Grand  
Celebration ...

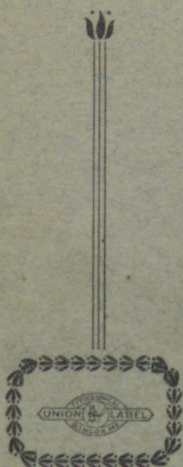

AUSPICES OF

COMBINED .....  
LABOR ORGANIZATIONS

Labor Day

SEPTEMBER FIRST  
NINETEEN HUNDRED  
AND TWO

Bangor, Maine

# LABOR DAY

is the go-between 'twixt summer and fall.

TO-MORROW one should plan, a little at least, for the approach of colder weather.

## The Home....

after the coal bin, should get first consideration. We supply the needs of the season, and have all that is new in HOUSE FURNISHINGS.

### WILL THOSE OLD CARPETS LAST ANOTHER SEASON?

If in doubt, we solicit a visit from you to our Carpet Department where will be found Wools, Cotton and Wools, Tapestries, Velvets and Brussels—also Oil Cloth, Linoleum, and thick, heavy, durable Straw Matting.

### PARLOR OR KITCHEN STOVES

Fitted for wood or for "black diamonds." The stoves are low in price and warranted in every particular to give satisfaction. The Heat question deserves attention. Let us consider the matter with you.

### DINING ROOM FURNITURE

Well chosen and properly arranged gives a tone of welcome to the guests, next only to what is on the table. We have some SIDEBARDS, just in, that are particularly good trades and await inspection from would be purchasers.

### THE IRON BED, in White, or the Steel Couch Bed

are the proper things for those that love rest. We have many new ideas in both.

## Everything for the Home.

Dr. Volk's

Dyspepsia Tablets.

These Tablets give instant relief from distress in the stomach due to dyspepsia, indigestion and catarrh of the stomach; they also remove causes of heartburn and acid-fermentation. They do not act by strongly stimulating the glands secreting the digestive ferments, but digest the food themselves; in so doing they neutralize the causes, resulting in malassimilation of food, by assisting the stomach during an abnormal digestion.

**“IN UNION THERE IS STRENGTH.”**

**T**HERE has always been a strong union between this store and the families of men who “earn their bread by the sweat of their brow”—BECAUSE IT HAS ALWAYS BEEN THE MISSION OF THIS STORE TO FIGHT FOR LOWER PRICES—AND SO SUCCESSFUL HAS IT BEEN THAT AT TIMES IT HAS HAD THE ENTIRE STREET AGAINST IT—

**BUT WHO HAS COME OUT ON TOP?**

---

---

**A Lesson Drawn from a Fable==**

The dog in the fable dropped his meat for the tempting reflection of it in the stream, and lost his dinner—A similar fate is apt to overtake those firms who, in their anxiety to capture the “fine” trade, so called, run the risk of losing what they now possess—the medium class.

---

This is a popular price store, and we're not ashamed to own it.

Our chief mission is to supply the wants of the masses, if possible, **Better than Others**—nor does that mean “cheap” goods—at least not in the invidious sense—but popular goods at small profits—**TRY US.**
