ALT & Department Chairs	Faculty Faculty Senate	Little to no direct costs; requires faculty time	<p><u>Recommendation 9: Promote early adoption of textbooks and other course materials to allow students additional time to seek savings.</u></p> <p><i>Recommended Strategies:</i></p> <p>9a. Departments should adopt textbooks and course materials for courses where instructor assignments occur late in the process.</p> <p>9b. Departments should develop policies and procedures to ensure textbooks are adopted in a timely manner. These policies and procedures should be shared with the Dean.</p>	<p>Provost will convene a group of chairs over the summer to discuss and develop some basic guidelines and a template that department can adopt (or if they choose not to, to create they own) to achieve this.</p> <p>Goal will be for departments to have adopted policies and share with their deans by Jan. 2016.</p>
ASPSU	Student groups EMSA Faculty Staff Students	Requires time from students, faculty and staff	<p><u>Recommendation 12: Facilitate student-to-student textbook re-use through student-led initiatives.</u></p> <p><i>Recommended Strategies:</i></p> <p>12a. Ask ASPSU to organize and implement a textbook swap event at the beginning of each term. PSU should offer ASPSU support.</p>	The Dean of the Library will ask ASPSU to implement this based on the timeline.
Library	Foundation OAI Library Faculty ASPSU		<p><u>Recommendation 3: Seek external funding to reduce student costs for textbooks and course materials.</u></p> <p><i>Recommended Strategies:</i></p> <p>3a. Develop grant proposals to pursue outside funding to support course re-designs utilizing OERs.</p> <p><i>Note: Additional recommended strategies are included in the section for 12-36 months completion goals.</i></p>	The Library will work with the PSU Foundation and others to implement this based on the timeline.

Library		\$20K	<p>Recommendation 7: Build on the pilot PDX Open reTHINK project to enable faculty to author and publish readily accessible textbooks.</p> <p><i>Recommended Strategies:</i></p> <p>7a. Use PDXScholar to provide PSU faculty a stable, easily accessible and discoverable, permanent, online space via which to publish open textbooks for PSU courses.</p> <p>7b. Expand open access textbook publishing using lessons learned from pilot projects to provide additional services. More than 200 students enrolled in these pilot courses and saved from \$100 to \$141 in one term for a total savings of \$23,805.</p>	The Library will implement this based on the timeline.
ALT Reducing Student Costs Working Group	Library OAI Faculty Senate Provost	\$10k	<p>Recommendation 8: Pilot a course or group of courses that do not require the purchase of textbooks and course materials by individual students.</p> <p><i>Recommended Strategies:</i></p> <p>8a. Investigate potential outside partners for supporting OER-based courses.</p> <p>8b. Select pilot courses through a competitive proposal process implemented by the OAI.</p> <p>8c. Investigate a textbook-free degree option.</p> <p>8d. Encourage the adoption of Open Textbook Library textbooks by hosting faculty and staff workshops offered by the Open Textbook Network.</p>	<p>The deans will work with the Library and OAI to identify faculty to participate based on the timeline.</p> <p>Additional strategies:</p> <p>8e. Select pilot courses currently under development for Flexible Degree RFP.</p> <p>8f. Investigate a textbook-free degree option as part of future RFP for Flexible Degrees.</p>

ALT Reducing Student Costs Working Group	Broad representation including students, faculty, staff EMSA Faculty Senate OAA ASPSU	Recommendation 1: In order to carry out work not possible in the limited time frame of the Task Force and to help implement Task Force recommendations, a Working Group, including interested Task Force members, should continue the Task Force's work through the 2015-2016 academic year. <i>Recommended Strategies:</i> 1a. The Working Group should develop a web-based communication tool to share information and solicit input. 1b. The Working Group should conduct a textbook affordability environmental scan of PSU, including perspectives of students and faculty. 1c. OAA and ASPSU should provide a budget for FY16 for this Working Group to encourage pilot programs and provide incentives for faculty as described in the recommendations of this report 1d. The Working Group should develop and propose an ongoing funding model for supporting reducing textbook and course materials costs. 1e. The Working Group should develop PSU budget priorities to support student costs reduction efforts. These priorities should including supporting faculty and student initiatives and Library services. 1f. The Working Group should investigate models that restructure student fees and tuition to cover needed course materials.	ALT will work to implement this recommendation, including developing budget priorities and funding models.
ALT Reducing Student Costs Working Group	OAA PSU's Inter-Institutional Faculty Senate representative	Recommendation 2: PSU should monitor and actively participate in the development of Higher Education Coordinating Commission (HECC) textbook affordability recommendations. <i>Recommended Strategies:</i> 2a. The Working Group should review the report scheduled for release in April 2015 and make additional recommendations as needed. 2b. The Working Group should ensure that PSU considers the HECC's textbook affordability recommendations.	ALT and OAA should monitor and work closely with HECC.

Library	OAI DRC Program leads of Flexible Degree proposals	<p>Recommendation 4: Support faculty in utilizing and producing OERs.</p> <p><i>Recommended Strategies:</i></p> <p>4a. Coordinate and align reTHINK PSU initiatives, Flexible Degree Concepts, the Online Learning Work Plan, and Academic Program Prioritization with efforts to reduce student textbooks and course materials costs.</p> <p>4b. Develop incentives for faculty to expand the use and creation of OERs and open textbooks.</p> <p>4c. As flexible degrees and courses are developed, funding from online fees should be used to develop OERs and open textbooks as appropriate.</p> <p>4d. Course design and redesigns should consider the cost of textbooks and course materials as well as using OERs.</p>	The Library and OAI will implement this based on the timeline.
Library	OAI	<p>Recommendation 6: Enhance professional development and educational opportunities for faculty to encourage the use of library and OER resources.</p> <p><i>Recommended Strategies:</i></p> <p>6a. The OAI and the Library should collaborate to create and offer workshops and/or programs that focus on utilizing OERs in the classroom.</p> <p>6b. Make new faculty aware of these opportunities at their orientations.</p>	The Library and OAI will implement this based on the timeline.

Library & OAI combined		<p>Recommendation 5: Pursue collaborations for the development of open textbooks and OERs.</p> <p><i>Recommended Strategies:</i></p> <p>5a. Propose and champion collaborative development of OERs through the PSU Library's participation in the Orbis Cascade Alliance's Content Creation and Dissemination Team. The Library and its members on the Content Creation and Dissemination Team should take the lead in this initiative.</p> <p>5b. Pursue partnerships with the University of Oregon and Oregon State University Libraries in the development of open textbooks.</p> <p>5c. Approach Oregon State University and University of Oregon Libraries to start a collaborative OER project. Oregon State University has already developed the Open Access Etextbooks Program which, along with PSU's PDX Open, provides a starting point.</p> <p>5d. Investigate partnerships with other interested Oregon universities and colleges in developing and using OERs. In particular, the ongoing work of the Oregon Community Colleges in developing and using OERs may provide opportunities for collaboration.</p> <p>5e. Work with the Oregon Interinstitutional Faculty Senate on textbook affordability issues in conjunction with their work with HECC.</p>	The Library and OAI will implement this based on the timeline.
Library	Foundation Library Faculty ASPSU	<p>Recommendation 3: Seek external funding to reduce student costs for textbooks and course materials.</p> <p><i>Recommended Strategies:</i></p> <p>3a. Develop grant proposals to pursue outside funding to support course re-designs utilizing OERs.</p> <p>3b. The Working Group should collaborate with the Library, faculty, and ASPSU to develop proposals to submit through Sponsored Projects Administration.</p> <p>3c. Develop proposals for donor and foundation support for textbook and course materials cost reduction in conjunction with the PSU Foundation.</p> <p>3d. The Library Development officer and the Senior Director of Corporate & Foundation Relations should take the lead in working with the Library and other interested groups, including students, in developing proposals.</p>	The Library will work with the Foundation, faculty, ASPSU, and others to implement this based on the timeline.

Library		<p>Recommendation 10: The Library should continue to support PSU's efforts to reduce student costs for textbooks and course materials.</p> <p><i>Recommended Strategies:</i></p> <p>10a. The Library should continue to provide and fund access to databases and journals that are suitable for use as course materials and/or for student research.</p> <p>10b. Expand awareness of Library resources and services that reduce reliance on expensive textbooks and course materials across campus.</p> <p>10c. The Library should regularly host or provide training, seminars, and webinars on research tools and methods.</p>	The Library will implement this based on the timeline.
ALT Reducing Student Costs Working Group	Library Chairs/AA Deans OAI Faculty Senate Provost OIRP	<p>Recommendation 11: Target high enrollment classes to maximize impact of initiatives.</p> <p><i>Recommended Strategies:</i></p> <p>11a. Analyze the 25 PSU largest enrollment undergraduate courses as possible targets and high priority for the development of OERs.</p> <p>11b. Perform a cost study to determine the feasibility of putting on Library Course Reserve all textbooks for classes with the largest enrollments.</p> <p>11c. Increase textbook availability in the Library Course Reserve by placing copies of textbooks in the Library's Course Reserve for larger undergraduate courses.</p> <p>11d. As stated in the Report on HB 4058 Textbook Affordability, investigate how textbook reserve programs provide students with access to course materials and how this program could be funded locally.</p>	ALT will work to implement this recommendation.
