Publications on your page can have one of three categories:

1. Active, will display normally,
2. Hidden, will not display on your ResearcherPage, but will still be searchable in The Hub,
3. and Selected, will appear in the "Selected Publications" box.

This page opens showing the Active category, **highlighted in gold**.  
You could click on the other categories to show publications in those categories.  
For any particular publication, you can change the category by,

1. **Change Category:** For any publication entry, you may change the category by clicking on the category icon, [A](#), [H](#), [S](#), or [U](#).
2. **Filter:** You may use the Filter to search through your publications.

Please remember to click "**Submit**" after making changes.

Filter: <input type="text"/>

HKU Data

Professor Peiris, Joseph Sriyal Malik <sup>R</sup>

裴偉士

- Chair Professor
- Tam Wah-Ching Professor in Medical Science
- Scientific Director of HKU Pasteur Research Centre

Research Interests:

- Understanding the ecology, epidemiology, pathogenesis and control of animal and human influenza viruses
- Emerging virus disease at the animal-human interface including influenza, coronaviruses, and (in the past) arboviruses
- Pathogenesis
- Virus-tropism
- Innate immune responses to virus infections and clinical disease burden of influenza and other respiratory viruses
- Control of Pandemic and Inter-pandemic Influenza
- He played a key role in the discovery that a novel coronavirus was the cause of SARS

Also Cited As:

**Tel:** 2255 4888  
**Office:** PB 512  
**Dept:** Dept of Microbiology  
**Faculty:** Li Ka Shing Faculty of Medicine
