Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-12294-3>, published online 4 October 2019.

The original version of this Article contained an error in Figure 5c, which incorrectly displayed a region on chromosome 4, rather than the correct region on chromosome 11.

This has been corrected in both the PDF and HTML versions of the Article.
