988 the Town's Attorney Robert Pillsbury died. The Selectmen interviewed several candidates and selected attorney William Drescher of Milford as the new Town Attorney.

In March Mr. Tom Moran was elected to the vacant Selectman's position but he declined. Several very qualified candidates were then interviewed and Mrs. Barbara Burckes was selected to fill the vacancy until next Town meeting.

In March it was decided to approve covering all full time Town employees under the N.H. Retirement System.

At Town meeting the voters could not decide exactly where to reduce the Town's budget and voted for the Selectmen to reduce it by \$25,000. This was accomplished as follows by the Selectmen with the help of the various Town Department Heads:

Sanitation	\$500	Water Quality monitoring
	1000	Transfer Station Attendant
Recreation	4500	Ball Park Maintenance
Public Welfare	2000	
Library	600	Media
Police	1300	Special Detail
Ambulance	1300	Equipment
Town Office Expenses	2500	Office Salaries
Gen Govt Bldgs	2000	Town Hall Maintenance
	\$25000	Total

The Town began recycling this year as a means of lowering the ever rising cost of waste disposal. This has been very effective and as more people participate in recycling, the Town's waste cost may be even lower.

The Second Ambulance Attendant, Miss Lisa Scanlon, was hired and began work not only on the day time Ambulance crew but also in various other roles for the Town. She is a tremendous asset to the Town.

Due to the increasing number of incidents regarding consumption of alcoholic beverages on Town property and the liability of the Town associated with this, the Town's attorney strongly advised that the Town prohibit the consumption of alcoholic beverages on all Town property. This was done in July of 1989.

For the past year we experienced a large turnover in Transfer Station Attendants. In August, Oliver Bois was hired as the Transfer Station Supervisor and Mr. Louis Ennor was hired as a Transfer Station Attendant. Both have worked out very well.

In August Nancy Brodeur resigned as a Selectman after serving the Town for many years in various roles, she will be greatly missed. And we would like to take this opportunity to thank her for her many years of dedicated service to the Town.

Mr. Russell Heinselman was appointed as a Selectman to complete Nancy Brodeur's term until March Town Meeting. He was selected from among six candidates who applied for the position.

Town Hall improvements for this year consisted of installing new thermopane windows in the basement and first floor, replacing the roof on the front porch, and blacktopping the lower parking lot of the Town Hall. We hope to pave the parking area by the library this year.

With new requirements being required by the State and Federal Govt., and the disposal of waste continuing to be the major problems for all Towns, the selectmen have had a busy year. In addition to this there is a dwindling number of people who are willing to dedicate the time required. As a result we are seeing a rapid turn over of personnel on the boards and this leads to a lack of continuity. As always we are interested in hearing from townspeople who would be willing to serve on a Board or a subcommittee of a Board for special projects. We as Selectmen feel that the time has come to look again at the idea of a full time Town position that would administer the Town's affairs on a day to day basis and make recommendations to the Selectmen for implementation.

COMPARATIVE STATEMENT OF APPROPRIATIONS

FISCAL YEAR ENDING DECEMBER 31, 1989

Title of Appropriation	1989 Approp.	Receipts and Reimb.	Total Amount Available	Expenditures	Unexpended Balance	Over- Draft

TOWN MEETING MINUTES

MARCH 14, 15, 16, 1989

The meeting was opened at 10:00 am by Moderator Thomas I. Arnold, Jr. The ballot clerks were sworn in and the ballots distributed. The polls were opened under Article I.

Polls closed at 7:30 pm. The business meeting opened on March 15 at 7:30 pm.

Total names on checklist: 1,367

Total ballots cast: 277

Absentee voters: 7

Article I. Results of balloting as follows, with various write-ins omitted.

For Town Clerk/Tax Collector	Nancy B. Howard	257
For Selectmen, 3 years	Thomas Moran	25
For Selectmen, 1 year	William A. Dunbar	244
For Assessor, 3 years	Robert J. deGuzman	234
For Town Treasurer	Sandra L. Fessenden	249
For Overseer of Public Welfare	Marcia T. Farwell	230
For Town Auditors (2)	Holly E. Moore	222
	Suzanne G. Maben	232
For Road Agent	Clarence L. Farwell	208
For Finance Committee (3)	Arthur J. Belair, Jr.	186
	Michael J. Lynch	221
	Allan O. Fessenden	10
	(declined)	
For Library Trustee, 3 years	Eleanor A. Monius	241
For Town Trustee, 3 years	Allan O. Fessenden	238
For Town Trustee, 2 years	Clarence L. Farewell	3
For Supervisor of Checklist, 3 years	Evalyn Maghakian	183
For Fire Engineer, 3 years	Ray E. Kecy	260
For Recreation Comm., 3 years	William Graham	240
For Recreation Comm., 2 years	Arthur C. Dyer IV	240

The following were elected from the floor:

Surveyor of Wood & Lumber	Clarence L. Farwell
Memorial Day Committee	Philip Shattuck
	Michael Chase
Committee on Plans for New Cemetery	Richard Albertini
	Erwin Corey
	Clarence Farwell

Melendy Pond Authority
Sexton
Town History Committee

Russell Haight
Clarence Farwell
Charlotte Farwell
Miriam Jepson
Brendan Denehy

The above were declared elected by the Moderator.

BALLOT QUESTION

Are you in favor of the adoption of the Brookline Aquifer Protection Ordinance as proposed by the Planning Board, for the purpose of protecting groundwater resources of the Town from potentially adverse activities related to the waste, the disposal of non-human liquid or leachable wastes, animal feed lots, uncovered road salt storage, unapproved excavation of sand and gravel, or the covering of more than 40% of the lot by impervious surfaces?

YES 188 NO 75

Article II. Motion Nancy Brodeur, 2nd Michael Lynch, to raise and appropriate the sum of \$770,377 to defray Town charges. AMD Warren Welch, 2nd Peter Cook, to reduce that figure to \$765,877. Voice Vote NAY. AMD William Duffy, 2nd John Liska to reduce the ambulance budget by \$5,000. Hand vote Nay. AMD Richard Albertini, 2nd Dana Ketchen, AMD Russell Heinselmann, 2nd David Wentzel, to reduce the budget by \$25,000. HAND VOTE YES 88, NO 82. WE RAISED THE SUM OF \$745,377 TO DEFRAY TOWN CHARGES.

Article III. Resolution offered by Clarence Farwell, 2nd Nancy Brodeur as follows: Whereas the people of Brookline in the past have voted to ban use of salt on Brookline’s Town Roads for winter maintenance. Therefore it is resolved that the Town will continue with the “NO SALT” Policy. VV AYE.

Motion Marcia Farwell, 2nd Rena Duncklee, to accept reports as printed in the Town Report. VV AYE WITHOUT DISSENT.

Article IV. Motion Marcia Farwell, 2nd Patricia Malenfant. We voted to authorize the Board of Selectmen to borrow money in anticipation of taxes in accordance with RSA 33:7. VV AYE WITHOUT DISSENT.

Article V. Motion Ture Heline, 2nd Sharyn Albertini. We voted to authorize the Board of Selectmen to apply for, accept and expend money acquired in accordance with RSA 31:95B, provided that no

additional town monies be spent. VV AYE.

Article VI. Motion Peter Cook, 2nd Judy Cook, to pass over the article. HAND VOTE NAY. Motion Nancy Brodeur, 2nd Patricia Smith. We authorized the Board of Selectmen to appoint a Study Committee to investigate the feasibility of combining the Town Library and School Library. The Study Committee to consist of a Library Trustee, School Board Member, the school Principal or his designee, a Finance Committee member, and either one or three citizens at large, and to submit their report with recommendations by October 1, 1989. VV AYE.

Article VII. Motion Geraldine Phillips, 2nd Louise Price. We voted to raise and appropriate the sum of \$10,000 to be placed in the Capital Reserve Fund for expansion of town offices and library. HAND VOTE AYE.

Article VIII. Motion George Farwell, 2nd Charles Corey. We voted to raise and appropriate the sum of \$161,894 to purchase and equip a new pumper/tanker and authorize the Fire Engineers to enter into a contract from bids received and to authorize the withdrawal of \$85,000 plus interest accrued to date of withdrawal from the Fire Department Equipment Capital Reserve Fund with the balance to be raised from taxes not to exceed \$76,894. HAND VOTE AYE.

Article IX. Motion Ture Heline, 2nd Brian Fessenden. We voted to allow the Fire Engineers to sell the 1939 fire truck, 1950 fire truck, and the 1967 tanker truck with proceeds from the same to be applied to purchase of the new pumper/tanker. VV AYE.

Article X. Motion George Farwell, 2nd Dana Ketchen. We voted to pass over the article. HAND VOTE AYE.

Article XI. Motion Clarence Farwell, 2nd Charles Corey to pass over the article. HAND VOTE FAILED. Motion Ture Heline, 2nd Brendan Denehy. We voted to adopt the provisions of RSA 79A:25, and place 20% of the revenues of all future payments collected pursuant to RSA 79-A:25 II in Land Acquisition/Conservation Fund to be used for conservation purposes. YES 51, NO 34.

We recessed at 11:45PM, having completed Article XI.

We reconvened at 7:30PM, March 16, 1989.

Article XII. Motion Paula Welch, 2nd Mary Wehrle-Anderson. We voted to pass over the article. VV AYE.

Article XIII. Motion Patricia Malenfant, 2nd Mary Wehrle-Anderson.

To establish a Forestry Management/Conservation Fund in accordance with RSA 36-A:5 II for forestry management on town lands for the purpose of improving the quality of the tree stands and providing revenue to the town in accordance with the standards of good forestry management and to raise and appropriate the sum to \$6,964 to be placed in said Fund. AMD Robert Burckes, 2nd Charles Bushey to lower the figure to \$1,000. HAND VOTE AYE. AMD Mary Wehrle-Anderson, 2nd Judy Cook, to change the figure to \$3,000. HAND VOTE AYE. Main motion to raise and appropriate the sum of \$3,000. HAND VOTE AYE.

Article XIV. Motion Mary Wehrle-Anderson, 2nd Judy Cook. To authorize the Board of Selectmen to accept private donations of land, interest in land or money for the purpose of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the NH Land Conservation Investment Program, RSA 221-A and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purpose of acquisition of the fee or lesser interest on conservation land. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen. AMD Marcia Farwell, 2nd George Gray, to change the last sentence to read, "...funds may only be expended by vote of the Town Meeting." HAND VOTE NAY. Main motion - HAND VOTE AYE WITHOUT DISSENT.

Article XV. Motion Nancy Brodeur, 2nd Dana Ketchen. To accept the following roads contingent on all outstanding fees being paid by the developer and a maintenance bond being in place in the amount of 10% of the total cost for the road, and that final acceptance has been approved by the Planning Board and Road Inspector. Term for the maintenance bond shall be one year after final acceptance.

- Parker Road extension (Oak Hill Estates subdivision)
- Cranberry Lane (Oak Hill Estates subdivision)
- Heritage Circle (Donald Ross subdivision)
- So. Spaulding Brook Road (Robert Bourassa subdivision)
- Quentin Drive (Hollis Realty subdivision)
- Beaver Pond Drive (Wallace Brook Estates)
- Hillside Drive (Wallace Brook Estates)

AMD Nancy Brodeur, 2nd Clarence Farwell, to delete Hillside Drive. WITHDRAWN. AMD Nancy Brodeur, 2nd Clarence Farwell, to add Road Agent and Board of Selectmen after the words "Road Inspector",

and to delete Hillside Drive. HAND VOTE AYE WITHOUT DISSENT.
Main motion - HAND VOTE AYE WITHOUT DISSENT.

Article XVI. Motion Nancy Brodeur, 2nd Clarence Farwell. We voted to indemnify and save harmless for loss or damage occurring after this vote any person employed by the Town of Brookline and any member or officer of the Town's governing board, administrative staff or agencies in accordance with RSA 31:105. HAND VOTE AYE.

Article XVII. Motion Richard Maghakian, 2nd Rena Duncklee. We voted to accept the following legacies:

1. The sum of Two Hundred Dollars to be used for the perpetual care of the Robert E. & Shirley M. Wright Lot #45.
2. The sum of Two Hundred Dollars to be used for the perpetual care of the Ruth and Gale Tyler Lot #54.
3. The sum of Two Hundred Dollars to be used for the perpetual care of the Robert Riendeau Lot.
4. The sum of Two Hundred Dollars to be used for the perpetual care of the Edward and Beth Gay Lot.

HAND VOTE AYE WITHOUT DISSENT.

Article XVIII. BY BALLOT.

Motion Richard Maghakian, 2nd Patricia Malenfant. We voted to adjourn at 9:05PM.

TOTAL MONIES RAISED: \$920,271.00

Nancy B. Howard
Town Clerk

SPECIAL TOWN MEETING

OCTOBER 16, 1989

The meeting was opened at 8:00 PM, and the warrant was read by Moderator Thomas I. Arnold, Jr.

Motion Dorothy Haight, 2nd Ann Webb to authorize the Board of Selectmen to enter into a lease agreement with the Brookline Historical Society to move the "Barnaby" house to Town land, Lot F-144, with such terms and conditions as the Selectmen deem appropriate.

AMD Nancy Brodeur, 2nd Nancy Howard, that the Brookline Historical Society shall absorb the cost of moving the Town Barn to the dump site, guaranteeing that the Town shall be held harmless. HAND VOTE AYE. YES 12, NO 10.

AMD MOTION PASSED WITHOUT DISSENT.

Nancy Brodeur suggested that the terms of the lease should be approximately 99 years at \$1.00 per year, and requested a poll to determine the sense of the meeting.

AFFIRMATIVE RESPONSE WITHOUT DISSENT.

Ann Webb suggested that it be clear that the Brookline Historical Society be responsible to see that the grounds and building be maintained in keeping with the historical character of the neighborhood, and requested a poll to determine a sense of the meeting.

AFFIRMATIVE RESPONSE WITHOUT DISSENT.

On motion by Patricia Malenfant, 2nd Milner Wallace, we voted to adjourn at 8:54 PM.

A True Copy Attest:
Nancy B. Howard
Town Clerk

BROOKLINE AMBULANCE SERVICE

Brookline Ambulance has successfully completed its first full year as a town department. We continue to serve the town with a mix of paid day time attendants and volunteer night attendants.

The Service conducted a great deal of training, both in house and in the field. The Service worked closely with Camp Tevya in training their life guards. Several first aid classes were held, both on the basic and advanced level. Joint training was held with the Brookline Fire Department and a number of surrounding ambulance services. Some of this training included a mass casualty drill with Milford Ambulance and Fire Department. Also a mass casualty drill was held with the Hollis Ambulance, Townsend Ambulance, Milford Ambulance, Brookline Fire Department, and Hollis Fire Department.

The Brookline Ambulance offers an interesting, dynamic opportunity for anyone who may be interested in volunteering some of their time to the town. If you have an interest in helping your friends and neighbors, we can provide the training. You may call the director at the Ambulance Bay at 672-6216 from 9-4 or at the Building Inspector's office, 673-8925 from 8-9; Monday through Friday.

The Service looks forward to serving the town in 1990. We wish to thank all those who have helped and supported us in the past year, not only as attendants, but also with donations of time and material.

As Director I wish to thank the Selectmen and Town's people for their continued support.

W. Bart Hunter
Director
Brookline Ambulance

BROOKLINE LIBRARY TRUSTEES 1989 ANNUAL REPORT

The Brookline Library has had another busy and productive year. Our thanks go out to the staff, volunteers, and all the people who have contributed time, money, books, magazines and other materials, and to those who have lent their expertise in setting-up or building items for the library. All of this help and generosity certainly enables the library to continue to be an ever more valuable resource to the town.

We are now also very fortunate to have a working computer in the library that can search for books in other libraries all over the state. Because of budget constraints in 1990, fewer books will be purchased, therefore we are happy to be able to provide this service for our patrons.

Many of the problems the library faces, lack of space for instance, have yet to be resolved, however, we are looking forward to another busy and interesting year.

Respectfully submitted,
Ellen deGuzman
Louise Price
Eleanor Monius

CLARENCE L. FARWELL, ROAD AGENT

REPORT OF THE FIRE ENGINEERS

The Brookline Fire Department responded to 66 calls for the year of 1989.

Breakdown of calls as follows:

- 5 Structure fires
- 6 Chimney fires
- 17 Fire Alarm Activations
- 5 Mutual Aid Calls
- 5 Brush fires
- 1 Automobile fire
- 27 Other calls consisting of gas leaks, electrical fires, smoke investigation, illegal burns, dump calls etc.

The new tanker/pumper truck that the town voted to purchase in March of 1989 arrived sooner than expected. The Board of Fire Engineers accepted it November 1989 and it was put into service that day as a tanker. At the time of writing this report it has been used at 2 structure fires. We are in the process at this time of adding equipment to also make it into an attack truck. It appears that this will be accomplished around the middle of March this year. This fire truck is a big asset to our fire department's fire fighting procedures.

Board of Fire Engineers
George W. Farwell, Chief
Raymond Kecz
Paul Dougherty

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without written permission of a Forest Fire Warden, children and debris burning fires that escaped control. All of these causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow, without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outdoor burning.

Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA 224:36).

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in the Concord and Chesterfield areas, as well as the 100 acre fire on Mt. Belknap in Gilford, New Hampshire.

If you have any questions regarding New Hampshire Forest fire laws, please contact your local Forest Fire Warden or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS – 1989

BROOKLINE CONSERVATION COMMISSION 1989 ANNUAL REPORT

The Brookline Conservation Commission has been active in 1989 working on a variety of projects related to protecting the Town's natural resources. The majority of our time continued to be spent advising the Planning Board on subdivision and site plan reviews; and the Zoning Board of Adjustment on variance applications. The Conservation Commission reviewed the plans with a focus on the impact of the development on wetlands, aquifer potential, and other natural resources; conducted on-site walks on major projects; and attended Planning Board and Z.B.A. meetings; and commented to the N.H. Wetlands Board of Dredge and Fill applications.

Our main goal in 1989 was the preparation of the Aquifer Protection Ordinance for the Planning Board. We were heartened to realize Brookline's concern for the environment, as voiced by the 188-Yes to 75-No votes passing this important water supply protection law.

The Conservation Commission supervised a weeding and thinning forestry management operation on the Town land behind the Brookline Transfer Station. This was cooperatively funded both by last year's timber sale, and the Federal Agricultural Stabilization Conservation Service. This project involved the removal of the smaller trees to allow the remaining trees to mature into more marketable timber.

The conservation newsletter "Our Place" continues to be a source of information and a sounding board for comments and opinions concerning environmental issues facing our Town.

Trail work has been concentrated on building a footpath at the Florence Palmer Wildlife Preserve located on the west side of Route 13 North, just south of Old Milford Road. We have maintained the trail from the entrance to the railway bed, and also completed a new loop trail on the western section of the property. The trail at the Talbot-Taylor Wildlife Sanctuary, Cleveland Hill Road continues to be maintained.

1989 ANNUAL REPORT NASHUA REGIONAL PLANNING COMMISSION

1989 has been a year of significant progress in our efforts to improve services to our member jurisdictions; and I am pleased to submit my first Nashua Regional Planning Commission Annual Report to the Town of Brookline.

NRPC continued to provide professional planning assistance to the Brookline Planning Board through our "circuit rider" program. Staff also assisted in the Town's effort to update its Capital Improvements Program and in revising its excavation regulations.

A major undertaking of this past year was the Brookline Master Plan Update. Staff assisted in the design, distribution and interpretation of the community attitude survey conducted by the Master Plan Committee. In addition, preliminary drafts of the population, transportation and natural resource sections were completed.

Other notable accomplishments of 1989:

LAND USE

- Provided part-time professional planning assistance to three other local planning boards through the "circuit rider" program.
- Assisted a number of other member communities in drafting or revising master plan components, zoning ordinances, subdivision and site plan regulations and capital improvements programs.
- Established a regional historic preservation program and completed a variety of historic resources surveys, National Register nominations, local preservation plans and historic district ordinances.
- Conducted a number of individual project impact analyses.
- Prepared and distributed a model excavation ordinance based upon requirements and standards imposed by recent state legislation.
- Conducted two planning board training workshops to assist local members in better understanding responsibilities, procedures, land use regulations and development review techniques.

TRANSPORTATION

- Prepared an updated Transportation Improvement Program in cooperation with local, state and federal agencies that provides a priority list of transportation projects in the region.
- Compiled the annual Nashua Area Transportation Data Abstract as a single source reference document to serve the transportation related information needs of both public and private entities.
- Maintained the regional traffic count system, with counters at over 90 locations throughout the area, to provide the most accurate and current data for traffic analysis.
- Undertook the annual air quality assessment with the NH Air Resources Division and the NH D.O.T. to assure local attainment of the National Ambient Air Quality Standards.
- Began Phase II: Implementation Alternatives of the Nashua Passenger Rail Study and provided staff support to the Legislative Advisory Committee continuing to work toward returning passenger rail service to the Nashua region.
- Coordinated the public participation component, conducted a land use and demographic analysis of the target area, and chaired the local steering committee for the Route 101-A Bypass Study.
- Conducted a variety of project specific traffic impact and access analyses at the request of local planning boards and municipal officials.
- Continued to work with local and state officials on the implementation of the region's major transportation projects including the Circumferential Highway, the widening of the F. E. Everett Turnpike, the proposed Southwest Parkway and the Broad Street river crossing.

INFORMATION AND MAPPING SERVICES

- Continued in the role of Regional Data Center for the U.S. Bureau of the Census.
- Prepared and published the Regional Data Profile which serves as a primary source document for demographic information on the communities of the NRPC region.
- Monitored development and collected data on changes in residential, commercial and industrial land uses.

- Prepared and published the Regional Housing Needs Assessment to assess progress in, and to provide strategies for, the provision of adequate and affordable housing in the region.
- Conducted and published an annual survey of municipal building and development fees assessed by the region's communities.
- Continued development of the geographic information system (G.I.S.) to enhance our capacity for computer based mapping and information management.
- Monitored state and federal legislative initiatives and maintained close contact with state operating agencies on issues of local concern.

ENVIRONMENTAL MANAGEMENT

- Continued to staff the Nashua Region Solid Waste Management District in pursuit of an intermunicipal approach and completed the state's required solid waste management plan for the district.
- In conjunction with the Solid Waste Management District, conducted spring and fall household hazardous waste collection days at multiple sites in the region.
- Prepared a number of local water resource management and protection plans and conservation plans for member communities.
- Completed the four-region Water Supply Study for Southern New Hampshire that inventoried existing water resources and facilities and developed projections for long range water consumption.
- Provided staff support to the Souhegan Septage Study to assist in finding the most appropriate long term solution for septage disposal for the communities of that part of the region.
- Completed and published the Merrimack River Management Plan to serve as a comprehensive guidance document addressing shoreland protection, public access and corridor development in the four riverfront communities.
- Worked with the Department of Environmental Services on developing a statewide Wellhead Protection Program to meet E.P.A. requirements and to assist local governments in managing productive groundwater resources.

Respectfully submitted,
Don E. Zizzi
Executive Director

MILFORD AREA COMMUNICATIONS CENTER

During the past year the staff at the center has worked diligently to provide the finest dispatch service for the least amount of money. Changes in scheduling, lighting, insurances, financing and a host of other areas have resulted in a budget decrease for 1990. The existing telecommunications equipment is working well, although we are still endeavoring to enhance radio coverage. We have added three new telephone lines to the system to allow for the growth experienced by all six towns.

All full-time dispatchers are attending accredited training programs sponsored by various state agencies. With the cooperation of the agencies for which we dispatch, there have been changes in procedures and protocols that have facilitated smoother communications.

The end of 1989 found the center finishing its fourth full year as a separate governmental subdivision. The Intermunicipal Agreement, which outlines how the center will operate with Amherst, Brookline, Lyndeborough, Milford, Mont Vernon and Wilton has worked very well.

The consolidation of emergency communications for all six towns has resulted in the most comprehensive and cost effective communications system available. All of us at the center are looking forward to another year of service to all the area departments and the residents of the six area towns.

Respectfully Submitted
Michael E. Putnam Sr.
Director of Communications

YOU ARE HEREBY NOTIFIED TO MEET AT THE BROOKLINE ELEMENTARY SCHOOL IN SAID DISTRICT ON THE THIRTEENTH DAY OF MARCH, 1990, AT TEN O'CLOCK IN THE MORNING, TO ACT UPON THE FOLLOWING SUBJECTS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose two (2) Auditors for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To choose a member of the School Board for the ensuing two years.

GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE THIS TWENTY-FIFTH DAY OF JANUARY, 1990.

SCHOOL BOARD

BROOKLINE SCHOOL DISTRICT WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Brookline in the County of Hillsborough, State of New Hampshire, qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BROOKLINE ELEMENTARY SCHOOL IN SAID DISTRICT ON THURSDAY, THE EIGHTH DAY OF MARCH, 1990, AT EIGHT O'CLOCK IN THE EVENING, TO ACT UPON THE FOLLOWING SUBJECTS:

1. To see if the District will vote to authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources.
2. To see whether the District will vote to indemnify and save harmless from loss or damage any person employed by the School District and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in accordance with the provisions of RSA 31:105.
3. To see if the District will vote, pursuant to the provisions of RSA 195 A:14 III, to withdraw from the Brookline-Hollis Authorized Regional Area Plan, effective opening day of the 1991-92 school year.
4. To see what sum of money the District will vote to raise and appropriate for the purchase of property(s) and/or for a down payment toward the purchase of property(s) for a school site in the school district; and to determine whether such appropriations shall be raised by the issuance and sale of serial notes or bonds upon the credit of the Brookline School District in accordance with the provisions of New Hampshire Revised Statutes Annotated, Chapter 33, as Amended; and to authorize the Brookline School Board to obtain State, Federal, and any other aid which may be available; and to authorize the Brookline School Board to deter-

mine the time and place of payment of principal and interest, fixing the rate of interest thereon, the provisions for the sale of notes and/or bonds and all other matters in connection therewith; and to take any other action relative thereto.

5. To see what sum of money the District will vote to raise and appropriate for the purpose of architectural planning for the schools to be accomplished in the 1990-91 school year.
6. We the residents of the Brookline School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.
7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District.
8. To transact any other business which may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE ON THIS TWENTY-FIFTH DAY OF JANUARY, 1990.

BROOKLINE SCHOOL DISTRICT MEETING MARCH 9, 1989

The Brookline Annual School District Meeting was held on Thursday, March 9, 1989 at the Brookline Elementary School. Marlene Swearingen Morgan was sworn in as interim School District Clerk. Moderator Thomas Arnold, Jr. opened the meeting at 8:00 P.M. with the reading of the warrant.

1. To see if the District will vote to authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources.

Richard Maghakian moved that the District authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources. The motion was seconded by Phil Dahlinger and the vote was in the affirmative without dissent.

2. To see if the District will vote to alternate the Brookline School District Meeting with the Annual Town Meeting, so that every other year the Annual Town Meeting will be held before the School District Meeting. (By Petition)

A Brookline citizen moved that the District approve a plan to alternate the Brookline School District Meeting with the Annual Town Meeting, so that every other year the Annual Town Meeting will be held before the School District Meeting. The motion was seconded by Donald Shattuck.

A short discussion was held regarding the rationale for this proposal. Mr. Arnold requested a hand vote. The motion was defeated 70 to 34.

3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District.

Marcia Farwell moved that the District raise and appropriate the

sum of \$2,669,438 for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District. The motion was seconded by a Brookline citizen.

Arthur Belair proposed an amendment to reduce the appropriated funds by \$33,192 to \$2,636,246. The motion was seconded by Robert Burckes. Discussion followed including a statement by Nancy Howard regarding past history of teacher salary adjustments. It was stated that although residents may wish to amend the school budget with intent to limit teacher salaries, School Board Officials make these decisions.

The amendment to reduce the proposed school budget to \$2,636,246 was put to a hand vote with 62 in favor and 54 against. The amendment was passed.

Additional discussion followed including rising tuition costs to Hollis Jr. and Sr. High Schools and the status of Cooperative High School plans being discussed with Amherst, Mont Vernon, and Hollis.

Ann Webb proposed an amendment to increase the appropriated school budget funds to \$2,653,246. Phil Dahlinger seconded this motion. Much discussion followed regarding New Hampshire state teacher salary comparisons and Elementary School costs per student. Phil Dahlinger and Ann Webb withdrew the motion to amend the budget to \$2,653,246.

Pat Malenfant proposed an amendment to increase the appropriated funds for the school budget by \$33,192 to \$2,669,438 (original warrant). The motion was seconded by Phil Dahlinger. A hand vote was taken with 62 in favor and 55 opposed. The motion to appropriate \$2,669,438 was approved.

Steve Shaw proposed an amendment to limit the school budget to an increase of ten percent (10%), reducing the sum to be appropriated to \$2,400,000. Arthur Belair seconded this motion. A short discussion followed and was put to a hand vote with 30 in favor and 72 opposed. The amendment was defeated.

A Brookline citizen moved to authorize the District to raise and appropriate the sum of \$2,669,438 for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District. The motion was seconded by Mr. Kerouac. The motion was passed with 65 in favor and 50 against, according to a hand vote.

4. To transact any other business which may legally come before said meeting.

Basil Harris cited that Nancy Howard has served on the Brookline School Board for the past five (5) years. During her tenure on the Board she served on the Building Committee that watched over the construction of the school's new addition. Her background as the Town Clerk has been extremely valuable to the School District during the past five years. He moved that the voters recognize Nancy Howard's service to the Board and the School District with a round of applause and that this motion be recorded in the minutes of this meeting.

Moderator Arnold noted that this motion was carried by a wide majority.

Basil Harris noted that Marcia Farwell has served on the Brookline School Board for 19 years having been elected in 1970. A year ago she was honored for her many years of service by Governor John Sununu at a ceremony in the State House in Concord. During her time of service Marcia has seen numerous construction projects take place at the school. The one of which she is most proud, however, is the last one—our new addition, particularly since the Building Committee, of which she was a member, turned back \$70,000 on the Bond Issue to the town.

For years Marcia has served as Treasurer of the SAU #41 School Board, and for over half of her 19 years on the Brookline Board has been the Chairperson. Basil Harris moved that the voters recognize Marcia Farwell's service to the Board and the school district with a round of applause and that this motion be recorded in the minutes of this meeting.

Mr. Arnold noted that this motion was accepted by enthusiastic acclamation.

There being no other business to come before the meeting, a citizen moved that the meeting be adjourned, seconded by Patricia Malenfant. The motion was unanimously approved and the meeting adjourned at 9:52 P.M.

Respectfully submitted,
Marlene Swearingen Morgan
School District Clerk

BROOKLINE SPECIAL SCHOOL DISTRICT MEETING JUNE 13, 1989

The Brookline Special School District Meeting was held on Tuesday, June 13, 1989 at the Brookline Elementary School. Moderator Thomas Arnold, Jr. opened the meeting at 7:38 P.M. with the reading of the warrant.

1. To hear the reports of committees.

A Brookline citizen moved that the reports of committees be heard and was seconded.

Basil Harris summarized the proposed Articles of Agreement for the Ponemah Cooperative School District and highlighted proposed curriculum, projected costs and location, facility size, student enrollment projections and governance requirements. It was reported that the Brookline School Board voted 2-1 to support the Cooperative venture. A short discussion was held. A Brookline citizen moved that the reports of committees be accepted and was seconded. Mr. Arnold requested a voice vote. The voice vote was in the affirmative without dissent.

Mr. Arnold requested a temporary recess in order to announce primary results. Results were read with a motion to return to School District Meeting made and seconded by Evalyn Maghakian.

2. Shall the Brookline School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of Amherst, Hollis and Mont Vernon, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk?

Judy Bennett moved that the Brookline School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of Amherst, Hollis and Mont Vernon, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk. The motion was seconded by Marcia Farwell.

Discussion including opportunity for questions and answers followed specific to capacity, curriculum, initial start-up costs, alternative possibilities, autonomy and acreage. A Brookline

citizen moved that discussion be terminated. Mr. Moderator requested a hand vote. A majority was in the affirmative with the motion carried. A vote by secret ballot on the proposed Articles of Agreement followed. The motion was accepted 235 to 27.

There being no other business to come before the meeting, a motion to adjourn was made by Patricia Malenfant and seconded by Evalyn Maghakian. The meeting adjourned at 9:44 P.M.

Respectfully submitted,
Marlene Swearingen Morgan
School District Clerk

SUPERINTENDENT'S REPORT

This 1989 Report will follow the same format as the 1988 Report, and include information regarding the events and activities in which I have been involved. They are listed in alphabetical order.

Budgeting— Each year I initiate the processes that lead to the budgets that are voted upon in March at the Annual School District Meetings. By January of each year we have developed preliminary budgets that are reviewed by the Budget Committee in Hollis and the Finance Committee in Brookline. Public hearings are held prior to the March meetings.

On March 13, 1988, a Hollis School District budget of \$7,264,130 was approved by the voters. Since that figure did not include the 1989-90 teachers' salaries, which were in the process of being negotiated on that date, a Special School District Meeting was held on June 6, 1989, at which time an additional \$328,266 was approved, thus making the total 1989-90 Hollis School District Budget \$7,592,396. In Brookline a School District Budget of \$2,669,438 was approved by the voters on March 9, 1989.

The 1990-91 School Administrative Unit #41 budget, in the amount of \$310,579 was approved by the SAU #41 School Board on December 19, 1989.

This year, the Hollis Budget Committee requested that its annual meeting with the Hollis School Board and the Budget Hearing be moved up approximately one month. Instead of having the Budget Hearing during the second week of February, the Hearing was set for January 23rd. This prompted administrative and School Board decisions on the budget to be made earlier than in previous years, and impacted meeting schedules that were already filled with Cooperative School District, Brookline budget, School Administrative Unit #41 budget, and School Improvement Plan meetings.

One of the most positive budgeting activities in which I have been involved in years has been the ongoing addition of the SAU #41, Brookline, and Hollis budgets to the Macintosh computer. Our planning for 1990-91 has been greatly enhanced through the formulas that are an integral part of the computer's capabilities.

Curriculum Renewal Process— Our SAU #41 Curriculum Renewal Process calls for an examination of specified subject areas each year. During 1989-90 I have initiated committee studies in Art, Business Education, Health, Home Economics, Mathematics, Music, and Physical Education.

Cooperative School District Planning – On June 13, 1989, citizens in the towns of Hollis, Brookline, Amherst, and Mont Vernon all attended Special School District Meetings to vote on **Articles of Agreement for a Four-Town Cooperative High School District**. Although three of the towns approved the Articles of Agreement, the voters in Hollis rejected the concept by a 546 to 131 margin.

As soon as the Four-Town Cooperative was rejected, the representatives from Brookline, Amherst, and Mont Vernon continued to meet and shifted their efforts to **preparation for Articles of Agreement for a Three-Town Cooperative**.

In the meantime, the Hollis and Brookline School Boards voted to establish an AREA School Plan Review Board for the purpose of determining whether or not a Hollis/Brookline Cooperative School District should be planned. A survey was prepared and sent out to every residence in both towns, and based on the results, the AREA School Plan Review Board began the process of **formulating Articles of Agreement for a Hollis/Brookline Cooperative School District** which, if approved, would cover grades 7-12. Voters in both towns will have the opportunity to vote on those Articles of Agreement on February 12, 1990. Because of the work being done by the Hollis/Brookline AREA School Plan Review Board, and because the Amherst and Mont Vernon School Districts were planning to enter into a cooperative high school plan (grades 9-12), the Three-Town Cooperative Board decided in August 1989, to discontinue to meet until such time as decisions had been made on the two-town cooperatives that were in the planning stages.

The survey results in Brookline indicated that those who responded were divided over whether the town should enter into a cooperative school district with Hollis or with Amherst and Mont Vernon, so the Brookline School Board has continued communications with the newly formed Souhegan Cooperative School District (Amherst/Mont Vernon). It is possible under the law, for a cooperative school district to approve the annexation of another district. The Souhegan Cooperative School District has elected school board members (01/13/90), and Brookline has requested annexation, which has prompted a **renewed examination of the data involved in the operation of a Three-Town Cooperative**.

The Brookline School Board, based on the requests of a number of citizens, and with the understanding that the Amherst School District does not have room for Brookline's 7th and 8th graders, has also

authorized a study to examine **the feasibility of bringing the 7th and 8th grade students back to Brookline**. A committee has been appointed, and work is progressing toward a report which will outline all that is involved in such a move.

As Superintendent of Schools I have been an active participant in all of the studies, highlighted above, which involve either Hollis or Brookline.

Evaluation Procedures for Administrative Staff – The SAU #41 School Board appointed a committee to examine evaluation procedures for administrators. The committee has not yet completed its task, but has recommended changes to the procedural guidelines, as well as in the timeline. This committee has taken advantage of early morning sessions in order to avoid conflicts with evening meetings.

High School Principal Search - When Denis R. Joy became the principal at Hollis AREA High School in July, 1989, a long and intensive search came to a close. Meetings of the Interview Committee had begun in the Fall of 1988, and continued through July, 1989.

Labor Relations – In June, 1989 at a Special School District Meeting, voters in Hollis approved a salary increase Article for teachers that marked the end of an intensive nine month collective bargaining process. Three of the many negotiating sessions were marathon in nature, starting in the late afternoon and ending in mid-morning the next day. The negotiations resulted in a three-year contract with both the teachers and support staff unions. 1990 will be the second of the three years.

Replacing a Business Administrator and a Payroll Clerk – A series of interviews and reference checks resulted in the employment of Ernest Muserallo as the new Business Administrator on September 18, 1989. Nan Smith became the new Payroll Clerk on August 11, 1989.

School Improvement Program at Hollis AREA High School – On July 1, 1989, the three year involvement of Hollis AREA High School with the NH Alliance for Effective Schools began. The Alliance's School Improvement Program (SIP) involves participation in several meetings per month, and is intended to assist the school in fostering improvement in areas identified as needing attention.

School Board Policies, New and Amended – Problems that have arisen have prompted a re-examination of several School Board Policies. Considerable time has been spent writing, re-writing and

approving policies that govern school field trips, rental of school facilities, attendance regulations at Hollis AREA High School, Equal Opportunity Employment (for all three entities), job descriptions for Principals, and a Smoke-Free Schools Policy.

My goals for the 1989-90 school year are, for the most part, a continuation of the ones set for 1988-89, because those activities leading toward the achievement of the earlier goals are still ongoing. Those goals are:

1. Develop and implement a plan of action aimed at the improvement of public confidence in Hollis AREA High School.
2. Pursue activities that will enable me to gain a better understanding of the use of the computer for both administrative tasks and learning activities.
3. Supervise the ongoing process of curriculum development and/or revision through reports to the School Boards, focusing on identified needs for improvements in accountability, and promoting the Effective Schools concept within our schools.

New goals for 1989-90 included:

- a. Establishment of a compensation package for SAU staff.
- b. Acquisition of a Macintosh computer for the SAU office.
- c. Employment of additional staff in order to implement strategies for cross-training within the SAU office as well as for delegation of responsibilities.

The only new Goal that has been accomplished to date is(b). Goal (a) has been tied to the evaluation committee work, reported earlier, and Goal (c) will not be achieved because of cuts in the proposed 1990-91 budget.

Respectfully submitted,
Philip J. Dahlinger
Superintendent of Schools

SPECIAL EDUCATION DIRECTOR'S REPORT BROOKLINE ANNUAL REPORT

Following the mandates of Public Law 94-142 and the New Hampshire Standards for the Education of Handicapped Students, SAU #41 provides special education programs and related services to meet the unique needs of educationally handicapped students in the Brookline School District. Both the Federal and State Laws guarantee a "free, appropriate public education" to all students ages 3-21. Whenever possible, we are committed to meeting the needs of students through in-district programs, so that we also meet the requirement of providing special education programs in the "least restrictive environment".

There have been significant positive changes and growth within the Special Education Department during the past year, due largely to the efforts of dedicated special education staff members. Department goals included the development of a new Individualized Education Plan (IEP), an initial draft of our Special Education Procedures Handbook, written descriptions for each special education program in the district, and addressing issues of program continuity across building levels. We are meeting these goals, and in September began using our new procedural handbook and our new IEP format.

Through monthly special education staff meetings, in-service training opportunities, regularly scheduled Pupil Personnel Team meetings, and special education committee work, we have impacted services to the Brookline School District in the area of: providing appropriate, effective services, providing program continuity across building levels, and insuring that our procedures are in compliance with state and federal regulations.

The Special Education Director has additionally been involved in ongoing efforts to provide fiscal management of the Special Education Budget. Efforts to control special education costs include written contracts to all service providers, shared transportation routes with other districts, and acceptance of students from other districts on a space-available basis. We continue to maintain our positive relationship with the Regional Services and Education Center (RSEC). As a member district, we receive Psycho-Education Evaluations at very competitive rates and also receive reduced tuitions for students attending regional programs.

This February we look forward to a full review of our Special Education programs to be conducted by the NH Dept of Education, Special

Education Bureau. In preparation for this On-Site Review, we have rewritten our Local Special Education Plan and completed a lengthy Special Education Self Study. This review will indicate areas of positive growth since the previous review was conducted three years ago. The review will assist us in evaluating the overall effectiveness of special education programs in SAU #41 and assist us in formulating goals for our continued growth.

Special Needs students from the Brookline School District are provided with a continuum of services and placements within SAU programs. Brookline currently has a total of 56 students identified as educationally handicapped following the SAU #41 Team Process of Referral, Evaluation, and Placement.

At the Brookline Elementary School, a total of 24 students are being served within the Resource Room program as specified in each child's Individual Education Plan. This special education program is supported by additional services as required, ie. Speech and Language Therapy, Occupational Therapy, Physical Therapy, Psychotherapy, and individual aides or tutors. The efforts and excellent cooperation of the Brookline Elementary School staff have made it possible to return an out-of-district student to a school based program this year.

At the Hollis Junior High School two programs are available to meet the needs of educationally handicapped students. The Resource Room program provides academic support services and related services for a total of 30 students, including 7 from Brookline while the Special Needs Intermediate Class at Hollis Junior High provides a cost-effective in-district program for students requiring a more intensive learning environment.

At Hollis AREA High School, Brookline students are served within the Resource Room program or within an alternative Special Needs Self-Contained program for students requiring a more intensive environment. The Resource Room provides academic support services for a total of 51 students, including 13 from Brookline, and the Pre-Vocational program serves a total of 12 students, of which 4 are from Brookline. Both programs offer excellent academic support and alternative classes to meet the needs of educationally handicapped students within the building.

In addition to in-district programs, the Special Education Department also monitors the programs for 8 Brookline students who require programs outside the district. A long-term goal for each student is to

be educated in the least restrictive environment, and whenever feasible to return to appropriate in-district programs.

To meet the new requirement of early identification of preschool students, Brookline will be hosting and participating in the SAU #41 Child Check Screening this spring. The purpose of the screening is to determine readiness for school and to identify and monitor potentially handicapped preschool students.

The Special Education Budget reflects all costs for in-district programs and materials, out-of-district tuitions, and transportation, evaluation and placement services, related service costs and salaries for teaching staff. To help offset the costs for out-of-district tuitions, the district is expected to receive an estimated \$50,000 in Catastrophic Aid funding from the State of NH. To help offset School District expenses for psychological and education evaluations, Brookline will receive \$13,162 in PL 94-142 and PL 89-313 funds.

Respectfully submitted,
Sharon R. Reinig
Director of Special Education
